Following this, taps were played by Brother Charles De Land (465).

M:W: Grand Master, Brethren, Ladies, and Guests:

It has long been the custom of our Grand Lodge upon opening its Grand Convocation to pause and pay its respects to those Masons of our number who have passed to their eternal reward during the past year. In this time of remembering and this occasion of honoring these brothers it is right that our Grand Lodge is open to family and friends because we share these deep losses together in the family of Masonry, which includes all our loved ones, the living and the dead. Certainly we share with family and friends the grief, the loss, and the pain as we shared in life the joy, the ecstasy, and the miracles and wonders of life and the living of it. The fellowship lives on, in memories and examples, in bonds too deep to break, in promises too beautiful to deny, and in hope that blooms eternal.

We are reminded of the universality of freemasonry, that we share with all Masons, the living and the dead, the living truth that we are brothers, that we are part of the whole human family, and in truth a part of each other. That this is a permanent fact, inevitably true.

We give thanks to God, the Giver and preserver of life, for the gift of these dear lives, now with Him. The Lord giveth and the Lord taketh away . . . blessed be His Holy Name. We have been privileged to enjoy for a season these brethren and it has been good.

We have all sustained a great loss. We will miss them. In our humanity and honest doubt we do not fully understand yet. But we trust Him whose promises are sure that it is for our best interests we are separated for a time. The belief in immortality is firmly imbedded in the Masonic landmarks. God has not put eternity into our hearts to mock us. We know that the Grand Architect of the Universe has an Eternal Plan for those to whom He has shown such love and mercy.

Then finally, let us let the honored lives of those we love be a guiding light and inspiration for us who remain. The night is far spent, the day is at hand. Let us therefore cast off the works of darkness and put on the armor of light. Let us on this occasion resolve that the principles and tenets so respected by the departed urge us on to higher goals, greater achievements, and unselfish labors for all. Let us carry the torch they have lighted. Let us complete the work they have begun. Many of our brethren held high offices and received public acclaim. Many starred brilliantly in

the game of life. Many lived quiet, modest lives in relative obscurity. All were and are our brothers. None was more important than others; none was unimportant. All shared that equality with us which Masonry honors, agreeing in perfect peace and harmony that he who would be greatest must first be servant of all. One member of the Grand Lodge official family, Right Worshipful Brother Ross E. DeLee, Grand Junior Deacon is among those absent today. Ross was one of a kind, capable and friendly, dependable and energetic. We'll miss him and assure his wife Dovie and his daughter Connie of our love for them and our prayers.

IN MEMORIAM
ROSS ELLZEY DE LEE
October 3, 1909 — October 30, 1981

In the early morning hours on Friday, October 30, 1981 the soul of our beloved Brother Ross Ellzey De Lee answered the summons of the All Father and the spirit of this kind and benevolent man winged its way to his just reward. The truest and finest tribute we can pay to one who has departed is to show that we have been richly rewarded by traveling with him along life's highway. Few men had his real warmth of his friendly spirit and the kindness of his every act caused those who knew him to proclaim him as their friend. His enthusiastic personality which attracted the love of all who knew him enabled him to enter and serve all branches of Masonry. How can he ever be replaced is the thought of all who are left behind to carry on the work he loved so well. When we think of him, we are reminded that man's life is not measured by days and years, but that which he does therein for his fellow man.

We list only a few of the knightly virtues by saying he was a kind, generous, unselfish, faithful to his God, to his family, his fellow man and faithful to his beloved Masonry to a degree seldom reached by mortal man. Of particular interest to our brotherhood was his devotion to Masonry and the perfect purity of the lamb skin during his entire life.

He was raised in Caddo Lodge No. 179, October 6, 1945, affiliated with Martin Mc Clanahan Lodge No. 384 in 1950, which he served as Worshipful Master in 1969. In later years he held dual membership in Cypress Lodge No. 89 and Joppa No. 362.

He served the Masonic Grand Lodge in many capacities, such as appointed line officer several times and on several committee memberships. At the time of his death he was serving on the Appeals and Grievances Committee and as the Grand Junior Deacon. Other offices held were as the Master of the First Masonic District Lodge and as the District Deputy Grand Master of the First Masonic District.

His membership in the Shreveport Scottish Rite Temple began in 1962 and at one time he served and worked in about every division of the Rite. His record shows service as Chairman of the Advisory Conference, Membership Committee, Americanism Committee, Educational Committee, Sick and Visitation Committee, and he also worked on the Reunion Committee, Class Committee and the Music Committee. Served as the head of the three Bodies and was the ranking officer of the 4th at the time of his death. The Supreme Council recognized his good works by electing him in 1971 to be a Knight Commander of the Court of Honour and he was coronated a 33° Inspector General Honorary December 6, 1975.

Other Masonic related organizations have made good use of his time, his talents, and his means. Such as being High Priest of Gibsland Chapter No. 99, R.A.M., Illus. Master of Ish Sodi Council No. 46, R.&S.M., Commander of Ascension Commandery No. 6, K.T., member of Shreveport Chapter No. 10, R.A.M., member of Red Cross of Constantine, Ouachita Conclave, El Karubah Shrine Temple, Knight Crusader of the Cross, Royal Order of Scotland, Knights of the York Cross of Honour, Mithra Grotto, Gentlemen of the Creek, Grand Order of the

Amaranth, Eastern Star, Bossier City Chapter, White Shrine of Jerusalem, Chapter No. 175, Royal Order of Jesters, High Twelve Clubs of Shreveport and Bossier.

In his Civic and Religious life, Brother De Lee was a member of the Bossier City Lions Club and the First United Methodist Church of Bossier City. In his Church he served as a lay reader, member of the administration board, member of the Evangelism Commission, taught Sunday School classes and was active in the Methodist men's club.

Funeral services for Brother De Lee was held in the First United Methodist Church followed by Masonic grave side rites. It was the observation of many that this was the largest Masonic Service ever held in the Shreveport-Bossier Area.

And so today, our religious and Masonic teachings lead us to adopt the comforting thoughts of the poet that our friend and loved companion walks the sunlit fields of a better world. We who knew Ross De Lee best pay final tribute to his life and the beautiful words of Robert Ingersoll spoken at the grave of his brother, "He added to the sum of human joy and where everyone to whom he did some loving service to bring a blossom to his grave, he would sleep tonight beneath the wilderness of flowers."

The Grand Master then presented an arm bouquet of red roses to Mrs. Ross de Lee and she was then escorted to the East, where she made a presentation of a check in the amount of \$1,000.00 from the family of Brother Ross de Lee to Brother Howard M. Sigler, P.G.M., Chairman of the Masonic Home Educational Foundation to be used for the Ross de Lee Scholarship Fund.

ADDRESS OF GRAND MASTER

TO THE OFFICERS AND MEMBERS OF THE MOST WORSHIPFUL
GRAND LODGE OF LOUISIANA, FREE AND ACCEPTED
MASONS:

My Brethren:

It is indeed a privilege and certainly a pleasure to welcome each of you to the 171st Annual Grand Communication of your Grand Lodge. This is the second time that Monroe, the Pacemaker City, has had the honor of hosting the Grand Lodge of Louisiana and it is our hope that your visit here will be a pleasant and enjoyable one.

To each brother here assembled I bid you a hearty welcome and extend to each the hand of fraternal friendship. You are the heart, mind and soul of Masonry and on your shoulder rests, to a great extent, the future of Freemasonry in Louisiana.

You are cordially invited and urged to participate in the affairs and decisions of this annual communication. Yours is an awesome responsibility. Your decisions must be seriously and judiciously made without regard to self-satisfaction or personal interests, but to those judgment which in your opinion will best serve this great fraternity of ours in the years to come. Your active participation in the Grand Lodge Session is paramount to its success or failure. I have complete faith that you will think and act only in the best interest of our fraternity.

With all humility, I accepted the great honor bestowed on me last February with the hope that I might be able to contribute something to this great fraternity which has meant so much to me.

I shall never cease to be grateful for the honor and privilege accorded me, that of serving as Grand Master of Masons in Louisiana, an honor accorded to only 115 of our Brethren since 1812.

My term has been wonderful in so many ways. I shall always remember the pleasant hours of fellowship and the friendships I have enjoyed while traveling over our State and for this I will be forever grateful.

Very special greetings and thanks go to our Past Grand Masters. The record of accomplishments of each of you will continue to be a challenging goal to maintain. Your help, words of encouragement, guidance and advice has been appreciated, but most of all your friendship has and will always mean much to me.

To the distinguished guests from our sister Grand Jurisdictions we extend fraternal greetings and a most sincere welcome. You honor us with your presence. We hope you will find Southern hospitality at its best and when you return home you will have many fond memories of your visit to Monroe and the Annual Communication of the Grand Lodge of Louisiana.

Our Constitution requires that the Grand Master make a report of his activities at the Annual Communication and the following report is fraternally submitted.

NECROLOGY

The Grand Lodge family was deeply saddened in 1981 with the passing of our beloved Grand Junior Deacon, Worshipful Brother Ross Elzey De Lee on October 30, 1981. Funeral services were conducted at the First Methodist Church of Bossier City on November 2, 1981 and burial was in Hillcrest Cemetery with a beautiful Masonic Service conducted by W: Brother Virgil Roby Aubrey. All of the Grand Lodge family were in attendance along with a host of his Masonic Brethren from all over the State. Brother De Lee was a tireless worker for Masonry and he will be sorely missed by all who were privileged to know him. Our deepest sympathy goes to his dear wife Dovie and his family.

We also mourn the passing of the many of our brethren who have left this earthly abode to dwell forever in that Perfect Lodge Above. We thank God for what each meant to our fraternity and our deepest sympathy goes out to their families.

Appropriate services will be conducted by our Necrology Committee in memory of our dear departed brethren.

STATE OF THE ORDER

It has been my privilege to visit in all parts of our great State this year and I am happy to report that our fraternity is in good condition. I have been most pleased with the level of activities in many of our Lodges and their competence in the esoteric work. This is not to say that there is still not a lot to be done, but I feel that definite progress is being made. I have been impressed with the number and quality of many young men who are petitioning for the degrees in Masonry and I would urge the Lodges to put

these men to work. We have endeavored to continue the programs begun by M:W: Past Grand Master Robert L. Kleinpeter and your Grand Lodge Officers are committed to continuing these excellent programs in the future.

I have attempted to reduce our losses through N.P.D. by calling to the attention of the Lodges the requirement in our law that due inquiry be made into a brother's financial, mental and physical condition prior to any action on suspension. In those cases that are found to be deserving, we should extend Masonic Charity as required.

