# ADDRESS OF THE GRAND MASTER 2016-2017

Grand East, Most Worshipful Sirs, Right Worshipful Sirs, Worshipful Sirs, Brethren all. How good and how pleasant it is to be here with you this fine day in Louisiana. I am so pleased to see members of other Grand Jurisdictions here this morning. Those of you who know me well will realize that I may wander off the script a bit. The system has its requirements for recording my remarks, but I normally speak extemporaneously and that might well happen today.

The character of Western Civilization is changing rapidly throughout our world and definitely so in the United States of America. Built on a foundation of Christianity and populated by doctors, lawyers, military members, shop keepers and farmers before WWII, Masonry was a part of every city, town and rural area in Louisiana. WWII and the Korean Conflict caused a great influx of men into our Lodges. Those men are leaving us now in large numbers. We were a Fraternity of over 50,000 members and are now down to less than 16,000 as the size of our fraternity continues to fall. The same is true of organized religion and other clubs and associations in our world. Our buildings are old and our expenses continue to rise. Our Lodges are shrinking, closing or merging. One lodge Master in such a situation is suggesting that we turn to merging all lodges in his parish into a single Parish Lodge. Such a plan may well help us maintain the Craft as our membership continues to decrease.

When I was a child, the center of my universe was the marriage of my Mother and Father. Now the center of the family has shifted to the child; the education and discipline of that child is heavily influenced and controlled by the Federal Government. The social change during my short lifetime has been tremendous. The Masonry of George Washington's time is far removed from our standing in the society. In his day, everyone knew who the Masons were and what they stood for. Now we are virtually unknown in the wider society. Were it not for the Shrine Hospital System, we would be invisible.

I have made but three decisions in my life: joined the Navy, married Anita and joined the Lodge. Anita has supported me throughout and is still here with me after more than 50 years of separation in the Navy and now in the Fraternity. Having joined the Lodge just prior to my 60th birthday as I searched for more in my life since leaving the Navy (a fraternity of a different sort) I found Masonry to be the perfect fit for me. Friendship, morality and brotherly love at a higher level I had experienced in the Navy made me quickly realize that I was in this for the long haul.

# ADDRESS OF THE GRAND MASTER 2016-2017

It was not lost on me that four Past Grand Masters (PGMs) were present at my Raising. Two of them are here watching me today. [Chuck and Roy: I hope you are pleased with your choice in me; I have given it my best shot. I wish T. Scott and Joe were here too but they are in that house not made with hands, eternal in the Heavens.] It became apparent to me that I was being looked at for a greater role in the fraternity. As with other events in my life, I was blessed with opportunity which moved me rapidly through the Lodge, the District and now through the Grand Line to this office.

While I know this a position of honor I seek the duty more than other aspects of being Grand Master. As with the Navy, I find that the people are what make Masonry a great system. I had the time and opportunity to visit all the Lodges in the state and eleven Grand Jurisdictions in the Southeast. It has been a wonderful experience. One of those visits will always be fresh in my mind. I attended New Hope Lodge No. 328 one evening and was startled by them giving me a beautiful Henry Golden Boy Freemasons Tribute Edition Lever Action Rifle which will remain on display in the Grand Lodge Offices. Working with my Grand Secretary (MWB Woody Bilyeu) and "my" Lawyer (MWB Lloyd Hennigan), I have stayed on the clear path and believe that together we have done good work for Louisiana Masonry. My connection to the Craft through my own visits and through the support of the PGMs, District Deputy Grand Masters (DDGM), District Grand Lecturers, elected and appointed line, and committee members has made it possible for me to help those in need, discipline those who have lost their way and restructure programs that were falling short of the mark. I must mention one of my DDGMs as the stand out wizard and advisor in all my work: RWBro. Bernard "Bernie" Gould's ability to work the most difficult issues we have faced is simply remarkable. But I must not forget the ladies of the Grand Lodge Office. The Grand Secretary has reduced staff, but oh my, what a staff we have. Dianne Bordelon does the selling, Mary Farmer is the money magician, Kim Bordelon is the database guru and Michelle Dempsey is the correspondence wizard: what a TEAM!!! In addition to the electronic voting you will use today, you will see the utility of our database. We have been dragged into the 21st century by our Grand Secretary, all is well…

For those that proceeded me in this office, thank you for all you did during your terms to make this such a wonderful Fraternity and thank you for entrusting it to me to lead for these wonderful 17 months in this office. For those that follow me, I pray you will have great success and may you find the path to more members, better recognition of our Craft among the people and the pure enjoyment of being given this great commission. This is a great duty and I have enjoyed it beyond measure. May the Bible continue to be the Great Light in Masonry and may the Blessing of Heaven rest upon all of us.

Captain Will Phelps Gray, USN(Ret.),
Grand Master 2016-2017

# EDICTS
## The Grand Lodge of the State of Louisiana, F. & A.M.
## EDICT - 2016-1

The Perpetual Membership Program was created to allow members to make a lump sum payment of twenty (20) times the sum of current dues and per capita, relieving them of yearly dues payment and would insulate them from all future dues and per capita increases. The system has been a great one for those who could afford to join. It is an apparent good deal for the Lodges and the Grand Lodge as they would continue to receive payments even after the member dies. This is all true and works very well when the return on investment is five percent (5%) or greater.

The program ignores inflation and does not account for periods when there is less than 5% income on the investments. Inflation is reducing the value of the dollar and has been doing so throughout the history of our banking system. In response to declining membership and the increased cost of goods and services both Lodge dues and per capita continue to rise. Income from the Perpetual Membership Program remains frozen at the rate that was in effect when the member joined. The difference is being made up by additional charges to those members who are paying annual dues and per capita: those who were unable to purchase a Perpetual membership are in effect supporting those who could afford Perpetual membership.

For these reasons I am "sunsetting" the program. Those who are enrolled will see no change in their status. There shall be no additional enrollments. If investment failures occur and the fund cannot continue to pay 5% per year from returns on investments the Grand Lodge shall pay at the 5% rate using the investment funds until the funds are depleted at which time, members will be required to pay dues at the current rate.

This Edict is issued under my hand on March 24, 2016.

## Amended EDICT - 2016- 1 (Continued)

For these reasons am "sun setting" the program. Those who are enrolled will see no change in their status. There shall be no additional regular enrollments. Memorial enrollments will continue to be available for purchase. In accordance with the Handbook of Masonic Law, Digest of Edicts: Perpetual Membership, Page 100A, Paragraphs J., the total proportionate ratio of payments to the Lodges shall not exceed a rate of return (adjusted for administrative cost) of five (5%) percent. As a clarification of the rate to be paid out, it will be the actual rate of return, minus administrative costs, up to a maximum rate of five percent (5%.)

## EDICT - 2016-2

The Master Ritualist Program was created to advance the quality of degrees by having members commit lectures to memory so the candidate can best be impressed by the significance of the degree through the lectures. This program is different from the esoteric work that is under the control of the Permanent Committee on Work (PCOW). The Master Ritualistic Program shall be placed under the control and administration of a new committee, the Master Ritualist Committee. The five-member committee will be formed and included in the Masonic Directory.

The PCOW is structured to manage and administer the District Grand Lecturers in their pursuit of the highest quality of the work and strict compliance with the exact wording as found in THE STANDARD WORK of the STATE of LOUISIANA F.&A.M. August 2006. The Certificate of Proficiency program was expanded to a three level system as a means of encouraging members to advance in their knowledge of the work.

The PCOW shall focus its full attention on the perfection of the work through the administration of the Three-Tiered Certificate Program. This important work is intended to make our members capable of opening and closing their Lodges in all three degrees by achievement of the Level One card. The Level Two card will ensure that our members will be able to lecture a candidate to support his advance in the degrees. Level Three will remain as the benchmark for those who know all the esoteric work and can oversee the quality of work while serving as District Grand Lecturers or in their Lodges as members ready to teach all who will learn.

The Ceremony for Taking Up the Word on page 55 of the Standard Work shall not be a tested requirement for any level of the proficiency program. Additionally, The Standard Work of the State of Louisiana F.&A.M. Floor Work, November, 2012 shall not be a tested portion of the requirements for Level One, Two and Three Proficiency Cards. Knowledge of the Floor Work is encouraged but it shall not be part of the actual testing for Proficiency Cards.

This Edict is issued under my hand on July 26, 2016.

# REPORT OF THE GRAND SECRETARY

This is my second report as Grand Secretary. My first report was at the end of a 7 month term to fill the vacancy created when our previous Grand Secretary, M:W: Roy B. Tuck, Jr, retired and I was installed on July 1,2015. Then it was indeed an honor to be elected to the Grand Secretary's position on January 31, 2016 and a pleasure to serve this Grand Lodge for the 2016/2017 term.

We have continued to work toward streamlining our office operations. Here are just a few of the items we have worked to make better. We continue to embrace additional functionality of our Grand Lodge database and its communications abilities. Through this functionality we have reduced our postage costs by 37 over the previous year. As we distribute more of our publications in an electronic format we see similar reductions in our printing costs. We have implemented electronic bill pay and we have installed a check processing machine which relives us of the task of going to the bank to make deposits. Our operations are beginning to resemble other business offices of this era.

All members should be thankful for the efficient and knowledgeable Grand Lodge staff that we currently have. Our staff is friendly and will assist you with any question you may call in about. I would be remiss if I did not mention them all by name, Dianne Bordelon runs the Service Committee, Kim Bordelon is our page maker and makes sure all communications from the Grand Lodge goes out in a timely manner, Michelle Dempsey is our data processor and will help you to learn how to utilize our database, and last but not least, Mary Farmer is our Grand Lodge accountant. Together they form a wonderful team and I thank each one of you for your efforts and your ability to adapt to a changing environment as we work to make our processes more efficient. Should any member need any assistance please do not hesitate to give us a call.

Again brothers, thank you so much for this opportunity to serve all of the members of the Grand Lodge of the State of Louisiana! May God Bless You!

Sincerely and Fraternally,

Woody D. Bilyeu, P.G.M.

# REPORT OF THE GRAND TREASURER

To the Officers and Members of the Most Worshipful Grand Lodge of the State of Louisiana, F.& A.M.

I take this opportunity to extend a very sincere appreciation for my election to the position of Grand Treasurer. It was my honor and pleasure for the opportunity to serve Freemasonry in this capacity.

Listed on the following pages within the Advanced Proceeding you will find an outline of the 2016 budget followed by the complete review for all Grand Lodge accounts prepared by our CPA prepared for your approval.

A special thanks to our new Grand Accountant, Mary Farmer, who has been of great assistance in preparing this report, and has proven to be a great asset for the Treasurer as well as many other activities of the Grand Lodge. Also many thanks to Kim Bordelon for who seems to have an unlimited knowledge of publishing and willingness to be helpful in many other ways.

Pursuant to the General Regulation, Article Il, Section 2, of the HMOL, I report that the Grand Treasurer has kept proper books of accountants and keeps them ready at all times for exhibit to the Grand Master, or any committee appointed by the Grand Master for that purpose.

At the first session of each Grand Communication, I show in the Advanced Report Proceedings, the condition of the accounts with a detailed statement of all funds which have passed through or remain in the Grand Lodge accounts during my term of office.

Further, all Grand Lodge accounts have been reviewed by the designated Certified Public Accountant, Blaine Hebert, who has verified that this report accurately reflects the financial position of the Grand Lodge as of 9/30/2016, the end of the fiscal year.

I Move this report be received and that it be printed in the Annual Grand Lodge Proceedings.

Sincerely and Fraternally,

R:.W:. Charles Richard Smith, P.M
Grand Treasurer

## *Masonic Educational Foundation, Inc.*
## *Independent Accountants' Review Report*
## *September 30, 2016*

The Board of Directors
Masonic Educational Foundation, Inc.

We have reviewed the accompanying statement of financial position of Masonic Educational Foundation, Inc. (a nonprofit organization) as of September 30, 2016, and the related statements of activities and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

# *Masonic Educational Foundation, Inc.*
# *Notes To Financial Statements:*
# *For the Year Ended September 30, 2016*

**Note 1 – Summary of Significant Accounting Policies**

Organization

The Masonic Educational Foundation, Inc. (the Foundation) was established for the purpose of providing scholarships to college students.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

*Unrestricted net assets* – Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Income Taxes

The organization has been determined to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 – Investments and Marketable Securities

The Foundation has an investment account, one account held at a national investment company. The account has investments in several different marketable securities and cash investments.

Details regarding amounts reported as investment income are presented as follows:

| Description | |
|---|---|
| Interest and Dividends | $13,470 |
| Realized Gains and Losses | 5,319 |
| Unrealized Gains and Losses | 496 |
| Total Investment Income | $ 19,285 |

**Note 3 – Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity's own assumptions about market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2016 are as follows:

| | | Fair Value Measurement at September 30, 2016 | | |
|---|---|---|---|---|
| Description | Fair Value | Level 1 | Level 2 | Level 3 |
| Cash | $ 17,384 | $ 17,384 | - | - |
| Investments | $308,920 | $308,920 | - | - |

**Note 4 – Related Party Activity**

The Foundation is governed by a Board of Directors which is comprised of the same individuals which serve as the Board of Trustees for the Masonic Home Properties and Charities. At September 30, 2016, the Foundation owed Grand Lodge of Louisiana F & AM $414.

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 6 – Income Taxes**

The organization has been determined to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. Income tax expense for the year was $0 (an excise tax based on investment income).

The Foundation's tax returns for the years ended September 30, 2013 through September 30, 2015 remain open and subject to examination by taxing authorities.

**Note 7 – Subsequent Events**

The Foundation has no material subsequent events that would require disclosure. Subsequent events have been evaluated through March 28, 2017, which is the date the financial statements were available for issuance.

**Note 1 – Summary of Significant Accounting Policies**

Organization

Masonic Home Educational Foundation, Inc. (The Foundation) is a nonprofit organization organized under the laws of the State of Louisiana. The Foundation was established for the purpose of providing funds to college students and the use of its earnings is restricted to this purpose. The Scholarship Committee of the Board of Directors reviews and selects applicants for assistance.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Foundation and changes therein are classified and reported as follows:

*Unrestricted net assets* – Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Foundation. Generally, the donors of these assets permit The Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Foundation is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Foundation would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 – Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but are observable, either directly or indirectly through corroboration with observable market date and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unob-servable market prices and pricing models significant to determining the fair value measurement include the reporting entity's own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2016 are as follows:

| | | Fair Value Measurement at September 30, 2016 Using | | |
|---|---|---|---|---|
| Description | Fair Value | Level 1 | Level 2 | Level 3 |
| Cash | $ 238,057 | $ 238,057 | $ - | $ - |
| Investments | $2,303,751 | $2,303,751 | $ - | $ - |

**Note 3 – Investments and Marketable Securities**

The Foundation has three investment accounts held at two national investment companies. The accounts have investments in several different marketable securities and cash investments.

Investment income for 2016 is summarized as follows:

| | |
|---|---|
| Interest and Dividends | $52,788 |
| Realized gain/(loss) | (76,020) |
| Unrealized gain/(loss) | 159,646 |
| Total Investment Income/(Loss) | $136,414 |

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 4 – Income Taxes**

The Foundation's tax returns for the years ended September 30, 2013 through September 30, 2015, remain open and subject to examination by taxing authorities.

**Note 5 – Related Party Activity**

The Foundation is governed by a Board of Directors which is comprised of the same individuals which serve as Board of Trustees for the Masonic Home Properties and Charities (a program service of the Grand Lodge of Louisiana F & AM). The rent and payroll expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Masonic Home Educational Foundation, also received $18,989 of support from Grand Lodge of Louisiana F & AM. As of the September 30, 2016, The Foundation owed Grand Lodge of Louisiana F & AM $23,641.

**Note 6 – Subsequent Events**

The Foundation has no material subsequent events that would require disclosure. Subsequent events have been evaluated through March 28, 2017, which is the date the financial statements were available for issuance.

**Note 1 – Summary of Significant Accounting Policies**

Organization

Masonic Learning Center of LA, Inc. (The Center) is a nonprofit organization organized under the laws of the State of Louisiana. The Center was established for the purpose of providing assistance to students by funding educational expenses related to dyslexia training for students at the elementary school level.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

*Unrestricted net assets* – Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Center. Generally, the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Investments

Accounting for Fair Value Measurements (FASB ASC 820-10-50-1) requires disclosures of financial assets and liabilities that are re-measured at fair value at least annually. FASB ASC 820-10-50-1 establishes a three tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets: Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable: and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Income Taxes

The Center is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Center is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Center would be required to purchase these services if donated services were not available.

The Center uses various locations to implement the dyslexia program. Many of these locations are other non-profit organizations. The fair value of the use of these locations has been determined by management to be immaterial. Accordingly, no non-cash support for the use of these locations is recorded in these financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Organization

Masonic Library/Museum Foundation of Louisiana, Inc. (The Museum) is a nonprofit organization organized under the laws of the State of Louisiana. The Museum was established for the purpose of preserving records, artifacts and memorabilia concerning the Fraternity of Masonry in general and Louisiana Masonry in particular, and to display items of history and masonic history to present time.

