ADDRESS OF THE GRAND MASTER
2018-2019

Most Worshipful Sirs, Grand East, Right Worshipful Sirs, Worshipful Sirs, my Brothers all and our guests, good morning and welcome to the 208th annual Grand Communication of the Grand Lodge of the State of Louisiana, Free and Accepted Masons. I wish to thank each of you who has taken time out of your busy schedule to be here with us today and hopefully tomorrow as well, as we tend to the necessary business of our Grand Jurisdiction.

To quote a line from Psalm 133, “Behold how good and how pleasant it is for Brethren to dwell together in unity”, and it is my great hope that we have all assembled here today in a great sense of unity, and that peace and harmony will prevail throughout our entire time together today as well as tomorrow.

First and above all others, I must thank Almighty God for giving me this opportunity to serve as your Grand Master and for his guidance over the last year to help me make the decisions that needed to be made and to assist me in making them fairly and justly, and for keeping me safe in all of my travels across this great state of ours and to our sister jurisdictions.

And of course, there is no way that I can ever express my thanks enough to the love of my life, my wife Janet, who has been by my side on each and every step of this journey.

While she may have not been physically with me, she was with me in spirit and she has spent so many nights at home alone while I was traveling around the state to do the job that I loved. If I remember correctly from my acceptance speech last year, I told her that if she stuck with me for one more year that I would take her to places she had never been before, and I think I accomplished that this past year. Janet thank you, and get ready, because now you must get use to eating dinner with me at home almost every night.

I would like to especially thank all our Brothers from our sister Grand Jurisdictions who are here today, as I know many of you have traveled many hours to be with us and we hope that your stay with us is a very pleasurable one. If there is anything, we can do to make your stay with us more enjoyable, please do not hesitate to let our Grand Secretary, M: W: Brother Bilyeu know, and I am sure he will see that it is taken care of. You know making that statement, “just let the Grand Secretary know” is one of the many things that I am going to miss after tomorrow afternoon.

It is hard to believe that is has been 364 days since I last stood on this stage and was installed as your Grand Master. Many of those days and nights have been spent on the road traveling to many different cities, towns and communities to visit with you the members of the lodges that make up the Grand Lodge of Louisiana. I have shared many meals with you, but more importantly, I have shared a great deal of fellowship and many good times with as many of you as my schedule would allow and have had the opportunity to see parts of this great state of ours that I would not have had a reason to visit. The one thing that I will take with me is the memory of knowing that when I walked in to a lodge for the first time, the brothers who were there made me feel welcome, and I felt that they were truly glad that I was there. One brother in one lodge threw down a challenge to me, by saying that it had been many years since a sitting Grand Master visited their lodge. Oh he said, “we have had Grand Lodge Officers visit, but not a sitting Grand Master”. So, I accepted the challenge, and along with some other Grand Lodge Officers we visited the lodge and had a great time with the brothers.

To my Elected Grand Officers, I wish to say thank you for the way that you have supported me during this past year. And know this, that if at any time during your remaining time in the progressive line you need any help, any help at all, “just call the Grand Secretary”. I am just kidding, I just had to get that line in one more time, but seriously do not hesitate to call on me if I can be of any assistance. I thank you for the many hours you took out of your daily life to be away from home and to travel with me or to represent the Grand Lodge in your official capacity in your visits around the state. Your being visible and by your visits to the Lodges and District Lodge Meetings shows that the Grand Lodge does care what is being done in the lodges and that we support them as well.
ADDRESS OF THE GRAND MASTER
2018-2019

I must however take a moment of personal privilege to thank our Grand Secretary, M: W: Woody D. Bilyeu, PGM. Over the past year, WDB, as he signs his emails to me, and there have been many of those, has been there whenever I called. He and his lovely wife Mary have allowed Janet and I to stay at their home in Winnfield, Louisiana on numerous occasions and have treated us just like part of their family. I am sure by now that you all know that Winnfield Louisiana is sometimes referred to as the “Center of all things Arts and Cultural in the Western Hemisphere”.

Well, in case you did not know that, then just ask Most Worshipful Brother Bilyeu and he will bring you up to speed on this subject matter. Mary and Woody, you both will always have a special place in our hearts, and Janet and I are proud to call you our friends. Thank you so very much.

I do not know how to express my unending thanks and appreciation to the ladies that work in the Grand Lodge Offices. Dianne Bordelon, Kim Bordelon, Michelle Dempsey, and Mary Farmer. My brothers you just do not know what an asset it is to have these four ladies there in the office to help you when you call. Numerous times I have called the office or sent an email request to one of them asking for a form or a list or some other form of assistance, and I received the information almost instantaneously. My brothers please join me in giving these great ladies a well-deserved round of applause.

To all of my appointed officers, especially the group that has been called my “Dairy Queen Scouts”, thank you for your support this past year and for being at the numerous lodges and district meetings in your areas when I was there to visit.

Your support was very important to me, and I just wanted to let you know that while I may not have thanked you at the time, I wish to thank each of you here today publicly for your support.

Sadly, I must report to you that during my term, we laid to rest three of our Past Grand Masters. M: W: Harold G. Ballard, Grand Master in 2005, M: W: Neil R. Crain, Grand Master in 2004; and M: W: William J. “Bill” Mollere, Grand Master in 2015. These three brothers were well respected in our fraternity for not only their leadership, but for their personalities. While I knew both M: W: Brothers Ballard and Crain from their times as Grand Master, I knew M: W: Brother Mollere a little better from working so closely with him in Grand Lodge and in some of the other appendant bodies. I will always remember sitting in a hotel in Washington, D. C. right after Bill appointed me as the General Secretary of the Valley of New Orleans and talking with him.

We visited for over two hours and for the better part of that time, he wanted to know about me, what I wanted to accomplish, not only in masonry but in my life.

He asked questions about my wife, who I don’t think he had met, and wanted to know if she supported me in this new venture. That was important to him, that a brother’s wife and family supported him as he continued his journey in our fraternity. That was Bill, he cared about you not only as a brother, but he cared about you personally and he wanted to know how your family was doing.

I was very lucky and honored to have him install me as Grand Master, but the one thing that I could not get use to was having him call me “Grand Master”. It just did not sound right coming from Bill, a man and a brother that I placed on a pedestal a little higher than some of my other Masonic Mentors. He would often remind me to take a “me day”, to get away from everything and not let the pressures of the job affect my health. I do not ever remember him getting angry or hear him raise his voice. When things would start to go wrong, he would look at the parties involved and give them that look that was like him saying: “Take a breath guys, this too will pass, and things will be okay”. Our fraternity suffered a great loss with the passing of these three Past Grand Masters. They will be remembered tomorrow morning at our Necrology Service which will be conducted by Brother Stuart Averitt.
ADDRESS OF THE GRAND MASTER
2018-2019

As you know this past year, we, your Grand Lodge Officers, were involved in numerous lawsuits that were filed by some of our members who just did not want to believe the rules set out in the Handbook of Masonic Law and challenged the decisions which were made by M: W: Guy Jenkins. They took our fraternal law and brought it into the public eye by filing suits in the 24th Judicial Court in Jefferson Parish and the 19th Judicial Court in East Baton Rouge Parish. We have a great staff of Grand Attorneys who gave countless hours of their time, at no cost to you and me, to help us in these lawsuits. I would like to publicly acknowledge our Grand Attorneys at this time, M: W: Lloyd Hennigan, M: W: Clayton J. “Chip” Borne, W: Brother Travis Holley, W: Brother J. Keith Gates, and W: Brother E. Orum Young. And while he was not an official member of the committee, I must also thank Brother H. Barlow Holley for his many hours of research and the many great papers that he wrote to assist the Grand Attorneys.

Today as I stand before you, I feel that our fraternity is returning to what it once was. I feel that our brothers are taking pride in their membership and that they are doing what is right and just, and are teaching our new brothers the correct way to do the things that need to be done in our lodges.

Are we 100 percent back, no we are not? As I have said on numerous occasions, we did not get into the shape we are in over night and we will not return to greatness overnight either.

I have heard many reports of lodges that are doing great degree work and I wish to thank the members of those lodges for their hard work and dedication. I have heard that many lodges are assisting other lodges with their degree work. Notice I said assisting, not doing their degree work for them. Each lodge should have members that can confer the three degrees in their own lodges. We have had a great increase in the number of level 1 and level 3 proficiency cards that were awarded this year and that leads me to believe that our ritual work will continue to be done correctly in the future. My brothers, the District Grand Lecturers and the members of the Permanent Committee on Work are there to assist you. Put them to work, call on them to help you learn the ritual work and I have no doubt that they will do their very best to answer your request for assistance.

To the District Deputy Grand Masters, thank you for your many nights away from home visiting lodges, sharing the happenings of the Grand Lodge and getting my messages out to those lodges I could not get to. I want you to know that your hard work did not go unnoticed by me, and the rest of the Grand Line.

Our Masonic Learning Center for Dyslexia Training Program is doing well, and we are continuing to see classes graduate and have new classes starting up around the state. I just wish that we could get a few more classes around the state especially in the southeastern part. We have the children that need our help, we have the lodges that are willing to sponsor or host a class, but we cannot find the teachers. I want to extend a big thank you to Sharon McCaskill and all of you that have worked so hard to make this program a success.

To all the committees that watch over all our investments, thank you for your unending monitoring of our investment accounts and ensuring that our investment managers do the right things to make sure that our funds continue to grow.

I know that it is not always the easiest thing to project what the stock market is going to do, but your continued review of the market and our investments keeps us on the right track. Your love of the fraternity and your hope that we can continue providing the scholarships and training programs to the youth of our state is well documented by the success we see in these programs.

The State of Our Fraternity

Our Lodges

Unfortunately, during my term as Grand Master I had to approve the consolidation of four of our lodges. Kisatchie Union #156 consolidated with N. H. Bray #208, and Fordoche Lodge #292 and Livonia Lodge #220, found it necessary to consolidate, and I have heard of one or two more possible consolidation but as of yesterday they have not submitted the required paperwork.
ADDRESS OF THE GRAND MASTER
2018-2019

Our Membership

Unfortunately, we continue to lose members of our fraternity due to reasons we cannot control such as death and their decision to demit. And some for reasons that we may have some control over.

We lost many members due to nonpayment of dues again this past calendar year. And we all know of many reasons why this has happened. While we cannot control the financial decisions of our members, only they can decide where they spend their hard-earned money, what we can control is the product that they receive for their dues' dollars. I wonder how many of our brothers that went suspended for non-payment of dues, did so because they were not getting anything from their lodges in return for the money they are paying. We all know that today, simply going to the lodge to maybe have a meal, then open the lodge, read the minutes from the last meeting, pay the bills, then close the lodge and go home, is not going to cut it. Each of our brothers has far too many other things that they can use their time to do. What happen to the days when we gave short informative talks in our lodges? What happen to having a degree practice after or during a business meeting? What happen to the days when we shared fellowship and life stories with our brothers when we attended lodge? To quote a line from the movie “Field of Dreams”; “If you build it; they will come”. If you give them something to educate them, they may come back.

I would like to encourage all of our lodges to subscribe to the monthly “Short Talk Bulletins” provided by the Masonic Service Association of North America (MSANA), each month. There is a very nominal annual cost for the subscription but the information you receive each month is well worth it.

Their website is www.msana.com and on the left side of the home page there is a link that will allow you or your lodge to subscribe.

Visitations

During my year as your Grand Master I had the opportunity to visit not only a lot of the lodges and districts in Louisiana and all but two of the other nine Grand Jurisdictions that make up the Southeastern Masonic Conference. During these out of state visits I had the opportunity to meet and speak with the leaders of the neighboring jurisdictions as well as many of our brothers who are originally from Louisiana, or who for some reason spent many years in our great state. During all these visits, the two things that are very apparent are, there is a great deal of interest in the history of masonry in Louisiana, and that we all love our fraternity and are committed to seeing that it continues to grow and prosper.

To show you how diverse my travel has been this past year, I started off by traveling with R:W: Brother Steve Pence, DGM.; R:W: Brother Terry Fowler, GJW; M:W: Brother Woody Bilyeu, PGM, Grand Sect.; and M:W: Chip Borne, PGM to warm and sunny Boca Raton, FL for the Southeastern Masonic Conference in August of 2018. Then in February of 2019, R:W: Brothers Pence and Fowler; M:W: Brother Borne and I travel to “warm and sunny” Rapid City, SD for the Conference of Grand Masters of North America. Here we experienced -10 degree wind chill and had the opportunity to follow a snow plow as it plowed the interstate highway and applied salt to the road. We also had the great opportunity of speaking with many of the Grand Masters and other Grand Lodge Officers from across this great country of ours and exchange ideas and thought of what we can do to help our fraternity survive and grow.

I can only hope that we, the masons of Louisiana, show our out of state guests as much “Southern Hospitality” as they showed me and the other Grand Lodge Officers who visited their Grand Jurisdiction.
ADDRESS OF THE GRAND MASTER  
2018-2019

Masonic Disciplinary Code

My brothers later today you will hear the report of the Appeals and Grievance Committee which will include several cases that were adjudicated using the process laid out in Edict 2018-3.

Let me make it clear to you that this edict does not take away any of the rights of a lodge to prosecute any of its members against whom another brother has filed charges of Unmasonic Conduct. The Junior Warden of the lodge still acts as the prosecutor and the Senior Warden still acts as the defense council, if the accused wishes. It now allows for a panel of 3 members from lodges that are in your Trial Commission District, which are the same lodges that make up your Lecture District, to hear the evidence against the accused brother and the evidence in his defense of the charges and to then make a decision as to the verdict or penalty.

Now some of the penalties have been changed. According to the new policy if made law, if the defendant is expelled, his expulsion is permanent. There would be no more applying for reinstatement in three years. Suspensions are now for a set number of years.

It can be for a period of 1 year or up to a period of 20 years. The sentence of reprimand has not been changed.

All verdicts and sentences are still automatically referred to the Appeals and Grievance Committee for review and then to you the voting delegates of Grand Lodge for your approval.

I feel that it is a fair and equal way to handle any cases involving Unmasonic Conduct and by moving the decision making on the verdict and the penalty out of the lodge and allowing it to be made by three members who are not a part of the lodge it becomes easier and will not divide the lodge.

Louisiana Brethren App

This is a great way of letting your brothers around the state know what is happening in your lodge. You can download it on your cell phone or tablet, and once your membership in a constituent lodge of Grand Lodge of Louisiana has been verified, you will have the ability to share what is happening in your lodge and read about what is going on in the other lodges around the state. Conversations that are deemed by the moderator of the app to be divisive, or not for the betterment of our fraternity will be deleted. We want to hear about the good things that are happening in your lodges.

I feel that our fraternity has made great strides in returning to the greatness we once had, but we still have a long way to go. It is up to each of you to spread the principle of civility and respect that we, hopefully, show each other in our lodges to the members of our communities. It is up to all of us to help do what we can to stem this growing movement of hatred, bigotry and divisiveness that is ruining our world as we know it. Is this the legacy that we want our children, our grandchildren or even our great grandchildren to inherit? I don’t think so.

How many of you remember Smokey the Bear and his slogan of “Only you can prevent forest fires”? Well my brothers only with your help and assistance can we even think about or have any hope of turning around this world of ours and make it a better place for our future generations.

As I come to the end of my term as your Grand Master, I wish to thank the members of all the committees, elected and appointed for the job you did this past year and thank you for your service to the Grand Lodge of Louisiana and our fraternity. And thanks to all of you, the members of this great fraternity of ours for allowing me to serve in what I can only describe as the greatest opportunity afforded any Master Mason. As I think back to October of 1979 when I was raised to the Sublime Degree of a Master Mason, the only 2 thoughts that entered my mind were first, to learn my work and become proficient so that I could help confer degrees on new members and secondly, be lucky enough to hopefully rise to the office of Worshipful Master.
ADDRESS OF THE GRAND MASTER
2018-2019

Never once in my wildest dreams, could I have ever imagined that one day I would become the Grand Master of Masons in the State of Louisiana. It has been a great experience, one that I will never forget. But more importantly I hope I did the job that you expected of me, and that you are pleased with the actions that I took. Remember this, whatever actions I did take, I did not take them on a personal level, but I did them to protect the integrity of the Office of Grand Master and the integrity of the Grand Lodge of Louisiana.

We have much work to get done today, and I ask that you pay close attention to what will be presented. We have resolutions to receive in this morning session so we can vote on them in the afternoon session. We have cases from the Appeals and Grievances Committee to hear and act on, and there are various other reports that need to be presented.

The one thing that I would ask of you is that when we go back to labor, I would like the voting delegates to sit in the front of the district sections, and the non-voting delegates to sit behind them. I will have some housekeeping rules to pass on to you as we get further into our business session.

Many of you have heard me quote the following from the poet, Maya Angelou during my visits to your lodges:

“\textit{I have learned that I have much to learn,}
\textit{I have learned that people will forget what you said,}
\textit{people will forget what you did,}
\textit{but people will not forget how you made them feel}”

I can only hope that you feel as welcome here as you do in your own lodge, and that you will do your best to make those around you feel as welcome.

Thank you so very much for allowing me to serve as your Grand Master and may the Grand Architect of the Universe watch over us and guide us as we get down to the work that has been laid upon the Trestleboard before us.

May Peace and Harmony prevail!

Fraternally and Respectfully,

\textit{M: W: M. J. Reinschmidt}

B. 1 The member desiring a Perpetual Membership shall apply to the Secretary of his Lodge during the first quarter of the calendar year, for such membership on forms prescribed by the Grand Lodge and shall tender therewith a minimum of fifty (50) times the annual dues for his Lodge at the time of application, minus the number of years of goodtime he has in the Masonic Fraternity, but in no event less than the twenty (20) times minimum dues.

Thank you for your attention in this matter.

EDICT 2018-02

WHEREAS, The M: E: Grand Master of the Grand Encampment of Knights Templar of the United States, Sir Knight Duane L. Vaught, has refused to honor the actions of the Grand Lodge of Louisiana F. & A. M. in the expulsion of one of its members, and

WHEREAS, The M: E: Grand Master of the Grand Encampment of Knights Templar of the United States of America, Sir Knight Duane L. Vaught, has not only allowed this expelled mason to retain his membership in the Grand Encampment of Knights Templar of the United States of America, and has also allowed this expelled mason to retain his office as Department Commander of the South Central Department of the Grand Encampment of Knights Templar of the United States of America, and publicly recognized him as such at the opening of the 67th Triennial Conclave on Monday August 20,2018, and

WHEREAS, these actions not only violate the obligation of Master Masons, but their own Constitution (Section 202).

“Section 202. When a Knight Templar has been suspended or expelled from his Lodge or Chapter or Council where required, for any reason, he shall be suspended or expelled, as the case may be, from his Commandery. (1988 Pages 208-209)

Notwithstanding the previous paragraph of this section, if a Knight Templar believes he has been involuntarily suspended or expelled from Chapter, or Council where required, either illegally or because of personal, arbitrary, capricious or other improper motive by the Chapter or Council he may appeal to the Grand Master and suspension from Templary shall be held in abeyance for a period of not more than 30 days to allow investigation. If within that period the Grand Master and any two other elected officers of the Grand Encampment agree, the requirement of continuous Chapter, or Council if otherwise required, membership may be waived for that member. (2012)” (Phrases highlighted for emphasis), and

Whereas, these acts have been determined by me to be a complete disregard by the M: E: Grand Master of the Grand Encampment of Knights Templar of the United States of America, Sir Knight Duane L. Vaught, of the authority of the Grand Lodge of Louisiana in determining the status of its members not only in lodge, but in the appendant bodies that operate in the state of Louisiana.
NOW THEREFORE, I issue the following Edict on the 20th Day of August 2018:

The Grand Lodge of Louisiana, F. & A. M. has withdrawn its recognition of the Grand Encampment of Knights Templar of the United States of America. And as such, no member who holds a membership in a Constituent Lodge chartered by the Grand Lodge of Louisiana F. & A. M. shall sit in any conclaves, meetings or assemblies which are held under the auspices of the Grand Encampment of Knights Templar of the United States of America.