Our State is unique in that we have ten Lodges in New Orleans which comprise the Sixteenth Masonic District and utilize the Scottish Rite Ritual. This District has made great progress this year under the able direction of D.D.G.M., R:W: Brother Larry Hinyup and are to be commended for their activities. I also wish to express my appreciation to these Brethren for conferring the Entered Apprentice Degree utilizing the Scottish Rite Ritual during the 1981 Imperial Council Session of the A.A.O.N.M.S. held in New Orleans in July. This was attended by many visiting brethren and evoked many favorable comments.

I am happy to report that during the year, we were able to bring into being the Louisiana Masonic Coordinating Cabinet, which was suggested by M:W: P.G.M. D. Walter Jessen. This organization is composed of the elected Grand Lodge Officers and the heads and ranking officers of all the appendant bodies including the York and Scottish Rite, Shrine Temples, Grottoes and all other Masonic related bodies in our State. The first meeting was held on August 15 in Alexandria and a subsequent meeting was held on November 8th also in Alexandria. The cabinet will hold three meetings a year and a fourth in connection with the Annual Communication. I feel that this organization will be a real asset to Masonry and allow us to draw on the strength and leadership that we have available to develop a coordinated effort directed towards working together to solve problems that are common to all our Bodies. Your Grand Lodge Officers as well as the leaders of the appendant bodies are dedicated to making this organization work and I commend them for their support and effort in this regard. Masonry in our State will be the better for it.

In concluding this portion of my report, I would like to bring to your attention the fact that Louisiana Masonry has been signally honored this year by having five of our Brethren heading or in the line of five National Masonic Organizations. M:W: Brother A. J. Lewis, P.G.M. is the General Grand High Priest of the General

Grand Chapter, Royal Arch Masons International; W: Brother Voris King is First Ceremonial Master, A.A.O.N.M.S.; Brother Everett Newman is Most Worthy Grand Patron, O.E.S.; Brother Don La Barre is Grand Monarch, M.O.V.P.E.R. and Brother Glen H. Butler, just concluded a two year term as President of the Masonic Relief Assn. of the U.S. and Canada. We salute these brethren and appreciate the honor they have brought to Masonry in Louisiana.

DISTRICT DEPUTY GRAND MASTERS

I wish to express my appreciation to the nineteen brethren who have served as District Deputy Grand Masters during 1982. They have worked to further Masonry in their Districts and have done much to build our Fraternity. I have called upon several for special services during the year and in every case, they have performed the services requested.

On behalf of your Grand Master and the Grand Lodge, I say "thank you for a job well done".

GRAND LECTURERS

There is no way that we can adequately express our appreciation to the two dedicated Brothers who have served our Fraternity for so many years as our Grand Lecturers. R:W: Brother Junius B. Sharp has served for 34 years and R:W: Brother S. Archie Evans for 20 years. They have travelled countless miles in carrying out their tasks and deserve the commendation of all of the Brethren in this state for their selfless devotion to Masonry.

I have attempted to assist them this year, by requesting Lodges to meet together in those areas where it was feasible, and I appreciate the Lodges which did this.

The incoming Grand Master has a program, which I heartily endorse which will be directed toward assisting our Grand Lecturers and the Lodges in improving their work.

I, as Grand Master, wish to thank them for the invaluable assistance they have given me this year and I will be forever grateful.

MASONIC HOME FOR CHILDREN

Our Masonic Home for Children in Alexandria continues to be

the "brightest jewel in our Masonic Crown".

The Grand Master's Homecoming on Sunday, May 17, 1981 was a great success with one of the largest crowds to attend this annual event. I wish to thank Brother Eugene Love, Chairman of the Grand Master's Homecoming Committee for an excellent job. The Watchmen's Quartet of West Monroe brought an excellent musical program and an inspiring message was delivered by Brother Wayne Gray of Monroe. My thanks to all who make this program so successful.

The Eastern Star Homecoming was held on September 20, 1981 and again a very large crowd was present and an excellent program was presented. We appreciated the support that this fine organization of dedicated sisters and brethren have given to the Home over the years and it is a pleasure to take this means of acknowledging the same.

I wish to express to Brother Harold Moye, our capable and dedicated Superintendent, and his excellent staff our appreciation for a "job well done" in caring for our children.

The Board of Trustees who are charged with the responsibility of administering the affairs of the Home have done their usual excellent job. Special recognition should be given to M:W: Brother Howard M. Sigler, P.G.M. Chairman and M:W: Brother Elmer I. Gibson, P.G.M., Secretary who spend considerable hours at the Home overseeing its operation. These brothers and the others who served on the Board, serve without any compensation or expenses and are deserving of the commendation of the Brethren.

The "Penny A Day" program continues to increase and I would urge each Lodge to add a request for this voluntary contribution in their annual dues notices and publicize the program in their Lodge.

The Grand Master's Christmas Party which was held on December 12, 1981 was again a great success. My thanks and appreciation and that of our children go out to all of you who contributed to the success of this event. Brethren, I wish you could all see the faces of the children when their gifts were passed out. Try to be present next year, you will feel better for having been a part of this event.

In closing, let me again extend an invitation to each of you to visit your Home during the coming year. It will make you proud to be a Mason.

MASONIC HOME EDUCATIONAL FOUNDATION

The Masonic Home Educational Foundation has again assisted a number of young men and women in securing a college education. This fund is derived from the investments from voluntary contributions from the Masons and friends in our State and is capably administered by a Board of Trustees, who served without any form of remuneration.

Brother Milton Schiltz has served as chairman of the committee to secure contributions to the fund for many years and is to be commended for his work in this worthy cause. A letter was sent out this year by your Grand Master and Brother Schiltz and we express our appreciation for your response.

Information regarding this program can be secured from Brother Harold Moye, Superintendent of the Masonic Home. A full report of the activities of the Foundation can be found in the proceedings.

MASONIC HOME ENDOWMENT FUND

This fund was begun by M:W: Brother E. R. Minchew, P.G.M. and has continued to grow since that time through the voluntary contributions of the Masons of this State. The interest derived from the investment of this fund is used to supplement the contributions made by each Mason in our State and is used in the operation and maintenance of the Home. In these days of rising costs and inflation, the funds derived from this source have and will continue to be of great assistance in providing the type facility that we all desire. Your continued support of this worthy endeavor is earnestly solicited.

MASONIC EDUCATION

Brother Thomas Wilson, Chairman of the Masonic Education Committee, and the members of his committee have continued to do an excellent job and they are to be congratulated. The achievement award so capably administered continues to grow and the program of Masonic Education provided by your Grand Lodge is still copied in other Grand Jurisdictions. I have a recommendation in connection with this program which I feel will

help to improve it and this will be presented at the conclusion of this report.

HIGH SCHOOL AWARDS PROGRAM

Brother D. L. Aldridge as Chairman of this program and his committee has again done an excellent job. The program is continuing to grow and the Lodges which participated in this program are enthusiastic in support of it. It provides an excellent public relations opportunity and when properly handled will add much to the image of Masonry and allow us to honor our youth and make them aware of what Masonry is and what it has to offer. To these Lodges which are presently using this program, we request your continued participation and to those who have not yet made use of it, let me recommend it for your special consideration.

MASONIC TEMPLE BUILDING

The Grand Lodge Hall Board which administers the affairs of our Building, the Executive Committee and Brother August Lentz, our Building Manager, are to be commended for an excellent job. Their report will be included in the Grand Lodge Proceedings.

The Building was inspected by the State Fire Marshal earlier in the year and several deficiencies were found. The Board and the Executive Committee are in the process of implementing these recommendations in order to bring the Building into compliance with the code.

R:W: Brother John Trask is also to be commended on the excellent job he has done as administrator of our Masonic Cemetery we are in the black with our cemetery as a result of the new Mausoleum that has been constructed and the excellent management program he has instituted.

ANNUAL CONFERENCE OF GRAND MASTERS

I was privileged to attend the Annual Conference of Grand Masters of Masons in North America which was held at the Sheraton Twin Towers in Orlando, Florida on February 15-18,

1981. Also attending the meeting were our D.G.M., Thomas T. Elkins, G.S.W. James H. King, G.J.W. James M. Walley and G. S. Delwin P. Laguens. A number of interesting programs were presented and felt to be of benefit. R:W: Brother Thomas T. Elkins, D.G.M. was elected to the Time and Place Committee to select the site for future meetings.

SOUTHEASTERN MASONIC CONFERENCE

The Southeastern Masonic Conference was held in Louisville, Kentucky on August 6-8, 1981. Your Grand Master and your Grand Senior Warden were to have presented papers at this meeting, however, due to the cancellation of air travel due to the PATCO situation, your Grand Master, D.G.M. and G.S.W. were unable to attend due to lack of transportation. We were ably represented by our Grand Junior Warden, R:W: Brother James M. Walley and Grand Secretary, R:W: Brother Delwin P. Laguens, and also W: Brother Ray Burgess, Grand Standard Bearer, M:W: Brother Dr. E. R. Minchew, P.G.M., M:W: Brother Fred H. Raiford, Jr., P.G.M., Brother Thomas Wilson, Chairman of Masonic Education Committee, Malcolm Ballard, Grand Photographer, and Brother N. J. Sebastian, Grand Senior Deacon. These brethren journeyed to Louisville by auto and avoided the problems encountered by us.

SPECIAL EVENTS

Louisiana and New Orleans specifically were honored to host the meeting of two International Masonically related organizations during the year.

The 107th Imperial Session of the A.A.O.N.M.S. was held in New Orleans on July 12-17, 1981. Over 40,000 of our Brethren from all over the United States, Canada and Mexico were in attendance at this event and it was said to be the finest Session in the history of the Shrine. Your Grand Master and other Grand Lodge officers were in attendance and I wish to express my sincere appreciation for their hospitality. Nothing was overlooked to make this a most enjoyable meeting. To my knowledge, not one untoward event occurred during the week to mar the Session. Brother A. J. Mura, Potentate of Jerusalem Temple and Brother Joe

Vita, Director General of the Session, together with their committees are to be commended for their tireless work in connection with this event.

New Orleans again was the host City for the Biennial Meeting of the Masonic Relief Association of the United States and Canada on September 24-26, 1981. This meeting was attended by Brethren from all over the United States and Canada and was ably hosted and presided over by its President W: Brother Glen H. Butler. This meeting was attended by all the Grand Lodge officers and several Past Grand Masters. On behalf of all the officers, I wish to express my appreciation for the wonderful hospitality extended to us at that meeting.

It was an honor for Louisiana to host both of these meetings and I feel that they have done much to improve the image of Masonry with the public.

RECOMMENDATIONS

1. GRAND LODGE PROCEEDINGS -

The cost of printing our Proceedings has continued to escalate and in an attempt to reduce the cost, we did not reprint the Directory in this year's Proceedings as has been done in the past; however, we still exceeded our budget amount. I therefore recommend to the incoming Grand Master that he appoint a committee to make a study of our Proceedings with a view to reducing the size and cost without sacrificing the information which is felt to be necessary.