The Museum currently displays and preserves items on loan from the Grand Lodge of Louisiana. The Museum does not own any of the artifacts and memorabilia that it houses. The loan of items is indefinite and will remain in effect until the Grand Lodge of Louisiana or the Museum ends the agreement.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Museum and changes therein are classified and reported as follows:

*Unrestricted net assets* – Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Museum and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Museum. Generally, the donors of these assets permit The Museum to use all or part of the income earned on any related investments for general or specific purposes.

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Museum would be required to purchase these services if donated services were not available.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. **Note 3 – Investments and Marketable Securities**

The Museum has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2016 is summarized as follows:

| | |
|---|---|
| Interest income | $1,273 |
| Realized Gain/(Loss) | (6,098) |
| Unrealized Loss/(Loss) | 13,718 |
| Total Investment Income/(Loss) | $ 8,893 |

**Note 4 – Endowment**

Permanently restricted net assets consist of donor restricted endowment funds invested in perpetuity. The Museum's endowment consists of various individual funds established for different purposes, primarily to support the maintenance and upkeep of certain exhibits. Investment return associated with the Museum's endowment is classified and reported based on the existence of donor-imposed restrictions.

The museum has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Museum classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the endowment fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets, according to donor stipulations, if any, until those amounts are appropriated for expenditure by the Museum. The Museum considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Museum and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Museum.
7. The investment policies of the Museum.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Museum to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2016.

The Museum has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Museum has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Museum's investment policy.

During the year ended September 30, 2016, the Museum had the following endowment related activities:

| | Permanently Restricted |
|---|---|
| Endowment net assets, September 30, 2015 | $ 99,044 |
| Donations | 0 |
| Endowment net assets, September 30, 2016 | $ 99,044 |

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 6 – Income Taxes**

The Museum's tax return for the years ended September 30. 2013 through September 30, 2015, remain open and subject to examination by taxing authorities.

**Note 7 – Related Party Activity**

The Museum is governed by a Board of Directors which is comprised of the same individuals which serve as Board of Trustees for the Masonic Home Properties and Charities (a program service of the Grand Lodge of Louisiana F & AM). The administrative expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Museum also received $7,936 of support from Grand Lodge of Louisiana F & AM. At September 30, 2016, Grand Lodge F & AM owed the Museum $17,243.

**Note 8 – Subsequent Events**

The Museum has no material subsequent events that would require disclosure. Subsequent events have been evaluated through March 28, 2017, which is the date the financial statements were available for issuance.

## *Notes to Financial Statements*
## *For the Year Ended September 30, 2016*

**Note 1 – Nature of Activities and Significant Accounting Policies**

Nature of Activities

The Grand Lodge of Louisiana F. & A.M. (The Lodge) was established as a Fraternal Organization.

The Lodge has several funds which are included in these financial statements. The funds and purposes are listed below.

Fraternal - This is the C-10 fraternal that directly services membership. The membership dues flow in and expenses are paid for membership purposes. Most of the payrolls come out of this account.

Service Committee - This is the "store" that has all the Masonic items that can be purchased. Inventory is its biggest asset and physical inventory is taken once a year at year end.

Charities and Benevolence - These are monies collected from Lodges to help out the other Lodges in need.

Charities and Benevolence Fund A - This fund was set up to help former employees and associates of Grand Lodge.

Special Purpose - This fund was set up to collect and pay monies for Masonic conferences, etc. A certain amount is transferred from the Fraternal each year to help with the cost of conferences for members.

LA Freemason - This is the publication put out by Grand Lodge on a semi-annual basis. Part of the dues sent to Grand Lodge includes an assessment from the members to defray the cost of publishing the magazine. That assessment is transferred to LA Freemason each year after the dues come in.

Disaster Fund - This fund was for members to contribute to when there is a disaster. For example, when Hurricane Katrina hit in 2005, money was donated and used to aid victims of the hurricane.

Thibodaux Cemetery - This is a cemetery owned by The Lodge in Thibodaux, LA.

Masonic Cemetery - Located in New Orleans, this cemetery is funded by monies received from families of those buried there and from the income of these investments. These funds are used to maintain the cemetery.

Perpetual Membership - This program was started so members can pay a onetime fee and not have to pay annual dues. Grand Lodge uses the income from the principal invested to pay the local lodge dues for that member.

Masonic Endowment - These monies were donated over the years so that charitable causes could be funded.

Masonic Home Endowment - These monies were donated as 501 (c) (3) for purposes of paying expenses for the care of the children when the home was operated as a children's home. Since the Home has closed, the income from the endowment goes to the Masonic Learning Center (dyslexia program) and the other ½ to the Masonic Home Education Foundation to fund scholarships.

Masonic Charities - This is the old "Masonic Home for Children." Back in 1996, the C-3 funds (those given to the home as charitable donations) & C-10 funds (those given to the home by Grand Lodge) were split. The C-3 funds are used for charitable purposes. The C-10 funds are used for fraternal membership purposes.

Significant Accounting Policies

Significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

*Unrestricted net assets* – Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Center. Generally, the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Contributions of fixed assets or resources to purchase them are reported as temporarily restricted. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the period as the contribution is received, the revenue is shown as unrestricted.

Promises to Give

The Lodge does not engage in any fund-raising activities and does not receive any pledges. Accordingly, no such activity has been recorded in these financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Financial Statement Presentation

The Lodge is required to report information regarding its financial position and activities according to three classes of net assets (unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending up the existence and/or nature of any donor restrictions.

Income Taxes
The Lodge is a not-for-profit organization that is exempt from income taxes under Section 501 (c) (10) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements. In addition, the Lodge has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

Cash and Cash Equivalents

Cash and cash equivalents represent bank deposits and highly liquid investments with original maturities of three months or less.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt and equity securities are valued at their fair value in statements of financial position. Unrealized gains and losses are included in the change in net assets.

Functional Allocation of Expenses

The cost of providing the Lodge's programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited.

Other support services include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Lodge.

Compensated Absences

The Lodge has no policy relating to compensated absences. The compensated absences are not material to the financial statements as September 30, 2016.

Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Property and equipment are depreciated over their useful lives using the straight-line method. Useful lives are determined by IRS regulations.

**Note 2 – Fair Value Measurements**

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, "Fair Value Measurements" fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to fair value measurement. Fair value of assets measured on a recurring basis at September 30, 2016 are as follows:

| Description | Fair Value | Level 1 | Level 2 | Level 3 |
|---|---|---|---|---|
| Cash | $ 975,751 | $ 975,751 | $ - | $ - |
| Investments | $ $16,508,425 | $ 16,508,425 | $ - | $ - |

**Note 3 – Investments**

The Lodge has several investment accounts with several national investment companies. The accounts are invested in several different marketable securities and cash investments.

Investment income for 2016 is summarized as follows:

| | |
|---|---|
| Interest income | $ 617,571 |
| Realized gain/loss | (224,139) |
| Unrealized gain/loss | 924,190 |
| Total Investment Income/(Loss) | ($ 1,317,622 ) |

**Note 4 – Inventory**

Inventory consists primarily of books, videos, accessories, and other educational materials. Inventory is carried at the lower of cost or market using the first-in, first-out method.

**Note 5 – Property and Equipment**

Property and equipment consists of the following:

| Description | Life | Amount |
|---|---|---|
| Land | | $ 36,706 |
| Buildings | 39 years | 1,399,134 |
| Furniture and fixtures | 5 – 15 years | 54,068 |
| Machinery and equipment | 5 – 7 years | 28,602 |
| Storage | 15 years | 80,369 |
| Accumulated Depreciation | | (465,577) |
| Net | | $ 1,133,302 |

Depreciation expense for 2016 was $41,819.

**Note 6 – Related Party**

The Lodge is governed by a Board of Directors which is comprised of some of the same individuals which serve on the Board of Directors for the Masonic Learning Center, Inc., the Masonic Home Educational Foundation, the Masonic Educational Foundation, and the Masonic Library/Museum.

Masonic Home Educational Foundation paid the Lodge $9,000 in rent and $5,400 in payroll reimbursement. As of September 30, 2016, the Masonic Home Educational Foundation owes the Lodge $23,641, and the Masonic Educational Foundation owes the Lodge $414.

As of September 30, 2016, there were payables to two of the other Masonic entities. The amount due to the Masonic Learning Center, Inc. is $241,646, and the amount due to the Masonic Library/Museum is $17,243.

**Note 7 – Restricted Net Assets**

The Lodge has a program (Perpetual Membership) where a member can pay a lump sum amount for a lifetime membership. This can also be paid in installments. The earnings from the lump sum and/or installments are transferred to the lodges each year in order to pay that member's dues. These funds have been set aside in an investment account which, as of September 30, 2016, totals $4,878,226.

Temporarily restricted net assets are attributable to funds that are subject to temporary restrictions imposed by donor. Temporarily restricted net assets of $15,671 are associated with the Grand Masters Charity. The remaining $752,666 is related to the endowment fund (Note 8).

The Lodge has certain net assets that are permanently restricted. These assets are comprised of contributions made to the endowment funds of the Lodge, the income from which has been used to fund certain charitable purposes. The net assets in these endowment funds are restricted by its original donors to endow these aforementioned purposes. The two endowment funds are the Masonic Endowment and the Masonic Home Endowment. Details of the endowment funds can be found in Note 8.

**Note 8 – Endowment**

Permanently restricted net assets consist of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educations Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Lodge classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the endowment fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets, according to donor stipulations, if any, until those amounts are appropriated for expenditure by the Lodge. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Lodge and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Lodge.
7. The investment policies of the Lodge.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Lodge to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2016.

The Lodge has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Lodge has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Lodge's investment policy.

During the year ended September 30, 2016, the Lodge had the following endowment related activities:

| | Temporarily Restricted | Permanently Restricted |
|---|---|---|
| Endowment net assets, September 30, 2015 | $494,448 | $2,314,096 |
| Donations | - | - |
| Investment income/(loss) | 260,837 | - |
| Distributions for endowment purposes | ( 2,619) | - |
| Endowment net assets, September 30, 2016 | $ 752,666 | $ 2,314,096 |

**Note 11 – Concentrations of Credit Risk**

Financial instruments that potentially subject the Lodge to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make investments less valuable.

The Lodge maintains cash balances with national and regional banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At September 30, 2016 cash on deposit that was in excess of the federally insured limits was $52,888.

**Note 12 – Collections**

The museum also contains memorabilia from the old Masonic Home for Children which operated from 1923 until 1994 as a home for needy children. It includes such things as an old dentistry chair from the infirmary as well as musical instruments from the old band formed in the 1920s at the Home. Files are kept of former residents for genealogical tracking.

The services performed consist of the availability for research and study by the general public. The availability of periodicals and clipping services, biographical data, card catalogue, Grand

**Note 13 – Income Tax**

The Lodge's tax returns for the years ended September 30, 2013 through September 30, 2015, remain open and subject to examination by taxing authorities.

**Note 14 – Subsequent Events**

The Lodge has no material subsequent events that would require disclosure. Subsequent events have been evaluated through March 28, 2017, which is the date the financial statements were available for issuance.

WHEREAS, the Perpetual Membership program began with an Edict in 1990 for the more noble and glorious purpose of perpetually securing a supplemental revenue source because our constituent Lodges, as well as our Grand Lodge, were facing a continuing monetary loss due to diminishing membership within our fraternity, and,

## 2017 - RESOLUTIONS

**2017-2: (Continued)**

WHEREAS, it was believed that the Perpetual Membership program would provide the essential, immediate steps in order that the financial status of our fraternity would not be allowed to further deteriorate, and that our fraternity would be able to maintain its daily order of business in a dignified manner befitting Freemasonry, and,

WHEREAS, unanticipated poor funds earnings necessitated extensive amending of some sections of the Perpetual Membership Program in 2011 in an attempt to ensure the continued success of the program, and,

WHEREAS, the program allowed members to make a fixed lump sum payment, or installment payments, which permanently relieved them of paying yearly dues, and it was believed that it was good for Lodges as they would continue to receive payments even after the death of a member, and,

WHEREAS, the program did not account for actuarial data which projects average age of new members with their life expectancy and average participation opportunity in the program, and,

WHEREAS, the program did not consider the real time value of money which results in a steady depreciation in value of each yearly payment to the Lodges due to inflation, and,

WHEREAS, over time, devaluation due to inflation significantly reduces the purchasing power of the income from the program because the payments remain frozen at the rate that was in effect when the member joined, and,

WHEREAS, the combined factors of actuarial data and inflation show that the difference in the income earned from the program becomes significantly less every year compared to the income that would have been earned by a member paying yearly dues that are increased from time to time to offset inflation and the ever reducing value to the Lodge of the fixed perpetual program payments, and,

WHEREAS, this increasing shortfall of revenue to the Lodges is born by unfair, ever increasing, higher yearly dues to the regular members to make up for the lost purchasing power from the Perpetual Membership program, and,

WHEREAS, both fairness to all members and protection for the future viability of the payments to the lodges must be secured as was the original purpose of this well intended program, and,

WHEREAS, the Grand Master finding it to be in the best interest of the Grand Lodge, the constituent Lodges, and all members to end future enrollments in the program has therefore issued Edict 2016-1, and Amended Edict 2016-1, "sunsetting" the Perpetual Membership program, effective March 24, 2016, and,

WHEREAS, the opportunity for an endowment as a supplemental revenue source to the Lodge and Grand Lodge continues to be available through Honorary Perpetual Memberships, Memorial Perpetual Memberships, or Perpetual Memorials, and,

WHEREAS, it is necessary to amend and re-enact certain of the provisions of the Handbook of Masonic Law governing the Perpetual Membership program of the Grand Lodge of Louisiana to implement this change in the program,

THEREFORE BE IT RESOLVED, that the Handbook of Masonic Law, section on Perpetual Membership, pages 100-100C, be amended to conform with the attached revisions (I);

BE IT FURTHER RESOLVED, that Handbook of Masonic Law, Digest of Edicts, section on By-Laws, page 71, be amended to conform with the attached revisions (II); and

BE IT FURTHER RESOLVED, that the Handbook of Masonic Law, Model Form of By-Laws, Article VI, Section 2, page 115, be amended to conform with the attached revisions (III).

## 2017 - RESOLUTIONS

**2017-2: (Continued)**

PROPOSED CHANGES SUMMARY

1. There shall be no further enrollments of Perpetual Membership after March 24, 2016, except as Honorary Perpetual Memberships, Memorial Perpetual Memberships, or Perpetual Memorials.

2. All existing Perpetual Memberships remain in effect in perpetuity and will continue to earn payments to the Lodges and Grand Lodge as provided when the perpetual membership was taken out.

3. All existing members who are current in the Perpetual Membership Installment Plan remain in the Installment Plan so long as they make the required payments on time which is December 10 yearly, and will become Perpetual Members when paid in full.

4. All existing members who are current in the Perpetual Membership Installment Plan continue to pay regular yearly dues until paid in full as provided when the perpetual membership was taken out. Failure to make the required payments on time continues to result in voluntary withdrawal from the program, and the member cannot be reenrolled.

5. There is no change to the provisions for Transfer of Perpetual Membership.

1.

Perpetual Memberships are authorized in Louisiana Masonic Lodges subject to the following terms and conditions:

A. Any member in good standing and possessing a current dues card whose Perpetual Membership was fully paid as of March 24, 2016, or who remains current in his installment payments for such Perpetual Membership initiated prior to March 24, 2016; said Perpetual Members shall retain their Perpetual Membership subject to the terms and conditions for Perpetual Membership in effect at the time their Perpetual Membership was paid in full. There shall be no further enrollments of Perpetual Membership after March 24, 2016, except as Honorary Perpetual Memberships, Memorial Perpetual Memberships, or Perpetual Memorials authorized and provided for by the provisions of this section.

B. A member or lodge may pay the balance of the fees or installment payments by credit card which shall also include a transaction fee at the prevailing rate. The credit card is called in to the designated Grand Lodge administrator to conclude the transaction.

C. Balance of Perpetual Membership fees currently authorized to be paid in equal installments option use a multiplier of 4.0 X annual lodge dues (local dues plus Grand Lodge per capita) to determine the installment payment.

Example: On January 1, 1990 Lodge dues are $25.00. Multiply $25.00 X 4.0 to determine that the annual fee will be $100.00 for five (5) successive years, plus lodge dues.

When purchased under the five (5) year option, a Member becomes Perpetual when the final installment is paid. Annual installments shall be due and payable on or before the tenth day of December in successive years. After enrolling under this option, a Member may revert to the single payment method at any time. Failure to pay any installment due by December 10th in the year due constitutes a voluntary withdrawal from the program. Notwithstanding the provisions of paragraph "A" above, a member who suspends, or voluntarily withdraws from participation in the Perpetual Member program may not subsequently re-enroll in the program.