Nothing herein shall prohibit the Grand Commandery of Louisiana, Knights Templar, or the Commanderies under its jurisdiction from continuing to operate. However, the Grand Commandery of Louisiana shall owe no allegiance to the Grand Encampment and its affiliation with the Grand Encampment is hereby terminated.

2018-02
Rescinded

September 26, 2018

My brothers,

It is my pleasure to announce that I have rescinded Edict 2018-02 and have restored recognition to the Grand Encampment of Knights Templar of the United States of America effective Saturday September 22, 2018.

After meeting and sharing emails with MEGM Jeff Nelson of the Grand Encampment on several occasions on Friday (9/21) and Saturday (9/22), we came to an agreement that was and is acceptable to both parties and to our great and magnanimous fraternities.

The agreement included the following statement: “Whether as the result of incomplete information or misinformation, the situation in which we find ourselves today is truly unfortunate. We agree that, in hindsight, the matter in question could have been better handled by the Grand Encampment of Knights Templar of the United States of America”.

Peace and Harmony has been restored between the Grand Lodge of Louisiana and the Grand Encampment of Knights Templar of the United States of America. May the Grand Architect of the Universe bless Freemasonry and Knights Templar.

My brothers, it was never my intention, as some have accused me, “of attempting to destroy the Knights Templar in Louisiana”. I am a proud member and Past Eminent Commander of Indivisible Friends Commandery #1 and have served the Grand Commandery as the Grand Prelate last year. Why would I want to destroy an organization that works so hard to promote and protect the Christian religion? My intention was simply to protect the authority and integrity of the Grand Lodge of Louisiana. It was and never has been any thing personal on my part, in taking the action that I did.

This letter shall be read in each lodge in the State of Louisiana at its first communication after it is received. And it shall not be published or posted on any form of electronic or social media and shall not be reproduced in any form.

2018-03

My Brothers,

Enclosed you will find Edict 2018-03, which outlines changes to the Masonic Trial process. This process will hopefully streamline the Masonic Trial Process and alleviate concerns which have been voiced recently. For instance, several members have expressed a desire to have a committee of Past Grand Masters or Past Masters conduct trials in certain instances. Further, there has been litigation in recent months from some members claiming that they are entitled to Lodge trials and not trials in the Grand Lodge. This Edict will clarify existing law and hopefully bring an end to the litigation.

In short, under the new process should the Grand Master or a local Lodge file charges against any member of our fraternity those charges, if found to be valid and not of a personal nature, will be tried by The District Trial Commission which will be composed of past masters from the Lecture District in which the lodge is located.

In the case of charges filed by the Grand Master, the matter proceeds directly to the District Trial Commission.

In the case of a complaint made to the master of a local lodge, the master proceeds just as now by appointing a secret committee and then, based on its report, either dismissing the complaint or directing the Junior Warden to prepare formal charges.

The difference is that, once the Junior Warden prepares those charges, and turns them into the Lodge Secretary, the Lodge Secretary then sends the charges to the Grand Secretary who then assigns them to the proper District Trial Commission. The District Trial Commission then conducts the Trial and determines guilt or innocence and if necessary determines the penalty.

In all cases the results of the District Trial Commission are then sent to the Appeals and Grievances Committee who will review the actions of the District Trial Commission. The Appeals and Grievances Committee can sustain or change the actions of the District Trial Commission. The Appeals and Grievances Committee will then report their findings at the next Grand Lodge Session for the delegates to vote on.

Here is the breakdown of the District Trial Commissions:

District Trial Commission #3  Masonic Districts 5, 8 & 9

District Trial Commission #5  Masonic Districts 13, 14, & 19
District Trial Commission #6  Masonic Districts 15, 16, 17 & 18

In short, I hope that this Edict will bring peace and harmony to our Grand Lodge by clarifying and streamlining our trial process. Please contact me with questions, comments, or concerns. With warmest regards, I am

Fraternally yours,

EDICT 2018-03

Whereas over the past few years because of the wording of Articles IV and VII of the General Regulations there has been some misunderstandings and confusion as to what the duties and responsibilities of the Appeals and Grievances Committee are, and

Whereas, our communication reporting indicates there are several lodges that are not comfortable conducting a Masonic Trial and those that cannot get enough members to attend a meeting to conduct a Masonic Trial and,

Whereas, every Brother Mason is charged with the duty to bring Masonic Charges against a brother whose actions have brought discredit to our Fraternity and,

Whereas, Masonic Trials can be held in a commission form, and that is the form that is used at present by the Appeals and Grievances Committee and,

Whereas, the actual filing of Masonic Charges against another brother is the last and most difficult thing that a brother wants to do;

NOW THEREFORE, I issue the following edict on the 31st day of August 2018:

Effective immediately, the new Louisiana Masonic Disciplinary Code shall supersede Article IV and Article VII in the Handbook of Masonic Law. Any charges of Unmasonic conduct which are filed after the issuance of this edict will follow the process laid out in the new Masonic Disciplinary Code.

The new Masonic Disciplinary Code relieves the lodges of the responsibility of holding a trial and places that responsibility on the Trial Commissioners of the TRIAL COMMISSION DISTRICT in which the lodge is located.

REPORT OF THE GRAND SECRETARY
The dedication, loyalty, efficiency, diligence and hard work of the Grand Lodge staff is acknowledged and greatly appreciated.

SERVICE AWARD CERTIFICATES
The Grand Secretary of the Grand Lodge is authorized to issue certificates to all members in good standing in a Lodge of this Grand Jurisdiction when they have attained twenty-five or fifty years of cumulative, not necessarily continuous, good standing in the Masonic Fraternity. These certificates may be presented at any time during the anniversary calendar year. Beginning 2016, we also included 60 year and 70 year certificates and a new lapel pin for each. During 2019 we issued 244 twenty-five-year certificates, 217 fifty-year certificates, 114 sixty-year certificates and 46 seventy-year certificates.

CENTENNIAL PLAQUES
The Grand Lodge, through the office of the Grand Secretary obtains a commemorative plaque for each Lodge which has completed one hundred years of cumulative existence under a valid charter. During 2019, plaques were presented to each of the following Lodges, to-wit:

Trinity Union No. 372, F. & A.M., chartered February 4, 1919
Level Lodge No. 373, F. & A.M., chartered February 4, 1919
Albert Pike Lodge No. 376, F. & A.M., chartered February 4, 1919

EMPLOYMENT TAXES
Generally, Lodges which employ a secretary, or other employee, who is compensated by a token salary or remission of dues is not liable for employment taxes. If, however, the compensation is $50.00 or more in a calendar quarter, such taxes may be due. Exemption of a fraternal order from payment of income taxes does not extend to pay roll taxes.
REPORT OF THE GRAND SECRETARY (cont)

FEDERAL REPORTING REQUIREMENTS

Prior to the year 2008 Lodges with a gross annual income less than $25,000.00 were not required to file any information returns with the Internal Revenue Service. All non-profit groups with an income of less than $50,000.00 are now required to file a 990 N by E-mail. Such filings must be made by May 15th of each year. Failure to file for a period of three (3) years will result in the revocation of the tax-exempt status of the Lodge. Those Lodges with an income in excess of $50,000.00 per annum are required to file a form 990.

STATE AND LOCAL SALES TAX

Non-profit domestic civic, educational, historical, charitable, fraternal or religious organizations may be exempted from collecting Louisiana sales taxes on goods sold as a fund-raiser. Should the Lodge be challenged by a Revenue Deputy, the Department of Revenue has prepared a form for use in claiming the exemption, pursuant to the provisions of R.S. 47: 305.14. Exemption from collecting sales taxes does not exempt the Lodges from paying State and local sales taxes on purchases by the Lodge.

HANDBOOK OF MASONIC LAW

The Handbook of Masonic Law is an essential for Worshipful Masters and Lodge Secretaries. The Handbook is updated after each Annual Grand Communication and the updates are distributed. Frequently the possessors of the books fail to insert the updates and, consequently, the usefulness of the Handbook is greatly diminished. Copies of the Handbook and the updates are available from the Grand Lodge Service Committee. Resolution 2018-02 was passed at the 207th Annual Grand Communication, allowing the most current HOML to be published in electronic format and available on the Grand Lodge website via the Member portal.

MASONIC DIRECTORY

A revised Masonic Directory is published each year. It contains a list of Lodges in various arrangements. There is also a list which contains the name and contact information for the Worshipful Master and Secretary of each Lodge as well as dates and times of meetings and the location of the Lodge. (This information is taken from the officer reports filed by the Lodges. The Worshipful Master and Secretary of each Lodge should review the directory and advise the Grand Lodge of any errors pertaining to their Lodge.) The directory also contains a list of Grand Lodge officers, a list of Past Grand Masters, information relative to the make-up of the Masonic Districts and a listing of the Grand Lodge Boards and Committees with names etc. for the members of each. One copy of the directory is furnished to each Lodge. Additional copies may be purchased from the Service Committee for a nominal price. An electronic version is also available via the Member portal.

CESSION OF LODGES

The consolidation of Jacques de Molay Lodge No. 389 with Covington Lodge No. 188 was completed on August 10, 2018 with Covington Lodge No. 188 surviving. The consolidation of N.H. Bray Lodge No. 208 with Kisatchie Union Lodge No. 379 was completed December 3, 2018, with Kisatchie Union Lodge No. 379 surviving. The consolidation of Fordoche Lodge No. 292 and Livonia Lodge No. 220 was completed on December 3, 2018 with Livonia Lodge No. 220 surviving. The consolidation of Merryville Lodge No. 329 and Sam Todd Lodge No. 182 was completed on January 18, 2019, with Sam Todd No. 182 surviving.

FINANCIAL DATA

The budget, financial data and review by the Certified Public Accountant are addressed separately in the proceedings of which this report is a part.

CONCLUSION

I wish to express my gratitude and appreciation to the Grand Lodge staff, the Brethren throughout this Grand Jurisdiction, the Grand Lodge officers and particularly M:W: Martin J. Reinschmidt, Grand Master for assistance, cooperation and the opportunity to serve Freemasonry.

Fraternally submitted,

M:W: Woody D. Bilyeu, P.G.M.
Grand Secretary

REPORT OF THE GRAND TREASURER

To the Officers and Members of the Most Worshipful Grand Lodge of the State of Louisiana, F&AM.:

Again, I take this opportunity to extend a very sincere appreciation for my re-election to the position of Grand Treasurer. It was my honor and pleasure for the opportunity to serve Freemasonry in this capacity for a 3rd term. Another honorable mention would be to Levi Koelling, our new Trial Clerk addition, with his vast amount of knowledge concerning computer systems.

Listed on the following pages within the Advanced Proceeding you will find an outline of the 2018 budget followed by the complete review for all Grand Lodge accounts prepared by our CPA prepared for your approval.

Pursuant to the General Regulation, Article II, Section 2, of the HOML, I report that with the assistance of the Grand Accountant, proper books of accounts were kept and ready at all times for exhibit to the Grand Master, or any committee appointed by the Grand Master for that purpose.

At the first session of each Grand Communication, the Advanced Report Proceedings show, the condition of the accounts with a detailed statement of all funds which have passed through or remain in the Grand Lodge accounts during my term of office.

Further, all Grand Lodge accounts have been reviewed by the designated Certified Public Accountant, Blaine Hebert, who has verified that this report accurately reflects the financial position of the Grand Lodge as of 9/30/2018, the end of the fiscal year.

I move this report be received and that it be printed in the Annual Grand Lodge Proceedings.

Sincerely and Fraternally,

R:.W :. Charles Richard Smith, PM
Grand Treasurer

Independent Accountant’s Review Report
September 30, 2018

The Board of Directors
Masonic Educational Foundation, Inc.

We have reviewed the accompanying financial statements of Masonic Educational Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, change in net assets, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management’s financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 – Investments and Marketable Securities

Note 3 – Fair Value Measurement

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity’s own assumptions about market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2018 are as follows:

Note 4 – Related Party Activity

The Foundation is governed by a Board of Directors which is comprised of the same individuals which serve as the Board of Trustees for the Masonic Home Properties and Charities. At September 30, 2018, the Foundation owed Grand Lodge of Louisiana F & AM $9,275.

Note 5 – Concentration of Credit Risk

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

Note 6 – Income Taxes

The organization has been determined to be a “private foundation” within the meaning of Section 509(a) of the Internal Revenue Code. Income tax expense for the year was $213 (an excise tax based on investment income).

The Foundation’s tax returns for the years ended September 30, 2015 through September 30, 2017 remain open and subject to examination by taxing authorities.

Note 7 – Subsequent Events

The Foundation has no material subsequent events that would require disclosure. Subsequent events have been evaluated through December 28, 2018, which is the date the financial statements were available for issuance.

Notes To Financial Statements
For the Year Ended September 30, 2018

Note 1 – Summary of Significant Accounting Policies

Organization

Masonic Home Educational Foundation, Inc. (The Foundation) is a nonprofit organization organized under the laws of the State of Louisiana. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Foundation and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Foundation and/or the passage of time. Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Foundation would be required to purchase these services if donated services were not available.

Use of Estimates

Note 1 – Summary of Significant Accounting Policies

Organization

Masonic Learning Center of LA, Inc. (The Center) is a nonprofit organization organized under the laws of the State of Louisiana. The Center was established for the purpose of providing assistance to students by funding educational expenses related to dyslexia training for students at the elementary school level.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Center. Generally, the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Investments

Accounting for Fair Value Measurements (FASB ASC 820-10-50-1) requires disclosures of financial assets and liabilities that are re-measured at fair value at least annually. FASB ASC 820-10-50-1 establishes a three tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Income Taxes

The Center is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Center is not classified as a “private foundation” by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Center would be required to purchase these services if donated services were not available.

The Center uses various locations to implement the dyslexia program. Many of these locations are other non-profit organizations. The fair value of the use of these locations has been determined by management to be immaterial. Accordingly, no non-cash support for the use of these locations is recorded in these financial statements.
Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but are observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement including the reporting entity’s own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2018 are as follows:

(a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, change in net assets, and cash flows for the year then ended, and the related notes to the financial statements. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Note 1 – Summary of Significant Accounting Policies (Cont)

Organization

Masonic Library/Museum Foundation of Louisiana, Inc. (The Museum) is a nonprofit organization organized under the laws of the State of Louisiana. The Museum was established for the purpose of preserving records, artifacts and memorabilia concerning the Fraternity of Masonry in general and Louisiana Masonry in particular, and to display items of history and masonic history to present time.

The Museum currently displays and preserves items on loan from the Grand Lodge of Louisiana. The Museum does not own any of the artifacts and memorabilia that it houses. The loan of items is indefinite and will remain in effect until the Grand Lodge of Louisiana or the Museum ends the agreement.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Museum and changes therein are classified and reported as follows:

- **Unrestricted net assets** – Net assets not subject to donor-imposed stipulations.
- **Temporarily restricted net assets** – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Museum and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- **Permanently restricted net assets** – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Museum. Generally, the donors of these assets permit The Museum to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Income Taxes

The Museum is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Museum is not classified as a “private foundation” by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Museum would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
Note 2 – Fair Value Measurement

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurements and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but are observable, either directly or indirectly through corroboration with observable market date and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement including the reporting entity’s own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2018 are as follows:

</tr>
</tbody>
</table>

Note 3 – Investments and Marketable Securities

The Museum has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2018 is summarized as follows:

</tr>
<tr>
<td>Unrealized Loss</td>
<td>-5,361</td>
</tr>
<tr>
<td><strong>Total Investment Income/(Loss)</strong></td>
<td><strong>$6,965</strong></td>
</tr>
</tbody>
</table>

Note 4 – Endowment

Permanently restricted net assets consist of donor restricted endowment funds invested in perpetuity. The Museum’s endowment consists of various individual funds established for different purposes, primarily to support the maintenance and upkeep of certain exhibits. Investment return associated with the Museum’s endowment is classified and reported based on the existence of donor-imposed restrictions.

The museum has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Museum classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the endowment fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets, according to donor stipulations, if any, until those amounts are appropriated for expenditure by the Museum. The Museum considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Museum and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Museum.
7. The investment policies of the Museum.
From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Museum to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2018.

The Museum has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Museum has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Museum's investment policy.

During the year ended September 30, 2018, the Museum had the following endowment related activities:

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 6 – Income Taxes**

The Museum’s tax return for the years ended September 30, 2015 through September 30, 2017, remain open and subject to examination by taxing authorities.

**Note 7 – Related Party Activity**

The Museum is governed by a Board of Directors which is comprised of the same individuals which serve as Board of Trustees for the Masonic Home Properties and Charities (a program service of the Grand Lodge of Louisiana F & AM). The administrative expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Museum also received $0 of support from Grand Lodge of Louisiana F & AM. At September 30, 2018, Grand Lodge F & AM owed the Museum $0.

**Note 8 – Subsequent Events**

The Museum has no material subsequent events that would require disclosure. Subsequent events have been evaluated through December 28, 2018, which is the date the financial statements were available for issuance.

Grand Lodge of Louisiana F. & A.M.
Notes to Financial Statements
For the Year Ended September 30, 2018

Note 1 – Nature of Activities and Significant Accounting Policies

Nature of Activities

The Grand Lodge of Louisiana F. & A.M. (The Lodge) was established as a Fraternal Organization.

The Lodge has several funds which are included in these financial statements. The funds and purposes are listed below.

Fraternal - This is the C-10 fraternal that directly services membership. The membership dues flow in and expenses are paid for membership purposes. Most of the payrolls come out of this account.

Service Committee - This is the “store” that has all the Masonic items that can be purchased. Inventory is its biggest asset and physical inventory is taken once a year at year end.

Charities and Benevolence - These are monies collected from Lodges to help out the other Lodges in need.

Charities and Benevolence Fund A - This fund was set up to help former employees and associates of Grand Lodge.

Special Purpose - This fund was set up to collect and pay monies for Masonic conferences, etc. A certain amount is transferred from the Fraternal each year to help with the cost of conferences for members.

LA Freemason - This is the publication put out by Grand Lodge on a semi-annual basis. Part of the dues sent to Grand Lodge includes an assessment from the members to defray the cost of publishing the magazine. That assessment is transferred to LA Freemason each year after the dues come in.

Disaster Fund - This fund was for members to contribute to when there is a disaster. For example, when Hurricane Katrina hit in 2005, money was donated and used to aid victims of the hurricane.

Thibodaux Cemetery - This is a cemetery owned by The Lodge in Thibodaux, LA.

Masonic Cemetery - Located in New Orleans, this cemetery is funded by monies received from families of those buried there and from the income of these investments. These funds are used to maintain the cemetery.

Perpetual Membership - This program was started so members can pay a one-time fee and not have to pay annual dues. Grand Lodge uses the income from the principal invested to pay the local lodge dues for that member.
Masonic Endowment - These monies were donated over the years so that charitable causes could be funded.