2. ACHIEVEMENT AWARD PROGRAM -

Over the past few years, I have given considerable thought to our Achievement Award Program and the following recommendation is directed to the incoming Grand Master and the Committee of Masonic Education for their consideration.

Under our present criteria, if a Lodge does not have its three principal officers at the Grand Lodge Session, this definitely reduces the incentive to complete the other requirements for the award. I feel that the program would be better served by placing the attendance requirement last, thereby giving the Lodges the opportunity to complete the other requirements and would give an additional incentive for the officers to attend the Session and thereby qualify for the award.

I would also recommend that the Plaques be presented by a

Grand Lodge Officer in a District Lodge meeting or possibly a special open District meeting following Grand Lodge. This would allow for more individual recognition than is presently possible at the Grand Lodge Session and would stimulate more interest and competition between Lodges in each District to qualify.

Should these changes be adopted, FOR THIS YEAR (1982) ONLY, any Lodge who had its principal officers this session would be deemed to have met the attendance requirement. Those Lodges who did not have their officers present at this session could still qualify by completing all of the requirements and having their officers present for the 1983 Session in Alexandria.

I feel that these changes, together with the resolution adopted in 1982 would tend to strengthen the program and result in increased participation by the Lodges.

REMEDIAL ACTIONS AND RULINGS

By letter dated June 24, 1981 your Grand Master ordered Moss Bluff Lodge No. 462 to nullify the membership of James Rudy Bozeman, since he made false statement on his petition for Degrees in Masonry. This action was in accordance with Article VI, page 30, General Regulations of the Grand Lodge.

By letter dated August 28, 1981, your Grand Master ordered Lake Charles Lodge No. 165 to nullify the membership of Darrell Greenup, who received the E. A. Degree and who had falsified on his petition. This action was in accordance with Article VI, page 30, General Regulations of the Grand Lodge.

By letter dated September 22, 1981 your Grand Master granted consent for Charles Ronald Provost, who is on active duty in the U.S. Army at Fort Leonard Wood, Missouri, and who is a resident of Bogalusa, to allow Waynesville Lodge No. 375 to receive the petition for degrees. They required a letter from your Grand Master as well as the Lodge in Bogalusa before proceeding with the petition.

On January 4, 1982 I wrote to the secretary of Lake Charles Lodge No. 165 in reference to the petition he had received from a Greek Student, who received his E.A. degree in Greece and who was under 21 years of age. Waiver of jurisdiction was granted by the Grand Lodge of Greece for him to continue his degree work in Lake Charles Lodge.

I ruled that since the candidate is under 21 years of age, he

could not proceed with his degree work in Lake Charles Lodge even though he was initiated in Greece prior to that age. I quoted from our Handbook of Masonic Law, General Regulations, Article VI, page 28. I told them he will have to wait until he becomes 21 years of age before proceeding with his degree work and that he will have to repetition at the time he becomes of age. I also advised them that legally he can visit that Lodge when they were having an E.A. degree.

By letter dated January 4, 1982 your Grand Master granted consent for Willis Doyle Hale, who is on active duty in the U.S. Army at Fort Leonard, Missouri, and who is a resident of Farmerville, to allow Wayneville Lodge No. 375 to receive the petition for degrees. They required a letter from your Grand Master as well as the Lodge in Farmerville before proceeding with the petition.

VISITS TO OTHER JURISDICTIONS

Your Grand Master accompanied by R:W: Brother Thomas T. Elkins, D.G.M., had the pleasure of attending the 250th Annual Celebration of the Grand Lodge of Pennsylvania June 23-27, 1981. An outstanding program of events were provided and to say that we enjoyed it is the understatement of the year. We were treated royally during our stay and shall be forever grateful for their wonderful hospitality.

Many other invitations to visit were extended to your Grand Master, but due to the press of other activities, I was unable to accept. We were represented at the Grand Lodge of Kentucky by R:W: Brother James H. King and at the Grand Lodge of Maryland by R:W: Brother Thomas T. Elkins, D.G.M. and both of these meetings were very rewarding.

CONCLUSION

Brethren I have attempted in this report, to give you an account of my stewardship in 1981 and I hope that it will meet with your approval; however, none of this would have been possible without the help, assistance and advice of a group of truly dedicated people, our Grand Secretary, Delwin P. Laguens, and his Grand Lodge Office Staff. I will never be able to express my

thanks and appreciation to them, Mrs. Anna Bel Kelley, Mrs. Gail Camus, Mrs. Marian Rosenzweig, and Brother Dave Walsdorf. These are the ones who make it all happen and they are entitled to your greatest commendation.

I do not have the words to express my love and appreciation to the finest group of dedicated Masons I know, my appointed officers, who have served with me this year. These Brethren have traveled with me over the State, have given me support in all endeavors and for this, I will be forever grateful and hopefully I will be able in the future to in some way return what they have given me this year.

To M:W: Brother Dr. T. Scott Strickland, P.G.M., General Chairman for the Session and all those who worked so hard to make the arrangements for this session, I say thank you.

To R:W: Brother Thomas T. Elkins, D.G.M., R:W: Brother James H. King, G.S.W., and to R:W: Brother James M. Walley, G.J.W., your support, advice and counsel, together with your friendship is something I will forever cherish. These Brethren have supported me in all of my activities this year, have filled in for me in meetings that I was unable to attend, either because of time or health, and for this I will be forever grateful. In closing, to each of you brethren, thank you again for allowing me to serve you this year.

PROCEEDINGS

The Proceedings were mailed out the last week of November. We will continue to try for an earlier printing next year.

SOUTHEASTERN MASONIC CONFERENCE

The Southeastern Masonic Conference was held in Louisville, Kentucky with the Grand Lodge of Kentucky as the host Grand Lodge and many of our officers attended, namely, our R:W: Grand Junior Warden James M. Walley, Brother Ray W. Burgess, our Grand Standard Bearer, Brother N. J. Sebastian, Grand Senior Deacon, along with Past Grand Masters, E. R. Minchew, Fred H. Raiford, Jr., plus the chairman of the Masonic Education Committee, Brother Thomas A. Wilson, with Bobby F. Dowden, Master of W. H. Booth Lodge No. 380 in Shreveport, and Malcolm A. Ballard, Grand Photographer, and yours truly Delwin P. Laguens, Grand Secretary.

COMMISSION CARDS AND CERTIFICATES

Commission cards and certificates are authorized to be issued to all elected and appointed officers as well as committeemen and holders of proficiency certificates, indicating their election or appointment as such. This was done in the early part of the year.

TWENTY-FIVE AND FIFTY YEAR CERTIFICATES

The Grand Lodge is authorized to issued twenty-five and fifty year membership certificates to all members in good standing in Lodges of our jurisdiction, when they have attained twenty-five or fifty years accumulative, but not necessarily continuous good standing in the Masonic Fraternity. No such certificate will be predated to permit premature presentation. These certificates are prepared by the Grand Lodge Office, based on the computer run, which we receive and issue to the various Lodges. This past year we prepared 144 fifty year certificates and 1,145 twenty-five year certificates.

CENTENNIAL PLAQUES

There were no centennial plaques issued this year.

DATA PROCESSING

Our computer system is working quite well. The majority of our programs that have been written have given us very reliable reports throughout the year.

The coding of monthly reports and the delays in sending in the same by the Secretaries continues to be the heaviest workload for our office. It is essential that Lodge Officers also take an interest in seeing that these reports are submitted on time so that we can correct the machine produced rosters sent to each Lodge in January of each year.

Lists of suspensions and expulsions are sent to each Lodge in the Sate for their review. It also is a way for Secretaries to double check with our records as to the information we have in our computer.

We have developed a program, in previous years, which provides a machine listing to each Secretary, which shows all entries in the system made by the Secretary or by the Grand Lodge, showing the initiated, passed and raised by name, the 50 year certificate holders by name, death, affiliation and the like. The list provides an excellent check for Secretaries records and makes it easier to proof dues, fees and assessments owed by the Lodge or owed by the Grand Lodge for overpayments.

In order for dues cards to show P.M., Sr., Jr. or Ill in the proper place, it will be necessary for the Secretary of each Lodge to go through his own roster and make the corrections on a "Correction or Change of Name" form. This way, when the dues cards are prepared this information will appear in the right place on the card, after the name.

It would be a tremendous help if all Secretaries would make a special effort to review their rosters and send them back to us with all corrections. We hope everyone will understand and will help us to improve our programming.

TAXES

FORM 990 - ANNUAL INFORMATION RETURN

All Lodges are reminded that the Grand Lodge of the State of Louisiana, F. & A.M. and its constituent Lodges are exempt from the payment of income tax. However, under the provisions of the tax reform act of 1969, Lodges are now required to file annual information return form No. 990, "Return of Organization Exempt from Income Tax". Since the enactment of the tax reform act of 1969, the IRS now considers this transition period to be over, and the penalties for failure to file Form 990 on the required due date, which is May 15, 1982 is \$10.00 per day for each day the report is late up to a maximum of \$5,000.00. Lodges with gross receipts of less than \$10,000.00 may simply state on the face of Form No. 990: Gross Receipts less than \$10,000.00. Lodges with \$10,000.00 or more in gross receipts, must complete the report, although they will not pay taxes. The Gross Receipts tax includes all income from every source, including dues, degree fees, rents, royalties, interest, dividends, donation, and building fund contribution. The May 15th due date is for Lodges using calendar year accounting periods, that is January 1st through December 31st inclusive. All of our Lodges in this state use this period. The IRS does not

automatically mail forms to the Lodges. It is the responsibility of the Lodge to secure form and prepare and send it. Generally, after one form No. 990 is filed, a form is automatically mailed to the Lodge each year. Returns should be mailed to the Internal Revenue Service Center, 11601 Roosevelt Blvd., Philadelphia, Pa. 19155. Our Lodges are exempt from tax under Section 501 (C) (10) of the Internal Revenue Code.

In addition to the above, the G.E.N. or Group Exemption Number of the Grand Lodge is 0144 and should be shown on any of the form 990's completed by the Lodge.

The original group exemption Letter was dated October 5, 1940.

EMPLOYMENT TAXES

Exemption from income tax does not relieve the Lodge from liability for Social Security Taxes or other applicable employment taxes as required.

Smaller Lodges who employ a Secretary not in a full time capacity and who either remit his dues and/or pay him a token salary would not generally be liable for employment taxes, unless such salary is \$50 or more in a calendar quarter.

Larger Lodges employing a Secretary at a larger salary are liable for Social Security on his wages. Such taxes should be forwarded to the Internal Revenue Service each Quarter on Form 941. Federal Unemployment Tax and State Employment Tax must also be paid on full time Secretaries. In years prior to 1972, employers for 20 weeks. Beginning in 1972, employers with 1 employee for 20 weeks were liable. For this purpose, one day in a week constitutes a full week.