## 2017 - RESOLUTIONS

**2017-2: (Continued)**

D. The application for Honorary Perpetual Memberships, Memorial Perpetual Memberships, and for Perpetual Memorials shall be signed by the applicant, and have the certification of the Lodge Secretary. The application shall not become effective until the applicant's record has been certified by the Grand Secretary. If the Grand Secretary determines that the minimum fee, tendered by the applicant is in excess of that required, he shall have the power to correct the application and the Lodge Secretary's computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the particular Lodge Secretary. If the fee tendered is insufficient, the Grand Secretary shall return the application and fee to the constituent Lodge Secretary for correction and resubmittal. A copy of the completed and accepted application and certificate shall be furnished to the member and to the submitting Lodge by the Grand Secretary when appropriate. The provisions shall be construed so as to permit the Grand Secretary to use computerized records.

E. After the application has been accepted by the Grand Secretary, the fee shall be paid over to the Grand Treasurer as required in Article II, Section 3, of the General Regulations. The funds shall be placed collectively in restricted Perpetual Membership accounts. These funds shall be accounted for on an individual Lodge basis, listing the amount paid into the fund. The funds shall be accounted for separately, by the Grand Treasurer, from all other Grand Lodge funds. The annual accounting for said funds shall comply with generally accepted accounting principles for review and auditing purposes.

F. To protect the Lodge from future Grand Lodge per capita tax increases on Perpetual Members, the per capita tax will be replaced with a proportionate ratio payment based on Lodge annual dues and Grand Lodge per capita tax. The proportionate ratio is fixed at the time a Brother becomes a Perpetual Member.

G. A Perpetual Member shall owe no further dues to the lodge of which he is a member after the effective date of his Perpetual Membership. A dues card shall be issued annually to every Perpetual Member in good standing by the Lodge Secretary which shall denote that his dues have been paid in perpetuity.

H. The Perpetual Membership fee shall be considered principal and shall never be spent except as provided herein below. Interest derived from the funds collectively invested, less administrative charges and adequate reserves, shall be paid annually to each Constituent Lodge on a prorated basis for each Perpetual Member prior to January 15 of the ensuing year, provided that no distribution shall be made for the Perpetual Member who purchased the membership later than the end of the first quarter of the year, during the year following the year of the purchase. Total proportionate ratio payments shall not exceed a rate of return of five (5%) percent. Administrative charges covers cost of operation of the program including certificates, forms, accounting, auditing and advisor's fee.

I. When purchased under the five (5) year option, all earnings on payments made toward the Perpetual Membership fee will be retained in the Reserve Fund created herein, with distribution being made only when the Perpetual Membership fee is fully paid, and the participating member no longer pays dues. In the event a participating member dies, demits, is suspended or expelled or withdraws from the program prior to making the fifth (5th ) or final installment, only the earned interest, less administrative fees, and contributions to reserves, shall be distributed under the proportionate ratio formula not to exceed a rate of return of 5% in any event.

J. There is hereby created a reserve fund to offset future interest shortfall, funded by interest in excess of five (5) percent on all investments of Perpetual Membership funds, as calculated on June 30th of each year. Reserves shall be deemed adequate when said fund reaches an amount equal to 10% of total fund principal. Payout of funds in excess thereof shall be paid as a dividend on a pro-rata basis on the next regular payment date.

MASONIC LAW
The Constitution, General Regulations and Edicts of the Grand Lodge must be obeyed. When the law is plain neither the Grand Master, nor the Committee on Masonic Law and Jurisprudence, shall be called upon to interpret it.
The Master is sufficient in power for all rules of order in his Lodge but possesses no powers except those expressly and clearly delegated to him by Masonic Law.
A brother, desiring a ruling on Masonic Law, shall first apply to the Master of his Lodge and, if not satisfied, he may then appeal to the Grand Master.
**The Grand Master** is sufficient in power for all rules of order **but possesses no powers except those contained in the Constitutions of Masonry, and those expressly and clearly delegated to him by the brethren**, and shall not grant a dispensation for any purpose where the existing law is definite.
**The Grand Master has the duty of interpreting the law fairly and of upholding it in the spirit and in the letter; but he does not have the power to suspend it** except in grave emergencies caused by disaster or distress.

## 2017 - RESOLUTIONS

**2017-6: (Continued)**

**Whereas**: The powers and prerogatives of the Grand Master are clearly defined in the Handbook of Masonic Law of the Grand Lodge of the State of Louisiana, F&AM, and;

**Whereas**: In the past, several Grand Masters have exceeded the power and prerogatives of the office by changing, modifying, or setting aside, Regulations and Edicts of the Handbook of Masonic Law, and;

**Whereas**: Several Grand Masters have taken it upon themselves to arbitrarily remove duly elected Board members, with no Masonic charges filed, and replace them with their personal appointments, thus "stacking the Board", and;

**Whereas**: These new appointees then made changes to the by-laws of the Boards, including making the Grand Lodge Officers ex-officio members of the Board, against the stated will of the Grand Lodge membership, and;

**Whereas**: A Grand Master changed and overrode the Regulations and Edicts of the Handbook of Masonic Law by arbitrarily declaring the Grand Lodge Officers ex-officio members of an elected Board, and;

**Whereas**: These actions resulted in the Grand Master usurping authority over elected members of said Boards, which were here-to-for under the authority of, and answered to, the Grand Lodge membership, and;

**Whereas**: Grand Masters have, contrary to the Handbook of Masonic Law, arbitrarily levied an assessment on the voting members, and/or constituent Lodges, of the Grand Lodge, and;

**Whereas**: A Grand Master issued an Edict which was clearly contrary to established Masonic Law and which modified the established rules of the program;

**Whereas**: Blue Lodge Freemasonry, in the United States of America in general, and the State of Louisiana in particular operate under a Democratic Republican form of governance, not a Dictatorship. The power of this Grand Lodge flows from the bottom to the top, not the top down. Many sections of the Handbook of Masonic Law indicate that the Grand Masters power and prerogatives are "limited" and in several instances states that only the Grand Lodge has certain rights, thereby clearly indicating that the Grand Master is NOT the Grand Lodge, and does NOT have the extensive power of the GrandLodge,

**Therefore Be It Resolved:**

In order to re-state and clarify the Constitution, Regulations and Edicts of the Handbook of Masonic Law, in reference to: Article V, Powers and Duties of the Grand Officers, there be added a new Section 3 (with the existing following sections being re-numbered appropriately), to read:

Section 3. The Grand Master does not have the power or prerogative to create, change, modify, alter, set aside, or delete any part of the existing Constitution, Regulations and Edicts of the Grand Lodge of the State of Louisiana, F&AM. The Grand Master does not have the power or prerogative to increase dues or fees, or to levy an assessment on members or Lodges The Grand Master does not have the power or prerogative to arbitrarily remove any duly elected Grand Lodge Officer or Board member, without just cause and unMasonic charges being filed against the individual being removed.

**2017-26:**

Whereas the fraternity will not long survive without the prospect of attracting and develop young leaders among us;

Whereas experience and example are often designed as the best teachers;

Whereas the Grand Lodge session pertaining to the passing, receiving, or modify of resolutions have come more about petty personal preferences than about moving the fraternity forward into the future;

Whereas a number of resolutions submitted for the year 2017 seem to be more about Past Grand Masters quarreling amongst on another;

Whereas young leaders of our fraternity for the future are not getting the best example from our elected officials;

Therefore be it resolved that the HOML be not used as the method we use to settle our differences at the cost of tarnishing the reputation of the Grand Lodge Session;

Therefore be it further resolved that no resolution or law be allowed to violate any of our esteemed Ancient Landmarks, Charges, or Customs.

Therefore be it further resolved that the Past Grand and Current Grand Masters be caused to fulfill their duties as told in the opening ritual which is that of giving the members good and wholesome instruction, thus, making them good mentors and stewards of the craft leading to a better future for Freemasonry in general and in Louisiana in particular.

## RESOLUTIONS

**Resolution 2014–11 amending the Constitution to provide the Grand Master may appoint additional Grand Lodge officers and providing for regalia and prerogative thereof, was duly approved by the delegates, but inadvertently omitted from the revision of the Handbook of Masonic Law. It is mentioned here to acknowledge the error and to provide for theinclusion.**

**Resolutions received and held over from the 2016 Grand Communications are:**

**RESOLUTION NO. 2015-10**: proposes to amend the Constitution to provide "No individual may simultaneously serve on more than one Grand Lodge Board or Committee (with the exception of ex-officio members and members of such committees of that same Board or Committee upon which one already serves.)".

**2017**
**THE REPORT OF THE COMMITTEE ON MASONIC**
**LAW AND JURISPRUDENCE, CONTINUED:**

**RESOLUTION NO. 2015-10 (Continued)**: Amendment thereto in 2016 added "elected" and restricted the application to four Boards/Committees.

This proposal to amend the Constitution required a favorable vote at the 2015 Grand Lodge Communications (it received 287 yes, 267 no), be printed in the proceedings (which it has) lay over again for one year (which it has), and be approved at this time by a favorable vote of two-thirds of a quorum of voting delegates, pursuant to the provisions of Article IX, Section 1 of the Constitution.

**Resolutions timely filed, to be considered at this Grand Communication, are:**

**RESOLUTION NO. 2017-1** proposes to amend Digest of Edicts, Conferring Degrees, to limit conferral of any degree to only one candidate at the same communication.

Current law allows not more than five candidates to be obligated in the Fellow Craft or Master Mason Degree at one time.

As this resolution proposes to amend Digest of Edicts, page 76, HOML, it must be received by favorable majority vote of those present and entitled to vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2017-2**: Proposes to amend and re-enact Edicts, Perpetual Membership, pages 100-100C, to terminate enrollments from and after March 24, 2016, except Honorary and Memorial programs, and make provision for existing perpetual memberships.

As this resolution proposes to amend Digest of Edicts, Perpetual Membership, Page 100-100C, it must be received by favorable majority vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2017-3**: Proposes to amend Gen. Reg., Art. 1, Sec. 2 to terminate the Permanent Committee on Work, and create a replacement Regional Grand Lecturers Committee, and provide further for its duties and those of District Grand Lecturers.

As this resolution would amend General Regulations, Article 1, Section 2 (f), page 12, and amend Article II, creating Sections 10 and 11, it must be received by favorable majority vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2017-4:** Proposes to provide an exception to the secrecy of the ballot for correction of error made.

Current law makes no exception for any reason.

As this resolution proposes to amend General Regulations, Article VI, Section 4, page 32, and Digest of Edicts, Balloting and Voting, page 69, it must be received by favorable majority vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2017-5:** Proposes to amend Digest of Edicts, Lodge Meetings and Activities, page 89, to allow a Past Master, under certain conditions, to open a lodge in the absence of all Principal Officers, with the permission of the appropriate District Deputy Grand Master.

Current law requires the presence of five members of the Lodge, including one of the three principal officers, for the transaction of business.

As this resolution proposes to amend the Digest of Edicts, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2017– 6:** Proposes to amend the Constitution, Article V, pages 6 ff, HOML, to enumerate proposed restrictions on the authority of the Grand Master by adding a new Section 3, stated in negative terms.

**2017**
**THE REPORT OF THE COMMITTEE ON MASONIC**
**LAW AND JURISPRUDENCE, CONTINUED:**

**RESOLUTION NO. 2017– 6:(Continued)**
Current law stating the powers and duties of the Grand Master are set out in positive terms in said Article V, Sections 1,2 and 4.

As this resolution proposes to amend the Constitution, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2017–7:** Proposes to amend the Constitution, Article IV, Section 2, Page 3, HOML, to change the time of election of Grand Lodge Officers and all other elected Grand Lodge positions to occur on the first day of each Annual Grand Communication immediately following Committee and Board Reports.

Current law provides Grand Lodge Officers "shall be chosen by ballot after the completion of all business on the first day, or the second day of each Annual Grand Communication, at the discretion of the Grand Master…". The HOML is silent as to the time of election of Board members, who are traditionally elected subsequent to Grand Lodge Officers. It is currently within the authority of the Grand Master to transpose the order of business in the conduct of the Grand Lodge.

As this resolution proposes to amend the Constitution, it must be received and lay over to the next Annual Grand Communication, be published in the Proceedings, lay over until the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–8:** Proposes to amend the law relative to Grand Lodge dues, fees and assessments to provide that any increases of any kind require a proposal to all constituent Lodges not less than 90 days prior to any Annual Grand Lodge Communication, "which must be approved by a majority of a quorum prior to becoming effective".

Current law provides that assessments levied by the Grand Lodge are against the Lodges, not individual members, and must be paid to the Grand Secretary when the annual returns are made.

As this resolution proposes to amend the Constitution, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–9:** Proposes to provide for media searches and permission therefor, in conjunction with investigations of candidates for Degrees in Masonry, Advancement, Affiliation and/or Reinstatement.

Current law makes no provision therefor.

As this resolution proposes to amend General Regulations, Article VI, Section 1 (b), page29, and Appendix, Forms, for various petitions, pages 120 ff, HOML, it must be received by favorable majority vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–10:** Proposes to prohibit filing of any Masonic charges more than 365 days after the discovery of the alleged violation, except in cases of criminal prosecution, which may be held in abeyance until criminal proceedings are concluded.

Current law has no prescriptive or preemptive period on bringing of charges for Unmasonic Conduct.

As this resolution proposes to amend General Regulations, Article IV, Trials in Grand Lodge, and Article VII, Trials, Punishment and Appeals, pages 36 ff, HOML, it must be received by favorable majority vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**2017**
**THE REPORT OF THE COMMITTEE ON MASONIC**
**LAW AND JURISPRUDENCE, CONTINUED:**

**RESOLUTION 2017–11:** Proposes to amend and re-enact the last paragraph of General Regulations, Article VI, Section 4, to read as follows: "The Master shall, if the ballot is found to be clear declare the applicant elected, or if it was the first ballot and there was only one (1) black cube at his discretion immediately order a second ballot to be taken, or declare the applicant rejected if there are multiple black cubes….".

Current law does not grant the Master any discretion; he must order a second ballot if the first contains one black cube.

As this resolution proposes to amend General Regulations, Article VI, Initiation, Advancement and Affiliation and Appeals, Section 4, page 32, HOML, it must be received by favorable majority vote, lay over from one session to another at this Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017-12:** Proposes to amend the Constitution to limit the Grand Master's authority by prohibiting his chairmanship, vote, or authority on any Grand Lodge Committee and/or Board whose members are elected, or owe a fiduciary duty to the Grand Lodge.

Current law provides the Grand Master shall be ex officio Chairman of all committees, without exception.

As this resolution proposes to amend the Constitution, Article V, Section 2, page 5, HOML, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–13:** Proposes to amend Digest of Edicts, Masonic Offenses, page 96, HOML, to add "Disregarding the expressed will of the Lodge when a Vote has been held." to the list of enumerated Masonic Offences.

Current law has no such provision.

As this resolution proposes to amend the Digest of Edicts, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2107–14:** Proposes to revoke the authority of the Grand Master to suspend any Mason without prior approval of a panel of three Past Grand Masters appointed by him, who reside in the same area as the said Mason, which Panel shall investigate the allegations and transmit their conclusions to the Grand Master, who shall be bound by their decision. A copy of the report shall be sent to the Committee on Appeals and Grievances.

Current law has no such limitation on the authority of the Grand Master.

This resolution purports to amend General Regulations, Article IV, of Grand Officers, Trials in Grand Lodge, page 24, but it also would have the effect of amending the Constitution, Article V, Powers and Duties of Grand Officers and must be considered together.

As the effect of this resolution would be to amend the Constitution, as well as the General Regulations, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017- 15:** Proposes to prohibit the holding of elected or appointed office in this Grand Lodge, or have responsibility for funds under the control of the Grand Lodge or any Grand Lodge Foundation, by any person who has ever been convicted of a felony in the United States, had a professional license revoked, or settled any federal investigation in lieu of trial or administrative hearing, and the election of any such person be null and void.

Current law provides that any Mason in good standing in Louisiana may be nominated for election to any Grand Lodge office, and serve if elected or appointed, to any Grand Lodge Office, Board or Committee.

As the effect of this resolution would be to amend the Constitution, Article II, Section 4, Article IV, Sections I and 4, as well as multiple sections of the General Regulations and Edicts, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**LAW AND JURISPRUDENCE, CONTINUED:**

**RESOLUTION 2017–16:** Proposes to amend Digest of Edicts and Model Form of By-laws for the purpose of avoiding conflicts of interest or the appearance thereof by providing that "No person may audit the books and accounts of a constituent Lodge in which that person had authority to authorize receipt or disbursement of any funds of that Lodge", or make bookkeeping entries therefor.

Current law provides only that the books and accounts of each constituent Lodge shall be audited by the Finance Committee composed of three members, or a competent accountant, appointed by the Master.