Masonic Home Endowment - These monies were donated as 501 (c) (3) for purposes of paying expenses for the care of the children when the home was operated as a children’s home. Since the Home has closed, the income from the endowment goes to the Masonic Learning Center (dyslexia program) and the other ½ to the Masonic Home Education Foundation to fund scholarships.

Masonic Charities - This is the old “Masonic Home for Children.” Back in 1996, the C-3 funds (those given to the home as charitable donations) & C-10 funds (those given to the home by Grand Lodge) were split. The C-3 funds are used for charitable purposes. The C-10 funds are used for fraternal membership purposes.

 Significant Accounting Policies

Significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Center. Generally, the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Contributions of fixed assets or resources to purchase them are reported as temporarily restricted. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the period as the contribution is received, the revenue is shown as unrestricted.

Promises to Give

The Lodge does not engage in any fund-raising activities and does not receive any pledges. Accordingly, no such activity has been recorded in these financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Financial Statement Presentation

The Lodge is required to report information regarding its financial position and activities according to three classes of net assets (unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending upon the existence and/or nature of any donor restrictions.
Income Taxes

The Lodge is a not-for-profit organization that is exempt from income taxes under Section 501(c)(10) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements. In addition, the Lodge has been determined by the Internal Revenue Service not to be a “private foundation” within the meaning of Section 509(a) of the Internal Revenue Code.

Cash and Cash Equivalents

Cash and cash equivalents represent bank deposits and highly liquid investments with original maturities of three months or less.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt and equity securities are valued at their fair value in statements of financial position. Unrealized gains and losses are included in the change in net assets.

Functional Allocation of Expenses

The cost of providing the Lodge’s programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited.

Other support services include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Lodge.

Compensated Absences

The Lodge has no policy relating to compensated absences. The compensated absences are not material to the financial statements as of September 30, 2018.

Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Property and equipment are depreciated over their useful lives using the straight-line method. Useful lives are determined by IRS regulations.

Note 2 – Fair Value Measurements

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, “Fair Value Measurements” fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect an entity’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to fair value measurement. Fair value of assets measured on a recurring basis at September 30, 2018 are as follows:

Realized gain/loss                                                               624,438
Unrealized gain/loss                                                             (66,215)
Total Investment Income/(Loss)                                                   $ 1,280,088

Note 4 – Inventory

Inventory consists primarily of books, videos, accessories, and other educational materials. Inventory is carried at the lower of cost or market using the first-in, first-out method.

Note 5 – Property and Equipment

Depreciation expense as of September 30, 2018 was $41,191.

Note 6 – Related Party

The Lodge is governed by a Board of Directors which is comprised of some of the same individuals which serve on the Board of Directors for the Masonic Learning Center, Inc., the Masonic Home Educational Foundation, the Masonic Educational Foundation, and the Masonic Library/Museum.

Masonic Home Educational Foundation paid the Lodge $9,000 in rent and $6,000 in payroll reimbursement. As of September 30, 2018, the Masonic Educational Foundation owes the Lodge $9,275.

As of September 30, 2018, there were payables to two of the other Masonic entities. The amount due to the Masonic Learning Center, Inc. is $342,598, and the amount due to Masonic Home Educational Foundation is $43,241.

Note 7 – Restricted Net Assets

The Lodge has a program (Perpetual Membership) where a member can pay a lump sum amount for a lifetime membership. This can also be paid in installments. The earnings from the lump sum and/or installments are transferred to the lodges each year in order to pay that member’s dues. These funds have been set aside in investment accounts which, as of September 30, 2018, total $4,776,173.

Temporarily restricted net assets are attributable to funds that are subject to temporary restrictions imposed by donor. Temporarily restricted net assets of $1,233,828 are associated with the endowment fund (Note 8).

The Lodge has certain net assets that are permanently restricted. These assets are comprised of contributions made to the endowment funds of the Lodge, the income from which has been used to fund certain charitable purposes. The net assets in these endowment funds are restricted by its original donors to endow these aforementioned purposes. The two endowment funds are the Masonic Endowment and the Masonic Home Endowment. Details of the endowment funds can be found in Note 8.
Note 8 – Endowment

Permanently restricted net assets consist of donor restricted endowment funds invested in perpetuity. The Lodge’s endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educations Foundation. Investment return associated with the Lodge’s endowment is classified and reported based on the existence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Lodge classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the endowment fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets, according to donor stipulations, if any, until those amounts are appropriated for expenditure by the Lodge. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Lodge and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Lodge.
7. The investment policies of the Lodge.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Lodge to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2018.

The Lodge has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Lodge has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Lodge’s investment policy.

During the year ended September 30, 2018, the Lodge had the following endowment related activities:

Note 11 – Concentrations of Credit Risk

Financial instruments that potentially subject the Lodge to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make investments less valuable.

The Lodge maintains cash balances with national and regional banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At September 30, 2018 cash on deposit that was in excess of the federally insured limits was $59,932.
Note 12 – Collections

The museum also contains memorabilia from the old Masonic Home for Children which operated from 1923 until 1994 as a home for needy children. It includes such things as an old dentistry chair from the infirmary as well as musical instruments from the old band formed in the 1920s at the Home. Files are kept of former residents for genealogical tracking.

The services performed consist of the availability for research and study by the general public. The availability of periodicals and clipping services, biographical data, card catalogue, Grand Lodge Proceedings and proceedings of Grand Lodges from other states, and other services performed by libraries generally.

Note 13 – Income Tax

The Lodge’s tax returns for the years ended September 30, 2016 through September 30, 2018, remain open and subject to examination by taxing authorities.

Note 14 – Subsequent Events

The Lodge has no material subsequent events that would require disclosure. Subsequent events have been evaluated through December 28, 2018, which is the date the financial statements were available for issuance.

IV.
RULINGS

We also note the Grand Master issued Edict 2018-2 on August 20, 2018, withdrawing recognition of the Grand Encampment of Knights Templar of the U.S.A., but allowing the Grand Commandery of Louisiana and its subordinates to continue operations without allegiance to the Grand Encampment. We also note the Grand Master issued Edict 2018-3 on August 20, 2018, activating the Louisiana Masonic Disciplinary Code, superseding Art IV and Art. RESOLUTIONS

Resolutions received and held over from the 2018 Grand Communication are:

RESOLUTION NO. 2018-35 Proposes to amend Gen. Reg. Art. 1 Sec. 2 to replace the Permanent Committee on Work with a Regional Grand Lecturers Committee, creating six Regional Grand Lecture Districts, each with a Regional Grand Lecturer (RGL), appointed by the Grand Master, who shall be a Past Master, hold a current Level Three Certificate of Proficiency, and shall hold the rank of Grand Steward. The six Regional Grand Lecturers, one of whom shall be designated Chairman by the Grand Master, shall comprise the Regional Grand Lecturer Committee.

It further proposes to create General Regulations, Art. II, Sec. 10 and 11, dealing with the Regional Grand Lecturer’s responsibility to supervise District Grand Lecturers and the esoteric work of the Constituent Lodges, opening and closing thereof, and reports required.

As this Resolution would amend the Constitution, Art. IV, Sec. 1, OFFICERS OF THE GRAND LODGE, as well as General Regulations, Art. 1, Sec. 2, 10 and 11, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, lay over to the next Annual Grand Communication, which it has, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

Resolutions timely filed, to be considered at this Grand Communication, are:

RESOLUTION NO. 2019-1 Proposes that the prohibition against recruiting be abolished and that “recruiting qualified, morally upright individuals for membership in the Fraternity” be allowed.

Despite the author’s statement “this addresses a custom, not a law or edict”, this resolution would amend Gen. Reg. Art. IV c, which requires an affirmation by the Candidate that no “persuasion or influence has induced him to make the application”. It must be received by a majority vote, lay over from one session to the next, and be adopted by a favorable two-thirds vote of a quorum of delegates.

Your committee notes that the law, custom and practice attacked here of requiring a candidate to come to Masonry of his own free will and accord, without solicitation, has been adhered to virtually universally and definitely throughout the various jurisdictions in the United States, Canada and Mexico, and distinguishes our Fraternity from social clubs.

RESOLUTION NO. 2019-2: Proposes to remove the requirement of a trial in those instances where a member in the jurisdiction is convicted of a felony crime and sentenced to a period of incarceration and actually confined to a penal institution, and provides that upon receipt of notice of such confinement, said member shall be expelled from all Masonic Memberships, Rights and Privileges, and have six months to file an appeal to the Committee on Appeals and Grievances on the issue(s) of Un-Masonic Conduct, in the absence of which his expulsion shall become permanent and his name stricken from the roll of his Lodge(s).

This resolution purports to amend the Digest of Edicts, MASONIC OFFENSES AND UN-MASONIC CONDUCT, page 95-96, Hand Book of Masonic Law, but in fact also would amend General Regulations, Art. VII, TRIALS, PUNISHMENT AND APPEALS, Sec. 1F (1), which currently provides for trial under these circumstances, it must be received by a favorable vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-3: Proposes that filing or prosecuting a lawsuit in any Louisiana Court against the Grand Lodge of the State of Louisiana, F&A.M., its Grand Officers, Grand Attorneys, its employees or any Constituent Lodge or its officers, by any Mason, before first exhausting all relief available to him under provisions of the Hand Book of Masonic Law, SHALL be deemed to have renounced Masonry and be immediately expelled from all Masonic Memberships, Rights and Privileges and his name permanently stricken from the roll of his Lodge(s).
THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE (cont)

Your committee notes passage of this resolution would effectively amend the provision of the proposed Louisiana Masonic District Code, Chapter II, Sec. 706(e). Also, as it deals with same subject matter as Resolution 2019-19, the said resolutions should be considered at one and the same time.

As the adoption of this Resolution would amend the General Regulations, Arts. IV and VII, and Digest of Edicts, Page 106, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-4: Proposes to increase per capita dues One Dollar ($1.00) per year during each of the next ten years, commencing in 2020, for each member borne on the rolls of the Lodge during the year, except those exempted by the Constitution, Art. VIII, Sec. 1. The prior provision for annual increase expired last year in 2018.

As this resolution proposes to amend Digest of Edicts, DUES, FEES and ASSESSMENTS, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-5: Proposes to amend General Regulations Art. IV, Sec. 10, paragraph 2 to add as a preface, the words “Except as otherwise provided in Section 13 hereof”, to assure the residential requirements for Louisiana Masons does not apply to a member of other Grand Jurisdictions retaining membership in his original Lodge, and applying for plural membership in a Louisiana Lodge in accordance with said Section 13.

As this resolution would amend General Regulations, Art. IV, Sec. 10, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-6: Proposes to extend the requirement of a criminal background check to any member petitioning for reinstatement after being suspended for any reason for a period greater than one year.

Current law requires background checks on each candidate for degrees in Masonry, and for plural membership or affiliation, unless one was completed less than 1 year prior to the petition, but is silent relative to reinstatement.

As the resolution would amend Digest of Edicts, CRIMINAL BACKGROUND CHECK, page 79, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-7: Proposes to amend the Model Form of By-Laws, Art. 9, ORDER OF BUSINESS, page 117, to change “shall” to “may” in Sec. 1, to comport with the provisions of Sec. 2 thereof.

As this would amend the Hand Book of Masonic Law, Model Form of By-Laws, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-8: Proposes to fix the time and place for the Annual Grand Communication for the year 2021, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations Art. , Sec.1, or such other date set by the Grand Lodge in Annual Communications assembled, and that it be conducted in the city of Alexandria, Louisiana.

The proposed resolution is in compliance with and does not amend the Hand Book of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-9: Proposes to Codify a portion of Edict 2018-1, PERPETUAL MEMBERSHIP, by amending paragraphs B and D, page 100, to provide for purchase of perpetual memberships for a minimum sum, calculated by the product of Lodge dues and Grand Lodge per capita at the time of application, multiplied by a factor based on the number of years a Master Mason, beginning at 50 and reduced annually to a minimum of 20, payable in a lump sum or five equal annual installments, in addition to regular Lodge dues.
THE REPORT OF THE COMMITTEE ON
MASONIC LAW AND JURISPRUDENCE (cont)

All other provisions of the section entitled Perpetual Membership shall remain in full force and effect. This resolution is presented unanimously by the Board of Directors to manage Perpetual Membership.

As this resolution proposes to amend Digest of Edicts, PERPETUAL MEMBERSHIP, page 100, paragraphs B and D, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-10: Proposes to amend the law on fifty year member exemptions from dues, fees and assessments to limit the exemptions on those members who become fifty year members on or after January 1, 2020, and plural members who have attained that status after January 1, 2020, to have the exemption apply only to the member’s home lodge.

As the effect of this resolution would be to amend the Constitution, Article VIII, Section 1, page 10, as well as Digest of Edicts, Dues, Fees and Assessments, page 80-81, Hand Book of Masonic Law, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

As this resolution would amend General Regulations, Arts. IV and VII, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-12: Proposes to reduce the requirement of examination on the entire catechism of the E. A. Degree to “examination... on the entire catechism or at a minimum, to show his proficiency... to being received by the Sr. Deacon, the Obligation of the degree, demonstrate the step(s), grip(s) and communicate the word(s) of the degree that the candidate is being examined in.”:

Your committee assumes the intention here is to reduce the requirements of examination in both the E. A. and F. C. Degree catechisms.

As this resolution would amend General Regulations Art. VI, Sec. 5, par. 3, pg. 23, “INITIATION, ADVANCEMENT and AFFILIATION”, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-13: Proposes to change the current law to allow a Lodge to open and conduct business in any degree as it sees fit, except for conferring degrees and hearing catechisms. It superfluously provides that E. A. and F. C. Masons shall not have right to participate in proceedings, wear jewelry, serve on investigating committee or receive a dues card (none of which is now allowed).

We note current law allows opening in inferior degrees for the purpose of hearing catechisms and conferring appropriate degrees.

As this resolution would amend Digest of Edicts, “LODGE MEETINGS AND ACTIVITIES”, page 89, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-14: Proposes that one Landmark be added to those recognized on February 14, 1989, to be No. 25 and read as follows:

“These Landmarks can never be changed”

As out Landmarks have the force of law, this resolution must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-15: Proposes that the Criminal Background provision currently in effect be standardized by requiring all Background Checks be obtained through the Grand Lodge of the State of Louisiana by the Secretary of the requesting Lodge.
As this resolution would amend Digest of Edicts, CRIMINAL BACKGROUND CHECK, pg. 79, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-16: Proposes that all Grand Lodge proceedings be made available on the Grand Lodge website to all members in a printable format at no charge; that no copies be furnished without charge to anyone, and any printed copies of the Proceedings be sold for the “cost of printing, binding, and associated charges” by the Grand Lodge Service Committee.

As this resolution would amend Digest of Edicts, PRINTED PROCEEDINGS, pg. 101, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-17: Proposes the amendment of the MODEL FORM OF BY-LAWS provision relating to trials and punishments to delete the phrase “and this lodge hereby adopts the Lodge (optional: Commission) form of trial”, to make the language of Art. VIII, Sec. 1 thereof read as follows:

“Section 1. All trials and punishments shall be strictly in accordance with the requirements of the General Regulations and Edicts of the Grand Lodge.”

Your committee notes that this resolution contemplates passage of Resolution No. 2019-11, approving the new Disciplinary Code, which would make the language proposed to be stricken superfluous.

As this resolution would amend Hand Book of Masonic Law, FORMS, MODEL FORM OF BY-LAWS, pg. 112, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-18: Proposes to suspend the provisions relating to a candidate presenting himself for the E. A. degree within one year from the date of his election for a member of the Armed Forces of the U. S. while serving on active duty.

Although not artfully drawn, we presume the intent is to extend the suspension to include FC degree as well.

As this resolution would amend General Regulations Art. VI, Sec. 5, pg. 32 and 33, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2019-19: Proposes that the filing of a lawsuit against the Grand Lodge or any officer thereof without first exhausting all available remedies provided in the Hand Book of Masonic Law shall have the effect of a renunciation of Masonry.

As this resolution would Amend Digest of Edicts, RENUNCIATION, and General Regulations Art. VII, Sec. 1(f), it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

This resolution deals with the same subject matter as Resolution 2019-3, and should be considered at one and the same time.

RESOLUTION 2019-20: Proposes that the Widow’s Sons Louisiana Masonic Motorcycle Riding Association, chartered by the Grand Lodge of Arkansas, F & A. M., be recognized as a Masonic motorcycle riding group in Louisiana.

Your committee notes this resolution does not seek Lodge status, but recognition merely as a club or group. We currently have Louisiana Motorcycle Lodge No. 13 in District 19 in good standing in Louisiana. Also, this resolution makes no provision for rules and regulations to govern the activities of the group.

As this resolution would not amend the Hand Book of Masonic Law, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable majority vote of a quorum of delegates.

GRAND ATTORNEYS COMMITTEE
ANNUAL REPORT -2019

To the Most Worshipful Grand Master,

The following is the 2019 Annual Report for the Grand Attorney’s Committee.

The members of your Grand Attorney’s Committee thank the Grand Master for the opportunity to serve The Grand Lodge for the past year.

The legal issues directed to your Committee were addressed in an efficient and professional manner, always keeping the high ideals of our spiritual brotherhood a priority in our representation of the Grand Lodge.

Members of your Committee researched, prepared documents and assisted in the execution of leases, deeds and contracts affecting Grand Lodge properties this year, and secured from the Secretary of State of Louisiana recognition of registry of our Domicile in Rapides Parish.

We represented our Grand Lodge in filing a Petition for Declaratory Judgment validating its own actions, in January, 2018, “Grand Lodge of the State of Louisiana F. & A. M. Vs. St. James Lodge No. 47, F. & A. M.” and Larry S. Bossier, Docket No. 260780, in the 9th Judicial District Court, Rapides Parish, Louisiana, which resulted in Judgment validating the authority of the Grand Master to suspend a Master of the Lodge from the exercise of his duties, to declare the election of Lodge officers null and void for irregularities and to arrest the Lodge Charter, instituting guidelines for future actions.

We also participated in the defense of 3 lawsuits filed against the Grand Lodge and the Officers:

(1) “Frank DuTreil, Jason C. Brusik and Wesley Cognevich vs. Elected Board of Directors of the Grand Lodge of the State of Louisiana et al,” No. 784-688, Division “H”, Twenty-Fourth Judicial District Court, Parish of Jefferson, on Appeal from adverse Trial Court decision to the Louisiana Fifth Circuit Court of Appeal, No. 18CA443, upholding the Grand Lodge’s Exception of Prematurity and dismissing Plaintiff’s suit.

(2) “Individual Members of the Grand Lodge of State of Louisiana F. & A. M., Frank DuTreil, Jason C. Brusik and Wesley Cognevich, Vernon Atkinson and Lawrence Wade vs. Guy Jenkins, Martin Reinschmidt and the Elected Board of Directors of the Grand Lodge of the State of Louisiana,” No. 785-301, Division “O”, 24th Judicial District Court, for Parish of Jefferson, on appeal to the Louisiana Fifth Circuit Court of Appeals, No. 19-C-59, which is currently pending on Suspensive Appeal.

There are no other pending matters in litigation at the time this report was prepared involving the Grand Lodge. However, in the current state of affairs, your Committee cannot exclude further litigation involving the Grand Lodge.

It should be noted that although your Committee members serve without compensation or reimbursement of expenses, substantial costs are incurred by our Grand Lodge in these matters for insurance deductibles, filing costs and related expenses which have not previously been budgeted.