You are reminded that social security taxes have increased from 6.65 percent to 6.70 percent. In addition, federal unemployment tax is .7 percent and state unemployment tax rate should be furnished by the State office. This is in effect January 1, 1982 and should be taken into consideration by all secretaries.

STATE AND LOCAL SALES TAX

Lodges are not exempt from payment of State and Local Sales Tax on their purchases. Lodge do not collect any taxes or make any reports concerning sales tax, however exemption from

income tax does not apply to sales tax.

HANDBOOK OF MASONIC LAW

The revisions for 1981 were published as approved. Each Constituent Lodge and Grand Lodge officers received a copy and many individuals have purchased same. They are available from our Masonic Service Committee for \$.10, plus postage. If a complete book is purchased, there is no charge for the insert. This year we had the revision printed with an adhesive backing, which eliminated the substitution of pages as in the past.

MASONIC DIRECTORY

The annual Masonic Directory was published and will continue to be published in the future. It contains the list of Lodges in various arrangements for reference purposes. The names, addresses, and phone numbers of Masters and Secretaries, plus meeting nights and location; officer list, directs and the Committee and Boards of the Grand Lodge. One copy is furnished initially to Lodges and additional copies may be purchased for \$2.00 plus postage.

The Lodge Secretary and Worshipful Master should review the line entry for his own Lodge and be assured we have printed it correctly. Remember this information comes from your Roster of Officers, which you submit at the beginning of the year.

APPRECIATION

I wish to again extend my appreciation to the ladies who work in the Grand Lodge office and our wonderful bookkeeper, Brother David Walsdorf for the fine service they render to our Grand Lodge. I also extend my thanks to the committeemen and officers of the Grand Lodge for their assistance and cooperation during the year.

CONCLUSION

All accounts have been audited by the firm of Hartman, Aly,

Monier and Co., Certified Public Accountants and report will be made a part of the proceedings.

To the Lodge Secretaries I offer my heartfelt thanks. As always, you are the ones who make my job easier, because of your cooperation and unselfish devotion to our Craft.

My thanks to all the Brethren for the opportunity to serve you as your Grand Secretary. It is a most interesting and challenging position. One which I regard highly, and with great respect and trust.

Fraternally submitted,
Delwin Peter Laguens
Grand Secretary

(Received and ordered printed in the Proceedings).

PROCEEDINGS OF THE GRAND LODGE

RESOLUTION NO. 4-1982

RESOLUTION TO THE GRAND LODGE OF THE STATE OF LOUISIANA

WHEREAS, Most Lodges in the State of Louisiana are having financial difficulties in meeting their obligations to pay high insurance premiums for coverage on their Lodges,

WHEREAS, A Study has been made by the Grand Lodge Committee appointed to study the insurance problems for Lodge Buildings and no solution has been found for these problems of increased premiums,

WHEREAS, Masonry teaches Brotherly Love and this is best taught by example rather than by precept. It also teaches us to be a good neighbor and help those who need a helping hand,

WHEREAS, Lodges could join together in a mutual effort to alleviate the high insurance cost and at the same time help one another by—Each Lodge would contribute \$5.00 per member based on the membership roll at the end of the Masonic Year. In most Lodges, this would be less per capita than the Lodge is now paying at the present for insurance premiums to cover the loss of a Lodge Building,

WHEREAS, Based on the present enrollment in the State (44,000) this would yield \$220,000.00. This annual contribution could be placed in interest-bearing certificates to accumulate until needed. When the total reached \$2,000,000.00 the contribution could be reduced to \$3.00 per member. The fund would be under the supervision of the Grand Lodge Hall Board,

WHEREAS, It would be almost impossible to establish a value on each Lodge building, a Lodge suffering loss of their building would be paid at a rate of \$1,000.00 per member on roll at the time of loss toward the construction of a new building. (Example: A Lodge with 80 members would receive \$80,000.00),

WHEREAS, A Lodge not wishing to participate in the program could notify the Grand Lodge in writing by January 1st of each year,

AND, WHEREAS, A special committee of the Grand Lodge Hall Board could be appointed to work out the minute details of the insurance coverage,

THEREFORE, BE IT RESOLVED, That a Trust Fund be established to help Lodges build a new facility in the event they suffer a loss by fire, wind, water or other causes.

**ANNUAL REPORT OF THE BOARD OF TRUSTEES OF
THE MASONIC HOME FOR CHILDREN**

We have had a very good year at the Masonic Home for Children and the Masonic Home Educational Foundation. The attitude of the Masons and others toward both programs seems to be very good. Your support for both programs has been very good.

We have been in the process of re-finishing the kitchen and dining room areas. This project will be completed very soon and will make this area much more attractive and will also meet needed improvements.

We will have two children from the Home graduating from High School this year--- one boy and one girl. They both plan to attend college. We will pay for their college expenses through the Masonic Home Educational Foundation.

The auditor's report was not available at the time of printing this report. However, it will be included and printed in the annual proceedings of this Grand Lodge Session. On the pages that follow you will find some interesting information about the Home and this Year's activities.

The Board of Trustees would like to express our appreciation for your support for the Home.

Fraternally submitted,

Howard M. Sigler
Howard M. Sigler, P.G.M., Chairman
Board of Trustees

**REPORT OF THE MASONIC LAW
AND JURISPRUDENCE COMMITTEE**

Brother Downs, P.G.M., Chairman, Masonic Law and Jurisprudence Committee, reported on the By-Laws Disapproved of Bayou Lacombe Lodge No. 459 in which they had voted to require elected officers to be citizens of the U.S. The Grand Master was correct in ruling them disapproved under our present law as is. We your committee make this recommendation that his action be sustained, but since there is a strong feeling throughout the State, that the Lodge be allowed to pass by proper resolution without bothering to change the By-Laws, that all their elected officers be citizens of the U.S. The recommendation of the Masonic Law and Jurisprudence Committee was approved.

M:W: Grand Master and Brethren:

We, the Masonic Law and Jurisprudence Committee, report as follows:

Relative to those portions of the Grand Master's Address referred to this committee, namely:

- Appointments during the Year
- Building plans approved
- By-Laws Approved-Disapproved
- Dispensations Granted
- Duplicate Charters
- Official acts
- Permissions Granted
- Recommendations
- Rulings
- Remedial Actions

are all in accordance with Masonic Law and are approved. With reference to the disapproval of the charge of Bayou Lacombe's By-Laws and we recommend that Lodges be allowed to determine by resolution that its elected officers must be citizens of the United States if it is deemed advisable by the Lodge.

PART II

Relative to the Resolutions submitted, we make the following report:

RESOLUTION NO. 1-1982:

This resolution would restrict the Grand Master in exercising his discretion in parliamentary procedure and would greatly increase the time required to handle the business of the Grand Lodge. This committee believes that Grand Masters will continue to exercise due caution in determining the kind of vote to be taken. We recommend disapproval of this resolution.

RESOLUTION NO. 2-1982:

This resolution would require the members attend a minimum of three Lodge meetings per year. We believe that if the programs and activities of the Lodge do not cause a Brother to attend meetings, he can not be forced to attend under penalty of losing membership. We recommend disapproval of this resolution.

RESOLUTION NO. 3-1982:

The law now provides that Grand Lodge dues and assessments be paid on all members borne on the role during the year except 50 year members. This is the

basis which the Board of Budget and Control prepares annual budgets. We recommend that this resolution be disapproved and suggest that Lodges extend this charity through the use of the Charities and Benevolences Funds.

RESOLUTION NO. 4-1982:

This resolution would provide that the Grand Lodge become an Insurance Agent which is not legal under Louisiana Insurance Laws according to our Grand Lodge attorney. We recommend disapproval of this resolution.

RESOLUTION NO. 5-1982:

This resolution would transfer the authority to determine the place of convening the annual communication from the Grand Lodge to the Grand Master. The present system poses no hardship on preparations for Annual Meetings. We recommend disapproval of this resolution.

Fraternally,

 Vice-Chairman

 Robert L. Kleinpeter, P.G.M.
 A. G. Seale

The recommendation of the Masonic Law and Jurisprudence Committee was approved.

Brother Clifford Bradley, P.M. (271) referred to page 74 regarding Brother Archie Evans' desire that his name not be placed for nomination for reelection. He submitted the following resolution:

TO THE GRAND LODGE OF THE STATE OF LOUISIANA, F. & A.M.

WHEREAS, Steven Archie Evans has served this Grand Lodge as Grand Lecturer for more than 20 years and

WHEREAS, he has unselfishly dedicated his time, his talents, and his resources in furthering the principles of our Fraternity, and

WHEREAS, by his own free will, he asked that he be allowed to retire on his 80th birthday,

NOW THEREFORE BE IT RESOLVED, That this Grand Lodge in regular Session convened honor him by making him Grand Lecturer, Emeritus,

Respectfully submitted,
 Clifford A. Bradley, P.M.,
 De Ridder 271
 Joseph A. D. Loftin, P.M.,
 De Ridder 271

The resolution was approved and Brother Evans was made Grand Lecturer Emeritus. He responded to this and thanked the brethren. He was given a standing ovation.

SERVICE COMMITTEE

Your Service Committee wishes to express gratitude to the officers and members of the Constituent Lodges in our grand jurisdiction. Your cooperation has made our job most enjoyable. Our sales have continued to grow especially our walk-in trade.

We are still battling inflation, but have been able to keep prices reasonable by quantity buying.

Every effort is being made to keep a proper inventory. Most of the Lodge supplies are in stock at all times and we can make quick delivery. Only on special orders do we require more time.

Quite a number of the Lodges are not keeping a current copy of the "List of Lodges". We have been keeping a sufficient number on hand for all the Lodges in our Grand Jurisdiction and have well over a hundred left each year because the Lodges are not keeping a current copy on hand.

We hope the Lodges will correct this oversight.

I would like to express my gratitude for the dedication and devotion of Rose Mary Wilson and Mary Gail Black, and a special thanks to W: Brother James D. Mc Kno, P.M. of Level Lodge No. 373, who has dedicated many hours to the Service Committee, and also the remainder of the committee. It is indeed a working committee. Their contribution to the success of the Service Committee is immeasurable.

Fraternally yours,

Pat Hawkins

OPENING PRAYER:

The opening prayer was given by Brother Ben F. Reeves.

MINUTES OF PREVIOUS MEETINGS:

The minutes of the Grand Lodge Hall Board meetings of October 31, 1981 held in the Board Room of the Masonic Temple Building in New Orleans, La. was approved as mailed.

MINUTES OF EXECUTIVE COMMITTEE:

The minutes of the Executive Committee meetings of November, December and January were approved as mailed and distributed.