As this resolution proposes to amend the Digest of Edicts, Audits and Accounts, page 67, and Model Form of By-laws, Article V, Section 2, page 114, HOML, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–17:** Proposes to amend Digest of Edicts, Dues, Fees and Assessments, to extend the $1.00 per year increase in per capita dues commenced in 2009 to address inflationary costs of Grand Lodge operations, for an additional ten years, to 2029.

The current provision for annual increase will expire in 2019

As this resolution proposes to amend the Digest of Edicts, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

Current law provides that the annual proceedings of the Grand Lodge and roster shall be printed and available in both traditional printed matter and by electronic media.

As this resolution proposes to amend the Digest of Edicts, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–19:** Proposes to increase the minimum to be charged by the constituent Lodges for conferring the three degrees to One Hundred Fifty Dollars, with a One Hundred Dollar minimum for the Entered Apprentice Degree.

Current law sets the minimum fees for conferrals at Ninety Dollars.

As the effect of this resolution would be to amend the Constitution, Article VIII, Section 3,page 10, as well as Digest of Edicts, Dues, Fees and Assessments, page 80, HOML, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2107–20:** Proposes to fix the time and place for the Annual Grand Communication for the year 2019, to commence on the 29th day of June, 2019, to be conducted in the City of Alexandria.

The proposal is in compliance with and does not amend the HOML, the Presumptive Grand Master for that time is the author, and is routine. It must be received by a majority vote, lay over until a subsequent session, and be adopted by a majority vote of a quorum of delegates.

**RESOLUTION 2017–21:** Proposes to amend Digest of Edicts to increase the fifty ($0.50) cents per member per year currently assessed and dedicated to the operation and maintenance of the Masonic Library/Museum of Louisiana to One ($1.00) Dollar per year.

As this resolution proposes to amend the Digest of Edicts, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017-22:** Was withdrawn by Author.

**2017**
**THE REPORT OF THE COMMITTEE ON MASONIC**
**LAW AND JURISPRUDENCE, CONTINUED:**

**RESOLUTION 2017–23:** Proposes to create and provide for a Relief Fund For Distressed Constituent Lodges, and amending Digest of Edicts , Dues, Fees and Assessments, to provide for a separate assessment of One ($1.00) Dollar per member proper to be assessed, on Constituent Lodges, to fund the same. It further proposes to create an elected board of five members to administer this fund.

As this resolution proposes to amend the Digest of Edicts, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–24:** Proposes to amend the law on fifty year member exemptions from dues, fees and assessments to limit the exemptions on those members who become fifty year members on or after January 1, 2019, and plural members who have attained that status after January 1, 2019, to have the exemption apply only to the member's home lodge.

As the effect of this resolution would be to amend the Constitution, Article VIII, Section 1,page 10, as well as Digest of Edicts, Dues, Fees and Assessments, page 80, HOML, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2017–25:** Proposes to amend General Regulations, Article XIV, Section 4, dealing with Extinct Lodges, to allow members of Extinct Lodges in good standing to automatically become members of Grand Lodge Lodge No.999 and receive a dues card upon annual payment of twice the then current Grand Lodge Per Capita amount, in lieu of a certificate of good standing.

As this resolution proposes to amend the General Regulations, it must be received by favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**Resolutions received but not timely filed:**

**RESOLUTION 2017–26:** Does not propose to amend any specific provision of the law, but resolves to discourage use of Resolutions to settle personal quarrels, violate the Ancient Landmarks, charges and/or customs, or do anything not for the good of the order.

This resolution was not timely filed, consequently, it must be received by a favorable two-thirds vote of the delegates, lay over from one session to another, and be adopted by a favorable vote of a majority of a quorum of delegates.

## THE BOARD OF TRUSTEES FOR MASONIC CHARITIES REPORT

M:W: Grand Master, Grand Lodge Officers and Brethren:

The Board of Trustees For Masonic Charities is responsible for the management of funds derived from investments, bequeaths, contributions and donations. This Board is a charitable entity and must abide by specific requirements and regulations to maintain it's tax exempt status as a 501(C)3 organization as directed by the Internal Revenue Service.

It is important that each Mason in Louisiana know there must be a clear separation of the 501(C)3 charitable, tax exempt and deductible funds and the 501(C)10 funds and assets used to operate our Grand Lodge. The funds must be kept in separate accounts and not co-mingled for any reason. To maintain our 501(C)3 status The Board must solicit and seek funds from outside of our Masonic Fraternity, in conjunction with the donations and bequeaths derived from our membership.

The Board has devised a Business Plan to assist in the growth of assets for Mason Charities. We feel that the full implementation of this plan will provide increased funding and growth for the various charities supported by Masonic Charities.

The Board has an Investment Committee which oversees the monthly operations of our Investment Management Company. The Investment Committee and Management Company reports at the Boards quarterly meetings on the status of our investments and advises the Board on any changes that need to be made to maximize our return on investment. The Board of Trustees for Masonic Charities has approved an investment plan that dictates the investment policies and parameters which the Investment Management Company must use as a guide for our investments. In 2016, our investments out performed most of the market indicators and we had a gain in relation to the previous year.

The Board of Trustees for Masonic Charities thanks all of the Louisiana Masons for their donations and bequeaths in 2016.

Fraternally Submitted,
M: W: S. Bruce Easterly, PGM, Chairman

## REPORT OF THE COMMITTEE ON STATE OF THE ORDER

Your Committee on State of the Order has reviewed the Grand Master's address for 2016-2017. The committee commends Most Worshipful Brother and Captain Will Phelps Gray, USN (Ret.) for a very complete report. During his time in the Grand Lodge Line and prior to taking office as Grand Master, Brother Gray visited every lodge in the state to get to know and be known to the brethren. In office he has made many visits throughout the state, as well as visitations to other Grand Lodges and numerous Masonic events. We are most appreciative of his efforts to make Masonry in Louisiana a better fraternity.

While there are still Lodges that go dark and our membership is not what it once was, the bond of fraternal friendship continues in Louisiana. Thus we say, thank you Most Worshipful Brother Gray for your efforts and leadership this past 17 months.

Fraternally submitted,
M:W: Roy McDuffie, P.G.M., Chairman, M:W: Earl J. "Mickey" Durand, P.G.M.,
M:W: H. Edward "Ed" Durham, P.G.M.

## FOREIGN CORRESPONDENCE COMMITTEE 2017 REPORT

To the Most Worshipful Grand Master, Grand Lodge Officers, and Brethren:

The following is a report of your Foreign Correspondence Committee which because of the change of dates of our current Grand Lodge will be a report for the years 2016 and 2017. Your Committee works closely with the Commission on Information for Recognition of the North America Conference of Grand Masters of which I had the honor of representing each of you and our Grand Lodge for seven years retiring as chair in 2015. This report will attempt to detail the inquiries of those Bodies which have applied either directly to our Grand Lodge or indirectly through the North American Conference of Grand Masters for recognition.

The predicate that must be understood is that it is the right of every Grand Lodge in the world to determine whether or not they recognize any other Grand Lodge. Each Grand Lodge must determine whether or not the new Grand Lodge meets the requirements for regularity which have been used for decades by Grand Lodges around the world. If it is determined by our Grand Lodge or the Commission, that the Grand Lodge in question is *Practicing Regular Masonry*, a recommendation of recognition will be issued to each jurisdiction with whom we are in amenity. It subsequently may be accompanied by the customary exchange of representatives.

The standards of our Grand Lodge are consistent with the defined parameters used by the Committee for Recognition of the North America Conference of Grand Masters, and these standards are summarized as follows:

1. **Legitimacy of Origin** this standard occurs in only two circumstances. First, a new Grand Lodge may be chartered by one or more exiting-regular Grand Lodges in the world. The chartering Grand Lodge traditionally traces its pedigree back to one of the three old Grand Lodges, “The United Grand Lodge of England” , “The Grand Lodge of Scotland” or “The Grand Lodge of Ireland”. Secondly, it can occur when no Regular Grand Lodge exists in a territory and three or more legitimately chartered Lodges in that territory come together specifically to form a Grand Lodge.

2. **Exclusive Territorial Jurisdiction** This standard requires that a Regular Grand Lodge must be the only Regular Grand Lodge in a territory unless a treaty or compact exist between two or more Regular Grand Lodges which states that they will share the territory.

**FOREIGN CORRESPONDENCE COMMITTEE 2017 REPORT, Cont....**

3. **Adherence to the Ancient Landmarks,** They must include but are limited to (A) Belief in God, or Monotheism (B) the Volume of Sacred Law as an indispensable part of the Furniture of the Lodge and (C) the prohibition of the discussion of politics and religion within the Lodge.

Regularity insures that only Lodges and Grand Lodges that are based upon the ancient Masonic principles and landmarks are allowed to visit and exchange members with the Lodges and Grand Lodges of the world. If a Grand Lodge is found to be regular, most other Regular Grand Lodges will do the same and extend some form of recognition to them including an exchange of representatives. A great deal of information on this subject can be found on the Commission's web site, found in your proceedings: http://www.recognitioncommission.org.

**Applying these standards to the current application by several Grand Lodges, we now share the following information; First for those bodies that have made a formal presentation to the Committee for Recognition of the North American Conference of Grand Masters.**

## BRAZIL

Historically, there have been two recognized systems of Masonry in Brazil. One system consists of the Grand Orient of Brazil, and the other system consists of the individual state Grand Lodges in Brazil. However, there is a new third system operating in Brazil consisting of Independent State Grand Orients. They are not recognized by the Grand Orient of Brazil or by the individual state Grand Lodges in Brazil. At this time, in particular, the Commission has no evidence that the independent state Grand Orients Paulista in Brazil meet the standards for recognition.

Subsequently the Grande Oriente do Parana', the Grand Oriente do Santa Catarina, the Grand Oriente do Rio Grande do Sul and the Grand Oriente do Mato Gross were each recognized by and treaties signed with their respective State Grand Lodges in September of 2016. Each of these bodies are now recognized by the CMI (Confederation of Grand Lodges of Mexico). It would be reasonable to assume that these grand orients are practicing regular Masonry, and we may proceed with recognition of these four Bodies.

## GRAND LODGE OF GEORGIA

The Grand Lodge of Georgia was formed by three regular lodges in Georgia and consecrated by the Grand Lodge of Russia on March 14, 2015. The Grand Lodge of Georgia filed, in a timely manner, a request with the Commission to be examined for regularity. However, a the February 22, 2016 meeting of the Commission, the M/W Grand Master of the Grand Lodge of Russia, M/W Andrey Bogdanov requested that the matter be tabled until the 2017 meeting of the Commission. There were no representatives in opposition from the Grand Lodge of Georgia in attendance at the Commission's 2017 meeting. This request to table consideration of the Grand Lodge of Georgia was granted.

## BULGARIA

After many years of negotiations, legislation by which the Grand Lodge AF & AM of Bulgaria would become part of the United Grand Lodge of Bulgaria (UGLB) was ratified on June 20, 2015. The UGLB suggests that the resulting grand Lodge is composed of 4000 Masons with 119 lodges practicing regular Masonry. The Commission would like to congratulate the UGLB on this monumental accomplishment, 15 years in the making and extend its best wishes for a bright future for Masonry in Bulgaria. There are however other groups of Masons in Bulgaria who wish to become part of this unification movement. It is hoped that in the near future, we can report that all Masonry in Bulgaria is unified under one grand lodge.

## FOREIGN CORRESPONDENCE COMMITTEE 2017 REPORT, Cont....

### KING JAMES SUPREME GRAND LODGE AF &AM SCOTTISH RITES, INC. OF MIAMI, FLORIDA

The King James Supreme Grand Lodge AF & AM Scottish Rites, Inc of Miami, FL, a self-formed grand lodge without treaty with the Grand Lodge of Florida, contacted the Commission to inquire how they might become a regular grand lodge. They were advised of the requirements for recognition as adopted by our Conference in 1952 and directed to the Commission website. Further communications with this group verified that they do not pass the test of Legitimacy of Origin nor do they have a treaty to share the territory of the State of Florida. There being no representative to speak on behalf of this group, the Commission took no further action on this matter.

### PARAGUAY

In 2014, the Commission stated in its report: "Over the last six years, the Commission has continued to study the split in the Grand Lodge of Paraguay that resulted in two grand lodges [with similar names and addresses]. The information the Commission has gathered leads it to the conclusion that the Grand Lodge Symbolica whose Grand Master was at the time M/W Bro. Euc1ides, is the only Grand Lodge in Paraguay that meets the standards for recognition." The Commission's position on this matter is unchanged through 2017. This is the regular grand lodge.

The current Grand Master of the Symbolic Grand Lodge of Paraguay is M/W Bro. Edgar Sanchez Caballero. The address of that grand lodge is found in your procedings: Gran Logia Simbolica Del Paraguay, A vda. de la Victoria No 690 esq Lopez Moreira, Asuncion - Paraguay.

Your Grand Lodge continues through this current year to get. argumentative correspondence from the other Grand Lodge Body. Interestingly this body still has the exact same name Grand Lodge Symbolica of Paraguay, the Regular Grand Lodge. This issue is not one of pedigree but in reality was a split. A treaty or compact has been suggested, however as of this date none, despite assurances to the contrary, has been perfected.

### QUINTANNA ROO

In 2014, the Commission stated in its report, to determine the regularity of Mexican and Latin American Grand Lodges, "The Commission relies heavily on the Confederation of Regular Grand Lodges of Mexico (CMI) which provides a list of regular grand lodges in that country. That list of regular grand lodges in 2014 did not include the Sovereign Grand Lodge of Quintanna Roo." The current list of regular grand lodges provided by the CMI currently **includes** the name of an existing Sovereign Grand Lodge of Quintanna Roo previously existing and therefore considers it to be the only Grand Lodge practicing regular Masonry.

### CONFEDERATION OF GRAND ORIENTS JOSE de LA CRUZ PORFIRIO DIAZ MORI- PUEBLA, MEXICO

Following a timely request, the Commission has received no evidence to suggest that this grand lodge is practicing regular Masonry.

## FOREIGN CORRESPONDENCE COMMITTEE 2017 REPORT, Cont....

### GRAND LODGE OF LIECHTENSTEIN

While the Grand Lodge of Liechtenstein appears to meet the requirements for recognition, your Commission will study the matter further and will provide an update at the 2018 Conference.

### GRAND LODGE OF THE STATE OF MEXICO

The Grand Lodge of the State of Mexico is not a member of the Confederation of Regular Grand Lodges of Mexico (CMI). In the absence of evidence to the contrary, the Commission finds that the Grand Lodge of the State of Mexico does not meet the requirements for recognition.

### GRANDE LOGE NATIONALE MALIENNE

A schism within the Grand Lodge of Mali, has resulted in a splinter group having broken off and created a second grand lodge using the same name: "Grande Loge Nationale Malienne". This group also using a very similar email address. The Grande Loge Nationale Malienne is a regular grand lodge consecrated by the Grand Lodge of the Ivory Coast in 1999. The Grand the legitimate Grande Loge Nationale Malienne is M/W Bro Boubacar Keita. The correct email address can be found in your proceedings: glnm.mali@gmail.com

### GRAND LODGE OF KAZAKHSTAN

After hearing presentations from the Grand Lodge of Russia, the founding grand lodge, and the Grand Master of the Grand Lodge of Kazakhstan, the Commission finds that the Grand Lodge of Kazakhstan appears to meet the requirements for recognition.

**As to those Jurisdiction applying directly to your Grand Lodge of Louisiana requesting recognition, your Foreign Correspondence Committee has reviewed the petitions and report to you Grand Master along with its independent research and reports as follows:**

### ESTONIA

The Grand Lodge of Free and Accepted Masons of Estonia was inaugurated on 18 May 1999. Currently the Lodge consist twenty-one warranted Lodges. The Grand Lodge has adopted the Ritual and Book of Constitution of its parent Grand Lodge of Finland.

The Grand Lodge of Estonia, did on the day of its Consecration September 4, 1929 adopted both "The Basic Principles for Grand Lodge Recognition" as well as the "Aims and Relationships of the Craft" accepted by the United Grand Lodge of England.

The Grand Lodge of Estonia is recognized by: Grand Lodge of the State of New York (1999), United Grand Lodge of England (2000), Grand Lodge of Scotland (2000), Grand Lodge of Ireland (1999), United Grand Lodge of Germany (1999), and all together by 71 Grand Lodges from Europe, United States, Commonwealth, South America and Asia. The Estonian Grand Lodge request reads as follows:, "We would indeed humbly appreciate if you would consider our interest and proposal for mutual recognition." Your committee respectfully moves for recognition and moves for adoption.