THE BOARD OF TRUSTEES FOR MASONIC CHARITIES REPORT

ANNUAL REPORT

M:W: Grand Master, Grand Lodge Officers and Brethren:

The Board of Trustees For Masonic Charities is responsible for the management of funds derived from investments, bequeaths, contributions and donations. This Board is a charitable entity and must abide by specific requirements and regulations to maintain it’s tax exempt status as a 501(C)3 organization as directed by the Internal Revenue Service.

It is important that each Mason in Louisiana know there must be a clear separation of the 501(C)3 charitable, tax exempt and deductible funds and the 501(C)10 funds and assets used to operate our Grand Lodge. The funds must be kept in separate accounts and not co-mingled for any reason. To maintain our 501(C)3 status The Board must solicit and seek funds from outside of our Masonic Fraternity, in conjunction with the donations and bequeaths derived from our membership.

The Board has devised a Business Plan to assist in the growth of assets for Mason Charities. We feel that the full implementation of this plan will provide increased funding and growth for the various charities supported by Masonic Charities.

The Board has an Investment Committee which oversees the monthly operations of our Investment Management Company. The Investment Committee and Management Company reports at the Board’s quarterly meetings on the status of our investments and advises the Board on any changes that need to be made to maximize our return on investment. The Board of Trustees for Masonic Charities has approved an investment plan that dictates the investment policies and parameters which the Investment Management Company must use as a guide for our investments. In 2018, our investments out performed most of the market indicators and we had a gain in relation to the previous year.

The Board of Trustees for Masonic Charities thanks all of the Louisiana Masons for their donations and bequeaths in 2018.

Fraternally Submitted,

M: W: S. Bruce Easterly, PGM, Chairman

MASONIC HOME EDUCATIONAL FOUNDATION, INC.

ANNUAL REPORT

To the Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

The primary purpose of this foundation is to award scholarships to deserving college students.

Of the (120) applications received for the 2018-2019 school year, (94) were approved. There were (64) re-applications from students continuing on previously awarded scholarships & (30) new applications approved. All scholarships are funded for four (4) years to these students who are in need of assistance if they meet the foundations requirements.

The support of the Louisiana Masons for this program has been outstanding and it is important that this support continues to grow. It has become one of the most respected programs of its kind.

Fraternally submitted,

M:W: S. Bruce Easterly, PGM, Chairman

MERGER OF THE MASONIC HOME EDUCATIONAL FOUNDATION INC.

& THE MASONIC EDUCATIONAL FOUNDATION, INC.

The Masonic Educational Foundation, Inc. was formed on April 15, 1932 and consisted of donations from four sources and were separated on the books as the Tucker Fund, the Jackson Fund, the Gayle Fund, and the Monroe Fund. These funds represented the four families that originally contributed to this private foundation.

Since the Masonic Educational Foundation, Inc. and the Masonic Home Educational Foundation, Inc. have essentially the same mission (to provide scholarships to needy students in order to defray the high cost of higher education), the Board of the Masonic Educational Foundation, Inc., (a private foundation) voted to liquidate and donate all of it’s assets to the Masonic Home Educational Foundation, Inc. (a public charity).

This was voted on and approved at the January 19, 2019 meeting and the assets were transferred in March 2019. The Masonic Educational Foundation, Inc. was dissolved with the Louisiana Secretary of State on March 28, 2019.

INSURANCE COMMITTEE REPORT 2018-2019

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

The following is submitted on behalf of the ad hoc “Insurance Committee.” The committee currently consists of Brothers James “Chuck” Morgan III, P.M., Jay W. Owensby, P.M., H. George Scanlan, Jr., P.M., and MW Woody Bilyeu, Grand Secretary. There have been no meetings of the committee in the past year. The Grand Lodge has continued to appropriately renew its coverages. Quotes for coverage can be obtained by individual Lodges through the Grand Lodge website.

The “Insurance Committee” strongly urges each member Lodge to review its current property and liability coverage to ensure that same is in place, and is adequately covering your risks. Even if the Lodge is only renting space in a building owned by someone else, care should be taken to see that the Lodge furnishings are covered in case of loss, and that proper liability coverage is being maintained. Each Lodge should be aware of whether or not its property is in a flood zone, and if so, to purchase proper flood coverage.

Respectfully & Fraternally Submitted,

James H. “Chuck” Morgan III, P.M., Chairman
GIFTS, WILLS AND LEGACIES COMMITTEE REPORT

To the Most Worshipful Grand Master,

The following is the Annual Report for the Gifts, Wills & Legacies Committee.

We, your Gifts, Wills & Legacies Committee, thank the Grand Master for the opportunity to serve as your Attorneys for the past year.

Your Committee commends the Grand Master and his officers for their cooperation and efficient administration of our Grand Lodge.

Respectfully submitted.

M:W: Clayton J. "Chip" Borne, III., PGM, Chairman

REPORT OF THE COMMITTEE ON STATE OF THE ORDER

Your Committee on State of the Order has reviewed the Grand Master's address for 2018-2019. Most Worshipful Martin J. Reinschmidt, GM, with his infectious personality, has been very active this year in visiting, spreading good will, and attending to the affairs of the Grand Lodge. Grand Masters in the past have been very thorough in their address to the Grand Lodge, however Brother Reinschmidt has presented in great detail each item in his address. Portions of the report, if needed, have been referred to the proper committees. The committee is most appreciative to Brother Reinschmidt for a job very well done.

Fraternally submitted,

FOREIGN CORRESPONDENCE COMMITTEE 2019 REPORT

To the Most Worshipful Grand Master, Grand Lodge Officers, and Brethren:

The following is a report of your Foreign Correspondence Committee for the year 2018 - 2019. Your Committee works closely with the Commission on Information for Recognition of the North America Conference of Grand Masters of which you allowed me the privilege of representing each of you and our Grand Lodge for seven years retiring as chairman in 2015. This report will attempt to detail the inquiries of those Bodies which have applied either directly to our Grand Lodge or indirectly through the North American Conference of Grand Masters for recognition.

The predicate that must be understood is that it is the right of every Grand Lodge in the world to determine whether or not they recognize any other Grand Lodge. Each Grand Lodge must determine whether or not the new Grand Lodge meets the requirements for regularity which have been used for decades by Grand Lodges around the world. If it is determined by our Grand Lodge or the Commission, that the Grand Lodge in question is Practicing Regular Masonry, a recommendation of recognition will be issued to each jurisdiction with whom we are in amenity. In many Jurisdictions, it is subsequently accompanied by the customary exchange of representatives.

The standards of our Grand Lodge are consistent with the defined parameters used by the Committee for Recognition of the North America Conference of Grand Master, and these standards are summarized as follows:

1. **Legitimacy of Origin** This standard occurs in only two circumstances. **First**, a new Grand Lodge may be charted by one or more exiting-regular Grand Lodges in the world. The chartering Grand Lodge traditionally traces its pedigree back to one of the three old Grand Lodges, “The United Grand Lodge of England,” “The Grand Lodge of Scotland” or “The Grand Lodge of Ireland.” **Secondly**, it can occur when no Regular Grand Lodge exists in a territory and three or more legitimately chartered Lodges in that territory come together specifically to form a Grand Lodge.

2. **Exclusive Territorial Jurisdiction** This standard requires that a Regular Grand Lodge must be the only Regular Grand Lodge in a territory unless a treaty or compact exist between two or more Regular Grand Lodges which states that they will share the territory.

3. **Adherence to the Ancient Landmarks**, they must include but are limited to (A) Belief in God, or Monotheism, (B) the Volume of Sacred Law as an indispensable part of the Furniture of the Lodge and (C) the prohibition of the discussion of politics and religion within the Lodge.

Regularity insures that only Lodges and Grand Lodges that are based upon the ancient Masonic principles and landmarks are allowed to visit and exchange members with the Lodges and Grand Lodges of the world. If a Grand Lodge is found to be regular, most other Regular Grand Lodges will do the same and extend some form of recognition to them including an exchange of representatives. A great deal of information on this subject can be found on the Commission’s web site, found in your proceedings: [http://www.recognitioncommission.org](http://www.recognitioncommission.org)

Applying these standards to the current application by several Grand Lodges, we now share the following information; First for those bodies that have made a formal presentation to the Committee for Recognition of the North American Conference of Grand Masters, and second to those Jurisdiction applying directly to your Grand Lodge of Louisiana requesting recognition, your Foreign Correspondence Committee has reviewed the petitions and report to you Grand Master and through you to the Officers and Members of this Honorable Grand Lodge its independent research as follows:

**Brazil State Grand Orient**

The Grande Orient de Minas Gerais and the Grand Oriente de Mato Grosso do Sul were each recognized by the treaties signed with their respective State Grand Lodges in 2018. Each of these bodies are also recognized by the CMI. It would be reasonable to assume that these Grand Orients are practicing regular Masonry and recognition would be appropriate if you so desire.

**Grand Lodge of Royal Art (Romania)**

The Grand Chancellor of this Grand Lodge, R.W. Dragos Ionut Onescu contacted the Commission in a timely manner to pursue recognition. No representative from this Grand Lodge was present at the 2019 Commission Meeting. There is no evidence available to indicate that this Grand Lodge meets any of the standards for recognition.
FOREIGN CORRESPONDENCE COMMITTEE 2019 REPORT (cont)

DIRECT CONTACTS TO THE GRAND LODGE OF LOUISIANA:

Grand Lodge of the Free and Accepted Masons of Lebanon

The latest report was in 2000, wherein the Commission on Recognition of the Conference of Grand Matters stating that Free Masonry in Lebanon was represented by the Grand Lodge for the State of New York, the Grand Lodge of Scotland and one Lodge of the Grand Orient of Italy. New York suspended charters of ten (10) Lodges in the Grand Lodge of Syria/Lebanon. The recent request received by our Grand Lodge appears to be from the newly established Grand Lodge of Free and Accepted Masons as no additional information has been received. No opinion is tendered at this time when additional information is received you will be advised.

Grand Lodge of Russia

Notification was received that the Russian Grand Lodge has recognized the Grand Lodge of the Ukraine. The 2006 Report of the Commission stated that the Grand Lodge of Ukraine was consecrated on September 24, 2005 by the Grand Lodge National Francaise (GLNF) and the Grand Lodge of Austria. The Commission was of the opinion that the Grand Lodge of Ukraine met the standards and recognition.

United Grand Lodge of England

The UGLE advises that it was resolved that recognitions be accorded to the Grand Lodge of the State of Mato Grosso, Grand Lodge of the State of Amazonas, Grand Lodge of the State of Minas Gerais and the Grand Lodge of the State of Baja, California.

ADDITIONAL INFORMATION

Grand Logia Simbolica Del Paraguay

1. Representatives of both entities identifying themselves as the Gran Logia Simbolica Del Paraguay spoke briefly before the Commission. The Commission’s position remains the same as reported in their recent reports, advising that both Grand Lodges are practicing regular Masonry and that they should move to unite or agree to a concordant to share their Jurisdiction, as a way to resolve the Schism of 2005 which separates the Bodies.

Our Grand Master on March 7, 2019, rendered an opinion that Grand Lodge of the State of Louisiana should continue its recognition of the Symbolic Grand Lodge of Paraguay (GLSP) with its Grand Master, Eduardo De Doff.

Grand Lodge of Benito Torrez

2. The current address of the Grand Lodge of Benito Juarez of the State of Coahuila R.E.A.A. is:

Bahia de Ballenas # 933
Col. Nueva California
Torreon CP 27089
Coahuila, Mexico

Africa

The Commission has been informed that the sovereign jurisdictions of the Grand Lodges of the Congo, Cameroon and the Ivory Coast have been invaded without compacts or treaties by the Prince Hall Grand Lodge of North Carolina. No additional information has been received since our last report on this matter.

Florida

Louisiana has been informed that the Sovereign Jurisdictions of the Grand Lodge of Florida has been invaded without compact or treaties by the Prince Hall Grand Lodge of Louisiana.
A great many “Grand Lodges” continue to appear in North America each year and in particular Louisiana as reported in your proceedings as Regularly of UN-Masonic organizations which do not meet the standards for recognition. Further, most of these Grand Lodges make no effort to achieve regularity or even establish a relationship with the regular Grand Lodges into whose jurisdiction they have inserted themselves. The Commission, along with your Grand Lodge Foreign Correspondence Committee, urges great vigilance in establishing relationships with new Grand Lodges that do not exist in the List of Lodges-Masonic, published by Pantagraph, in Bloominton, IL.

Respectfully submitted,
M:W: Clayton J. “Chip” Borne, III., P.G.M., Chairman

REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS

To the Most Worshipful Grand Master,
The following is the Annual Report for the Committee to study the Regularity of Unrecognized Masonic Organizations.

Most Worshipful Sir, your committee wishes to thank you for the opportunity to serve for the past 12 months in the continuing study of unrecognized Masonic Organizations.

Your committee, as directed by you, attempted to examine those unrecognized Masonic Organizations within the state of Louisiana with the goal of better understating their nature and history.

In the state of Louisiana, we have found the following:

A) From all appearances, The M:W: Prince Hall Grand Lodge of Louisiana (PHA) continues to operate from its headquarters in Baton Rouge, Louisiana. No working website can be found for this Grand Lodge. However several of the district lodges of the M:W: Prince Hall Grand Lodge have their own separate websites and those can be accessed. Dr. Ralph Slaughter is still listed as the Grand Master of the M:W: Prince Hall Grand Lodge of Louisiana. This committee does not dispute the findings of the majority of Grand Lodges in the United States and their acknowledgment of the regularity of Prince Hall Masonry in general. The M:W: Prince Hall Grand Lodge of Louisiana is, however, a unique organization in that it does not enjoy Fraternal Relations with a number of other Prince Hall Grand Lodges in the United States due to practices found to be unacceptable to Prince Hall Masonry.

B) The Most Worshipful National Grand Lodge Free and Accepted Ancient York Rite Masons (also referred to as Prince Hall Origin as well as Compact Masons) has its headquarters reported to be at present in Uniondale, NY and Lee Singleton is listed as their National Grand Master. In Louisiana (as well as a number of other jurisdictions) a “state” Grand Lodge (or, Grand Lodge Affiliate) exists in Alexandria with Larry Piper listed as Grand Master. These state Grand Lodges are not sovereign and independent bodies and operate similar to Provincial Grand Lodges under the jurisdiction of the National Grand Lodge. Neither the National Grand Lodge nor their state Grand Lodges are found to be regular by Mainstream or PHA Masonry. More information about Prince Hall Origin can be found at www.mwnationalgrandlodge.org.

C) The Supreme Council of the Thirty-Third Degree of the Ancient and Accepted Scottish Rite of Freemasonry of the State of Louisiana, Inc. commonly referred to as the Supreme Council of Louisiana, is still a functioning body. It is under the direction of the Most Powerful Sovereign Grand Commander Eddie L. Gabriel, Sr. In the 2016 or 2017 they have elected a new line of officers and have Grand Consistories and Consistories in various areas of the United States. It should be noted that until the mid-1850’s we shared a common Scottish Rite History with this organization. On page 22 of the 1847 Proceedings of the Grand Lodge of Louisiana is written of this supreme council, “The Supreme Council regularly constituted according to the Scotch Rite, is in friendly and fraternal correspondence with the Grand Lodge of the State of Louisiana, and foreign Grand Orient; and the members of the Sup:. Council are all officers and members in activity of the Grand Lodge.” The 1847 Proceedings show M:W:.Bro:. Jean F. Canonge, PGM serving as their Sovereign Grand Commander and M:W:.Bro. John H. Holland, PGM as a Sovereign Grand Inspector General. During our history, Etoile Polaire No. 1, Perseverance No. 4 and Cervantes No. 5 have passed under the jurisdiction of the Supreme Council of Louisiana for periods of time. More objective study into this body is necessary. Their website is located at: https://www.supremecounciloflouisiana.org
D) There are approximately 10 - 15 other smaller unrecognized Grand Lodges in and around Louisiana of varying size. It is difficult to determine the viability of most of these bodies and some may have already ceased to exist. All share unrecognized status by US “Mainstream” Grand Lodges as well as Prince Hall Masonry.

In conclusion, Most Worshipful Grand Master, we, your committee respectfully urge that all due vigilance must be done to guard the west gate and we must fully and to the best of our ability investigate anyone who comes to doors professing to be a Master Mason with the desire to visit any of our constituent lodges.

Most Worshipful sir, your committee wishes to thank you and the entire Grand Lodge administration and staff for all their assistance in the continued study of this sensitive subject of unrecognized Masonic Organizations.

Respectfully submitted,
W: Michael R. Poll, PM, Chairman
M:W: Clayton J. “Chip” Borne, III., PGM

RECEPTION OF VISITORS COMMITTEE

Most Worshipful Grand Master and Grand Lodge Delegates, your committee for the reception of visitors is pleased to report that this Session of the Grand Lodge of the State of Louisiana F&AM, is well attended by many visiting dignitaries from sister Grand Lodges and various appendant and collateral bodies. Each of these visitors have been warmly welcomed and introduced in appropriate form at the various assemblies and meetings of this Grand Lodge Session.

Sadly, we must report that two of our committee members passed away this year: William J. Mollere, PGM and Carle L. Jackson, P.M. Brothers Mollere and Jackson were well known in Masonic circles, both in and outside the State of Louisiana. They were natural fits for this committee that seeks to make all of our visitors to the Grand Lodge Session feel the “joie de vivre” that is our culture in Louisiana. We are grateful for their many contributions to Masonry and this committee. We mourn their loss but remember and celebrate their life of service.

Thank you for this opportunity to serve you and the Grand Lodge with the reception of visitors. If we may be of further service, please call on us.

Respectfully yours,
Richard B. Smith, P.M. Chair, Michael “Darin” West, PM, Mitchell A. Reynolds, PM

SERVICE COMMITTEE REPORT

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

This year in the Service Committee has been a great year and gone by very fast. This year, we attended the Grand Lodge Session, Grand York Rite Session and the Warden’s Retreat and Training Session. As always look forward to serving you in the coming year! We will continue to carry Lodge supplies, forms and many other useful items for the members to use. The Service Committee will no doubt continue to grow in the ability to provide the Lodges and Brethren with all the needs of the Fraternity.

Many thanks to the members of this committee and especially to Ms. Dianne Bordelon, whose hard work and dedication makes all this possible.

The Board of Trustees for the Masonic Learning Center of Louisiana is pleased to report that 2018 was a successful year for your principle philanthropy. Under the administration of Sharon McCaskill, the Masonic Learning Center has continued to assist two primary age groups with educational and training services addressing Dyslexia. The following data is an overview of this work:

- 112 students served
- 28 classes offered
- 12 communities served
- 19 teachers employed
- 9 Masonic Districts served
- Total $223,685.82 spent
- Average cost per student $1,997.19
- Donations received $12,537.21

The Board is grateful to have the support in the way of time, talent, and treasure that so many of the brethren contribute in working with our local classes. The great success we enjoy is not so much what this Board does, but what you do to help our children overcome dyslexia today, to become the leaders of tomorrow. We welcome all lodges, but more particularly, all Masons in Louisiana to take an active role in this philanthropy. The rewards will remain in your heart for eternity.

REPORT of COMMITTEE to SUPERVISE PUBLICATION of the LOUISIANA FREEMASON

Your Committee has not published an issue in the past year due to continued challenges. It is the hope this committee that 2019-2020 shall see new issues being delivered to brethren across the state.