REPORT OF EXECUTIVE COMMITTEE CHAIRMAN:

Brother Eugene Wagner, P.M., Chairman, reported that we had a good year with the Masonic Temple Building and that the financial condition of the Temple was in excellent condition. We had a \$191,900 profit as of January 31, 1982. The Temple was 95% occupied. The money due the Masonic Home for Children, The Board of Charities and Benevolences, and the R.O.I. Fund have been paid.

In reference to the Mausoleums in Masonic Cemetery #2, there is only one space left to be sold. In regards to the Mausoleum proposed for Cemetery #1, sales have progressed so well plans are in the making for a new masoleum in Cemetery #1.

The Cemetery had a \$15,000.00 profit and recommended that a portion of the profit be placed in the Endowment Fund for the cemetery. On motion, the Hall Board left the amount to be placed in the endowment fund to the decision of the Executive Committee.

Brother Wagner also recommended that there was a \$71,000.00 profit over and above the Budget of \$120,000.00, and that this \$71,000.00 be placed in the R.O.I. fund. On motion, it was approved.

Brother Wagner then presented the budget for the Masonic Temple Building recommended by the Executive Committee. It was received and approved by the Hall Board.

Brother Wagner then presented the Budget for the Masonic Cemeteries, which was received by the Hall Board.

The Board then complimented Brother John B. Trask, G.T. for the fine job he is doing with our cemeteries.

Brother Wagner reported that Heff & Co., Engineers who were hired to check on deficiencies cited by the City of New Orleans Fire Department have just submitted a report to the Building Manger. However, he has not had time to study it. However, he assures us that there is nothing in the report that has to be done immediately.

PROCEEDINGS OF THE GRAND LODGE

Brother Wagner reported on modifications necessary on rest room facilities to accommodate the handicapped for one of our tenants.

After some discussion, the following motion was offered by Brother Robert L. Kleinpeter and seconded by Brother Fred H. Raiford, Jr., P.G.M., that the Executive Committee resolve the problems of the rest room facilities to the best of the ability. Passed.

Brother Wagner also reported that we received a request for a pay raise from our three building engineers. The Building Manager recommended that we give then a \$600.00 bonus or a 5% raise in pay. After some discussion, the following motion was offered by Brother Robert L. Kleinpeter, P.G.M. and seconded by Brother Fred H. Raiford, Jr., P.G.M., that the Grand Lodge Hall Board approves a 5% raise in pay for our 3 building engineers. Passed.

BUILDING MANAGERS REPORT

January 26, 1982

This report does not include a budget analysis for December because at this time of the year we get the final audit report for 1981. This report should be in the hands of the Hall Board within the next few days. We will state however, that this report will show a remarkable profit for 1981. Our budget for 1981 was an expected profit before depreciation of \$100,200.00. We nearly doubled this figure. For the year 1981 our net income (profit) for the building operations was \$191,908.00, added to was \$19,039.00 interest on building investments for a net total of \$210,949.00 before depreciation. (Received as information).

We are experiencing some controversy with one of our tenants. Sometime ago I was approached by Advocate for the Developmentally Disabled with a request to modify two of our restrooms to accommodate disabled people. This was a reasonable enough request so we agreed to make the necessary modifications. While I agreed to do what they asked, I did procrastinate to a point where last fall they gave me an ultimatum, do it or we won't pay the rent. Being somewhat on the

defensive because of my foot dragging, I agreed to get on it at once, and did. After securing and installing the necessary hand bars, tilting the mirrors as required and having purchased and hung the handicapped symbol signs, I thought the matter was resolved. However, they now tell me the stalls are too narrow and not acceptable. In the meantime, they have not paid their rent. Their letter attached shows their displeasure and my answer also attached. I believe I have made a good faith effort to satisfy them but apparently to no avail. Therefore I have taken these initial steps to get our rent by not offering to talk further until we are paid. (See Paper 4A and Paper 4B) (Adequate notice within provision of our law was sent. Advise them to pay up or leave by building manager. Motion was unanimously approved).

New Lease — Albert M. Daniels, Inc., Insurance agent, has leased 1,583 sq. ft. of space on the 10th floor. This is space previously occupied by Sinclair Agency. Their lease is for 3 years at \$8.00 per sq. ft. (616.00 per mo.) Lease starts Feb. 1st. (Received as information).

Our three engineers, all good workers, have approached me about a raise in pay. Their last raise was two years ago in January of 1980. Collectively their annual pay amounts to \$37,000. A 5% pay raise is probably in order. This would amount to \$1,850.00 in increased salaries. Recommend you consider and approve their request. A second approach might be to consider a bonus of \$600.00 to each. The difference between a raise in pay and a bonus is once a pay raise is granted it is nearly impossible to remove it, while a bonus is tied to profits and is given only if profits permits. Also employees knowing there is a possible bonus if profits are good the incentive is there to keep expenses down. Request you consider and approve one of these plans. It is dedicated and reliable people that help contribute to our excellent profit picture this past year. (Received as information. Will be referred to G.L.H.B. in Monroe).

Brother D. Allen Long, P.G.M., Secretary of the G.L.H.B., then presented the second portion of the Hall Board report which dealt with the sale of the Grand Lodge Temple Building and the disposition of the funds derived therefrom. He reported that the alternate bid of T. D. Bickham Corporation for \$7,865,000 had been accepted by the Grand Lodge Hall Board. This bid called for a cash down payment of 20% of the sale price with the balance being financed by the Grand Lodge and secured by a first mortgage on the property for a period 20 years at an interest rate of 11½%. The payments would be amortized over a period of 30 years but would be paid in 20 years. The Hall Board also adopted a Resolution setting up the Grand Lodge Hall Board Trust Fund to administer the funds derived from the sale of the building.

All funds received shall be segregated and placed in a special fund, as hereinabove provided, and "The Grand Lodge Hall Board" shall cause an accounting to be made by the certified public accountant firm or auditor employed by The Grand Lodge of Louisiana, F. & A.M., and a full report made to The Grand Lodge of Louisiana, F. & A.M. at its Annual Communication.

CERTIFICATE

I, D. Allen Long, do hereby certify that I am the duly elected Secretary of the Board of Directors of The Grand Lodge Hall, The Grand Lodge of Louisiana, F. & A.M., and that the above resolution was unanimously adopted by the Board of Directors of The Grand Lodge Hall at a meeting duly called and held on the 30th day of January, 1982 in Monroe, Louisiana with a quorum present and that this resolution has not been modified or rescinded.

D. Allen Long
Secretary

After considerable discussion, the report of the Grand Lodge Hall Board was approved. A written ballot resulted in 455 yeas and 273 nays.

Brother Howard M. Sigler, P.G.M., gave the report of the Memorials Committee for Brother Milton Schiltz, Chairman. He stated that a letter went out signed by Brother Schiltz and the Grand Master asking for donations for the Masonic Home Educational Foundation. This went out in the later part of the year, and all of the donations do not appear on the report as most of the donations came in December and January and will appear in next year's report. Approximately \$48,000 or \$49,000 has been received. There will be a net gain of approximately \$40,000 after expenses. He commended Brother Schiltz for the wonderful work he has done and recommended Brother Schiltz's report as written be accepted and printed in the Proceedings.

REPORT OF THE MEMORIALS COMMITTEE MASONIC HOME EDUCATIONAL FOUNDATION COMMITTEE, INC.

We, your committee, wish to make this report of our stewardship for obtaining Memorials and Gifts to the Foundation.

Memorials	\$7,221.30
Gifts	\$1,425.00
Total for the year of 1981	\$8,646.30

Had we been able to include the receipts for the letters sent out, November 16, 1981, this total would have been multiplied many times over.

The purpose of your Foundation is to provide higher education for the boys and girls of the Home in Alexandria and boys and girls in Louisiana. The financial aid which the Foundation provides is made on a grant basis.

The following lists the number of grants made during the past three years:

Year	Student Grants
1979	71
1980	83
1981	91

Sending Memorials and Memorial Gifts is easy because they can be sent anytime, in any amount, and by anyone. There is also a sense of pride and personal satisfaction when you receive a kind note of appreciation from the person who received the Memorial. There is also a sense of pride and satisfaction when you send a Memorial because you know you are assisting a boy and girl in obtaining a higher education to better prepare them to enter the business or professional world. Memorials are an investment in human resources.

All of us make contributions to our church and many other organizations in this country. After our church contributions, the next on our list should be to different bodies of Masonry, including the Masonic Home Educational Foundation.

I wish to thank you, Sir, for the opportunity to serve as Chairman of this most important Committee, and commend its continuance.

Fraternally yours,
M. A. Schiltz
Chairman

Committee Member

GRAND LODGE COMMITTEE FOR HIGH SCHOOL AWARDS**Report Number Five**

Most Worshipful Grand Master Calvin B. Folds I want to thank you for the privilege and opportunity to serve the Craft during the year 1981. Your Committee for High School Awards was very proud of the manner which the Grand Lodge Officers took part in assisting the Constituent Blue Lodges with 251 presentations. This makes over one thousand awards the Blue Lodges have presented.

We are particularly aware of the effort and time put forth on this voluntary program by Deputy Grand Master Thomas T. Elkins and Grand Senior Warden James A. King.

The Committee held its annual get together on the Sunday Afternoon of The Grand Masters Home Coming at the Masonic Childrens Home in Alexandria. We invited not only our own Committee Members but the District Deputy Grand Masters. Information handed out at the meeting was mailed to those District Deputies unable to stay for the meeting.

In this our fifth year we had several Lodges make presentations for the very first time. The Reports and newspaper articles were excellent. The Lodge tried it. The Community liked it. They will do it again in the Future.

Many of the Present Blue Lodge Officers were not around in 1977 when this Program commenced. For their benefit we feel that this report should be mailed as soon as possible to the present Worshipful Master of each Constituent Blue Lodge and do so request.

How to have a highly successful High School Award Program in your Blue Lodge in September, October or November of 1982.

STEP I —

Select a date now. A Sunday Afternoon or an Evening at the first part of the week. (Avoid Thursday — Friday and Saturday Nights) (Select an alternate date.)

STEP II —

Order the number of Awards — (Key — Certificate and Frame) that you plan to present from Brother Pat Hawkins of Service Committee before you leave Grand Lodge.

STEP III —

As Worshipful Master inform the Wardens that they are Co-Chairmen for this Open Meeting and Inquire of them what Grand Lodge Officer they want to invite to come make the presentation. You should extend him an oral invitation now and see if he is available on either date.

STEP IV —

Confirm the chosen date by letter. Inform your speaker as to time, food — special arrangement other items on the program.

STEP V —

Contact your photographer write up an article for your newspaper. You have Good News and that's very rare.

STEP VI —

Plan for your refreshments to follow the program. Several freezers of homemade ice cream is always good especially if some homemade cake goes along side.