## FOREIGN CORRESPONDENCE COMMITTEE 2017 REPORT, Cont....

### STATE OF RIO GRANDE DO SUL

Your Grand Lodge received from the United Grand Lodge of England the following: "I write to inform you that at its September Quarterly Communication held on 14 September 2016, the United Grand Lodge of England resolved that recognition be accorded to the Grand Lodge of the State of Rio Grande do Sul." Independent research by your foreign correspondence committee finds that the State of Rio Grande Do Sul is practicing Regular Masonry.

### Additional Information

A great many "Grand Lodges" continue to appear in North America each year which do not meet the standards for recognition. Further, most of these Grand Lodges make no effort to achieve regularity or even establish a relationship with the regular Grand Lodges into whose jurisdiction they have inserted themselves. The Commission, along with your Grand Lodge Foreign Correspondence Committee, urges great vigilance in establishing relationships with new Grand Lodges that do no exist in the List of Lodges-Masonic, published by Pantagraph, in Bloomington, IL.

Respectfully submitted,

## REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS

To the Most Worshipful Grand Master,

The following is the Annual Report for the Committee to study the Regularity of Unrecognized Masonic Organizations.

We, your committee thank you Most Worshipful Sir for the opportunity to serve for the past 17 months in the continuing study.

As directed to the committee in previous years we, your committee, continue to study those Unrecognized Masonic Organizations that have been identified in the past. The following is some additional information on some of the major organizations listed in the report present at the Two Hundred and Fifth Grand Lodge session on Saturday January 30th, 2016.

A) The (PHA) Prince Hall Affiliate Grand Lodge of Louisiana, continues to operated form its headquarter in Baton Rouge Louisiana. While their website, http://mwphglla.net was not accessible, several of their District Lodge website were able to be accessed. Dr. Ralph Slaughter is still listed as their Grand Master. On the website site for the 7th District (ladistrict7pha.com) list 14 PHA Grand Lodges in the state of Louisiana that they consider illegitimate. 4 are located in the New Orleans Area, 4 in the Baton Rouge area, 1 in the Alexandria area, 3 in the Shreveport area and 2 in the Monroe Area.

**REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS, Cont...**

B) The (PHO) Prince Hall National Grand Lodge of Louisiana is still operating from its headquarters which is listed on its website (www.mwnationalgrandlodge.org) as being in Alexandria, LA and they list Larry Piper as their Grand Master.

C) The King George Grand Lodge located at 3827 Tulane Ave in New Orleans has a Facebook page but no website.

D) The Phylaxis Society, a PHA Grand Lodge group that is responsible for documenting and listing what they consider to be "Bogus Masonic Bodies" listed the same 14 PHA Grand Lodge as the PHA 7th District of Louisiana listed on their website. The website site is http://www.thephylaxissociety.com/index.php/major-projects/bogus-masonry . They also maintain a list of "bogus" Grand Lodges in 37 states.

E) The M: W: Universal Grand Lodge A.F. & A.M. which is located in Shreveport, LA list among its appendant bodies the Star of Hope Grand Chapter of O.E.S, and a Juvenile Fraternity. The Juvenile Fraternity's goal is listed as "providing the opportunity for young people to grow socially and spiritually while working in wholesome and supervised activities.

F) The Supreme Council of Louisiana A.A.S.R., is still a functioning organization and recent elected Eddie L Gabriel, Sr as their Most Powerful Sovereign Grand Commander, a new Powerful Lieutenant Grand Commander, Grand Orator and Grand Chancellor Secretary General. They also elected 7 new Sovereign Grand Inspectors General, two (2) in Louisiana, and one (1) each in Virginia, Pennsylvania, New Jersey, Connecticut, and North Carolina. As noted in the report presented at our 2016 Grand Lodge Session, we share a common Scottish Rite History with this body until the mid-1850's.

G) The King Cyrus Grand Lodge of Ancient Free and Accepted Masons is listed as an inactive organization on the website www.bizapedia.com.

In conclusion, Grand Master, we your committee respectfully continue to urge that all members of the Grand Lodge of Louisiana be very vigilant guarding the west gate and fully investigate anyone who comes to our doors professing to be a Master Mason with the desire to visit any of our constituent lodges.

Your committee wishes to thank you and the entire Grand Family for their continued cooperation and administration of the Grand Lodge of Louisiana, F & A M, especially in this very tricky and sensitive subject of unrecognized Masonic Organizations.

Respectfully submitted,

**SPECIAL COMMITTEE on BURIAL PLACES of PAST GRAND MASTERS**

There were no deaths of Living Past Grand Masters during the year of 2016. What a pleasure to make this report.

## MEMBERSHIP DEVELOPMENT COMMITTEE

We, members of the Membership Development Committee, would like to thank: the Grand Master for allowing us to serve the Grand Lodge this year. This report will not be completed until June 30, 2017, because we may still have Tufor Awards to Brothers not listed in this report.

The task was not just to gain in membership but to give pride to brothers that find outstanding men and give them some masonic light. The TUFOR Award is to help find a good candidate to replace each of us, and another one to grow Masonry for the future.

This award was developed by our M.W.G.M. William MolIere. “Together oUr Future and One more for ourselves” is the slogan.

1. This is where the DDGM’s & DDGL’s made a big difference this year. They were charged with the duty of contacting all the lodges within their area and telling them that the Grand Master this year wants the DDGM’s and/or DDGL’s to be present when they have any EA degree. They are his personal representatives. Therefore, after the degree is over they were called up to congratulate the new EA candidate with a hardy hand shake and a good pat on the back.

I think our DDGM’s and DDGL’s has done a great job with this task and I would like to thank: each one who has attempted to complete job. Think about this. How Great if the DDGM and/or DDGL would both be present or any other Grand Lodge elected or appointed officer could be there to give this type of welcome. What do you think you would have felt like if this would have happened to you?

2. When the DDGM visits the lodge and at all District Lodges the DDGM should remind the brothers of the program tell them when they have signed up two new candidates and they have both taken the MM’s degree, then the brother would be eligible for the TUFOR AWARD and a beautiful certificate.

The work for the Master Mason who is the first line signer of the petition does not end after he has signed up the candidate. The brother needs to have continuous contact with the candidate and make sure he continues his studies. In the past years, we have all fallen short. We just sign the petition and hope that he will keep going back to his coach. If he doesn’t, then we have just lost another mason that could be a vital asset to our lodge.

3. When the Grand Lodge is contacted that a new E.A. candidate received his degree, the office would issue the brother a letter from the Grand Master welcoming him into Masonry. Then upon completion of his Master Mason degree, he will receive a second letter from the Grand Master complimenting him on becoming a Mason.

This year we gave only four awards:
W. Bro. Jeremy Lee Galster, P.M. Abe Hinson Lodge # 472 on February 22,2017
W. Bro. Chad Koelling, W.M. Abe Hinson Lodge # 472 on February 22,2017
W. Ronnie Williams, P.M. Franklin Lodge # 57 on March 7,2017
W. Blaise Smith, P.M. Franklin Lodge # 57 on March 21,2017
W. Donald Sonnier P.M. Exemplar # 471 on April 6, 2017
I know they have a lot more people that qualify but the Secretaries have not sent in the names.

God Bless each of you and remember when people look at you, this is what they think and they know what masonry is all about. Your committee submits this report for 2016.
W. John L. Belanger, Chairman
DDGM’s and DDGL’s

## BOARD OF TRUSTEES FOR THE MASONIC LEARNING CENTER OF LOUISIANA

M. W. Grand Master and Brethren:

The Board of Trustees for the Masonic Learning Center of Louisiana is pleased to report that 2016 was a successful year for your principle philanthropy. Under the administration of Sharon McCaskill, the Masonic Learning Center has continued to assist two primary age groups with educational and training services addressing Dyslexia. The following data is an overview of this work:

- 163 students served
- 23 classes offered
- 12 communities served
- 19 teachers employed
- 9 Masonic Districts served
- Total $ 134,659.41 spent
- Average cost per student $ 826.13
- Donations received $ 7,330.74 (10/1/16- 3/31/17)

The Board is grateful to have the support in the way of time, talent, and treasure that so many of the brethren contribute in working with our local classes. The great success we enjoy is not so much what this Board does, but what you do to help our children overcome dyslexia today, to become the leaders of tomorrow. We welcome all lodges, but more particularly, all Masons in Louisiana to take an active role in this philanthropy. The rewards will remain in your heart for eternity.

## NECROLOGY COMMITTEE REPORT

Most Worshipful Grand Master, Officers and Brethren:

Again, we are called upon to consider the uncertainty of human life and the immutable certainty of death. While we are saddened at the passing of those who have been a part of our lives, yet we may be comforted by the memories we have of our brothers and the pleasures we enjoyed with them.

It is with sadness that we report the passing of over 680 of our brothers from the time of our last annual communication in February, 2016 to the first week of April, 2017.

May the Grand Architect of the Universe welcome all our departed brothers to that house not made with hands and grant to those remaining in this earthly abode, his peace and solace. A special tribute will be paid to our deceased brethren during the Necrology Service to be held, during the Annual Grand Communication of our Grand Lodge

## HISTORY COMMITTEE REPORT

To the Most Worshipful Grand Master, Officers and Brethren of the Grand Lodge of Louisiana, F. & A.M. This Committee thanks the Grand Master and Brethren for allowing us to serve the Grand Lodge.

This Committee continues to work and assist the Lodges of Louisiana encouraging each Lodge to create and maintain their history. There is so much history in each Lodge that needs to be captured for future generations. Each Lodge has its own individuality i.e. its origin, name, furniture, papers, etc. This information should be used for the education of its members and future generations.

This committee also encourages a complete inventory of its properties, real and movable. With the damage and destruction inflicted on our Lodges and Scottish Rite Valley in Baton Rouge by the August 2016 floods, this information would have been invaluable. In the future, should lodges suffer similar loss a complete inventory would assist with insurance claims.

Copies of histories and property lists may be sent to the Grand Lodge Museum and Library for sharing with our Great History of Masonry in Louisiana. Our Committee stands ready to assist all Lodges in preserving our rich history.

Again, Brethren, this Committee thanks you for allowing us to be of service to our Grand Lodge.

## REPORT of COMMITTEE to SUPERVISE PUBLICATION of the LOUISIANA FREEMASON

Your Committee continues to publish articles relevant to our members. Past and current issues will be available on the Grand Lodge website and/or through the member's individual portal in the Grandview database. We urge our Lodges to submit articles and photographs of interest, especially those involving Masonry at work in the community.

The new format to the magazine, where articles by Louisiana Masonic writers are featured and not being reliant on our Constituent Lodges for content, has been well received. With many Lodges hosting their own websites and Facebook® pages, they are able to share, with members and visitors, their events and programs in real time.

A new printing service was selected in 2016 to reduce per copy costs and we are realizin signifigant savings. We will continue to explore additional cost savings as our membership numbers decline, so does out annual dedicated revenue. Electronic delivery of the magazine is still an opportunity to explore. This would provide timely delivery, reduce printing and mailing costs.

## BOARD OF DIRECTORS TO MANAGE PERPETUAL MEMBERSHIP

Most Worshipful Grand Master:

The Board of Directors to Manage Perpetual Membership respectfully files the following report for calendar year 2016.

Currently, the membership of this board consists of: Brothers Martin Reinschmidt, Chuck Morgan, Briggs Becton, Alan Bean, and John Knox.

2016 was a tumultuous year for the Perpetual Membership Program in many respects. After the discovery of numerous errors in the accounting of this program, the membership of the Board was changed mid-year. Many hours were invested by Bro. Bean in correcting the errors in the accounting of the perpetual memberships.

In April of 2016, the previous Board was in the process of changing the Broker in which the funds were invested due to that Brokers inadequate return on invested capital. It was decided at that time to invest the funds in the Perpetual Membership Program with the firm of Huddleston Smith of Alexandria. Huddleston Smith is managing the funds of several other Grand Lodge Funds. The addition of the Perpetual Membership Program funds increased the leverage of the Grand Lodge with Huddleston Smith which benefits all of the funds.

Through the intervention of the Great Architect of the Universe, the Fund was able to improve the quality of the Bonds significantly by replacing the Consolidated Mortgage Obligation Bonds with Investment Grade Bonds., thus protecting the investment of the members while increasing the return on invested capital.

As of October 15, 2016, the Perpetual Membership Funds were accounted for as follows:

| | |
|---|---|
| Principal Basis: | $4,338,017.99 |
| Reserve: | $ 540,207.79 |
| Total: | $4,878,225.78 |

The Principal Basis is that amount contributed by the member which should never be spent. The Reserve is the earnings of the Principal Basis from which payments to the Blue Lodges and Grand Lodge are made.

In January, payments were made totaling $ 212,997.12, This was distributed as follows:

| | |
|---|---|
| Blue Lodges: | $123,344.95 |
| Grand Lodge Per Capita and Lodge 999: | $ 89,652.23 |

After this disbursement, the value ofthe accounts totaled $4,694,903.97

| | |
|---|---|
| Principal Basis: | $4,334,889.75 |
| Reserve: | $ 360,014.22 |

The projected income in 2017 for these accounts is $234,014.48. This income will allow a full distribution to the Lodges and an increase in the Reserve Account.

## ANNUAL REPORT MASONIC EDUCATION COMMITTEE

Most Worshipful Grand Master, Grand Lodge Officers, and Brethren:

The committee has worked to provide a more robust Wardens Retreat, become more digitally available and more attentive to the needs of the brethren.

This year's Wardens Retreat attendance was affected in multiple ways. Several of our brethren were forced to seek refuge and homes and Lodges alike were damaged and lost after catastrophic flooding devastated our State. The event was considered the worst natural disaster to strike the United States since Hurricane Sandy four years prior exceeding Sandy in both scope and magnitude. It culminated in the Governor calling for a State of Emergency one day prior to the originally scheduled Retreat. Following recovery, we found the date of October 22nd available to both the venue and the majority of the brethren planning on attending all while trying to schedule the event with enough time before installation of officers. Refunds were sent to those requesting them following the change. Despite the tragedy and misfortune, we had a record setting attendance. With seven Grand Line Officers, eighty-seven brethren from fifty-one lodges found their way to the Wesley Center for the Retreat. They combined with ten presenters and staff which gave us a grand total of 104 in attendance. We also simplified the Registration Form for the retreat making it easier to complete and more easily legible. This year also diverted from the "norm" in that each attendee received a full "packet" of information which included a printed itinerary, checklists, ideas, and handouts from presenters in order of appearance, examples of forms, and blank forms to fill out with space for notes on topics of interest. This combined with the last remaining flash drives, which were purchased the year prior and formatted to include all printed information, provided an informational toolbox both printed and digital which complimented each other. We also provided a link to a digital repository which included all printed materials, all flash drive materials and several other forms and documents.

Following the Retreat, we did something new as well. Brethren received an e-mail containing links to the information accompanied by a link to an online "Exit Ticket". This survey provided vital feedback on the event. We received 36 responses (roughly 1/3 of attendees) and the following information was of note:

66.7% wanted Ways to Keep New Masons Interested
68.6% felt more prepared for their year as Master following the Retreat.
76% wanted the Education Committee to provide more masonic education topics
72% requesting an Online Resource for Masonic Education information.

With the remainder of our time, we have agreed that an overhaul of the Masters and Wardens manual should be undertaken in order to modernize and clean it up and that process has begun. The Achievement Program is also being reviewed by the committee.

Fraternally submitted,
Troy J. Jones, Chairman
Committee on Masonic Education

## PUBLIC INFORMATION COMMITTEE

No Request for Public Information came before the Committee this year.

We thank the Grand Master for this opportunity to serve The Grand Lodge.

Respectfully,

## RECEPTION OF VISITORS COMMITTEE

Most Worshipful Grand Master and Grand Lodge Delegates, your committee for the reception of visitors is pleased to report that this Session of the Grand Lodge of the State of Louisiana F&AM, is well attended by many visiting dignitaries from sister Grand Lodges and various appendant and collateral bodies. Each of these visitors have been warmly welcomed and introduced in appropriate form at the various assemblies and meetings of this Grand Lodge Session.

Thank you for this opportunity to serve you and the Grand Lodge with the reception of visitors. If we may be of further service, please call on us.

Respectfully yours,

Richard B. Smith, P.M. Chair, S. Bruce Easterly, P.G.M., William J. Mollere, P.G.M.,

## LODGE SECRETARY TRAINING COMMITTEE

To The M:W: Grand Master, Grand Officers, and Members of the Grand Lodge of the State of Louisiana:

I am proud to report that the Secretary Training Committee completed eight (8) workshops around the State of Louisiana for the year of 2016. In addition to this training, we have developed and updated the Secretary Handbook regarding policy and procedure, visual aids for computer reporting and schedules needed for every lodge secretary. The workshops covered subjects of File Management, collection and accounting of annual dues and computer reporting and management. Most of the workshops presented an open discussion whereby the secretaries would present problems and concerns and we worked together to resolve these issues. Also, website training with the Grandview webpage system is available for anyone who is interested in learning more about the duties of the Secretary. In addition, I am proud to report that for the first time in many years, the committee was invited to the 2016 Warden's Retreat for a presentation of what the lodge secretary does to assist the lodge officers. It is an honor to serve and I hope this report will be of service to the Grand Lodge for the great state of Louisiana.