Improvements have been discussed and considered regarding the publication and delivery of the magazine, including digital/online publication and securing content from open sources from other recognized jurisdictions.

Past issues are currently available on the Grand Lodge website and/or through the member’s individual portal in the Grandview Database thanks the help of Chad Koelling, PM.

This committee urges our Lodges to submit articles and photographs of interest, especially those involving Masonry at work in the community. The new format to the magazine, where articles by Louisiana Masonic writers are featured and not being reliant on our Constituent Lodges for content, has been well received in the past, and will continue to be our method once publication resumes. With many Lodges hosting their own websites and Facebook® pages, they are able to share, with members and visitors, their events and programs in real time.

NECROLOGY COMMITTEE REPORT

Another year in our Grand Lodge has passed and we again are called upon to remember our good brothers who have been called to those realms of shade to which we must all pass in the future.

For our Grand Line, this year has been a very eventful one, with three Past Grand Masters having passed from our presence since our last session.

We have lost M:W: Brothers Neil R. Crain(2004), Harold G. Ballard(2005), and William J. Mollere(2015) Each of these brothers have provided leadership during his term of office and all have continued to be beacons of knowledge to the brothers of Louisiana. Each will be eulogized by respective friends and brothers at our Necrology service this year at our Grand Lodge session.

May we always pray for our leaders who have passed, but let us never forget the many who have been a part of our lives and lodges as common masons and have served in the background of our great craft.

My thanks to the members of the committee who have served diligently with me on the committee. May the future of our craft and its brethren be a bright one, and may we be as faithful and diligent an those whom we honor.

W. Brother Stuart R. Averitt ,PM
Chairman

LODGE SECRETARY TRAINING COMMITTEE

To The M:W: Grand Master, Grand Officers, and Members of the Grand Lodge of the State of Louisiana:

I am proud to report that the Secretary Training Committee completed five (5) workshops around the State of Louisiana for the year of 2018. The workshops covered subjects of File Management, collection and accounting of annual dues, processing petitions, reporting lodge finances, and computer reporting and management. Most of the workshops presented an open discussion whereby the secretaries could present problems and concerns to the group and we worked together to resolve these issues. In addition to this training, the Secretary Training Handbook was uploading to the Grandview Website for all to download and use as reference material.

Also, I am proud to report the committee was invited to the 2019 Warden’s Retreat for a presentation of how the Lodge Secretary can assist the Lodge Officers during their year in office. And, for the second time during the Warden’s Retreat, a Secretary Training and Certification class was held for over fifty four (54) Secretaries who wanted to gain wisdom and more Light with regard to their duties. It is an honor to serve and I hope this report will be of service to the Grand Lodge for the great state of Louisiana.

Fiscal year 2018 was a good year for the Perpetual Membership Program - Until December. The Stock Market correction of December 2018 reduced unrealized earnings on the Reserve account.

1. The Board to Manage the Perpetual Membership Program manages the Perpetual Membership Funds under the rules of the Perpetual Membership Fund Investment Policy. This Policy is modeled after the Grand Lodge of Louisiana model Investment Policy. Briefly, this policy details how the Perpetual Membership funds may be invested. The principal amount of the Program is invested in Long Term Bonds (Principal Account). This Principal amount is not to be spent. The earnings from the Principal are held in a separate fund (Reserve Account) which is invested in many different types of financial instruments, primarily equities, short-term bonds, and Treasury bills. There is a third account (Cash/Short Term Account), which primarily holds very short terms instruments and cash. This account is used to pay the Blue Lodge dues payments.

The Investment Manager appointed by the Board talks with our Broker, Huddleston & Smith, at least every two weeks to review the investment strategy. Often this conversation happens several times a week if the markets warrant.

2. As of December 31, 2018 the balance of the accounts were as follows:

   Principal Account: $4,197,532  
   Reserve Account: $393,532  
   Cash/Short Term Account: $55,285.40  

   At the close of 2018 the total of earnings for these account amounted to a Rate of Return of 4.8%.

3. In order to pay the maximum allowable Lodge Dues of 5% we withdrew $4266.27 from the Reserve Account.

4. Fortunately, the Stock Market has made back the money lost in the December correction and we have increased the value of our investments $328,000 over December 31, 2018 year end.

Each year brings different challenges to the financial markets. In order to protect the Perpetual Membership Fund principal and to earn a return that will allow the payment of the Blue Lodge payment plus increase the Reserve Fund requires diligent contact with the Broker and the ability to adjust to changing market conditions swiftly.

The Perpetual Membership Fund is on track to earn, in 2019, a return that will allow a maximum payout to the Blue Lodges and increase the Reserve Account.

John F. Knox, Jr.  
Chairman, Perpetual Membership Committee
REPORT OF THE GRAND LODGE CEMETERY COMMITTEE

To the Most Worshipful Grand Master, Officers and members of the Grand Lodge of Louisiana.

The Grand Lodge Cemetery Committee thanks the Grand Lodge for allowing us to serve on this Committee and submits this report for the period of 1 June 2018 thru 4 April 2019. There were nine (9) burials during this period and the following has been accomplished; we have purchased new Computer equipment, a more user-friendly program, giving us a state-of-the-art program that will carry us through the next five or so years. Also, we have embarked on a cleanup program whereby all walk isles have been pressure washed along with the pressure washing of all tombs and copings. We’ve had extensive repairs (tombs, copings, etc.) to deteriorating circumstances due to age and weather conditions.

With the assistance of the Parks & Parkway commission (of New Orleans) all overhanging trees have been cut and trimmed, eliminating future damage to grave sites. Also, with the help of Entergy New Orleans, we’ve added exterior lighting to illuminate the Cemetery, thus relieving the homeless from using the Cemetery as their littering place. Through the efforts of the Committee, we’ve arranged with NOPD to provide a safer atmosphere for people visiting their grave sites. All work accomplished is the result of Perpetual Care contracts and Maintenance Care agreements and proudly at no request from the Committee to Grand Lodge for financial assistance. The Masonic Cemetery continues to be a show case in the community and attracts many visitors.

We are still planning to paint the exterior fence and other projects in the future.

FINANCIAL OVERSIGHT COMMITTEE REPORT

Your Financial Oversight Committee met on June 29, 2018 to review the investment policies and procedures for handling finances of the eight (8) boards of the Grand Lodge that manage funds. Four (4) boards responded to our request for records showing their policies, procedures, and actions to actively and intentionally attend their fiduciary responsibilities. These boards all provided evidence that they were actively managing their funds. Policies and practices are in place to insure the investments accounts are actively managed with written goals and objectives that support these boards.

Four (4) boards did not offer any evidence for the Financial Oversight Committee to review. These Boards will be given a second request for information from this committee to be reviewed in 2019. This committee serves as oversight to make recommendations to the various boards and committees handling the various funds of the Grand Lodge. Without the cooperation of each board, we cannot assure the members of the Grand Lodge that their money is safe and/or working to provide income to support the functions of these boards.

Thank you for this opportunity to serve the Grand Lodge. We hope that our service provides guidance and standards for our boards and their leaders.

I want to start with saying thank you for allowing me to serve as Chairman of the PCOW. It is a great honor. I have had tremendous support from the Grand Master, Grand Secretary, Grand Line and the other members of the PCOW.

The Grand Master has been there so many times to do everything he could to help us in our job and give us his support. We thank you, Most Worshipful Sir.

The Grand Secretary, I can’t say enough about his help and advice to assure the PCOW had everything we ever needed to improve our ability to perform our jobs. He has always made himself available no matter what the need be. Thank you, Most Worshipful Sir.

Again the Office Staff has always been very proficient in everything they work on for us. Ladies, I can’t tell you what it means to have you there for us.

One of the PCOW’s main goals is to bring unified work throughout the state, with the South, North, East and West performing the work in the same manner. This is becoming reality.

The DGLs are doing an awesome job and continue to go into the Lodges and teach the work in a uniform manner throughout the state. There are numerous study classes and most of them are taught by the DGLs who are always eager to help when needed.

This year the PCOW has been working to improve the Masonic Monitor and has accomplished a new Monitor that is more accurate and easier to read and understand. The new Masonic Monitors are available for purchase through the Service Committee.

The levels of proficiency have grown throughout the state. From July 1st, 2018 through March 31st, 2019, we have 41 new Level 1 proficiency card holders, 6 new Level 2 card holders and 10 new Level 3’s were issued. We are very proud of this progress and each Brother who worked hard to obtain these levels of proficiency.

This year we tried a new approach, which was very successful, to obtaining a Level 1 proficiency card. For one day only, a Level 1 Proficiency Meeting was held in Monroe, Louisiana and 11 Brothers participated and all obtained a new Level 1 card. This is a great program that we hope to continue throughout the entire State.

The PCOW will continue to have an open door policy at our PCOW and DGL meetings and hope that you visit during the year. I know you will thoroughly enjoy the meeting.

Serving as Chairman of the PCOW has been a great honor, and I can’t say thank you enough to the PCOW members.

May God Bless our Fraternity.

W: Brother William “Bill” Frasier
Chairman, PCOW

To our Most Worshipful Grand Master, Martin J. Reinschmidt, Grand Lodge officers, and the Grand Lodge of the State of Louisiana, F&AM:

Your 2018-2019 Youth Committee wishes to thank this Grand Master for the continued support to Louisiana Masonic Youth financially and from individuals who volunteer to assist this worthwhile organization for young people which is an important part of our Louisiana Masonic Family.

The Order of DeMolay, named after the last Grand Master of Knights Templar, Jacques deMolay, is a fraternal organization for young men and was formed in Kansas City, Missouri, in March 1919 by Frank Sherman Land. Over the last 100 years, the Order of DeMolay has been the largest fraternal organization for young men with over three million members. The Order of DeMolay has a branch for young men between the ages of 9-11 call the Manor of Squires. In Louisiana, we have the Lee Edward Thomas Squire Manor that prepares these young men for DeMolay. The age for membership in DeMolay is 12-21 and upon reaching age 21, a young man becomes a Senior Member and no longer votes or holds office in local organizations called Chapters; however, many become Advisors and Masons and, eventually, Knights in the Order of the Temple. Headquarters for DeMolay is Kansas City and it is a world-wide organization with members in North and South America, Japan, the Philippines, Australia and in Europe.
**MASONIC YOUTH COMMITTEE REPORT**

Louisiana Rainbow Girls have now instituted their sixth (6th) active assembly, Yvonne #89 March 2019. Our very strong five (5) assemblies (Slidell, Lake Area, Metairie, Temple (Shreveport/Bossier City) and Diamond (Baton Rouge Area) continue with new membership and working on their individual service and charitable projects. On the state level, the girls are raising funds for Pajama program, where they are collecting new pajamas and books as well as monetary donations for children at homeless shelters and Grand Charity has sold pink T-shirts for the Cancer Fund. Each assembly is collecting shoes for 3rd world countries and this will benefit the Supreme Temple. Heather White, Grand Worthy Advisor, is leading the state with all of us reading the Harry Potter books and she has incorporated the lessons of friendship and strength from each of these books. She is leading the state in a membership program entitled 9 ¾ representing the platform that the students of Hogwarts catch the train and selling her GWA pins for the Scholarship program. The state hosted a Spring Dinner/Silent Auction in March in the Pineville area. Each assembly sold tickets for a raffle and the dinner and everyone bid on baskets and items that each assembly donated. Classes on Youth Protection, building leadership and self-esteem were held at Rainbow University and at Grand Assembly.

Many things have taken place over the last year. The Order of DeMolay in Louisiana has had a new Adult Leader appointed. First, we would like to thank WB, A. Nick Auck, PM, for all the hard work he has done and continues to do for Louisiana DeMolay. He was succeeded by WB, Wilson Cook, PM. Bro. Cook is currently serving Louisiana DeMolay as the Personal Representative of the Grand Master of DeMolay. Any Master Mason, parent or adult guardian of a DeMolay who qualifies and participates in an Adult Training Program for Advisors and Volunteers can be associated with DeMolay Chapters and assist with the young men’s events and activities. The Order of DeMolay is always looking for young men to become members and always looking for qualified Adults to serve as Advisors and Volunteers. Contacting “Dad” Cook can assist in joining with the Order of DeMolay.

**INFORMATION TECHNOLOGY COMMITTEE**

To the Most Worshipful Grand Master, Grand Officers, and Brethren assembled:

It is with great pleasure that I submit the following report of the Information Technology Committee:

The Committee continues to oversee and evolve our Grand Lodge website, www.la-mason.com. This site is always evolving and we have several updates planned in the near future to provide additional information for the general public.

We continue to expand the Secretaries online reporting functions through the use of our database management program, Grandview. The range of services that Grandview provides is ever expanding and access can be had by any member. Please take advantage of this wonderful tool and view your info. If it is not up to date, please update it. Also, please upload a picture of yourself so the ladies in the office will know what you look like when they are talking to you on the phone!

Your committee is working on producing high quality video for our upcoming Grand Lodge session. We also hope to have the ability to live stream the open portion of our session.

As always we are looking for new and additional ways that our website and database can be of service to the constituent Lodges. If you have a suggestion for additional functions that we may provide, please feel free to contact us with that suggestion.

It has been my pleasure to serve as Committee Chairman this year and on behalf of the entire Committee I thank the Grand Master for allowing us to serve this Grand Lodge.

If I, or any member of the Committee, can be of service to you please feel free to contact us.

Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

The purpose of this Board of Trustees/Directors is to establish, maintain and operate a Masonic Library/Museum facility which will maintain and preserve books, documents, portraits, art, relics, and other items of Masonic interest which have accumulated over the more than 200 years of Masonic History in the State of Louisiana.

We are a 501(c)(3) charity and as such, all donations are tax deductible. We receive income from donations and the Louisiana Masonic License Plate Program. Funding has also been provided by the Grand Lodge of the State of Louisiana F. & A.M. through the Board of Budget and Control and the Board of Trustees for Masonic Charities. The Charities Board has been very generous in support of the Library/Museum and could only provide this funding because of the 501 (c)(3) charitable status of the Library/Museum Foundation.

As indicated previously, the Past Proceedings of The Grand Lodge of Louisiana, F. &A.M., from 1852 to present, have been digitized and are available in digital format. They can be obtained through the Service Committee on a CD or can be found at this site http://gl-library.presencebuilders.com/ under the dropdown “Resources” then “Past Proceedings”. A portion of the Past Proceedings of The Grand Lodge from 1812 to 1852 have also been digitized, however, several years of records during this period are missing.

We are still in the process of restoring pictures of the Past Grand Masters and the digitization process for them as well as the digitization of the membership data.

We are currently receiving donations of: Lodge records, artifacts, personal Masonic books and items, and other Masonic memorabilia.

As previously discussed in last year’s report, our Museum Director, Right Worshipful Charles R. Smith made application to the Museum Assessment Program, sponsored by the American Alliance of Museums, headquartered in Arlington, Virginia, and we were fortunate enough to be accepted into the program and had our on-site assessment take place on February 15 and 16, 2017, conducted by Dr. Donald Zuris. He is the Curator Emeritus of the Corpus Christi Museum of Science and History located in Corpus Christi, Texas. He was able to meet with several members of our Board, along with Most Worshipful Brother Woody Bilyeu and Mary Farmer. We received his Assessment Report on April 3, 2017, which consisted of 40 pages and consisted of 8 areas that he had recommendations concerning as follows:

1. Write, and approve by the Board of Trustees, the remaining Core Documents required for consideration for accreditation.

2. Hire a professionally trained Curator of Collections to assess the state of the collections in terms of documentation, Deeds of Gifts, assessing, cataloguing, and creating a collections data base. The salary should be competitive with benefits.

3. Write job descriptions for all employees, and create a personnel policy manual for all employees.

4. Take advantage of the benefits of membership in professional museum associations, and join national, regional, and state museum associations.

5. Properly care for the artifacts, archival materials, and works of art that are on exhibit as well as those not currently on exhibit.

6. Meet with officials of the Rapides Public Schools to develop middle school field trips based on the curriculum on your website.

7. Expand the Library/Museum within the existing building or design and construct a new building on The Grand Lodge’s existing land. The new library/museum should be state of the art with separate collections storage, exhibit spaces, work spaces, and offices.

8. Being planning now to meet the goals and recommendations contained in this Organizational Assessment. The goals articulated by the Masonic Library/Museum Foundation of Louisiana, Inc. can be achieved, but the process will require an assessment and prioritization of the physical, financial, and human resources necessary.
The Library/Museum Board assessed the report and had a Board Meeting on January 20, 2018 at the Grand Lodge headquarters in Alexandria, Louisiana. Present at that meeting were Most Worshipful Guy Jenkins, Grand Master, Right Worshipful Martin Reinschmidt, Deputy Grand Master, Right Worshipful Steve Pence, Grand Senior Warden, Right Worshipful James Steen, Grand Junior Warden, Brother Richard Black, Mrs. Mary Farmer, Right Worshipful Charles Smith, Librarian and Grand Treasurer, Most Worshipful Brother Woody Bilyeu, Grand Secretary, Brother Jim Gotte and elected members of the Board, namely Jim Hill, Mitch Reynolds, Quincy Gotte and Mike Carpenter. Absent was Wayne Ezelle, whose absence was excused.

The Board continues to work on the eight (8) areas listed. The next Board Meeting will be June 8, 2019.

The Board is still in the process of developing an Investment Policy and meeting with Morgan Stanley. The Investment Policy will mirror the same conservative stance as applied to The Grand Lodge Perpetual Fund.

The Board joined the Museum Assessment Program.

The Masonic Library Museum Foundation of Louisiana, Inc. received donations and memorials for the period October 1, 2017 through September 30, 2018 in the amount of $665.00.

The total amount invested in the Masonic Library Museum Foundation of Louisiana, Inc. with Morgan Stanley as of September 30, 2018 is $180,863.43.

We humbly thank; the Grand Lodge of Louisiana, the Board of Trustees for Masonic Charities, the Constituent Lodges, and the Brethren who have been so supportive of this most worthy project, not only with their words, but with their contributions and donations.

We find that there are 233 Lodges that have paid dues, fees and assessments to the Grand Lodge.

We find that there are 227 Lodges represented at this Grand Lodge, with 5 Lodges absent. There are 647 Lodge Officers and 67 Grand Lodge Officers registered.

We express our sincerest thanks to the Grand Secretary, M:W: Woody D. Bilyeu, P.G.M., and the Office staff of Ms. Kim Bordelon, Ms. Mary Farmer, Mrs. Michelle Dempsey and Miss Madelyn Bolton for their invaluable assistance in compiling the necessary records by which we were able to do our job properly and accurately, for without their competent assistance our task would have been impossible to surmount.

Most Worshipful Sirs, Grand East, Right Worshipful Brothers, Worshipful Brothers, my Brothers all and our guests, good morning and welcome to Alexandria, Louisiana to the 208th annual Grand Communication of the Grand Lodge of the State of Louisiana, Free and Accepted Masons. I wish to thank each of you who has taken time out of your busy schedule to be here with us today and hopefully tomorrow as well, as we tend to the necessary business of our Grand Jurisdiction.

My address is printed in the Advance Report and I will not read it in it’s entirety, but like to hit on the high points.

To quote a line from Psalm 133, “Behold how good and how pleasant it is for Brethren to dwell together in unity”, and it is my great hope that we have all assembled here today in a great sense of unity, and that peace and harmony will prevail throughout our entire time together today as well as tomorrow.