STEP VII —

Open your program with both prayer and the Pledge of Allegiance. Close with benediction.

STEP VIII —

Suggest to your Committee that they do not accept too many nominations. It takes time to check out a possible recipient. You don't want to over work your Committee. If the Committee can't decide between two Recipients — Give them both an Award.

STEP IX —

In your program recognize the parents. Most of our Awards go to the Sons and Daughters of Non Masons. This brings Guests into your Lodge. Have a host committee greet them and conduct them about the Lodge. More than likely this is the first time they have walked inside a Masonic Lodge anywhere.

STEP X —

Keep the speeches short. Put a time limit on the Speakers. Young people would rather listen to three different 5 to 8 minute Speakers than one twenty minute speaker.

SUGGESTED TOPICS —

- (A) Masonic American History
- (B) Free Masonry in Louisiana
- (C) What Masonry is and is not
- (D) Masonic Charity in Louisiana
- (E) Why you are receiving the Masonic Award
- (F) History of the Honesty-Integrity Award

STEP XI —

Print a program and put a copy in your Lodges Archives.

STEP XII —

Plan to have a good time — enjoy the occasion. You are giving young people a standard to live up to.

We again salute the Brothers of Opelousas-Humble Cottage Lodge presented ten or more Awards for the Fifth Year in a row.

At the Dedication of the Temple in Jerusalem Solomon prayed these words. And they are my prayer now "May the Lord God be with us as he was with our Fathers. May he bless us, may he never forsake us."

To each of the Committee Members for the visits made, the miles traveled, the encouragement given may the Lord Bless You.

I move the report to be Accepted and Printed in the Record.

GRAND MASTER'S HOMECOMING, MASONIC HOME FOR CHILDREN, ALEXANDRIA, LA.

The annual Grand Master's Homecoming was held on Sunday, May 17, 1981. A capacity crowd attended the services.

The Watchmen's Quartet of West Monroe, La. provided beautiful religious music before and during the program.

M:W: Brother Howard Sigler, Chairman of the Masonic Home Board expressed the appreciation of Masons from through out the state to the Supt. of the Masonic Home and his staff for the care and love expressed to the children in their care. Brother Sigler led the group in a moment of respect for the work done by M:W: Alex Stephens for his service to the children's home.

Grand Master Calvin B. Folds, M.D. spoke to the group and expressed his thanks to the Masonic Lodges for their work and many fine programs being carried out this year. He expressed his appreciation for those Masons, their wives and friends that have given many material gifts to the Home and their expressions of love for the children.

Brother Wayne Gray of Monroe brought a very inspirational message.

After the services were held, a picnic lunch was served on the beautiful grounds.

(Received and ordered printed in the Proceedings).

The Grand Lodge recessed at 5:30 p.m. until 9:30 a.m. in the morning.

SECOND DAY — MORNING SESSION 9:00 a.m.

The Grand Lodge was called from refreshment to labor and prayer was given by the Grand Chaplain.

The Grand Tyler was called West of the Altar. The Grand Master stated that last year Brother Walter Goldstein presented to the Grand Lodge a beautiful sword. It has been in the care of the Grand Tyler, and Brother Ed Tillman, member of the Credentials Committee and a member of West Monroe Lodge No. 419, engraved the blade stating that the sword was presented by Brother Walter Goldstein at the Grand Lodge Session in Baton Rouge. Brother Herbert Manning made a beautiful scabbard and which was suitably engraved to the Grand Lodge of the State of Louisiana. The Grand Master stated he appreciated what these brethren have done and wanted the brethren to know what these brethren have accomplished.

Brother Thomas Balderas, D.G.L., 16th Masonic District, and Brother Larry Hinyup, D.D.G.M., 16th District, made a presentation to the Grand Master on behalf of the 16th Masonic District. They stated that the presentation was to have been made at their last District Meeting, but because of the bad weather conditions, Brother Folds was not able to come to receive the award. They stated that each of the 10 Lodges had voted to make him an honorary member of each Lodge in that district, and a card from each Lodge would be presented to him at a later date. The award stated "Presented to Calvin B. Folds, M.D., Grand Master, State of Louisiana, Scottish Rite Masonry specifically from the 16th Masonic District for the year 1981-1982". The Grand Master thanked them.

REPORT OF THE COMMITTEE ON THE STATE OF THE ORDER

In his opening remarks our Grand Master extended a hearty welcome to the 171st

Annual Communication of the Grand Lodge of Louisiana, F. & A.M., and invited all to participate in its affairs and decisions. He gave thanks to our Past Grand Masters, citing their record of accomplishments as a challenging goal to maintain. He extended fraternal greetings to the distinguished guests from sister Grand Jurisdictions, and wished for them a most pleasant visit to Monroe.

He listed 159 visits and activities in all areas of the state in 176 days of travel, with five out-of-state visits and 33 to Appendant Bodies. He reported that the fraternity is in good condition. He was pleased with the level of activities and proficiency in the esoteric work in many Lodges, and with the number and quality of young men petitioning for degrees. He urges Lodges to put these men to work. He attempted to effect a reduction in membership loss through N.P.D. by calling attention of Lodges to the requirement that inquiry be made into a brother's financial, mental and physical condition prior to suspension, and to remit dues or render other aid in deserving cases. He commended the D.D.G.M. and the ten Lodges of the Sixteen Masonic District where Scottish Rite Ritual is utilized, for their progress this year, and expressed appreciation to those brethren for conferring the Entered Apprentice Degree in Scottish Rite Ritual during the 1981 Imperial Session of the A.A.O.N.M.S. held in New Orleans in July. He implemented the suggestion of M:W: P.G.M. D. Walter Jessen by forming a Louisiana Masonic Coordinating Cabinet composed of elected Grand Lodge Officers, and the heads and ranking officers of all Appendant Bodies, to work together to solve common problems. He reported that Louisiana Masonry was honored this year in having five Brethren heading or in the line of five National Masonic Organizations.

The Nineteen D.D.G.M.'s were cited for their hard work to further Masonry by performing every service requested by our Grand Master.

Two International Masonically related organizations held meetings in New Orleans during 1981 — the 107th Imperial Session of the A.A.O.N.M.S. and the Biennial Meeting of the Masonic Relief Association of the U.S. and Canada. Our Grand Master noted that the state and New Orleans were honored in hosting these meetings, the first one attended by over 40,000 Brethren from the U.S., Canada and Mexico, and the second one with attendance from all over the U.S. and Canada.

Our Grand Master reported that the Masonic Home Educational Foundation again assisted several young men and women in securing a college education. Likewise, the Masonic Home Endowment Fund for operation and maintenance of the Home continued to grow. Only the interest from investments of funds is used for the two purposes. Continued generous support of the Home through voluntary contributions of Masons is urged.

Our Grand Master commended the Grand Lodge Hall Board, Executive Committee, and Building Manager for excellent jobs in administering affairs of the Masonic Temple Building, and R:W: Brother John Trask for an excellent job as administrator of our Masonic Cemetery.

He expressed thanks to the Grand Secretary and Office Staff, to elected and appointed officers, and to the General Chairman for this Grand Lodge Session and his staff who worked hard to make arrangements. He acknowledged their contributions to a successful and pleasant year in Masonry for himself and all concerned.

This committee feels that our Grand Master has given a satisfactory account of his stewardship in 1981.

PROCEEDINGS OF THE GRAND LODGE

REPORT OF HISTORY COMMITTEE

We thank those who answered the 1980 questionnaire. These are being put in the individual Lodge files. Less than 25% of the Lodges have their histories in the Grand Lodge. A history of each Lodge is needed. A typewritten copy will suffice.

An inventory of the most important documents of each Lodge is being prepared on a special form. The help of more volunteers in the New Orleans area is needed.

The publication of the biographical data on over five hundred Masons who were members of the early French-speaking Lodges in New Orleans drew the attention of genealogists. The 1807-1813 minutes of Perfect Union # 1 have been microfilmed for preservation and translation. We recommend that about \$500 be appropriated each year to be used in microfilming early important documents and records.

Extracts of the Reports of Annual Proceedings between 1962 and 1930 are continuing to be made for possible use by a future historian. Only about 27% of our Lodges seem to have a copy of Bro. Glen Greene's excellent "Masonry in Louisiana". It needs to be read by individual Masons and used in Lodge candidate instruction. Rather than supplement this book we recommend that it be reprinted--in paperback if the economics so require--for purchase and use by individuals and Lodges. If it is decided to supplement the book, a final decision and plans would have to be made by January 1983 in order to have it ready for the 175th Anniversary in 1987. We think that the anniversary should be recognized and recommend that the appointment of a planning committee be considered by the incoming Grand Master. One possibility is to have an analytical study made of the problems, progress and trends in Louisiana Masonry between 1962 and 1986.

The printing every five or ten years of about one hundred extra copies of the 50 page historical sections of the Annual Report and their distribution to public and college libraries would serve the cause of our Masonic heritage.

Since the rosters of Lodges no longer appear in the Annual Reports we suggest, if it is not already being done, the the December 31 computer printout of the membership or a microfilm of it be placed in a safe depository outside the Grand Lodge Building. Perhaps all the Grand Lodges in the United States should follow the lead of corporations and establish a joint depository of duplicates of historical and essential records.

REPORT OF SPECIAL COMMITTEE-ENGROSSING

JANUARY 15, 1982

Most worshipful Grand Master, Grand Wardens, other officers and brother of the Grand Lodge:

I regret that I will not be able to attend Grand Lodge Session this year, but I am submitting this report in hopes that it can be received and become a part of the preceedings of this Grand Lodge session.

This year has been a very busy one for this committee. More charters were prepared this past year than any previous year by this Engrosser. Five replacement charters and two new charters were prepared. The charters prepared were:

HUMBLE COTTAGE	#19
ST. ALBANS	#28
MINDEN	#51
FRANKLIN	#57
MT. MORIAH	#59
ARTHUR M. RETIF	#473
JOHN WAYNE	#474

I would like to express my thanks to the Grand Secretary and his clerical staff who researched the Archives for the data required and to our Grand Master, Calvin B. Folds for the confidence displayed in appointing me to this position.

Sincerely and Fraternally,

Michael M. Dupree

SPECIAL COMMITTEE FOR DATA PROCESSING The Grand Lodge of the State of Louisiana, F. & A. M.

Report for Year of 1981

The Data Processing Committee's activity for the past year has been very routine. Usual overview of the system operation was maintained and, we are happy to report the system functioned smoothly throughout the year and all reports, labels, etc. requested were received in a timely manner.