## REPORT OF THE GRAND LODGE CEMETERY COMMITTEE

To the Most Worshipful Grand Master, Officers and members of the Grand Lodge of Louisiana. The Grand Lodge Cemetery Committee thanks the Grand Lodge for allowing us to serve on this Committee. The Committee submits this report to the Officers and Delegates of the Grand Lodge; there were eleven (11) burials this year, several repairs were accomplished to our grounds, including repairs to our water piping, numerous repairs to existing properties, under perpetual care and/or Maintenance Care Agreement contracts and replacement of office equipment. These activities continue to allow the Masonic Cemeteries (No. 1 & No.2) to remain a show case for the Masons of Louisiana.

This Committee is planning additional activities i.e. painting of the existing fences and other maintenance/repairs to our existing properties, as funds become available. Again, we are pleased to report that no monies were needed from the Grand Lodge. Perpetual care, Maintenance Care Contracts, Interest from Investments and fees continue to support our activities.

## PERMANENT COMMITTEE ON WORK

First I would like to say what an honor it is serving as the Chairman of the Permanent Committee On Works.

We have seen several changes in the last year and they have been very productive changes.

At the beginning of the year the Database was set up to give a total number of Proficient men in the State. It didn't take long to figure out the number was not accurate. The reason was because it was listing every person in every Lodge therefore creating a larger number.

We took the Data base reports and sent them out and had them corrected to where you only show in your home lodge, which is the Lodge you were raised. This gave an accurate total but still had a problem because some had moved off from their old lodge and were active in the new Lodge.

This was fixed and now I am happy to announce we have an accurate account of card holders in their Lodge.

Now the C.O.W. and the D.G.L.s do not have to rely on the Grand Lodge for this information.

As you know we now have a level (1) ,(2) and (3) proficiency card.In the last year we have certified 72 level (1) s 4Level (2) these are all new card holders. This program is thriving and it has already produced some 3rd level holders.

In the past there were several different times the proficiency card had to be signed and mailed to different people. Now the card is mailed from the Lecture to the Grand Lodge then rubber stamped and a copy sent to the P.C.O.W. The Gold Certificate is still sent to the P.O.W. for presentation in Lodge.

There are no words for the support and help the Grand lodge has given this last year. M.W. Brother Will Gray has been in total support of the Committee. M.W. Woody Bilyeu, what can I say but awesome. His knowledge and ability to assist us is beyond words. The Ladies in the Offices Mrs. Michelle, Ms. Kim, Mrs. Farmer, and Mrs. Dianne, there is no way we could function without each of you. Thank each of you for what you do.

We have 19 D.G.Ls and each is the cream of the crop with knowledge and wanting to serve their fellow man. Brethren the cogs of knowledge start turning with you and you are a World of knowledge. I look forward to having another great year.

The other Committee members I want to thank you. I started out on the Committee and never dreamed I would be Chairman but when I accepted it I knew the thing that would make me and the Committee successful would be you. Thank you from the bottom of my heart and let's go into next year serving and keeping our Fraternity the best. Thank You W. Brothers Stuart Averett, Buddy Wilson, Jeff Maynor, Scott Goss and Brother W. Manny Alfonso. These are the Committee members that work so hard for the Fraternity,

I believe each year we will see an increase in Proficient Masons throughout our State and with this comes knowledge to teach others, do great things for our Lodges.

As Masons we have a saying IN GOD WE TRUST. Amen

Fraternally Submitted
W. Brother Bill Frasier Chairman P.C.O.W

## GRAND ATTORNEYS COMMITTEE

To The Most Worshipful Grand Master,

The following is the Annual Report for the Grand Attorney's Committee.
We, your Grand Attorney 's Committee, thank the Grand Master for the opportunity to serve as your Attorney's for the past year.

The legal issues directed to your Committee were addressed in an efficient and professional manner, always keeping the high ideals of our spiritual brotherhood a priority in our representation of the Grand Lodge.

There are no pending matters in litigation at this point in time involving the Grand Lodge, nor are any anticipated to be immediately filed. However in the world of litigation, this Committee cannot exclude future litigation involving the Grand Lodge.

## FINANCIAL OVERSIGHT COMMITTEE REPORT - 2017

Most Worshipful Grand Master, Grand Lodge Officers, Grand Lodge Delegates, and Brethren all, the Grand Lodge Financial Oversight Committee met in on Friday, January 29, 2016 in Alexandria. The committee met with M:W: Allen Gen Tidwell, PGM to review the investment records and practices of the Board of Directors to Manage Perpetual Membership. Below are the findings and action items of the Financial Oversight Committee:

**Findings:**
This committee found the following:

1.) Financial records for the perpetual membership funds were in the custody of several different members of the Board of Directors to Manage Perpetual Membership in Excel spreadsheets on the members' personal computers, and no current back-up of these records are shared with the Grand Lodge office in Alexandria;
2.) The question of regular back-up procedures for these records indicated that there was no policy or practice currently in place;
3.) Prior year (calendar year) investment income, both dividend and interest, was tracked in an Excel spreadsheet, calculated to be 5.08% net of fees;
4.) The financials indicate that some $270,403.61 of the investment portfolio represented installment perpetual memberships from inception of the program, and no reconciliation for deceased and suspended members has been conducted;
5.) The $270,403.61 was generating income to the Perpetual Membership funds, but that income was not distributed to the installment paying members or their lodges;
6.) The investment policy presented was last signed into action by M:W: B.J. Guillot, in 2011 and needs to be reviewed, edited, and reissued to the financial managers;
7.) A 2016 operating budget was produced, however appears that this Board has not used an annual budget in prior years under the impression that the Masonic Law was specific as to the distribution of the funds; and
8.) Signed affidavits from each elected board member for 2016 were received, however, this also was not in practice prior to 2016.

## FINANCIAL OVERSIGHT COMMITTEE REPORT - 2017(Cont)

**Action Item,:**
The following actions are recommended to the Board of Directors to Manage Perpetual Membership:

1.) Develop, approve, and utilize an annual financial budget;
2.) Update, approve, and distribute the investment policy;
3.) Annually complete, sign, and file conflict of interest affidavits per IRS requirements;
4.) Reconcile list of installment perpetual members to determine any deaths, suspensions, and expulsions, and notify lodges of any delinquent members not current on their installments;
5.) Develop, approve, and utilize a back-up process for all financial records that includes one back-up site being the Grand Lodge office in Alexandria; and
6.) Maintain a 5% cash reserve at all times to avoid spending principal in uncertain financial times.

It is the desire of the Financial Oversight Committee to provide resources and guidance to each Grand Lodge committee and board charged with the management of funds that will insure prudent written processes that follow acceptable accounting practices in the management of these funds. We appreciate the opportunity to serve on this committee and offer our services to all who would desire them.

Fraternally,
Richard B. Smith, P.M. Chair
Thomas H. Dousson, Jr.
Raymond A. Thompson
Steven A. Pence, P.M.
Jason K. Rigsby, P.M.

## INSURANCE COMMITTEE REPORT

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

The following is submitted on behalf of the ad hoc "Insurance Committee." The committee currently consists of Brothers James "Chuck" Morgan III, P.M., Jay W. Owensby, P.M., H. George Scanlan,Jr., P.M., and MW Woody Bilyeu, Grand Secretary. We have continued to urge the member Lodges to explore the acquisition of property and liability insurance for their individual lodge buildings. This issue was made more apparent to our member lodges as a result of the recent flooding in many areas of our state which caused a great deal of damage to lodge buildings, and significant loss of contents. Such coverage for property loss, including flood coverage, can be obtained from the current broker used by the Grand Lodge, or through local insurance market sources. We have just recently received a proposal for group coverage from a new broker, and we are studying same before sending it out to the member Lodges for response. This could result in a significant cost savings. We will continue to explore such cost saving possibilities.

The Grand Lodge has renewed its coverages as of November 2016, and quotes for coverage can be obtained by individual Lodges through the Grand Lodge website.

The "Insurance Committee" strongly urges each member Lodge to review its current property and liability coverage to ensure that same is in place, and is adequately covering your risks. Even if the Lodge is only renting space in a building owned by someone else, care should be taken to see that the Lodge furnishings are covered in case of loss, and that proper liability coverage is being maintained. The recent flood losses by some member Lodges point out the necessity for each Lodge to be aware of whether or not its property is in a flood zone, and if so, to purchase proper flood coverage.

Respectfully & Fraternally Submitted,

James H. "Chuck" Morgan Ill, P.M., Chairman

## REPORT OF THE BOARD OF TRUSTEES FOR THE MASONIC LIBRARY/MUSEUM FOUNDATION OF LOUISIANA, INC. (2016)

Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

The purpose of this Board of Trustees/Directors is to establish, maintain and operate a Masonic Library/Museum facility which will maintain and preserve books, documents, portraits, art, relics, and other items of Masonic interest which have accumulated over the more than 200 years of Masonic History in the State of Louisiana.

We are a 501 (c)(3) charity and as such, all donations are tax deductible. We receive income from donations and the Louisiana Masonic License Plate Program. Funding has also been provided by the Grand Lodge of Louisiana through the Board of Budget and Control and the Board of Trustees for Masonic Charities. The Charities Board has been very generous in support of the Library/Museum and could only provide this funding because of the 501 (c)(3) charitable status of the LibrarylMuseum Foundation.

As indicated previously, the Past 'Proceedings of The Grand Lodge of Louisiana, F.&A.M., from 1852 to present, have been digitized and are available in digital format. They can be obtained through the Service Committee on a CD or can be found at this site http://gl-Iibrary.presencebuilders.com/under the dropdown "Resources" then "Past Proceedings". A portion of the Past Proceedings of The Grand Lodge from 1812 to 1852 have also been digitized, however, several years of records during this period are missing.

We are still in the process of restoring pictures of the Past Grand Masters and the digitization process for them as well as the digitization of the membership data.

We are currently receiving donations of: Lodge records, artifacts, personal Masonic books and items, and other Masonic memorabilia.

We had some very exciting things and activities happen this year with the Library/Museum. Our museum director, Right Worshipful Charles R. Smith, was able to make application to get into the Museum Assessment Program sponsored by the American Alliance of Museums headquartered in Arlington, Virginia. The American Alliance of Museums mission is to champion museums and nurture excellence in partnership with our members and allies. It has been bringing museums together since 1906, helping to develop standards and best practices, gathering and sharing knowledge and providing advocacy on issues of concern to the entire museum community. The Museum Assessment Program ("MAP") was developed in 1981 by the American Alliance of Museums and today has helped over 4,600 small and midsize museums of all types, strengthen operations, plan for the future and meet standards. The process is through a one year methodology of self-assessment, institutional activities and consultive peer review. The self-assessment and self-study workbook was sent to us and was completed in the required time of December 15, 2016 and information supplied to the MAP personnel.

Our onsite assessment was to have been completed no Jater than April 15, 2017. We had an extensive site visit on February 15 and 16, 2017 conducted by Dr. Donald Zuris. He is the Curator Emeritus of the Corpus Christi Museum of Science and History located in Corpus Christi, Texas. I was in attendance with Charles Smith the entire first day of his visit on February 15, 2017. He met with Most Worshipful Will Gray, Right Worshipful Guy Jenkins, Right Worshipful John Williamson, Right Worshipful Steve Pence, Most Worshipful Brother Woody Bilyeu, Mary Farmer and other staff personnel at the Grand Lodge of the State of Louisiana in Alexandria. He also met and conducted an examination of other facilities in the Alexandria area. His visit was most enjoyable and informative. While present, he made several recommendations. He rendered a detailed organizational assessment final report on April 3, 2017. It consisted of 40 pages. A brief summary of the report recognized 8 areas that he had recommendations in as follows:

## REPORT OF THE BOARD OF TRUSTEES FOR THE MASONIC LIBRARY/MUSEUM FOUNDATION OF LOUISIANA, INC. (2016)-Cont.

1. Write, and approve by the Board of Trustees, the remaining Core Documents required for consideration for accreditation.

2. Hire a professionally trained Curator of Collections to assess the state of the collections in terms of documentation, Deeds of Gifts, accessioning, cataloguing, and creating a collections data base. The salary should be competitive with benefits.

3. Write job descriptions for all employees, and create a personnel policy manual for all employees.

4. Take advantage of the benefits of membership in professional museum associations, and join national, regional, and state museum associations.

5. Properly care for the artifacts, archival materials, and works of art that are on exhibit as well as those not currently on exhibit.

6. Meet with officials of the Rapides Public Schools to develop middle school field trips on the curriculum on your website.

7. Expand the Library/Museum within the existing building or design and construct a new building on The Grand Lodge's existing land. The new library/museum should be state of the art with separate collections storage, exhibit spaces, work spaces, and offices.

8. Begin planning now to meet the goals and recommendations contained in this Organizational Assessment. The goals articulated by the Masonic Library/Museum Foundation of Louisiana, Inc. can be achieved, but the process will require an assessment and prioritization of the physical, financial, and human resources necessary.

The Library/Museum Board is assessing the detailed report to initiate the recommendations that were set forth and mentioned at our meeting, specifically the following:

1. Institutional Code of Ethics;

2. Strategic Institutional Plan;

3. Disaster Preparedness/Emergency Response Plan;

4. Collections Policy;

5. Collections Management Policy.

The committee and the Board are also looking at federal grants and other grants that may be available to assist us in our future endeavors.

The Masonic Library/Museum Foundation has received donations and memorials for the period October 1, 2015 through September 30,2016 in the amount of $7,176.76.

Total amount invested in the Masonic Library/Museum Foundation is $187,714.86

We humbly thank; the Grand Lodge of Louisiana, the Board of Trustees for Masonic Charities, the Constituent Lodges, and the Brethren who have been so supportive of this most worthy project, not only with their words, but with their contributions and donations.

## REPORT OF LIBRARY/MUSEUM AND ARCHIVES COMMITTEE

The Library/Museum Committee respectfully submits the following reports of the activities of the committee members to the members of the Most Worshipful Grand Lodge of the State of Louisiana, Free and Accepted Masons.

This year the committee has focused on three key areas:

- •Continuing the process of cataloging all of the artifacts held in the Library/Museum Collection
- •Assisting Grand Lodge staff in collection management
- •Preparing for and implementing the results of, the American Association of Museums Museum Assessment Program Audit.

This year, the Library/Museum was able to accepted for participation in the Museum Assessment Program. This program is designed to help museums review where they are, compare themselves against the baseline standards of the American Associate of Museums, and focus on areas for greatest improvement. Completing this audit also opens the doors to additional resources available through collaboration with other museums around the country undergoing the same process.

It is only through the generous support of the members of this Grand Lodge that the Library/Museum is able to continue making progress on the important mission of preserving the unique history of Masonry in the state of Louisiana. The Library/Museum continues to operate on a shoestring budget, and the time of volunteers. If you have any questions about how you can have the greatest impact in helping our mission please do not hesitate to contact either myself or the Chairman of the Foundation Board.

The members of the committee would like to express their thanks to the Library Museum Foundation Board members for the close working relationship they have fostered with the committee, and sincerely hope this valuable collaboration will be continued for many years to come.

The members thank the Grand Master for this wonderful opportunity to serve the Grand Lodge in continuing to advance the goal of securing out past.

Fraternally submitted,

Jeffrey D. Maynor, PM, Chairman

I think it is very important that Jurisdictions get to know each other and to have friends in other Jurisdictions that we want to visit. But the issues that face Masonry, face Masonry everywhere, not just any particular state. So I think it's important that we all get to know each other and be able to talk and see what might be working in your state and what works in our state. Therefore Masonry will benefit all over the world, certainly all over The United States. By virtue, just simply traveling to other Jurisdictions, Grand Lodges get to meet. So, I think it's an important thing and like I said we are very very glad to be here, and thank you for your hospitality."*

●The Masonic Library/Museum Foundation, Inc.- donation received by W: William J. "Jim" Hill, III, P.M., Chairman

● W: E. Orum Young, Jr., P.M., O.K. Allen Lodge No. 33, donated a copy of The Proceedings for the Grand Lodge of Louisiana from the year 1851, which was missing from the collection in The Masonic Library/Museum.

M:W: Chip Borne, III.,P.G.M. spoke regarding this donation:

*"Brethren the reason this is such a significant piece of material from a historical standpoint is, if you remember there was a time when there were two Grand Lodges in the State of Louisiana from 1847-1851. And Brother Orum by finding this and dedicating it to the Lodge is going to answer alot of questions for us as to what happened during those years and how they were able to resolve their differences. So I can't tell you how much it means to those of us that our passion is Masonic History. And we thank you so much for this. "*

W: E. Orum Young, Jr.'s, P.M. response:

*"As most attorneys say "I think I'll say a few words before I begin to talk."*

*"I am pleased to be a Master Mason and Past Master in the greatest place to be a Freemason in the world. We have the greatest men among us and this came as a surprise to me. I know if my father were alive, he was raised in the Little River Lodge in Rochelle in 1939, and he would be pleased with us and what we do here as Freemasons. Thank you, Brethren."*

● Grand Master Will P. Gray presented Past Grand Master William J. Mollere, Grand Master in 2016 his Past Grand Master Certificate and Past Grand Master Earl J. Mickey Durand, Grand Master in 2014, his Past Grand Master Certificate.