First and above all others, I must thank Almighty God for giving me this opportunity to serve as your Grand Master and for his guidance over the last year to help me make the decisions that needed to be made and to assist me in making them fairly and justly, and for keeping me safe in all of my travels across this great state of ours and to our sister jurisdictions.

And of course, there is no way that I can ever express my thanks enough to the love of my life, my wife Janet, who has been by my side on each and every step of this journey.

While she may have not been physically with me, she was with me in spirit and she has spent so many nights at home alone while I was traveling around the state to do the job that I loved. Janet, thank you, and get ready, because now you must get used to eating dinner with me at home almost every night. I love you very much.

I would like to especially thank all our Brothers from our sister Grand Jurisdictions who are here today, as I know many of you have traveled many hours to be with us and we hope that your stay with us is a very pleasurable one. If there is anything, we can do to make your stay with us more enjoyable, please do not hesitate to let our Grand Secretary, M: W: Brother Bilyeu know, and I am sure he will see that it is taken care of, he always does.

It is hard to believe that is has been 364 days since I last stood on this stage and was installed as your Grand Master. Many of those days and nights have been spent on the road traveling to many different cities, towns and communities to visit with you the members of the lodges that make up the Grand Lodge of Louisiana. The one thing that I will take with me is the memory of knowing that when I walked in to a lodge for the first time, the brothers who were there made me feel welcomed, and I felt that they were truly glad that I was there. One brother in one lodge threw down a challenge to me, by saying that it had been many years since a sitting Grand Master visited their lodge. Oh he said, “we have had Grand Lodge Officers visit, but not a sitting Grand Master”. So, I accepted the challenge, and along with some other Grand Lodge Officers we visited the lodge and had a great time with the brothers.

To my Elected Grand Officers, I wish to say thank you for the way that you have supported me during this past year. I thank you for the many hours you took out of your daily life to be away from home and to travel with me or to represent the Grand Lodge in your official capacity in your visits around the state.

I must however take a moment of personal privilege to thank our Grand Secretary, M: W: Woody D. Bilyeu, PGM. Over the past year, WDB, as he signs his emails to me, and there have been many of those, has been there whenever I called. He and his lovely wife Mary have allowed Janet and I to stay at their home in Winnfield, Louisiana on numerous occasions and have treated us just like part of their family.
OF THE STATE OF LOUISIANA

GRAND MASTERS WELCOME ADDRESS

Mary and Woody, you both will always have a special place in our hearts, and Janet and I are proud to call you our friends. Thank you so very much.

Just to tell you a little secret about Brother Bilyeu: If you have not been by the Grand Master’s Office- I have a lot of Alabama stuff in my office and he says that it wrecks his “mojo”. But I have had something in my house since the first of the year and I want to give it to him now, because it has been wrecking my “mojo”. So, Brother Bilyeu if you could stand here for a minute, here’s a sign that will proclaim this office as LSU man cave, man controls all remotes when the Tigers play, purple and gold worn at all times and whatever happens in the cave stays in the cave.

I do not know how to express my unending thanks and appreciation to the ladies that work in the Grand Lodge Office. Dianne Bordelon, Kim Bordelon, Michelle Dempsey, and Mary Farmer. My brothers you just do not know what an asset it is to have these four ladies there in the office to help you when you call. My brothers please join me in giving these great ladies a well-deserved round of applause.

To all of my appointed officers, especially the group that has been called my “Dairy Queen® Scouts”, thank you for your support this past year and for being at the numerous lodges and district meetings in your areas when I was there to visit. Your support was very important to me, and I just wanted to let you know that while I may not have thanked you then, I wish to thank each of you publicly right now for your support.

Sadly, I must report to you that during my term, we laid to rest three of our Past Grand Masters. M: W: Harold G. Ballard, Grand Master in 2005, M: W: Neil R. Crain, Grand Master in 2004; and M: W: William J. “Bill” Mollere, Grand Master in 2015. These three brothers were well respected in our fraternity for not only their leadership, but for their personalities. While I knew both M: W: Brothers Ballard and Crain from their times as Grand Master, I knew M: W: Brother Mollere a little better from working so closely with him in Grand Lodge and in some of the other appendant bodies.

I was very lucky and honored to have him install me as Grand Master, but the one thing that I could not get use to was having him call me “Grand Master”. It just did not sound right coming from Bill, a man and a brother that I placed on a pedestal a little higher than some of my other Masonic Mentors. Our fraternity suffered a great loss with the passing of these three Past Grand Masters. They will be remembered tomorrow morning at our Necrology Service which will be conducted by Brother Stuart Averitt.

I would like to publicly acknowledge our Grand Attorneys at this time, M: W: Lloyd Hennigan, M: W: Clayton J. “Chip” Borrie, W: Brother Travis Holley, W: Brother J. Keith Gates, and W: Brother E. Orum Young. And while he was not an official member of the committee, I must also thank Brother H. Barlow Holley for his many hours of research and the many great papers that he wrote to assist the Grand Attorneys.

Today as I stand before you, I feel that our fraternity is returning to what it once was. I feel that our brothers are taking pride in their membership and that they are doing what is right and just, and are teaching our new brothers the correct way to do the things that need to be done in our lodges.

Are we 100 percent back? No we are not. As I have said on numerous occasions, we did not get into the shape we are in over night and we will not return to greatness overnight either.

My brothers, the District Grand Lecturers and the members of the Permanent Committee on Work are there to assist you. Put them to work, call on them to help you learn the ritual work and I have no doubt that they will do their very best to answer your request for assistance.
PROCEEDINGS OF THE GRAND LODGE

GRAND MASTERS WELCOME ADDRESS

To the District Deputy Grand Masters, thank you for all of your nights away from home visiting lodges, sharing the happenings of the Grand Lodge and getting my messages out to those lodges I could not get to. I want you to know that your hard work did not go unnoticed by me, and the rest of the Grand Line.

Our Masonic Learning Center for Dyslexia Training Program is doing well, and we are continuing to see classes graduate and have new classes starting up around the state. I want to extend a big thank you to Sharon McCaskill and all of you that have worked so hard to make this program a success.

To all the committees that watch over all our investments, thank you for your unending monitoring of our investment accounts and ensuring that our investment managers do the right things to make sure that our funds continue to grow. I wish to thank members of all committees, appointed and elected, for the job you did this past year, and thank you for your service to the Grand Lodge of Louisiana and our Fraternity.

And thanks to all of you, the members of this great fraternity of ours for allowing me to serve in what I can only describe as the greatest opportunity afforded any Master Mason.

Not once in my wildest dreams, could I have ever imagined that one day I would serve as the Grand Master of Masons in the State of Louisiana. It has been a great experience, one that I will never forget. But more importantly I hope I did the job that you expected of me, and that you are pleased with the actions that I took. Remember this, whatever actions I did take, I did not take them on a personal level, but I did them to protect the integrity of the Office of Grand Master and the integrity of the Grand Lodge of Louisiana.

We have much work to get done today, and I ask that you pay close attention to what will be presented.

The one thing that I would ask of you is that when we go back to labor, I would like the voting delegates to sit in the front of the district sections, and the non-voting delegates to sit behind them.

Many of you have heard me quote the following from the poet, Maya Angelou during my visits to your lodges:

“I have learned that I have much to learn,

I have learned that people will forget what you said,

people will forget what you did,

but people will not forget how you made them feel”

Thank you so very much for allowing me to serve as your Grand Master and may the Grand Architect of the Universe watch over us and guide us as we get down to the work that has been laid upon the Trestleboard before us.

May Peace and Harmony prevail!

Fraternally and Respectfully,

M: W: Martin J Reinschmidt

~GRAND MASTERS WELCOME ADDRESS~

(Closed Meeting)

My Brothers, the following is an addendum to my Grand Master’s Address and the state of the Fraternity. It will address the numerous lawsuits that your Grand Lodge and Grand Lodge Officers have been involved with during the last year. In a show of respect for the judicial process, when the lawsuits were written about on social media and on our own “Louisiana Brethren” app, I did not respond to the postings. I now feel that I must bring you up to date on where we, your Grand Lodge, presently stand in this ugly proceeding. The following is submitted to you for consideration.

Lawsuits

Just prior to our Grand Lodge Session in 2018, over which M: W: Guy A Jenkins presided, a lawsuit was filed in the 24th District Judicial Court Division H in Gretna, Louisiana, which is located directly across the Mississippi River from New Orleans, LA. This suit attempted to have ruled invalid the authority of the Grand Master to suspend Master Masons for actions taken against the Grand Master or for open resistance to the Grand Lodge of Louisiana, F & A M, and also to have the named plaintiffs reinstated and allowed to attend the Grand Lodge Session scheduled for June 30th and July 1st of 2018. The lawsuit was titled “MEMBERS OF THE GRAND LODGE OF THE STATE OF LOUISIANA versus THE ELECTED BOARD OF DIRECTORS OF THE GRAND LODGE OF LOUISIANA”.

The plaintiffs received judgment from Judge Glenn B Ansardi in their favor. However, we immediately filed a request for a Suspensive Appeal to Judge Ansardi which he granted, and we paid the required bond. However due to additional actions by the plaintiffs’ attorney we had to file for an emergency Writ to the Fifth Circuit Court of Appeal for the State of Louisiana, also located in Gretna, LA. Our Writ was granted on Friday June 29th, and the plaintiffs were not allowed to attend the Grand Lodge Session last year. We also filed an appeal from Judge Ansardi’s ruling, and that appeal was heard by the Fifth Circuit Court of Appeals on January 9, 2019. On February 6, 2019 the Appeals Court rendered a decision in our favor, confirming that the lawsuit from the plaintiffs was premature. In short, the Court held that masons who wish to sue the Grand Lodge must first exhaust their remedies in the Grand Lodge before filing suit. As the plaintiffs did not wait for our Grand Lodge process to be completed, their suit was premature and was dismissed by the Court of Appeal.

Almost immediately after my installation as Grand Master in July of 2018, two of our brothers who were named plaintiffs in the previous case were joined by two more brothers, who were either expelled or suspended at the 2018 Grand Lodge Session, and by another one against whom no action was ever taken and filed yet another lawsuit in the 24th Judicial Court of Louisiana, located in Gretna, LA., in an attempt to have their expulsions or suspension declared null and void.

The discipline that was issued to these 4 brothers were for the actions they took against M: W: Brother Jenkins as Grand Master and the Grand Lodge of Louisiana, F & A M and those actions fell completely under Article IV and not Article VII as they tried to convince the Court.

Because of this and other lawsuits that were filed either in 2017 or 2018, I authorized our Grand Attorneys to prepare a comprehensive revision of our disciplinary procedures, and when revisions were made I issued Edict 2018-3 enacting the new Masonic Disciplinary Code, which if Resolution 2019-11 passes, will make the new Masonic Disciplinary Code law and remove Article IV and replace Article VII of the Handbook of Masonic Law.

My reason behind this edict is, your Grand Lodge Officers and Grand Attorneys have spent many hours preparing for, and in court defending actions that were taken in the past two years in accordance with Article IV. It should be noted here that if Resolution 2019-11 passes this will be the first large revision of sections of the Handbook of Masonic Law to update the entire book.
PROCEEDINGS OF THE GRAND LODGE

ADDENDUM TO:
GRAND MASTERS WELCOME ADDRESS
(Closed Meeting)

Thankfully due to the hard work of our Grand Attorneys along with Ms. Karen Dicke, our attorney supplied by our insurance company, and the wisdom of the Judges of the Fifth Circuit Court of Appeals of the State of Louisiana, The Grand Lodge of Louisiana F & A M prevailed, and we are now able to meet here today as normal, and unencumbered by the added cost of having to hold a special session in Jefferson Parish to hear resolutions that were ruled out of order and in some cases voted by you not to be received at the 2018 Grand Session and to hold an election of officers.

Since it is a matter of public record, allow me to inform you of what exactly the plaintiffs requested:

1) Reinstatement to full membership
2) Defendants (The Grand Lodge) would be enjoined from expelling or suspending the plaintiffs ever again
3) Full and unrestricted access to the next Grand Lodge Members Meeting
4) Reports by the Appeals and Grievances Committee from 2018 be quashed
5) Consideration of all resolutions in their entirety by the representatives of the membership, whether the delegates wished to consider them or not.
6) Defendants be enjoined from restricting consideration of resolutions submitted for a meeting
7) That a special meeting of the Grand Lodge with elections be held in Jefferson Parish within ninety (90) days of the filing of the petition
8) That the defendants, The Grand Lodge of Louisiana F & A M, bear all cost of the proceedings, and
9) All improperly rejected resolutions be submitted at the special Jefferson Parish Grand Lodge meeting.

Once the Judge in the case, Judge Danyelle Taylor, made her ruling in favor of the plaintiffs, she basically gave them everything they requested, our attorney requested a suspensive appeal which was promptly denied by Judge Taylor. We then took our request for a Suspensive Appeal to the 5th Circuit Court of Appeal, and it was granted on March 13, 2019.

To show you how desperate the plaintiffs were, when I did not reinstate them immediately after they had prevailed in their suit, they entered a motion to have me held in contempt of court and requested to have me, incarcerated. Yes, my brothers, these gentlemen, wanted to have me arrested and placed in jail until I reinstated them. And, just so you will know the reasons they were not immediately reinstated was we had 30 days in which to appeal the decision or to ask for a new trial.

Based on those facts alone and not on any personal feelings I had in the case, I made the decision not to reinstate them until all our legal remedies were exhausted, unlike the plaintiffs who did not follow the prescribed masonic trial process as laid out in the Handbook of Masonic Law.

Also, to show how the plaintiffs were doing everything they could to get the upper hand in the case, when we filed an emergency writ of appeal on the subject of venue, the plaintiffs offered to continue the case for Contempt of Court, because our request for an Emergency Writ on the Matter of Venue could have forced the 5th Circuit Court of Appeal to render a decision on the matter of venue based on our Emergency Request.

It should be noted here that we made numerous offers to settle this case throughout the process, each one was either completely rejected or countered with an offer that was not acceptable. It is my opinion and only my opinion, that these men have adopted the attitude of “We Win Everything or We Destroy Grand Lodge”.
OF THE STATE OF LOUISIANA

ADDENDUM TO:
GRAND MASTERS WELCOME ADDRESS.
(Closed Meeting)

My brothers, this year long fight has cost your Grand Lodge Attorneys hundreds of hours of preparation, for which they did not receive any compensation, and numerous nights away from home and hotel stays.

It also cost you, yes this cost you as members of the Grand Lodge, tens of thousands of dollars in legal cost. Yes, we have insurance against such actions, but we do have out of pocket cost as well as a deductible that we are responsible for. I would be completely within my rights as Grand Master to divide the total cost by the number of lodges and assess each lodge that amount to cover this cost, but I am not going to do that.

Now my brothers you know the Grand Lodge’s side of the story, but for the entire year many of you have been hearing and some of you spreading only the other side of the story, about how the “big bad Grand Lodge was picking on some of its poor little white apron masons”. At some of the past Grand Lodge sessions, some of the gentlemen that were involved in these and other lawsuits and some members who are active behind the scene acting as silent advisors, and are sitting amongst us today, have attempted to disrupt the good work that is accomplished at our Grand Sessions.

But my brothers, Masonic Justice has prevailed, and to put it very bluntly, “We are still here laboring for our fraternity, and those who wish to disrupt our labors are not”.

Fraternally
M: W: Martin J Reinschmidt

R: W: Deputy Grand Master, I move that this addendum be accepted and added to the proceedings of this Grand Session.

Proposed for acception and approved unanimously by the Brethren in attendance, therefore it is recorded.

CASE 2019-1, Amite City Lodge #175 vs.
Jerry Donald Summerford, Jr.

CHARGES: On September 21, 2016, the Grand Master Will Gray, indefinitely suspended Jerry Donald Summerford, Jr., a member of Amite City Lodge # 175, from all Bodies of Freemasonry including appendant Bodies for Unmasonic Conduct, in particular the misappropriation and defrauding his Lodge by converting Lodge funds to his wife's personal banking accounts. The Case was continued from the 2017 & 2018 Docket to the 2019 Docket. Jerry Donald Summerford, Jr., was to remain suspended pending disposition of the case. No notice of a Secret Committee or Trial was ever received by your A& G Committee. A recent notice from the Worshipful Master of the Lodge requests that the charges be withdrawn as they were deemed to be based on hearsay and were frivolous.

RULING: Your Committee finds that there continues to be no evidence in the file that a Secret Committee was ever appointed by Amite City Lodge. The Notice of a request for a withdrawal of the Charges appears to indicate that a committee was, in fact, appointed and their findings were reported to the Worshipful Master and his decision was that the Charges were to be Withdrawn. This case has been withdrawn from 2019 Docket.

Your Committee has received notice that additional charges have been filed against Bro. Summerford by Amite Cite Lodge # 175 and will be reported on this Docket as Case 2019 -18.

Subsequent to charges being filed additional facts were submitted and reviewed by your Appeals and Grievances Committee resulting in the Case being remanded back Lodge for further investigation, during which time Bro. Trent Michael Calais was not suspended.

Upon further investigation by the Lodge’s Secret Committee as reported to the District Deputy Grand Master and the Worshipful Master, it was found that the dates for the charges against the Brother were incorrect which substantiated the fact that Bro. Callais did in fact make the proper disclosures on his petition and it was the decision of the Secret Committee that the facts as initially reported were inaccurate and that the case be dismissed.

RULING: Your Committee after reviewing the additional evidence, finds that Bayou Fellowship Lodge did follow proper procedures in the case of Bro. Callais in reversing the original decision of this Grand Lodge and concurs with the Worshipful Master of the Lodge that the case be dismissed. The Case has been withdrawn from the 2019 Docket.

RULING: Your Appeals & Grievance Committee reviewed the facts of the case and heard additional testimony relative to reinstatement and considered the unanimous vote from his Lodge to reinstate, voted unanimously to approve the Petition for Reinstatement of James Arthur Goode Jr. and his Reinstatement in Freemasonry.
PETITION: Lawsuit (Damages) This Petition is a Request by Eric C. Hahn for a Reduction in Sentence from Expulsion to that of Reprimand. Dr. Hahn’s Expulsion was the result of Facts Set Out in a Lawsuit Filed by Dr. Hahn and others involving the Corporation Styled New Orleans Craft Temple Inc., New Orleans Craft Temple Foundation Inc. Eric Hahn, Frank N. duTreil Jr., Jason Bruizk et als vs Grand Lodge of Free & Accepted Masons of the State of Louisiana. Docket # 709-749, Div. “J”. 24th Judicial District Court, Parish of Jefferson. The Petition is based on statements that all of the Offended Parties and Lodges have been repaid and the Lawsuit has been Dismissed with Prejudice, on July 27, 2015. Dr. Hahn had previously received a “Mason at Large Status” however, was unable to successfully petition certain lodges in the New Orleans and Baton Rouge Area for membership.