Because of the limited funding available for the data processing function within the Grand Lodge, the system operates within the bounds developed several years ago and tried, corrected and proved in the last few years as sound and reliable. It is triggered by requests originating in the office of the Grand Secretary. His staff reviews in detail the products received before their distribution. There is no funding for further expansion of the system in the areas of demographics, etc. It is recommended that the Grand Lodge and the outgoing and incoming Grand Masters consider the suspension of the Special Committee for Data Processing until such time as funds are available for further development of the system. The Grand Secretary and his staff are fully capable of utilizing the existing system to its capabilities and for certification of invoices resulting therefrom.

Respectfully and fraternally submitted,

PROCEEDINGS OF THE GRAND LODGE

REPORT OF GRAND LECTURER-JUNIUS B. SHARP

My brethren:

In rendering this, my annual report, I wish first to express appreciation to the constituent Lodges and all the brethren for their continued confidence and support during the year. I assure you that I take the responsibilities of the office seriously and stand ready at all times to help in any way I can.

At the beginning of the year Grand Master Folds authorized and directed the Grand Lecturers to hold joint meetings with the Lodges. This was done in order to conserve time for other needed activities and also to save on expense money. However, in complying with this directive all the Lodges in my jurisdiction were afforded the opportunity of a visit, and it is my opinion that the ritualistic work did not suffer as a result of this change in procedure. Attendance was as good as usual, though there is always room for improvement in this area.

Some of the time conserved in not visiting every Lodge individually was utilized in conducting more workshops in the education program. The Grand Master and I scheduled quite a number of these workshops throughout the North Louisiana area, and the Grand Master and I were assisted by R:W: Brother Thomas T. Elkins, Deputy Grand Master, and R:W: James H. King, Grand Senior Warden, as well as other qualified individuals. Conducting these workshops required quite a bit of traveling, but the results were quite rewarding. I hope to be able to do more of this type of work this year.

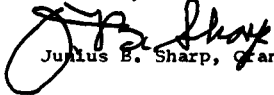

As in previous years, the Deputy Grand Lecturers have been of invaluable assistance. These brethren are well qualified and knowledgeable in our ritualistic work; in the future it is planned to rely even more on their special talents and their dedication to the improvement of our work.

The usual number of Certificates of Proficiency were issued by me during the year, and we are having an increasing number of men qualifying for first certificates.

In closing I wish to express appreciation to our Most Worshipful Grand Master, Dr. Calvin B. Folds, with whom I have been privileged to work very closely during the year, and all the other Grand Lodge Officers. Our relations have been cordial and most enjoyable, which has contributed greatly to the progress made during the year.

With every good wish for the year just beginning, I am

Cordially and fraternally,

Julius B. Sharp, Grand Lecturer

(Approved and ordered printed in the Proceedings).

REPORT OF GRAND LECTURER

S. ARCHIE EVANS

Again it is time to make my annual report as Grand Lecturer, which is my twentieth and last as such. January 3, 1982, I made a report to several masons that I would not be a candidate for Grand Lecturer at our Grand Lodge Session in Monroe, Louisiana.

My I express my thanks for the help of our Grand Lodge families over the years. It has been great and meeting and working with the many friends over the state.

Grouping of lodges for instruction is wonderful in some districts, but in others this is not so. Some feel that they have been slighted. In the New Orleans area with the grouping and having four special meetings it has worked very good. They have attended in numbers up to 225 and with this one feels that he has accomplished some good.

About the usual number of new and renewal certificates have been issued. Where the districts are organized, meeting regularly and going over our work, I have noticed a marked improvement in the lodges.

By using certificate members assigned to certain lodges the work will improve. Much depends on the officers and brethren attending and their respect for what is being done.

Without being Grand Lecturer I would not have been able to meet and make the many friends that I count over the state. For me you have been wonderful; but at my age of 80 many good things must stop.

My sincere appreciation goes to everyone. May I see you often and my prayer is that masonry will go much farther than I have been able to move it.

With God's help and everyone doing his part things will be alright.

Fraternally submitted,

S. ARCHIE EVANS

REPORT OF THE COMMITTEE TO SUPERVISE PUBLICATION
OF THE LOUISIANA FREEMASON

The Committee to Supervise Publication of the The Louisiana Freemason is pleased to report that during the year 1981 there were three issues of this Bulletin - (May and October, 1981 and January, 1981).

Although there have been sharp increases in the costs for printing and mailing, the Committee has been able to remain within the limits of monies budgeted.

The Committee wishes to thank constituent lodges and district lodges for their cooperation in submitting pictures and copy covering their activities.

The Editor's personal thanks go to M. W. Bro. Calvin B. Folds, Grand Master, for taking a personal interest in the Bulletin and offering words of encouragement; also, to W. Bro. Malcolm Ballard, Grand Photographer, who furnished outstanding materials and photographs.

NECROLOGY COMMITTEE REPORT

The universality of Freemasonry means not only that all brethren wherever dispersed are bound together with ties too deep to break, but that we are bound to those who passed to their eternal reward just as much as we are to the living, again with ties too deep to break. We believe that once a Mason, ALWAYS a Mason. We believe in immortality; that God has not put eternity into our hearts to mock us, but to sustain us. We believe in the permanence of Masonry and of human personality. In 1981 we have temporarily lost many brethren in this jurisdiction and throughout the world. Their labors are over, their column is broken, their work is done. We thank God for their coming to us and we thank Him for their victorious homegoing. Our sympathies are with those close friends and family members that remain. In spirit they are with us still.

R:W: Brother Ross E. De Lee, Grand Junior Warden, long a stalwart in Masonry in Louisiana departed our midst this year. We will miss his work and good natured banter. Heaven will be the richer.

Respectfully,

N. H. Mc Clamroch, Jr.
Chairman

(Received and ordered printed in the Proceedings).

REPORT OF THE
COMMITTEE ON FOREIGN CORRESPONDENCE

Your Committee reports in accordance with Article III, Section 1 of the Handbook of Masonic Law and appreciates the opportunity to review the many proceedings of the Grand Lodges of the United States. 1979-1980 Proceedings were assigned to each member of the Committee and all agreed it is an interesting way to learn about Masonry in other jurisdictions. The reviews of these Proceedings will be filed in the Grand Lodge Office and are available to all interested Masons.

On June 13, 1979 we recommended the withdrawal of recognition of the Grand Lodge of Belgium. At this time, we would like to recommend that the Grand Lodge of Louisiana extend recognition to the Regular Grand Lodge of Belgique.

This recommendation is based on the following:

During the February 1980 Conference of Grand Masters of Masons in North America, the Commission for Recognition recommended that the Regular Grand Lodge of Belgium (Belgique) be extended recognition. The Regular Grand Lodge of Belgium (Belgique) states unequivocally that A. a belief in the Supreme Being is a strict condition for membership. B. Intervisiting official or private, with irregular Masonic Bodies is both prohibited and non-existent.

Also, we have a request to extend recognition to the newly formed Grand Lodge of Alaska.

At the 1981 Conference of Grand Masters recommendation was made by the Commission on Information for Recognition that the Grand Lodge of Alaska was organized in accordance with regular Masonic procedure and is therefore entitled to and worthy of recognition.

We would like to recommend that the Grand Lodge of Louisiana extend recognition to the Grand Lodge of Alaska.

**ANNUAL REPORT
OF THE
MASONIC EDUCATIONAL FOUNDATION, INC.**

The foundation was able to financially help twenty-two Students during the past year. Grants in aid to each of these students ranged from \$300.00 to \$400.00 per semester. The interest income from the invested funds of the foundation were expended as grants in aid, a total of \$18,605.97. Secretary and Treasurer report is also attached and lists the interest income, the expenses of the Foundation and the names of the 22 students receiving grants and the University College, or vocational school they are attending. Also shown is total amount of each grant for the year.

We have had a fruitful year, assisting young people in obtaining advanced education above high school level. The students are primarily sons and daughters of the members of our craft here in Louisiana and they must be sponsored by a Masonic Lodge in Louisiana to be considered.

The Foundations is being audited by the firm of Hartman, Aly and Monier, C.P.A.'s and the audit report will be made part of this report in the 1982 proceedings.

Our foundation is serving a most useful purpose for which all Masonic Brethren can be proud and I trust that our stewardship has met with the approval of the good brethren of our great State.

REPORT BY FIELD AGENT MSA, USA
VA Medical Center, New Orleans, La. 70146

Report to Grand Lodge of Louisiana, 1981

This is my fifth year as representative for New Orleans, La. branch.
I visit in local homes and hospitals as requested.

As Chaplain of La. Relief #1, I assisted with twenty funeral services
in 1981.

Members of Grand Lodge visited Medical Center in April and November 11th
to confer with management and visit patients.

In September, International Masonic Relief Association met locally for
three days consultation and inspiration.

As a volunteer, I wait with families of patients in surgery to encourage
and report on surgical operations. This service is greatly appreciated.

Brother Sacco assists in Chapel on Sundays, helps wheelchair patients to
and from Chapel and works in Pharmacy during the week.

Brother Jackson visits Wards with refreshments as an outpatient volunteer.

On February 8, 1981, I officiated in marriage ceremony of a Brother Mason.

Respectfully,

Most Worshipful Grand Master and My Brethren,

The following is the Annual report of the Masonic Service Association Field Agent at the VAMC in Alexandria, Louisiana for the year 1961:

I would like to once again express my appreciation for the privilege of serving our veterans, the Masonic Service Association and my Grand Lodge.

During the year, we furnished soft drinks for the Nursing Home Care Unit patients on their sight seeing tours.

We assisted in taking patients to Lafayette to the Mardi Gras parade.

We assisted with the Nursing Home patients on their shopping tours in the mall.

I transported several patients to town to do personal shopping, the barber shop, beauty parlor and bank. I also do personal shopping for patients who are unable to go to town, if they request me to do so.

I attended several funerals for patients who passed away while in the hospital and also hospital employees who passed away.

I play dominoes and cards with the patients at the Nursing Home.

I try to visit all patients and Masons during their hospitalization at least once time permitting.

I had one patient's wife in my home to stay when her husband was on the seriously ill list.

My wife and I transported one patient home for a 3 day pass as he could not make bus connections. We also returned to his home and brought him back to the hospital on Sunday.

I notify Lodges of members of the Craft that are hospitalized.

We work as closely as we can and assist in any way we are permitted to with all the VA employees and other volunteer organizations.

I would like to thank the association for all the support that they have given me for the past 15 years and also for the supplies they furnished.

PROCEEDINGS OF THE GRAND LODGE

This visitation program is appreciated by everyone we serve and the Grand Lodge should support it wholeheartly.

In closing I would like to thank the Hospital Administrator and employees for all the assistance and cooperation they have rendered me during the year.

REPORT OF THE LIBRARY COMMITTEE

Your Library Committee is still deeply involved in trying to complete the histories of several of our older lodges. We are happy to report that several of these histories have been brought up to date. However, we are still asking for the help of each and every Brother who is interested in attempting some research on our older lodges. This search would entail the actual historical dates, names of Charter members, etc. This is one of our main projects.