# OF THE STATE OF LOUISIANA

## PRESENTATIONS (Cont)

*"I am happy to be here to represent the Masonic Service Association of North America. We are an organization that provides educational materials like Short Talk Bulletins. It supervises the representation of Hospital Visitations at Veteran's Hospitals across the country. We are one of the largest organizations that does that for our veterans all year long. We also collect funds for disaster relief. Now you here in Louisiana have experienced great disasters in the recent years. I am proud to say that the Brothers of Masonry have contributed to the point where we were able to forward to you $250,000.00 last year, and I know that you have put it to good use. Grand Master, on behalf of the Masonic Service Association, if M:W: Chip Borne will join me. The MSA is supervised by five (5) Commissions and a Chairman Commissioner, and we are happy to have M:W: Chip Borne become our newest Commissioner. He is not only going to represent Louisiana, but the South Atlantic Division of the MSA. And Most Worshipful, if you would, we have a plaque- a Certificate of Appreciation to present to you Grand Master."*

M:W: Chip Borne read the following from the presented Certificate:

*"Certificate of Appreciation presented to Will P. Gray, Grand Master of Louisiana behold how good and how pleasant it is for our Brethren, who work together in unity. Given it's sincere appreciation for our abiding interest and strong support for The Masonic Service Association programs giving time to our National Hospital Visitation Programs, for encouraging The M.S.A. Representative Deputies and volunteers of Louisiana. With this certificate goes our best wishes for continued success in the service of our general craft. Given on this first day of July, 2017. Executed this first day of July, 2017."*

M:W: Will P. Gray, Grand Master responding to the presentation of Certificate:

*"Past Grand Master LaPlace is from another town, which it's LaPlase down here. You know he mentioned the flood, and I'm sure most of you are aware of it. The people that live in the delta of the Amite and Comite Rivers on the north side of I-12's concrete damn, that runs the length of it are intimately familiar with it. And how awful it was for East Baton Rouge. But the help we received from the M.S.A., it came quick and it came plenty. We appreciate it very very much. You all know that the M.S.A. gathers funds from Masons all over the Country for just these kinds of reasons. But, they go through the trouble to coordinate things that maybe an individual Grand Jurisdiction might not be able to accomplish very well. He does a beautiful job, and I want to thank you so very much."*

## GRAND MASTER ADDRESS TO THE DELEGATES

Alot going on in Freemasonry, a lot of difficulties faced by me, quite frankly as Grand Master. We have been sued, we've had to settle. I have a large number of trials as you will see today and tomorrow, because I've had , quite frankly, there have been a large number of people who have been Un-Masonic in their conduct. I have removed people from Boards and Committees. My ability to do that has been questioned by large numbers of people. I assure you that if you read the Law Book or if you check with my Grand Attorney, you will find the facts of that, that I do have the authority. You may not have thought about it, I mean I didn't think this stuff when I was out in a Lodge before I was in the Line and Grand Master. The Grand Master is given near unlimited power to suspend people. I am the only person in Freemasonry that can suspend anyone before a trial. The Masters of the Lodges can have a trial and as a result of that trial suspend someone. By the way, all of the suspensions, including the ones that I might cause are looked at by Appeals and Grievances prior to Grand Lodge and then they are voted on by you, the delegates. You get to decide the yes or no of those suspensions. Whether they dismissed, whether they are increased to expulsion or any of the other options that you may have as delegates. Your mission here as a delegate is very important. And because of what I said about the authority of the Grand Master, not just me, whoever the Grand Master may be at the time, his power is near unlimited. It is very important whom you elect to these offices that lead to Grand Master.

# PROCEEDINGS OF THE GRAND LODGE

## GRAND MASTER ADDRESS TO THE DELEGATES

So that you can have some trust and confidence in who the Grand Master is and what he does. So with that, I am going to ask you to vote number 1 if you have confidence in me and vote number 2 if you do not. I want a vote of confidence from the delegates.

Voting: The vote was taken and passed, and The Grand Master was given his vote of confidence.

That makes me feel good. In this position, you get a sense of what people think and what they feel, but you are only surrounded by the people in general who like you. The other people are elsewhere. So, I thank you for that and I hope over time you will see that hopefully I have lived up to your vote of confidence.

Recently four suspended Master Masons brought a suit against the Grand Lodge and The Grand Master. They challenged The Grand Master's authority to remove members from Boards and Committees of the Grand Lodge, and his ability to suspend Master Masons prior to trial. While the Grand Master has clear authority to do these things, the 24th Judicial District Court, which is in Gretna, Louisiana down in Jefferson Parish was likely going to rule in a way that would permanently restrict and damage the status and authority of The Grand Master. We agreed to settle , and the net effect of which was restoring the plaintiffs to full membership as a means of preventing damage to The Grand Lodge. Those four Master Masons are likely in attendance today. If so, it is only a result of their settlement of a suit against The Grand Lodge and The Grand Master. One of the most important things that occurs during Grand Lodge, is the Election of Officers to the Line. They will likely go on to serve as Grand Master and then continue for years as Past Grand Masters. The Past Grand Masters (The Group), if you've been to the "fish fry", you know what the group is and what they do, have a good history of selecting, promoting and nominating Past Masters to serve on the Grand Line. However, recently "The Group" has had difficulty with selection due to a split, as some fight for power over The Group for personal agenda. The only requirement for serving as Grand Master, to be voted as a Grand Master, is to be a Past Master and a member in good standing. There is no requirement to serve as a Grand Warden prior to election, where in Blue Lodge you have to serve as a Warden before being elected as a Master. For Grand Master you only have to be a Past Master and in good standing. During this session, there will likely be more than one nominee for one of the elected and progressive line offices. Remembering that is very important who you elect. I would like you to consider very carefully in whom you place your trust with the future of the Fraternity. My term as Grand Master is near the end, and I have been honored to serve you during the past seventeen months as Grand Master and the previous three years as the Grand Line. I will all remember the Masons that I have met during my visits to all of the Lodges in the State and during my visits to the eleven Grand Jurisdictions in our part of the country. I can say with certainty, that I have work to do, for what is best for the Fraternity (in my opinion). I have no personal agenda, nor need for power as do some. I have never been sued before and I did not expect such venom from Brother Masons, but that is in the past now. I can sleep at night with a clear conscience and I have been true to God, to you, to the Fraternity and to myself. I am very upset with the four Masons that chose to sue The Grand Lodge when they knew I had good reason and legal authority to suspend them. They drug our Grand Lodge through the Civil Court System for their own selfish purposes with no thought of the damage they might do to the Fraternity. I will struggle to call them Brother, since they are in good standing, only because they knew the legal turf in New Orleans, they belonged to as retired Police Officers.

I must mention a few people who are so very special to me and have done so much for me over the years. My Grand Attorney, M:W: Lloyd E. Hennigan, Jr., P.G.M.; my Grand Secretary, M:W: Woody D. Bilyeu, P.G.M.; our accountant, Ms. Mary Farmer; our page-maker, Ms. Kim Bordelon; receptionist, Mrs. Michelle Dempsey; my longest serving D.D.G.M., R:W: Bernard L. Gould, Jr., and more than 50 years with My Anita.

May God Bless you and The Fraternity and may you be wise in your deliberation.

## APPEALS AND GRIEVANCES COMMITTEE REPORT

M:W: Clayton J. "Chip" Borne, III., P.G.M., Chairman presented the report of the Committee on Appeals and Grievances for review by the Grand Lodge with the following results, to-wit:

**Case #1-2017, Marrero Lodge #479 vs. Ronald J. Lauland**

**FACTS:** On February 3, 2016 Ronald J. Lauland, The Worshipful Master of Marrero Lodge # 479, was suspended from all Masonic Bodies of Freemasonry including Appendant Bodies by Grand Master Will Gray for Unmasonic Conduct, specifically Gen. Regulations Art. IV, Sec. 4 (pgs. 32 & 34) and Sec. 12 (pg. 35), "Mishandling of the Ballot" and Digest of Edicts, "Masonic Offences," Pg. 96. Bros. Steen and Radosti were recused from the Committee for this case.

Whereas, the suspension of Ronald J. Lauland begins the previous year and involves Petition of Dominic Manno, wherein John Combel, the previous Master of Marrero Lodge, was Suspended from Freemasonry for "Conspiracy to Rig a Ballot," which said ballot was the Ballot on the petition of Dominic Manno;

Whereas, subsequent thereto but prior to the six-month delay as required by the Handbook of Masonic Law for a rejected repetition to a Lodge, Ronald J. Lauland, as Worshipful Master, allowed Dominic Manno to withdraw his petition for application verbally and to re-petition Marrero Lodge, processed his petition and presented it to the Lodge for a ballot. On the first ballot, there was one dark cube on the Master's order a second ballot was taken, wherein there was two dark cubes;

## APPEALS AND GRIEVANCES COMMITTEE REPORT(Cont)

**Case #1-2017, Marrero Lodge #479 vs. Ronald J. Lauland (Cont)**

Whereas, Ronald J. Lauland as W.M. counts the ballots and rather than declaring the ballot rejected or spoiled, as required by Statute, Ronald J. Lauland, dumps the ballot of Dominic Manno on the desk alleging there was one too many white balls in the box, and declares the ballot Null and Void, as if it had never taken place;

Whereas, the "Dumping" of a ballot on the desk was viewed as an illegal display of a ballot and seen by the Grand Master as derogation of the sanctity of the ballot; and

Whereas, rather than declaring the ballot spoiled, should there in fact have been one too many white balls in ballot box, Ronald J. Lauland declared the ballot null and void, which position was viewed by the Grand Master as an attempt by the Master of the Lodge to countermand the decision of the Lodge in the Lodge's rejection of the Candidate.

**RULING**: the recommendation of the Committee on Appeals and Grievances is that the actions of the Grand Master in suspending Ronald J. Lauland from Freemasonry be sustained, further in light of subsequent statements introduced into evidence wherein Ronald J. Lauland renounced Freemasonry, wherein Ronald J. Lauland made the following statement, "You want my card, take it. I don't want to be a Mason anymore." It is recommended by your Committee that the verdict of Ronald J. Lauland be amended to expulsion, and his name stricken from the rolls of the Lodge, and the ruling by the Committee on Appeals and Grievances was so moved as stated, had a valid second, and carried by a required number of the duly registered delegates of the Grand Lodge.

**Case #2-2017, Germania Lodge #46 vs. Donald F. Freeze**

**FACTS**: On February 7, 2016 Donald E. Freeze, a member of Germania Lodge # 46, was suspended from all Masonic Bodies of Freemasonry including appendant bodies for vile and derogatory statements made directed toward a Past Grand in violation of the Handbook of Unmasonic Law, Art. VII, Sec. 1, b (4), pgs. 36 & 37.

Whereas, it was alleged and Donald E. Freeze did freely admit that he did in fact degrade Past Grand Master Bill Mollere by cursing him calling his a f_ _k_ _ g a _ _ h _ _ e;

Whereas, Donald E. Freeze was District Grand Lecturer in 2015;

Whereas, the degrading cursing comments in question were to have taken place in 2016 when Donald E. Freeze was not a Grand Lodge Officer;

Whereas, the suspension of Donald E. Freeze by Grand Master Will Gray based on the voluntary admission that he, Donald E. Freeze, did in fact defile Past Grand Master William Bill Mollere; however, the evidence indicates that the event of Degrading a Past Grand Master did not happen while Donald E. Freeze was a Grand Lodge Officer; and

Whereas, in a response to his suspension, Donald E. Freeze filed suit in the 24th Judicial District Court, State of Louisiana, Parish of Jefferson, Docket #772-974, attacking the Grand Master as not having the authority to make Suspensions for Unmasonic Conduct.

**RULING:** Your Appeals and Grievance Committee was so advised by the Grand Lodge and the case withdrawn from the docket, no further action was taken as a result of and in compliance with the State Court, Consent Judgement.

**Case #3-2017, Hope Lodge #145 vs. Robert Taylor Williamson**

**FACTS**: On April 5, 2016 Robert Taylor Williamson of Hope Lodge #145 was tried by his lodge in order to determine whether the Federal Criminal Charges to which Robert Taylor Williamson pled guilty were sufficient to support Hope Lodge's charges of Unmasonic Conduct.

# OF THE STATE OF LOUISIANA

## APPEALS AND GRIEVANCE COMMITTEE REPORT(Cont)

**Case #3-2017, Hope Lodge #145 vs. Robert Taylor Williamson(Cont)**

Whereas, from approximately March 1, 2008 through February 27, 2012 it was alleged Robert Taylor Williamson did conspire individually and with others to commit the crime of bribery of employees of a government agency specifically the Lafayette Parish District Attorney's Office by soliciting thousands of dollars from individuals with pending criminal charges and promising favorable resolutions of their pending felonies and misdemeanors' cases and would in fact pay bribes in the form of cash and other things of value to personnel within the District Attorney's Office to accomplish the objective. The amount spent on bribes totaled $443,925;

Whereas, in addition, Robert Taylor Williamson was alleged to have actively engaged in Social Security Fraud by claiming certain benefits while fraudulently alleging that he was receiving no income in order to qualify for the benefits. Whereas, on June 8, 2015 Robert Taylor Williamson pled guilty to these charges in Federal Court; and

Whereas, Robert Taylor Williamson did not appear at his Lodge trial because of his incarceration, however, his advocate alleged that a reprimand was sufficient because although he was not an attorney he was in fact providing services for his clients.

Bros. Radosti and Steen were recused from this case.

Whereas, Rene Alton Rodrique in a previous case, was solicited by the Grand Master to assist in the investigation of Marrero Lodge;

Whereas, rather than providing certain information to the Grand Master of which Rene Alton Rodrique had personal knowledge and cooperating with the investigation committee, Rene Alton Rodrique tendered a Letter dated May 4, 2016 to the Grand Lodge where he withdrew from all phases, projects and denominations of Freemasonry; and

Whereas, the letter of May 4, 2016 by Rene Alton Rodrique to the Grand Lodge was considered by Grand Master Will Gray to be a Renunciation of Freemasonry and under appropriate Masonic Law said Renunciation gave the Grand Master the authority to Expel Rene Alton Rodrique from Freemasonry.

**RULING**: Your Committee of Appeals and Grievances unanimously recommend the actions of the Grand Master in accepting the Renunciation of Freemasonry by Rene Alton Rodrique be sustained and further declaring him Expelled from Freemasonry, and his name stricken from the rolls of the Lodge, and the ruling by the Committee on Appeals and Grievances was so moved as stated, had a valid second, and carried by a required number of the duly registered delegates of the Grand Lodge.

# OF THE STATE OF LOUISIANA

## APPEALS AND GRIEVANCE COMMITTEE REPORT(Cont)

## APPEALS AND GRIEVANCE COMMITTEE REPORT(Cont)

**Case #36-2017, Columbia Lodge #164 vs. Mason Elliott Hall**

**FACTS**: This matter comes before the Grand Lodge on a Petition for Reinstatement regarding Mason Elliott Hall's request for Reinstatement emanating from his suspension from Freemasonry for Un-Masonic Conduct on February 7, 2009 wherein at a Lodge Trial Mason Elliott Hall was found not guilty however the verdict of the Lodge was overturned by Grand Lodge.

Whereas, the record reveals the Petition for Reinstatement was found to be in order, containing the Petition for Reinstatement, the Applicants Background Waiver, Lodge minutes, Reports of the Background Check, etc.;

Whereas, the 2009 Supervision by the Grand Lodge was the result of Mason Elliott Hall using his position as Chairman of an Investigation Committee, to personally interrogate the Petitioner relative to Petitioner as a Law Enforcement Officer's, previous arrest of Chairman Hall's grandson;

Whereas, the testimony of Chairman Mason E. Hall's interrogations was confirmed by the two other Committee Members;

Whereas, Chairman Hall has repeatedly stated to the Petitioner that he Mason Hall's personal investigatory questions were prefaced by the predicate," You understand the Grand Lodge instructs me to ask these questions";

Whereas, the Petition for Reinstatement contains nothing from Mason E. Hall that he understood that the use of his authority as Chairman or an Investigation Committee did not give him the right to convert the process into a personal investigation. The record contains no apology. Further, the record received by your Committee reflects Mason Elliott Hall, on numerous occasions states "No Masonic Law was violated, therefore there is no violation of Masonic Law"; and

Whereas the 2017 Columbia Lodge vote was 11-0 for Reinstatement.