FACTS: The Expulsion of Eric Hahn in 2014 emanates from Alleged Transactions to obtain Money from Various Lodges and Brothers in order to Complete Financing for the Corporation. New Orleans Craft Temple, Inc. which was the Owner of the New Orleans Craft Temple Lodge Hall and Library on Clearview Parkway in Metairie, LA. These Solicitation and Diversion transactions were perfected despite Articles of Incorporation that initially provided that no Masonic Lodge or Related Appendant Bodies could have Ownership in the New Orleans Craft Temple. Despite the Prohibition, Eric C. Hahn, on numerous occasions received moneys for the corporation from brothers and Lodges for ownership positions. Further, Eric C. Hahn accepted $65,000 paid by Level Lodge for Ownership in New Orleans Craft Temple with the Level Lodge being paid a $6,000.00 fee for handling the money. Further, a Substantial Bequest was left to Level Lodge which Eric G. Hahn diverted to the New Orleans Craft Temple placing the funds into a “Fictional Account” entitled “Friends of Jacque”, in order to continue the Corporation Financial Requirement of the Project. Eric C. Hahn was subsequently Expelled from Freemasonry. There was no Evidence, however, Eric Hahn ever converted any of the Funds to his Personal use. The mythology was merely in having the Project be Successful.

RULING: On or about May 21, 2019, Eric C. Hahn petitioned the Grand Lodge requesting a reduction in his 2016 Expulsion to that of a Reprimand and was advised that he needed to submit a formal request by letter to the Appeals and Grievance Committee explaining the Request. By correspondence, dated May 23, 2019, the Appeals and Grievance Committee was contacted by letter explaining his reason for his request. Because of the late date on which Dr. Hahn filed his Petition, the Case was not able to be adequately investigated, as to the repayment of all monies to the participants investors and to Vacate the judgement in Case 709-749, Division “J” 24th District Court of the Parish of Jefferson. A further report will be forthcoming.
Resolution 2018-35:
Author: William “Bill” Frasier, P.M.
Proposes to amend Gen. Reg. Art. 1 Sec. 2 to replace the Permanent Committee on Work with a Regional Grand Lecturers Committee, creating six Regional Grand Lecture Districts, each with a Regional Grand Lecturer (RGL), appointed by the Grand Master, who shall be a Past Master, hold a current Level Three Certificate of Proficiency, and shall hold the rank of Grand Steward. The six Regional Grand Lecturers, one of whom shall be designated Chairman by the Grand Master, shall comprise the Regional Grand Lecturer Committee.

It further proposes to create General Regulations, Art. II, Sec. 10 and 11, dealing with the Regional Grand Lecturer’s responsibility to supervise District Grand Lecturers and the esoteric work of the Constituent Lodges, opening and closing thereof, and reports required.

As this Resolution would amend the Constitution, Art. IV, Sec. 1, OFFICERS OF THE GRAND LODGE, as well as General Regulations, Art. 1, Sec. 2, 10 and 11, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, lay over to the next Annual Grand Communication, which it has, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS WITHDRAWN.

Resolution 2019-01:
Author James P. Smith, P.M.
Proposes that the prohibition against recruiting be abolished and that “recruiting qualified, morally upright individuals for membership in the Fraternity” be allowed.

Despite the author’s statement “this addresses a custom, not a law or edict”, this resolution would amend Gen. Reg. Art. IV c, which requires an affirmation by the Candidate that no “persuasion or influence has induced him to make the application”. It must be received by a majority vote, lay over from one session to the next, and be adopted by a favorable two-thirds vote of a quorum of delegates.

Your committee notes that the law, custom and practice attacked here of requiring a candidate to come to Masonry of his own free will and accord, without solicitation, has been adhered to virtually universally and definitely throughout the various jurisdictions in the United States, Canada and Mexico, and distinguishes our Fraternity from social clubs.

RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 14% FOR AND 86% AGAINST.

Resolution 2019-02:
Author Martin J. Reinschmidt, G.M.
Proposes to remove the requirement of a trial in those instances where a member in the jurisdiction is convicted of a felony crime and sentenced to a period of incarceration and actually confined to a penal institution, and provides that upon receipt of notice of such confinement, said member shall be expelled from all Masonic Memberships, Rights and Privileges, and have six months to file an appeal to the Committee on Appeals and Grievances on the issue(s) of Un-Masonic Conduct, in the absence of which this expulsion shall become permanent and his name stricken from the roll of his Lodge(s).

This resolution purports to amend the Digest of Edicts, MASONIC OFFENSES AND UN-MASONIC CONDUCT, page 95-96, Hand Book of Masonic Law, but in fact also would amend General Regulations, Art. VII, TRIALS, PUNISHMENT AND APPEALS, Sec. 1F (1), which currently provides for trial under these circumstances, it must be received by a favorable vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 47% FOR AND 53% AGAINST.
Resolution 2019-03:
Author: Martin J. Reinschmidt, G.M.
Proposes that filing or prosecuting a lawsuit in any Louisiana Court against the Grand Lodge of the State of Louisiana, F&AM., its Grand Officers, Grand Attorneys, its employees or any Constituent Lodge or its officers, by any Mason, before first exhausting all relief available to him under provisions of the Hand Book of Masonic Law, SHALL be deemed to have renounced Masonry and be immediately expelled from all Masonic Memberships, Rights and Privileges and his name permanently stricken from the roll of his Lodge(s).
Your committee notes passage of this resolution would effectively amend the provision of the proposed Louisiana Masonic District Code, Chapter II, Sec. 706(e). Also, as it deals with same subject matter as Resolution 2019-19, the said resolutions should be considered at one and the same time.
As the adoption of this Resolution would amend the General Regulations, Arts. IV and VII, and Digest of Edicts, Page 106, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 58% FOR AND 42% AGAINST.

Resolution 2019-04:
Author: Woody D. Bilyeu, P.G.M.
Proposes to increase per capita dues One Dollar ($1.00) per year during each of the next ten years, commencing in 2020, for each member borne on the rolls of the Lodge during the year, except those exempted by the Constitution, Art. VIII, Sec. I. The prior provision for annual increase expired last year in 2018.
As this resolution proposes to amend Digest of Edicts, DUES, FEES and ASSESSMENTS, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 60% FOR AND 40% AGAINST.

Resolution 2019-05:
Author: Lloyd E. Hennigan, Jr., P.G.M.
Proposes to amend General Regulations Art. IV, Sec. 10, paragraph 2 to add as a preface, the words “Except as otherwise provided in Section 13 hereof”, to assure the residential requirements for Louisiana Masons does not apply to a member of other Grand Jurisdictions retaining membership in his original Lodge, and applying for plural membership in a Louisiana Lodge in accordance with said Section 13.
As this resolution would amend General Regulations, Art. IV, Sec. 10, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS RECEIVED AND PASSED.
VOTE WAS 90% FOR AND 10% AGAINST.

Resolution 2019-06:
Author: Carey C. Allison, M.D., P.M.
Proposes to extend the requirement of a criminal background check to any member petitioning for reinstatement after being suspended for any reason for a period greater than one year.
Current law requires background checks on each candidate for degrees in Masonry, and for plural membership or affiliation, unless one was completed less than 1 year prior to the petition, but is silent relative to reinstatement.
Resolution 2019-06: (Cont)
As the resolution would amend Digest of Edicts, CRIMINAL BACKGROUND CHECK, page 79, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS RECEIVED AND PASSED.
VOTE WAS 86% FOR AND 14% AGAINST.

Resolution 2019-07:
Author: Carey C. Allison, M.D., P.M.
Proposes to amend the Model Form of By-Laws, Art. 9, ORDER OF BUSINESS, page 117, to change “shall” to “may” in Sec. 1, to comport with the provisions of Sec. 2 thereof.
As this would amend the Hand Book of Masonic Law, Model Form of By-Laws, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS RECEIVED AND PASSED.
VOTE WAS 87% FOR AND 13% AGAINST.

Resolution 2019-08:
Author: James E. Steen, G.S.W.
Proposes to fix the time and place for the Annual Grand Communication for the year 2021, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations Art., Sec. 1, or such other date set by the Grand Lodge in Annual Communications assembled, and that it be conducted in the city of Alexandria, Louisiana.
The proposed resolution is in compliance with and does not amend the Hand Book of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable majority vote of a quorum of delegates.
RESOLUTION WAS RECEIVED AND PASSED.
VOTE WAS 92% FOR AND 8% AGAINST.

Resolution 2019-09:
Author: Board of Directors to Manage Perpetual Membership
(John F. Knox, P.M., Chairman; Allan K. Bean, P.M., Vice-Chairman; J. H. “Chuck” Morgan, III., P.M., Secretary; Elmo J. Pitre, P.M.; John “Briggs” Becton, P.M.)
Proposes to Codify a portion of Edict 2018-1, PERPETUAL MEMBERSHIP, by amending paragraphs B and D, page 100, to provide for purchase of perpetual memberships for a minimum sum, calculated by the product of Lodge dues and Grand Lodge per capita at the time of application, multiplied by a factor based on the number of years a Master Mason, beginning at 50 and reduced annually to a minimum of 20, payable in a lump sum or five equal annual installments, in addition to regular Lodge dues.
All other provisions of the section entitled Perpetual Membership shall remain in full force and effect. This resolution is presented unanimously by the Board of Directors to manage Perpetual Membership.
As this resolution proposes to amend Digest of Edicts, PERPETUAL MEMBERSHIP, page 100, paragraphs B and D, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 62% FOR AND 38% AGAINST.
PROCEEDINGS OF THE GRAND LODGE

SYNOPSIS OF RESOLUTIONS CONSIDERED

Resolution 2019-10:
Author: M. Cash Melville, P.M.
Proposes to amend the law on fifty year member exemptions from dues, fees and assessments to limit the exemptions on those members who become fifty year members on or after January 1, 2020, and plural members who have attained that status after January 1, 2020, to have the exemption apply only to the member’s home lodge.

As the effect of this resolution would be to amend the Constitution, Article VIII, Section 1, page 10, as well as Digest of Edicts, Dues, Fees and Assessments, page 80-81, Hand Book of Masonic Law, it must be received by a favorable vote of a majority of a quorum, be published in the Proceedings, and lay over to the next Annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS RECEIVED, HELD OVER ONE YEAR AND PASSED.
VOTE WAS 71% FOR AND 29% AGAINST.

Resolution 2019-11:
Author: J. Keith Gates, P.M.
Proposes to Codify Edict 2018-3, activating the Louisiana Masonic Disciplinary Code, replacing Hand Book of Masonic Law, General Regulations, arts. IV and VII, effectively re-writing the entirety of Hand Book of Masonic Law provisions relating to complaints, charges, trials and appeals, creating six regional trial commissions, and providing rules and regulations in said code.

As this resolution would amend General Regulations, Arts. IV and VII, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 58% FOR AND 42% AGAINST.

Resolution 2019-12:
Author: Byron G. Montz, P.M.
Proposes to reduce the requirement of examination on the entire catechism of the E. A. Degree to “examination... on the entire catechism or at a minimum, to show his proficiency... to being received by the Sr. Deacon, the Obligation of the degree, demonstrate the step(s), grip(s) and communicate the word(s) of the degree that the candidate is being examined in.”

Your committee assumes the intention here is to reduce the requirements of examination in both the E. A. and F. C. Degree catechisms.

As this resolution would amend General Regulations Art. VI, Sec. 5, par. 3, pg. 23, “INITIATION, ADVANCEMENT and AFFILIATION”, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 17% FOR AND 83% AGAINST.

Resolution 2019-13:
Author: Byron G. Montz, P.M.
Proposes to change the current law to allow a Lodge to open and conduct business in any degree as it sees fit, except for conferring degrees and hearing catechisms. It superfluously provides that E. A. and F. C. Masons shall not have right to participate in proceedings, wear jewelry, serve on investigating committee or receive a dues card (none of which is now allowed).
Resolution 2019-13: (Cont)

We note that current law allows opening in inferior degrees for the purpose of hearing catechisms and conferring appropriate degrees.

As this resolution would amend Digest of Edicts, LODGE MEETINGS AND ACTIVITIES, page 89, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

Resolution Amended to change #6) to read “They shall not have the right to wear any Masonic jewelry or clothing, except for aprons in open Lodge, nor display on any of their vehicles a Masonic Emblem”.

RESOLUTION WAS RECEIVED, AMENDED AND FAILED.
VOTE TO RECEIVE AMENDMENT WAS 73% FOR AND 27% AGAINST.
VOTE FOR AMENDED RESOLUTION 41% FOR AND 59% AGAINST.

Resolution 2019-14:

Author: Woody D. Bilyeu, P.G.M.

Proposes that one Landmark be added to those recognized on February 14, 1989, to be No. 25 and read as follows:

“These Landmarks can never be changed”

As out Landmarks have the force of law, this resolution must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

Resolution Amended to read as follows: “These Landmarks can never be repudiated”.

RESOLUTION WAS RECEIVED, AMENDED AND PASSED.
VOTE TO RECEIVE AMENDMENT WAS 75% FOR AND 25% AGAINST.
VOTE FOR AMENDED RESOLUTION 70% FOR AND 30% AGAINST.

Resolution 2019-15:

Author: L. Chad Koelling, P.M.

Proposes that the Criminal Background provision currently in effect be standardized by requiring all Background Checks be obtained through the Grand Lodge of the State of Louisiana by the Secretary of the requesting Lodge.

As this resolution would amend Digest of Edicts, CRIMINAL BACKGROUND CHECK, pg. 79, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS RECEIVED AND FAILED.
VOTE WAS 60% FOR AND 40% AGAINST.

Resolution 2019-16:

Author: John C. Sharlow, P.M.

Proposes that all Grand Lodge proceedings be made available on the Grand Lodge website to all members in a printable format at no charge; that no copies be furnished without charge to anyone, and any printed copies of the Proceedings be sold for the “cost of printing, binding, and associated charges” by the Grand Lodge Service Committee.

As this resolution would amend Digest of Edicts, PRINTED PROCEEDINGS, pg. 101, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION WAS RECEIVED AND PASSED.
VOTE WAS 72% FOR AND 28% AGAINST.
Resolution 2019-17:
Author: Carey C. Allison, M.D., P.M.
Proposes the amendment of the MODEL FORM OF BY-LAWS provision relating to trials and punishments to delete the phrase “and this lodge hereby adopts the Lodge (optional: Commission) form of trial”, to make the language of Art. VIII, Sec. 1 thereof read as follows:
“Section 1. All trials and punishments shall be strictly in accordance with the requirements of the General Regulations and Edicts of the Grand Lodge.”
Your committee notes that this resolution contemplates passage of Resolution No. 2019 – 11, approving the new Disciplinary Code, which would make the language proposed to be stricken superfluous.
As this resolution would amend Hand Book of Masonic Law, FORMS, MODEL FORM OF BY-LAWS, pg. 112, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION RECEIVED AND WITHDRAWN WITH THE FAILURE OF 2019-11.

Resolution 2019-18:
Author: John L. Bumgardner, P.M.
Proposes to suspend the provisions relating to a candidate presenting himself for the E. A. degree within one year from the date of his election for a member of the Armed Forces of the U.S. while serving on active duty.
Although not artfully drawn, we presume the intent is to extend the suspension to include FC degree as well.
As this resolution would amend General Regulations Art. VI, Sec. 5, pg. 32 and 33, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
RESOLUTION WAS REJECTED (NOT RECEIVED).
VOTE TO REJECT WAS 58% FOR 42% AGAINST.

Resolution 2019-19:
Author: Wilson O. Cook, P.M.
Proposes that the filing of a lawsuit against the Grand Lodge or any officer thereof without first exhausting all available remedies provided in the Hand Book of Masonic Law shall have the effect of a renunciation of Masonry.
As this resolution would Amend Digest of Edicts, RENUNCIATION, and General Regulations Art. VII, Sec. 1(f), it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.
This resolution deals with the same subject matter as Resolution 2019-3, and should be considered at one and the same time.
RESOLUTION WAS WITHDRAWN.

Resolution 2019-20:
Author: Philip D. Andrus, P.M.
Proposes that the Widow’s Sons Louisiana Masonic Motorcycle Riding Association, chartered by the Grand Lodge of Arkansas, F & A. M., be recognized as a Masonic motorcycle riding group in Louisiana.
Your committee notes this resolution does not seek Lodge status, but recognition merely as a club or group. We currently have Louisiana Motorcycle Lodge No. 13 in District 19 in good standing in Louisiana. Also, this resolution makes no provision for rules and regulations to govern the activities of the group.
As this resolution would not amend the Hand Book of Masonic Law, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable majority vote of a quorum of delegates.
RESOLUTION WAS WITHDRAWN.

LIVING PAST GRAND MASTERS

Thank you for staying and attending this Installation. Thank you to my Installing Team, M: W: Ballard Lee (California Cool Breeze) Smith who did an outstanding job, M: W: Ed Durham who asked GOD’s blessings on this event, M: W: Bruce Easterly for guiding and introducing and conducting the officers, and to W: Bro R.B. Smith the Grand Ceremonial Conductor for keeping it going and on track. I want to pause and thank GOD for all of the blessings bestowed here today.

I want to express a most sincere thank you to my family. My Lady Becky, who has traveled with me for the last 3 ½ years, is my love. She is a planner and overseer. She also has formed a bond with many of the Past Grand Master’s ladies and the elected line’s ladies who support her. Becky, a reluctant participant in the beginning, has taken on her role with much enthusiasm. My daughter, Courtney McLaurin, my son Christopher and my two grandsons Chase and Cole – thank you all for being here this afternoon. I love you and I am very proud of you.

There are many remembered who are no longer here who encouraged, supported, trained as best possible, and pushed - great men who allowed me to walk beside them treating me as an equal, and at times lovingly chastised me on my remarks and included me in decisions and making me aware of true responsibility: Ray Burgess, Roy Delaney, T.J. Pittman, Harold Ballard, and especially Bill Mollere. As M: W: Brother Mollere once told me, “Great men and leaders of our fraternity recognized the talents in our young members and have included them in the ‘group’. I was fortunate to be one of those young Masons and in keeping with tradition, we are to include younger members so that one day they will lead. Why you? Why not you?”

I know that my parents are also here with me too – gone from this earthly realm, but in my heart every day pushing me to be the best possible. My mother was raised at the Masonic Children’s Home in St. Louis from the age of 7 until she turned 18. My father, Lloyd Pence, was raised in 1948 in a tiny lodge in Missouri. He served as secretary at St. James #47 in Baton Rouge for almost 30 years, and was the General Secretary of the Valley of Baton Rouge AASR SJ for over 20 years. Masonry’s tenants were taught and upheld in our family. Honesty, integrity, charity, fidelity, and personal responsibility were familiar words. My Brother and family friend, Ill. Ronnie Seale and his dear lady Sunny, congratulated me upon being elected as Grand Junior Warden in 2016. Ronnie said, “Your momma and dad would be so proud of you”. My reply was, “mom would be proud, dad would say that I have lost my mind and that he raised me better than this”. I am proud to have been their son and thank them for instilling the characteristics of a good man and Mason.

I want to thank M: W: Brothers Will Gray, Guy Jenkins and Martin Reinschmidt for their friendship, leadership and fellowship while I was progressing through the elected line. Each of these Grand Masters faced trials and tribulations, undeserved by any standard, yet conducted themselves with dignity and respect.

I especially want to acknowledge Past Grand Master S. Bruce Easterly for appointing me as District Deputy Grand Master in 2007, during his year in the Grand East. It was truly a great learning experience to be able to travel with you and the members of the Long Range Planning Committee. Thank you also for the continued friendship.

M: W: Brother Chip Borne approached me in 2006 to publish one issue of the Louisiana Freemason Magazine, after the untimely death of M: W: Ray Burgess the long time editor of our publication. The Louisiana Freemason Committee has suffered some recent obstacles in publishing the magazine on a regular basis, time being one of the major hurdles. Thank you M: W: Brother Borne for the one time opportunity! Being editor of the magazine is much like being secretary of a lodge. You serve until death! Becky and I have enjoyed being with you and your Lady Nona during our many travels and look forward to many more.