We again extend our thanks to the Service Committee, for their prompt attention given to requests on the purchasing of Library books and materials.

This Committee would like to extend our thanks to the Grand Master, Grand Secretary and a special "thank you" to the Grand Lodge Office staff consisting of Mrs. Kelley, Mrs. Camus and Mrs. Rosenzweig for their help in researching histories of our older lodges.

If you have any information on either a Blue Lodge history or a Biography of any

**LOUISIANA RELIEF LODGE No. 1, F. & A.M.
Report for 1981**

Louisiana Relief Lodge No. 1, F. & A.M. has an active membership of about thirty-five Master Masons in the New Orleans area who attend Masonic funerals, conduct investigations, assist distressed sojourning Masons and their families and make sick visitations.

In 1981 Louisiana Relief Lodge No. 1 conducted 23 Masonic funerals with many Masons participating, the average attendance being about twelve members.

We were saddened by the untimely deaths of Past Master Robert E. Svendsen on January 5; Junior Warden William J. Thomas on January 31 and Senior Warden Harry F. Gilmore on March 10.

During the year there were numerous requests for information on sojourning brethren by out of state lodges; many requests for assistance by distressed sojourners of members of their families and several requests for investigations on the physical or financial condition of brothers from out of state lodges. We extended relief to several worthy brothers and were able to identify two imposters.

With the financial assistance of the other Louisiana Relief Lodges and brethren throughout the State, Louisiana Relief Lodge No. 1 hosted the Forty-fourth Biennial Meeting of the Masonic Relief Association of the United States and Canada in September. Worshipful Brother Glen H. Butler, who served two years as President of the Masonic Relief Association and Worshipful Brother Albert P. Selph were elected to the Board of Directors and the Executive Committee respectively.

In a special election Brother Henry C. Doskey, Sr. was elected Senior Warden and Brother Rufus G. Trahan was elected Junior Warden to fill the vacancies created by the deaths of Brother Thomas and Gilmore.

Respectfully,
Albert P. Selph, P.M.
Secretary

REPORT OF THE BOARD OF BUDGET AND CONTROL

Most Worshipful Grand Master, Brethren:

The members of the Board of Budget and Control are pleased to submit this report to the 1982 Session of the Grand Lodge of the State of Louisiana, F. & A.M.

With respect to the budget you approved for 1981, the receipts were \$8,199.10 above budget and the disbursements were \$6,209.10 below budget. These figures are unaudited, but should change very little. However, we must remember that the 1981 budgeted receipts included \$26,020 from Surplus. This shows the necessity of our last dues increase.

The 1982 budget which is being proposed for your approval shows a surplus of \$8,235. This budget is \$56,565 above the 1981 budget. Salaries are increased about 10%. Mileage and Per Diem is increased \$14,000. Grand Lodge Proceedings increased \$5,000, since this cost was quite a bit over budget this year. The Board of Budget and Control once again believes this item can and should be reduced. We urge the incoming Grand Master to form a special committee to find ways to reduce this expenditure.

Data Processing has been raised \$500.00, but this is less than the amount spent in 1981. We believe this expenditure is also getting out of hand.

Travel allowances were raised a small amount to compensate for increased travel cost of Grand Lodge Officers.

\$12,000.00 is in the budget, since it is necessary to purchase a new Grand Lodge Van. The funds received from sale of the old van will be credited to receipts.

\$10,000.00 has been set up in 1982 budget to go into the Retirement Fund authorized by the Grand Lodge. This amount is not fixed and the amount can be set in each yearly budget.

All other items in the 1982 budget are based on 1981 expenditures taking into account inflation.

The Board of Budget and Control with approval of the Grand Master, authorized the Grand Treasurer to pool amounts from funds which could be invested for three months or longer, to allow investing in U.S. Treasury Bills or insured investments which are only sold in multiples of \$10,000.00. Strict accounting is used to make sure all interest due is credited to the proper fund or account. This procedure, together with higher interest during 1981, resulted in interest receipts being \$7,350.91 over budget.

The Grand Lodge safety deposit box at the Whitney National Bank was checked by Robert H. Crosby, Jr., P.G.M., James M. Walley, G.J.W., Delwin P. Laguens, Grand Secretary, David A. Walsdorf, Bookkeeper with the auditor, Mike Hook, to make sure all securities were present and accounted for.

To The Officers And Members

The Grand Lodge Of The State Of Louisiana, F. & A. M.

Gentlemen:

We have examined the combined balance sheet of THE GRAND LODGE OF THE STATE OF LOUISIANA, F. & A. M., comprised of the MASONIC TEMPLE BUILDING, the MASONIC CEMETERY, the GRAND LODGE OF THE STATE OF LOUISIANA, F. & A. M., the PARAPHERNALIA and LODGE EQUIPMENT DEPARTMENT, the BOARD OF CHARITIES AND BENEVOLENCE, the SPECIAL PURPOSE FUND, the LOUISIANA FREEMASON at December 31, 1981 and the related statements of income and expense and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the Grand Lodge Of The State Of Louisiana, F. & A. We also examined the statement of receipts and expenditures of the Board Of Charities And Benevolence and the Special Purpose Fund for the year ended December 31, 1981.

PROCEEDINGS OF THE GRAND LODGE

To the Board of Trustees of
Masonic Home for Children of the
Grand Lodge of Louisiana, F. & A.M.

We have examined the balance sheet of Masonic Home for Children of the Grand Lodge of Louisiana, F. & A.M., as of November 30, 1981, and the related statements of revenue, expense, transfers, and changes in fund balance for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Adequate records are not available to satisfy ourselves as to the historical cost of certain fixed assets acquired prior to December 1, 1972. Most of these assets were acquired from 1922 to 1960. It was not practical to extend audit procedures to enable us to express an opinion of the fair presentation of fixed assets on the balance sheet.

Except as noted in the preceding paragraph, in our opinion, the financial statements referred to above present fairly the financial position of Masonic Home for Children of the Grand Lodge of Louisiana, F. & A.M., as of November 30, 1981, and the results of its operations and changes in fund balance for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

To the Board of Trustees of
Masonic Home for Children
Grand Lodge of Louisiana F. & A.M.

We have examined the balance sheet of Masonic Home for Children - Endowment Fund as of November 30, 1981, and the related statement of revenue, expense, and changes in fund balance for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of Masonic Home for Children - Endowment Fund as of November 30, 1981, and the results of operations and changes in fund balance for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Notes to Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

To ensure observance of limitations and restrictions placed on the use of resources available to the Endowment Fund, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose.

This fund consists of donations and balances from past projects which have been dedicated and restricted as an endowment fund for the benefit of the Masonic Home. Accordingly, income of the fund is transferred annually to the Home, with the principal retained intact.

**SPEECH OF GRAND MASTER ELECT
THOMAS T. ELKINS**

Most Worshipful Grand Master and Brethren, I want to thank you for giving me the opportunity to serve in the highest office you can bestow upon a Brother Mason — The Grand Master of Masons of the Grand State of Louisiana. I am also thankful to the Grand Master of the Universe for blessing you and me for this great moment in my life.

Many Masons have served this fraternity with dignity and have left deep impressions upon this great nation and upon each of us. It is our responsibility to carry the image of our fraternity forward so it may survive and leave its influence upon those who follow us. The task will not be easy for us if some of us are not carrying our share of the load. This year and the years ahead, I challenge each of you to encourage every brother who is physically able to become an active and productive Mason.

Freemasonry is discipline philosophy to men who will follow its tenets and precepts. Freemasonry can not be defined or expressed in a few words. Three words come to my mind that form a basis of our philosophy — Faith, Love, and Responsibility. Faith in God. God is Love. Love creates responsibility. Responsibility should be one of our main objectives. It should create in us the desire to work hard for God, Country, and our fellow man. It then adds a new dimension to our life. Won't you help me and the Grand Lodge Family in creating a desire for every Mason to add a new dimension to his life?

1. **THERE IS NO SUBSTITUTE FOR KNOWLEDGE.** The less we know, the more difficult life is: The less we know about our work, the greater our problems are. The informed person usually comes out ahead.
2. **LET US CLEAN UP OUR ACT.** Never let up on your inward journey. Let your life be a sermon to inspire others and put Masonry in Men.
3. **LET US RECOGNIZE THE BEAUTY GOD HAS PLACED AROUND US:** If we fail to see the beauty of his creation, the chances are great you will leave him and your fellow man out. Be of service to your brother and mankind.
4. **ALWAYS CONTINUE TO PRESS UPWARD.** The rungs were placed on a ladder to climb.

This year, we have outlined a program to help and assist every Lodge do better work. It is designed to help our Grand Lecturers improve your knowledge of Masonry. Our Most Worshipful Grand Master, Dr. Calvin B. Folds, believes very strongly it will work.

He says, "Brethren it will work if we do not take the attitude, 'We ain't never done it that way before'." With his strong leadership, the able assistance of your line officers, and two of the most capable Grand Lecturers, the program is ready for enactment. I want every Lodge to participate to make it work. I want every district to cooperate with the District Deputy Grand Masters, District Deputy Grand Lecturers, and assigned certificate lecturers. Orders and assignments are given to the lecturers through the Grand Lecturers, Brother S. Archie Evans and Junius B. Sharp, to help them carry their work to EVERY Lodge. Heretofore, this has been impossible. The program is in the hands of all Past Grand Masters, Grand Lodge Officers, Grand Lecturers, District Officers, and your Worshipful Masters. You are up to bat and the game is yours to win.

Here are a few suggestions to keep you from striking out:

1. You can improve your Lodge and fellowship if you change your By-Laws to meet twice per month if you are not already doing so. (Some Grand Lodges are suggesting one meeting for business and degree work and the other for various kinds of study and fellowship meetings).
2. Let us change our format if it is boring and uninteresting. You should plan a program for the year (The Educational Bulletin: and the Education Committee can assist you).
3. Let us develop a system of communication to let every member of your Lodge know what is going on. When you have some outstanding event in your Lodge, let the media report your activities. Be proud you represent the order.
4. Let us begin now learning our work, training our Junior Officers in making preparation for higher office, and training them to be leaders.
5. Let us develop our Degree teams and funeral teams.
6. Let us change internally and begin to lift our spirit, our attitude, and our enthusiasm.
7. Let us remember our charitable obligations — The Penny-A-Day to our endowment, our memorial contributions, and our unfortunate brethren.

I want every district to plan a workshop and invite an elected line officer in your area to be in attendance. We want to continue the workshop concept Most Worshipful Robert L. Kleinpeter initiated, but for each of the nineteen districts. Our Grand Lecturers did an outstanding job last year with the district workshops under the direction of our Grand Master and the Grand Lecturers.

Thank you again for this great honor.