**RULING**: Therefore, your committee moves to overturn the decision of Columbia Lodge #164 and deny Mason Elliott Hall's Petition for Reinstatement, and the ruling by the Committee on Appeals and Grievances was so moved as stated, had a valid second, and carried by a required number of the duly registered delegates of the Grand Lodge.

Whereas, it is reported by the Master of the Lodge that on December 14, 2016 the charges were reduced to "Simple Battery" along with $ 95,000.00 restitution and $ 15,000.00 Court Cost.

Whereas, trail procedures having been complied by T.B. Gilbert Lodge and with 10 Lodge Members present following Trial, there were 10 votes guilty, further as to the penalty there were 8 for expulsion and 2 against resulting in Cary Michael Cheek, Jr. being expelled from Freemasonry; and

Whereas, Cary Michael Cheek, Jr., failed to appear at his Lodge Trail.

**RULING**: After a review, it is the consensus of your Commission of Appeals and Grievance that the action of T.B. Gilbert Lodge # 423 should be sustained and Cary Michael Cheek, Jr. be Expelled from Freemasonry, and his name stricken from the Lodge rolls, and the ruling by the Committee on Appeals and Grievances was so moved as stated, had a valid second, and carried by a required number of the duly registered delegates of the Grand Lodge.

Whereas, as a defense, several procedural issues were raised, first, no secret investigating Committee convened, as Rolando received charges 4/20/17, letter 4/21/17; second that Rolando Dominquez alleges he requested Lodge minutes for his defense and was "refused"; third a DGL voiced an opinion during trial and failure to produce a video needed for a defense.

**RULING**: Your Committee on Appeals and Grievances received the results of the Lodge Trial during its opening session at Grand Lodge, there after numerous defenses were received and your Committee did not have adequate time to fully investigate the matter and moved to have it continued to the 2018 docket, with the Suspension to remain in intact until that date; and the ruling by the Committee on Appeals and Grievances was so moved as stated, had a valid second, and carried by a required number of the duly registered delegates of the Grand Lodge.

IV, § 1 (a), p. 24; *the Handbook of Masonic Law, Digest of Edicts*, Edict on "Suspension and Suspended Masons,"¶ 11, p. 109; and *the Handbook of Masonic Law, Digest of Edicts*, Edict on "Masonic Offences and Unmasonic Conduct, " ¶ 4, p. 96. On June 30, 2017, said letter was personally served upon Frank N. DuTreil, Jr.

Whereas, Frank N. DuTreil, Jr., for several years perpetuated and widely distributed the notion that Woody D. Bilyeu, Grand Secretary and Past Grand Master, was a convicted felon both orally and in writing;

And Whereas, such notion is a falsehood, which could have been proved had Frank N. DuTreil, Jr., had he exercised due diligence in researching and investigating such a serious accusation;

And Whereas, Frank N. DuTreil, Jr.'s actions constituted "speaking evil" of a Brother Mason in violation both of the Master Mason's Obligation and the *Handbook of Masonic Law, Digest of Edicts*, Edict on "Masonic Offences and Unmasonic Conduct, " ¶ 4, p. 96;

And Whereas, Frank N. DuTreil, Jr., failed to surrender his dues card as he was ordered to do by Grand Master Will P. Gray in his suspension letter dated June 7, 2017;

And Whereas, Frank N. DuTreil, Jr.'s failure to surrender his dues card constituted insubordination to the Grand Master in violation of the *Handbook of Masonic Law, Digest of Edicts*, Edict on "Suspension and Suspended Masons, "¶ 11, p. 109;

And Whereas, Frank N. DuTreil, Jr., evaded personal service of the letter suspending him for almost three (3) weeks without sufficient justification:

**RULING**: Your Committee on Appeals and Grievances unanimously voted to sustain the actions of the Grand Master, found the respondent guilty, and recommended that the respondent be indefinitely suspended. At the July 1, 2017 session of the Annual Grand Communication, the ruling was moved as stated, was properly seconded, and was overturned by the duly registered delegates of the Grand Lodge. ## Law and Jurisprudence
Referred Questions Submitted For Examination

**Question #1**: A formal request was made to have the Committee on Law and Jurisprudence review the actions of the Grand Master in reference to the 2017 Registration/ Assessment Fee, and make a ruling and present the ruling to the Grand Lodge Membership for their consideration.

We refer you to the Handbook of Masonic Law, Constitution , Art. 8, Sect. 1, page 9.

The Grand Master is invested with all the power and authority and is entitled to all the privileges and the prerogatives attached to his office by the Ancient usages of the Fraternity.

Landmark #2- It is the prerogative of the Grand Master to exercise the executive functions of the Grand Lodge during it's recess. We believe the inherent powers of the Grand Master include all authority that is not prohibited by the Constitution, General Regulations and Digest of Edicts set out in our Handbook of Masonic Law. His authority to assess is limited only by the provisions in the Handbook of Masonic Law. Which is Constitution, Art. VIII, Sect. 1., that assessment levied by the Grand Master or against the Lodges only, and not individual members. That is confirmed by General Regulations, Art. XII., Section 3, page 58, Handbook of Masonic Law. That constituent lodges shall pay all due and assessments as provided in Art. VIII, Sect. 1 of the Constitution. The fact that any limitation exists confirms the general authority of the Grand Master itself. Historical precedent confirms the authorization of the Grand Master.

Resolution 1995-24 proposed to establish a one time assessment of $15 per member to be used to install a sprinkler system in the Masonic Temple Building in New Orleans. The resolution was defeated, never the less two months later, newly installed M:W: Grand Master Louis J. Caruso assessed every Lodge the sum of $15 per member for the purpose of funding repairs to the Grand Lodge Temple in New Orleans. Thereafter this Committee was requested to research the issue of the Grand Master's authority to assess ,by Edict, the various Lodges in this Jurisdiction. It was the reported opinion of this Committee that the Grand Master has the right to do so, especially in emergency situations. That is in the Grand Lodge Proceedings of 1996.

In 2016, M:W: Grand Master William J. Mollere assessed all of the delegates $10 each, including Grand Lodge Officers, for the purpose of funding the Grand Lodge Session expenses. This Committee ruled that the assessment against individual delegates was prohibited by the Handbook of Masonic Law. Although, assessments against the Lodges is permitted. The Grand Master accepted the ruling and he apologized for his error and the Brethren voted to consider the assessment to be donations, and the issue was resolved. In view of the aforeset action, no formal report was necessary and none was given.

It is the opinion of this Committee, that the action of the Grand Master in assessing each Lodge $30 for the purpose of defraying the cost of the 2017 Grand Lodge Session was both within his authority and within his discretion.

**Question #2** : "Does the Grand Master, in the conduct of the Annual Grand Communication, have the authority and/or the duty to rule out of order matters tending to disturb Peace and Harmony of the Grand Lodge as does the Master of the Blue Lodge?"

Again, I refer you to the Constitution, Art. VIII., Sect. 1- The Grand Master is invested with all of the power and authority and is entitled to all of the privileges and prerogatives attached to his office by the Ancient usages of the Fraternity.

Landmark # 2- It is the prerogatives of the Grand Master to preside over every assembly of the Craft in his Jurisdiction, whether Grand or subordinate.

Digest of Edicts Ruling- The rulings of the Grand Master and the enactments of the Grand Lodge can not be protested by a Brother. It is the considered opinion of this Committee, that the Grand Master's authority extends to all matters relating to the conduct of the Annual Communication, not expressively denied by the Handbook of Masonic Law. This includes the authority to declare any motion, resolution or discussion thereon, or any other matter out of order he deemed necessary for the preservation of preserve peace, harmony and welfare of the Grand Lodge of Louisiana, even to summarily close the Grand Lodge at any time and his decision is final and unappealable in every instance except for one. Which is a member's status as a Mason. I refer you to Landmark #8 for that purpose.

Historical Jurisprudence supports these conclusions as well, as does the Handbook of Masonic Law. We refer you to Grand Lodge Proceedings of 1887, pgs. 27 and 28. At the Communication of this Grand Lodge held in 1885, a resolution was introduced limiting speeches and debates to a period of not more than twenty minutes. It was conceited at that time, on account of the actual experience of Session, that some such rule was necessary but the point was made that in Masonic Bodies, such a regulation was not permissible as being in derogation of the powers and prerogatives of the Grand Master. He having the control of all such subjects, and it being his right to regulate them in such manner as he might deem best for the interest of the Craft. The Grand Lodge and the Grand Master held that the point was well taken and the resolution was either withdrawn or declared out of order, and therefore, did not appear in the printed proceedings. We also refer you to the report of the Committee on Masonic Law and Jurisprudence in 1947, pg. 197, Resolution #12, we report the resolution unfavorably, Past Grand Master B.V. Wolfe raised a point that this Resolution # 12 was out of order. The Grand Master sustained the point raised and ruled that Resolution # 12 out of order. That is the report of the Committee on Law and Jurisprudence in 1947.

**Question #3**- "Please review the actions of the Grand Master in reference to Edict 2016-1 and Amended Edict 2016-1 (referred to as Edict 2016-2 in Advance Reports). Dated March 24, 2016, sunsetting the Grand Lodge Perpetual Membership Program."

Again, I refer you to the Constitution, Art. VIII., Sect. 1, by his power.

Landmark #2- It is the prerogative of the Grand Master to exercise the executive functions of the Grand Lodge during it's recess. Digest of Edicts- any decisions by the Grand Master are binding only during his term of office, unless approved by the Grand Lodge. We believe the inherent powers of the Grand Master include all authority that is not prohibited by the Constitution, General Regulations, and the Edicts, as set out in our Handbook of Masonic Law. His authority is plentiry as to all matters procedural and executive in nature substantively limited only by the aforeset prohibition. The authority of the Grand Master to issue edicts is unquestionable. Although a substantive question would be presented if an Edict thought to terminate the program in it's entirety, which we do not consider here, the temporary suspension of the program, and/or portions thereof for reasons at his discretion, do not violate that stated principle. The Edict is binding only during the Grand Master's term of office unless approved by the Grand Lodge. A resolution to sustain his actions is pending (that will be Resolution #2 that will be address later today). You will have the opportunity to approve or disapprove the same. Consequently we affirm the action of the Grand Master as within his authority and await the decision of the Grand Lodge as to the permanency thereof.

# PROCEEDINGS OF THE GRAND LODGE

## ADDRESS OF THE GRAND MASTER ELECT, GUY ALTHES JENKINS TO THE 206TH GRAND LODGE OF THE STATE OF LOUISIANA, AT ALEXANDRIA, LOUISIANA

Thank you Most Worshipful Brother Bill, Brother Bev and Brother RB and those that assisted in the installation.

You think after 56 years as a Master Mason, you begin to pick up and see a few things along the way, and yet, when we come to a place in life like this, what else can there be? The highest position your Brethren can elect you to. I do not assume it lightly and at the same time I assume it with a heart of love and dedication to our beautiful order.

There are a couple of things I want to say to the Officers first. I want to thank each one of you for accepting the positions to which you have been elected or appointed to. District Deputy Grand Masters and District Grand Lecturers, it will depend on you to get the word to our districts to a large extent on all of the things that need to be done.

Now, there is going to be some communication involved, and email is the biggest way of communicating now days. At the bottom of the page, there is reply, reply all, or forward. If we or I send a message to you, hit reply (not reply all). If you send a message to me, I'm going to hit reply (not reply all). Let's be concise with our communications and get them across to those whom we want to know, rather than all on the list and that way, we will be better informed about what's going on.

A couple of things, I would like to emphasize, out Dyslexia Program (that's our main philanthropy), and it's through this that we help children with a problem become citizens that can function in our world today. De Molay Chapters and Rainbow Assemblies, I want us to support. We have Diamond Assembly here today- "you girls stand up and your Advisors, Sister Jane and Sister Lynn, those girls that have been working hard with the Diamond Assembly, it's a pleasure to have you here and I want to pledge to you my support as well as to our DeMolay. Thank you for coming and joining us today.

I also want to emphasize the Special Olympics. If you have never been to a Special Olympics, GO! They are some of the brightest young people who run their hearts out, exercise and throw their weights to do their best to get that ribbon. When they come up to us and they want to feel these pretty golden things and these aprons, you want to shy away, but don't. You Officers go and participate and show them that you love them.

Another thing that we done in the past, that I want us to continue, is the Flowers for Widows. Our Ladies who are shut in, and at Christmas and Easter. These are things that would help to brighten their day and bring them a little bit of cheer.

To the Masons: One, Two, Three. If you don't know what I mean, I'm going to explain it, and it ought to be easy. One- opening and closing , Two- Cathecishisms, and Three- Ritualist Work. Work on this. You learn that first one, it won't much longer you'll have that second one and then the third one. We can be more proficient in our work. Then, before I finish what I have to say, I want us to realize, it's not me, it's not you, it is Us.

Norma and I speak French a lot of times at our house, and when we speak French-Brother James-I understand what "oui" means- when I say we- I'm not speaking French. "We" means the team and we are the team. All of these over here, all of you around the room, and not only you but it takes our wives because they are the ones that allow us the time to do it. So we appreciate all of you as we come together to celebrate and work toward this year.

Now there are few people that I must thank. I have already mentioned Brother Bill, Brother Bev, Brother Richard and Brother Will for having a part in our installation today. But I want to ask Norma, Bobbie, Richey, Elizabeth, David, Aaron, Juanita, Allan, Bonnie and Steve to please stand. These are special in my life. Introductions: My wife Norma, my daughter Bobbie and her husband Richey, my daughter Elizabth and her husband David, my oldest grandson Aaron (the father of my two little great grandsons- one is 10 and one is 6) I'm just sorry that they couldn't be here today. Then on the back row is Allan and Juanita Pierson (my sister in law and her husband), Allen is a member of Pine Grove Lodge No. 288 in Ponchatoula. Then we have Bonnie and Steve Murphy (Bonnie and Norma have been friends since the third grade and when we married almost 22 years ago now, Steve Bonnie have taken me in), Thank you all for coming and being with me today.

## ADDRESS OF THE GRAND MASTER ELECT, GUY ALTHES JENKINS TO THE 206TH GRAND LODGE OF THE STATE OF LOUISIANA, AT ALEXANDRIA, LOUISIANA

I know we've had of these seats pretty-well filled, but I want to ask another group of men to stand. Members of Central Lodge No. 442, please stand. These are men from our Lodge that have supported me and have done for me. Always asking, what can I do?, how can I help?, what can we fix? When you go, you don't go without one of them going with you to help. And with their wives from The Eastern Star to support us as well. You ladies with the Eastern Star, please stand as well. Linda and Ed, Joe and Shirley, Lynn and Roy and other couples, Thank you for coming and being here on this special day for me and supporting the Grand Lodge of Louisiana. Also, Jimmy and John from Central Lodge.

There are many people interested in Masonry, but we can't do it alone. So I call on all of you to join in with me as we work together.

Now there's a special group, all of you are special, but this is a little extra special. We have some ladies here that we could not function were it not for them. So we have Mary, Dianne, Kim, Michelle and Maddie that run our Grand Lodge Office. I am telling you- you can call and they answer and they can provide for us what we need. Thank you for doing your work and doing it proficiently.

Now, I haven't gotten to the second page yet, but I want to conclude. But there is one thing I want to leave with you. To remember- well two things, one of them is a nickel philosophy. I don't profess being high up smart and bright. When I go to the gas pump, I'm looking for a penny. I like to be thrifty. My girls will tell you I'm thrifty, Norma will tell you I'm a little thrifty. Always, always had a little rat hole growing up, so I could stuff money there for a special purpose. Do that! Don't go without picking up pennies. I want to talk about five pennies, just briefly. My philosophy in Masonry- first penny. God the creator, if it hadn't been for him we wouldn't have us . If nothing else, he created us. Our Junior Past Grand Master has well said that many times. That's the first penny. Second penny- is country. You think where we are today and what a wonderful place to live. We've got problems, but we are in a good place. That third penny in this nickel, is our family. Man what would we do or what would we be without family? Number four- our neighbor. We live in neighborhoods, some of us live further apart than others but we need our neighbors. Then there is another part of that philosophy, us-me- what about me? When my girls were growing up, we had goats in the back and I was sometimes a member of the goat herd. When they saw me go to the goat pin, they knew to leave me alone. I had to talk to Billy and discuss things to find out where I was. We need some time for ourselves and so you take that little philosophy and put it in a nickel and go from there and make the world a better place.

Now the other thing I want to leave you with is to remember these words from David Pettijean, from down in the crawly South Louisiana Southwest corner. What he had to say was "Always Smile". Now you are going to see me smile a lot. I may not want to , I may not feel like it, but I'm going to do it. It's going to be infectious, I hope. So, Dave says, "Always smile cause the smile on your face is the light to let the world know your heart is at home". I hope your smile is that light. Thank you.

Sincerely and Fraternally,
Guy Althes Jenkins