M: W: Brother Lloyd “Godfather” Hennigan has been a confidant, instructor and wonderful counselor for many years. Thank you for your guidance and friendship. Your leadership on the Grand Attorney and Law and Jurisprudence Committees is greatly appreciated.
M: W: Brother Woody Bilyeu has so many accomplishments in Masonry and in his brief tenure as our Grand Secretary. The Grand Lodge office is well staffed, well organized and operates efficiently, with major reductions in operating cost. Thank you, M: W: Brother, for your guidance, knowledge and friendship. You are a great asset to the Fraternity and to me. Members, outside of the elected line, couldn’t comprehend the number of hours worked and miles driven to provide for and protect our institution. Thank you for wanting to continue to serve us. You and your Lady Mary are very dear to Becky and me.

M: W: Brother Mickey Durand is truly a special man and Mason. He works not only at the forefront of Masonry in our State, but performs so many duties behind the scenes. He and his team have setup our Grand Lodge room for decades. He is one of the last to leave after the session ends to remove the furniture and fixtures, returning those that were borrowed and storing those for use next year. Thank you my friend and brother for all that you do for our Fraternity.

My mother Lodge, Joppa #362, is fortunate to have three (3) past grand masters as members, Ballard Smith, Ed Durham and Bruce Easterly is a plural member. Although Ballard and Ed have made attempts to guide and counsel me, they, as my handlers fail regularly. I can make a comment and know exactly how each of them will react. Ballard with deer in headlight look and stunned silence and Ed with, “run that by me again” while rubbing his forehead. However, their help, aid and assistance has never failed and I thank each of them for their true friendship.

I also want to acknowledge and thank our ladies who work tirelessly to ensure the functions of our office work, to an outsider, effortlessly. They go over and beyond what may be found in their job description. Thank you, Mary, Kim, Dianne and Michelle for responding to every request and your patience in dealing with so many diverse personalities.

Congratulations to the newly elected line and to the appointed officers. We have 10 months to serve and prepare for the Grand Lodge session in 2020. If you haven’t planned your visits and activities, I must regretfully inform you that you are already late. I began to write this address in April, knowing how quickly the days and then the months pass. Our ladies at the Grand Lodge will be on a reduced schedule and will be asking for committee reports, award and recognition approvals and replies to their correspondence much sooner than in the past. Plan and respond accordingly. I don’t want to see the 2020 Advanced Proceedings have “Chairman failed to respond in a timely manner for this publication deadline”. Becky and I are leaving Alexandria this afternoon, will stop by the house to unpack and repack and then drive toward Nashville Tennessee to attend the Imperial Shrine Session on Monday. My July and August calendars are filling up rapidly.

God bless each of you and may He continue to guide and bless our Fraternity.

I would like for our newly elected and appointed officers to introduce members of their family who may be in attendance, starting with Deputy Grand Master Jimmie Steen.

Most Worshipful Harold Ballard, born November 20, 1932 in New Orleans and a resident of the Central Community since 1960 died Sunday, July 1, 2018 (one year ago). We had a rough Saturday and when I got to bed, I laid down and mulling over things, the boys at our Lodge that did not come to the Session and stayed to tend to business, called me. They had instructions to, and they said that Brother Harold had passed away. I expected that call and yet it was with a sad heart that I had to continue the Session, but he taught us how to continue.

Just a few thoughts about his personal life; he was an active member of Blackwater United Methodist Church for over 56 years, serving on many committees throughout his tenure, an Honorary Member of many local area lodges, Grand Master of the State of Louisiana in 2005, and a highly decorated Scout Master. He was loved by all in his community and his family. He will be deeply missed.

Visitation was held at Seale Funeral Home in Central, Louisiana on July 5, 2018 and then moved to Blackwater United Methodist Church on July 6, 2018. There were around 78 Masons, who participated in his Masonic Service. Burial was at Loranger Community Cemetery, July 6, 2018 at 2:00 p.m.

He is survived by his wife, Marian, two children, three grandchildren, three great-grandchildren and a number of sisters and brothers.

It was strange that Brother Harold came into my life in a certain particular way. We met in the 1960’s in Central Lodge and I asked him if he had any relatives from Tickfaw (a little community north of Hammond that I grew up in). I asked about a Mrs. Howard and he mentioned that was his Aunt. Growing up she was like a grandmother to me and my sister and brother. I also asked him about Carol Ballard who I attended school at Southeastern with, which turned out to be his sister. Then I asked about Gerald Ballard, he stated that was his brother, and so we always seemed closer than just Fraternal Brothers.

When he passed away, in lieu of flowers, memorials were made to the charity of your choice or to the Dyslexia Fund at Central Masonic Lodge No. 442.

I want to share something with you about Brother Harold. We are often reminded of that dash between the date, there is a lot to be filled in, in those dashes. My friend and brother, I first met when I moved to Greenwell Springs and started attending Central Lodge 442 in the mid sixties. On work days, Brother Harold was one of the first there to participate in all of the activities. Thursday nights, he was at practice, every Thursday night, to teach us the work, the right turns and all of the extras that are sometimes left out. He was active in the Degrees, and if you were not one of those acting or participating, he sat on the sidelines encouraging us in everything we did.

Although he was not a member of the Order of the Eastern Star, he was one of the strongest supporters. When he came into the Lodge, he always said to tell the Ladies how beautiful they kept the Lodge looking.

Brother Harold served as a Boy Scout Leader and was given the Silver Beaver Award. Many of those young men followed him into Masonry. He knew the rules and he taught the rules.
I was asked once, “how do you know what Brother Harold thinks, he never smiles, he is always solemn?” My answer to them was that you could believe it, it was always good and correct or right.

My last so long to Brother Harold was July 6, 2018. He family asked me to conduct the dismissal or graveside service at his burial. So, on that hot July afternoon, off of the blacktop road, down a little dirt lane, into an opening that opened between oaks and pines, peaceful as it could be, he was laid to rest with family and friends present.

Friends and Brethren, today we gather to celebrate the life of William Jules Mollere. He was known to most as Bill; to family and youth friends as Billy; and to two of us as “Mollere.”

Bill is survived by his brother, Gary W. Mollere, and his lady, Lydia Cook of Baton Rouge. He is also survived by numerous cousins.

CHRISTIAN

First, I would like to say that he was a Christian. He had made the decision many years ago to accept Jesus Christ as his personal savior. We had discussed his beliefs many times and I am sure where he is spending eternity. He was a faithful member of First Methodist Church in Baton Rouge and was active in its ministries. For many years he served as a teacher in the high school department where he could mentor young people. Recently he took care of a weekly newsletter to his current Sunday School class.

FRIEND

Bill was a true friend. As we go through life, we have many acquaintances but few that we can call a true friend. Bill was a true friend to me and to many others in this room. He was always caring, supportive, and encouraging. I considered him as part of my family. We stood together at grave sides to bury parents and other loved ones. He was with me as my best man at my wedding to Judy.

PROFESSION

Professionally, Bill was employed by the State of Louisiana in the Department of Environmental Quality for thirty years and retired from that agency. After his retirement, he worked as a consultant for several environmental engineers and consulting firms. He remained active with professional organizations after his retirement and was serving as the President of the Louisiana Solid Waste Association at the time of his death.

FRATERNAL

Bill dedicated his service to the Masonic fraternity. Many called him Mr. Mason in Louisiana.

Bill came to Freemasonry through the Order of DeMolay when he joined Istrouma Chapter in 1961. He served as Master Councilor and then as Scribe of the chapter. In 1964, he served as the Southeast District Master Councilor. We met at that time as I was serving as the Southwest District Master Councilor and we became good friends at that time – a close friendship that has lasted over 50 years.

After Bill became a Master Mason, he joined the Advisory Council of Pelican Chapter in 1967 and he remained active on that board until his death.

He became an Active Member of the DeMolay Supreme Council in 1978 and was appointed as the Executive Officer of DeMolay in Louisiana in 1985. He served as Grand Master of DeMolay in 1993 – 1994. Later he served as the Grand Secretary of DeMolay International from 1996 to 2002. All of the time that he served as the Executive Officer in Louisiana, he continued to work as an Advisor of Pelican Chapter. Bill believed that the young men in DeMolay were the main focus of the organization and felt that it was important to continue mentoring young men in the local chapter. It is a testimony to his service that a number of his DeMolays were present at his memorial service in Baton Rouge.

After he reached age 21, Bill joined Baton Rouge Lodge No. 372 and served as Master in 1980. He later served as secretary for several years. He was a plural member in two other lodges.
He was the chairman of the committee to form a research lodge and served as the first Master of Louisiana Lodge of Research in 1989. After that, he served as the secretary of the Research Lodge for a number of years. He served on numerous committees of the Grand Lodge during the years and served as the District Deputy Grand Master for the 13th Masonic District in 2004. In 2012, he was elected to the Grand Lodge line and served as Grand Master of Masons in Louisiana during 2015.

Bill joined the Baton Rouge Scottish Rite Bodies in 1968 and served on several degree teams and was the Associate Director of Reunions. In 1977, he was invested with the Knight Commander of the Court of Honour and in November, 1991 was coronated a 33rd degree Inspector General Honorary. He served as the Orient Personal Representative for several years and became a Deputy of the Supreme Council in 2003. In August, 2007 Bill was elected an active member of the Supreme Council and became the Sovereign Grand Inspector General in Louisiana. He served on several committees of the Supreme Council and most recently served as the Grand Orator of the Supreme Council. Shortly before his death, he requested emeritus status on the Supreme Council. Research was always important to him and from 2009 until his death, he served as the President of the Scottish Rite Research Society.

Bill was active in the Downtown York Rite Bodies in Baton Rouge and served as the presiding officer of each of the York Rite Bodies. He served as Grand Commander of the Grand Commandery of Louisiana in 2012. He was active in several York Rite invitational bodies. He was a Past Sovereign of St. Paul Conclave of the Red Cross of Constantine and had received the Order of the Purple Cross in the York Rite College of North America.

Bill joined Jerusalem Temple of the Nobles of the Mystic Shrine in 1969 and became a charter member of Acacia Temple in 1986. He served as Potentate of Acacia Temple in 1990. At the time of his death, he was serving as the Secretary of the Board of Governors of the Shreveport Shrine Hospital.

He was instrumental in forming several invitational Masonic bodies in Louisiana – the Allied Masonic Degrees, Ray W. Burgess Council of Knight Masons, and St. Bernard Chapel of St. Thomas of Acon. In each of these groups he served as the presiding officer and then secretary. It was through his efforts that these invitational groups continue to grow in Louisiana.

In 2005 he was invited to join the Knights Beneficient of the Holy City (CBCS) and served as the Great Prior of that organization from 2015 – 2017.

He was well known in Freemasonry. If you traveled with him, you had to stop and wait for him to stop and visit with everyone he knew from all over the country.

OTHER

Freemasonry was not his only interest. He became interested in genealogy and documented that one of his ancestors had fought in the American Revolution. Based upon that discovery, he joined the Sons of the American Revolution. He also had an interest in archeology.

CONCLUSION

In conclusion, he was my closest friend. We shared a lot in common and visited by telephone regularly. I’ve missed those frequent telephone conversations since October when he was placed in intensive care. Alas, my brother – until we meet again on that other shore. Farewell.
Neil Randall Crain, was born on November 11, 1933 in Grand Chenier, Cameron Parish, Louisiana to A.H. “Sono” Crain and Ella Mae Jones Crain. He attended Grand Chenier Schools and graduated in 1952 with a high school diploma from the Texas Military Institute in San Antonio, Texas. He then attended Louisiana State University and Lamar University in Civil Engineering.

Brother Crain served the United States Coast Guard on active duty from 1953-1957 until he was called home to Grand Chenier, Louisiana to help rebuild the family business following Hurricane Audrey. He remained on Ready Reserve with the United States Coast Guard for 17 years for a total of twenty years of military service.

Neil R. Crain began his construction career at the family business, Crain Brothers Inc. in Grand Chenier, Louisiana. He devoted his life to the oil industry and was an expert at low land construction. Neil held industrial construction licenses in Louisiana and several other states. Not only was his expertise sought out in the United States, but also around the world such as in Africa, Venezuela, Japan and the Caribbean. His vast construction knowledge and experience were in demand by the oilfield industry until the time of his death. He also served as President of Crain Brothers Ranch.

Brother Crain loved traveling to different countries to enjoy the sport of shooting birds of various species, especially pheasants and ducks. He also enjoyed the company of friends while fishing the waters of Lake of the Woods in Canada. Neil also loved being involved in politics and served in advisor positions for former State Senator Jesse Knowles, former Governor of Louisiana, Dave Treen and former member of the US House of Representatives, William Henson Moore III. He also served on the Louisiana State Contractor’s Licensing Board.

Neil enjoyed being an aircraft pilot, logging over 15,000 hours in numerous aircraft including float planes. His favorite pass time was spent visiting with friends and family and telling stories with humor continuously embedded.

He became a Master Mason while in the Coast Guard in 1955 and devoted his life to the fraternity by being a member of all Bodies of Masonry and holding various leadership positions. He was raised in Cameron Lodge #439 where he served as Master of the Lodge in 1980. He was a perpetual member of Lake Charles Lodge #165, and belonged to the Lake Charles Chapter #47 Royal Arch Masons, Calcasieu Council #19 Cryptic Masons, and Malta Commandry #12 Knights Templar. He was a member and Past Sovereign of St Charles Conclave – Red Cross of Constantine. He joined the Lake Charles Scottish Rite Bodies in October 1957, served as Venerable Master in 1988, and in October 1993, he received the 33o Inspector General Honorary.

Brother Crain was a longtime supporter of this Grand Lodge. He served on the Grand Lodge Hall and Cemetery Board for 12 years prior to the building being sold in 1997. He held Grand Lodges offices: Grand Tyler 1980, District Deputy Grand Master Tenth Masonic District 1990, Grand Standard Bearer 1991, Grand Junior Warden 2001, Grand Senior Warden 2002, Deputy Grand Master 2003, and in 2004 he served as Grand Master of all Masons in the state of Louisiana. During his homecoming visit to Cameron Lodge #439, Worshipful Brother Francis O’Quain, Master of the Lodge, welcomed and introduced M:W: Brother Crain as the “Great” Grand Master. This title was fondly afforded him until his death. During his term in office, M:W: Brother Crain called and convened a special meeting of the Grand Lodge of Louisiana in Alexandria to consider whether to build a Grand Lodge Building in Alexandria with the proceeds from the Masonic Home Property or to pursue other options. The brethren voted 3 to 1 to build the building for $1.6 million that now serves as the Grand Lodge office and museum building in Alexandria.
On Tuesday, November 13, 2018, two days after his 85th birthday, M:W: Neil Randall Crain passed away at Lake Charles Memorial Hospital following a lengthy illness. He was preceded in death by his father, mother, and his brother Malcolm Lyle “Butch” Crain. Left behind to cherish his memory are his wife of 61 years, Madeleine St. Clair Crain; two daughters, Randalin Crain and Rosalind Crain LeCompte; one son, Duncan Russell Crain and wife, Tammy Augustine Crain; four grandchildren, Samantha Williams Johnson, Jebediah Eugene Williams, Callie Tate Crain and Wasey Duncan Crain and three great grandchildren. Along with one sister, Coral Lee Crain Byrd and husband Richard; and numerous nieces and nephews.

Funeral services were held at 1:00 PM on Saturday November 17, 2018 at the Chapel of Johnson Funeral Home. Masonic Graveside Rites and Burial immediately followed services at Highland Memory Gardens.

M:W: Neil Crain was the first and only Grand Master to be a native of Cameron Parish, the largest parish in land area and smallest parish in population. He was a big man, with a deep voice, and a huge heart. There are numerous families, churches, schools, and deserving souls that have benefited from his anonymous charitable gifts in Southwest Louisiana. For 63 years, he lived according to the Masonic Way, give without remembering and receive without forgetting.

While we miss him every day, we do not mourn, but rather celebrate a life that was truly well-lived. May he rest in peace until the glorious day of resurrection. Until then, dear Brother, until then, farewell!

STEVEN S.A. PENCE
GRAND MASTER
2019-2020
Steven Storm Alan Pence was born in Los Angeles, CA on May 22, 1952. His father, Lloyd G. Pence, relocated the family to Baton Rouge in 1957, after a promotion within the ranks of the KCS Railway's Sales Department. Steve attended public school in Baton Rouge, graduating from Baton Rouge High School in 1970. He continued his education at Louisiana State University, pursuing dual majors in Chemistry and English. Upon graduation, Steve began employment with the Louisiana and Arkansas Railway (KCS) in Baton Rouge.

Steve met Becky Odom while in college and they were married on February 24, 1973. They have been married for 46 years and, from this union, were blessed with two children, daughter Courtney (McLaurin) and son Christopher. Becky and Steve have two grandsons, Chase and Cole McLaurin.

Steve's career with the KCS lasted 30 years and he was the Division Superintendent upon his retirement. Steve and the family relocated several times during his career and have twice called the Shreveport-Bossier area home.

Steve and Becky joined Cypress Baptist Church in 1994. He is active in the church's kitchen ministry, preparing, cooking and serving meals to over 350 on Wednesday nights. He also is the "cook" for special events at his church and is seen in the kitchen during Valentine, Thanksgiving, and Widows banquets.

In 1999 Steve joined the Masonic Fraternity having been initiated, passed and raised in Joppa Lodge #362, in Shreveport. In August of that year, he was appointed as Assistant to the Secretary" and was elected Joppa's secretary in December 1999. Through agreement with the Lodge officers and members, Steve was elected as Senior Warden in 2003 and served as Joppa's Worshipful Master in 2004. Through the agreement, Steve handled the secretarial duties of the Lodge for these two years while serving in the West and East. He was grateful to again be elected as Secretary in 2005 and continues to serve in that capacity today.

Steve is a member of the Shreveport York Rite Bodies - Shreveport Chapter #10, Shreveport Council #23 and Ascension Commandery No. 6. In 2012 he served as Area 1 Administrative Aide under William J. Mollere-Louisiana Grand Commander.

Steve joined the Shreveport Valley of the Ancient and Accepted Scottish Rite, SJ in 1999, and participates in several of the degrees. He was named editor of the Louisiana Scottish Rite Trestleboard in 2003 by William J. Mollere, Deputy at the time. Steve continues to serve as the publication's editor in charge of this bi-monthly magazine. He has served as the ranking officer in all four bodies of the Scottish Rite. He received the rank and decoration of Knight Commander of the Court of Honour in November 2005 and was coroneted an Inspector General Honorary - 33° in November 2009. He is a member of the Leadership Team for the Orient of Louisiana. Steve is also a member of the Scottish Rite Research Society and is a charter member of the WSB (Wisdom-Strength-Beauty) Club.
Steven S.A. Pence (Continued)

His Masonic memberships include: El Karubah Shriners-Shreveport, The Royal Order of Scotland, St. Matthew’s Conclave-Red Cross of Constantine, Ray Wesley Burgess Council #103-Knight Masons of the USA, and Men of Mt. Moriah Council #38-Allied Masonic Degrees (Sovereign Master 2016-2018).

In addition to his many Masonic activities, Steve heads fund raising in the 1st Masonic District for their 6 dyslexia classes. He and Becky volunteer their time, along with many members and wives in the 1st Masonic District, at Centurylink Arena working concessions for concerts and events. He has served as Treasurer for his home owner association from 1996 until present.
