ADDRESS OF THE GRAND MASTER 2020-2021

My Brethren,

Thank you for the opportunity to address you as Grand Master of the Masons in Louisiana.

When I was elected Grand Junior Warden in 2017, like all of our Brethren so fortunate, I began to make plans for my year as Grand Master. When I stood before you almost a year ago, we could not have known the troubles and trials we would experience. We did not know, at that time, that a year later COVID-19 would still be impacting Masonry. So many of our best laid plans have gone by the wayside, victims of a pandemic that has gripped the world. So many of our friends and brothers have left us, gone too soon to that house not made with hands, eternal in the heavens.

To be sure, we have faced challenges in keeping our craft as safe as possible. Our membership is disproportionately at high risk for COVID-19 and I felt it my responsibility to protect our brethren as best as possible. Thus, we implemented measures designed to ensure the health and safety of our brethren such as the mask mandate. These measures were designed to keep us in compliance with the state mandates and Federal guidelines. We have an obligation to remember the welfare of our brethren, even when it may be convenient or uncomfortable to do so.

Not only did we deal with COVID-19, we faced multiple devastating hurricanes across our state. Lodge were damaged as were countless homes and lives.

But Masonry has endured. Despite storms and diseases, our brethren have shown true Masonry.

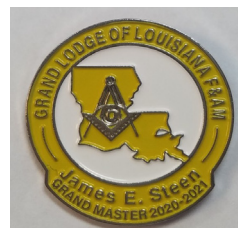

Our brethren have been reminded that Masonry is not just practiced in the Lodge but in our daily lives. The members of our fraternity have found new ways to meet on the level and part on the square. One year ago many of our Brethren thought Zoom was something a cartoon coyote did on tv. Now they've discovered a way to meet with each other to handle the business of our fraternity and see friendly faces.

Our brethren have tended to our weak and fallen brethren. Our brethren have responded to the needs of their brethren from across our state during two hurricanes. Our brethren have shown themselves to be true Masons, worthy of the title bestowed upon them when they were first initiated into our ranks.

Hopefully, we see the light at the end of the tunnel. We hope that soon the restrictions imposed will be a thing of the past. Masonry needs the fellowship of its members in-person just as much as we the members need that in-person fellowship. Seeing a brother on a computer screen, while helpful in the times we have endured, cannot and should not be a long-term substitute for the friendly grip of a brother.

Finally, my brethren, I hope that I have served you well. I pray that I have left the Grand Lodge better than I found it, that I have spread light in a dark world, and that I have navigated the troubled waters of 2020-2021 and brought our ship safely through. Thank you for the opportunity of a lifetime, to serve as your Grand Master. God bless you, and God bless the Grand Lodge of Louisiana.

James E. "Jimmie" Steen

DIRECTIVES ISSUED BY THE GRAND MASTER

No. 1

June 30, 2020

On June 1, 2020, Governor John Bel Edwards announced plans to open the State of Louisiana through "Open Safely". The effective date for Phase 2 was Friday, June 5th and the Governor extended Phase 2 on June 22nd for another 28 days.

Therefore, I am issuing the following directive to allow our constituent lodges to continue activities, with restrictions as follows:

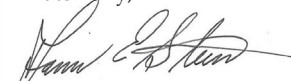

- Commencing June 30, 2020, Lodges may hold Stated Meetings for the purpose of conducting regular business appropriate to a stated meeting, including degree conferrals.
- Lodges may hold Special (called) Communications only for the purpose of examining a candidate - if applicable - and conferring a degree.
- Special Communications involving the public's attendance are prohibited.
- Meals will be allowed with the following guidelines:
 - Buffet style service is discouraged and a designated server(s) is recommended. Servers will use gloves and masks for food and beverage service. Individually wrapped or boxed dinners are preferred.
- Strict social distancing rules as established in Governor Edwards' "Open Safely" must be followed, including the following:
 1. All Masons will maintain social distancing, when practicable.
 2. Masons are strongly urged, but are not required, to wear face masks.
 3. Lodges are encouraged to have hand sanitizer available in the Lodge building.
 4. Most importantly, all Louisiana Masons are strongly encouraged NOT to attend Lodge if they have any signs of illness or do not feel comfortable, at the present time, with attending. Masons must self-screen for any signs or symptoms of COVID-19 before attending any Lodge meeting. Those individuals considered to be "at-risk", including those who are 65 or older, and especially those with chronic lung disease; moderate to severe asthma; chronic heart disease; severe obesity; diabetes; chronic kidney disease under going dialysis; liver disease; weakened immune system or other risk factors are encouraged not to attend Lodge. You are the sole decision-maker as to whether you should attend Lodge. There is nothing more important at this time than the continued well-being of our Louisiana Masons.

This directive will allow our District Lodges to resume meeting, with restrictions as follows:

- Districts Lodges are restricted to 50 or less members in attendance, unless the Lodge hall can accommodate additional members based upon available seating using social distancing as the rule
- Meals will be allowed with the aforementioned guidelines
- Strict social distancing rules, as established in Governor Edwards' "Open Safely", must be followed, as previously detailed above.

Phase 2 is effective until July 24, 2020 and the Governor will issue further instructions regarding lifting additional restrictions and moving to Phase 3. I will issue future Directives when it is deemed both safe and prudent to do so while, at the same time, adhering to the mandates of the State of Louisiana.

Fraternally,

James E. Steen

No. 2

July 8, 2020

Directive
July 8, 2020

Governor John Bel Edwards announced today, July 8, 2020, that the State of Louisiana will continue to operate at Phase II.

It was also noted that although there is no mandate statewide on the use of masks, it is highly encouraged to do so, to help prevent the spread of COVID-19. Additionally, if your Lodge's local government has mandated that masks are mandatory, you must abide by those mandates in the Lodge.

Therefore, I am issuing the following directive to allow our constituent lodges to continue activities, with restrictions as follows:

- Commencing June 30, 2020, Lodges may hold Stated Meetings for the purpose of conducting regular business appropriate to a stated meeting, including degree conferrals.
- Lodges may hold Special (called) Communications only for the purpose of examining a candidate - if applicable - and conferring a degree.
- Special Communications involving the public's attendance are prohibited.
- Meals will be allowed with the following guidelines:
 - Buffet style service is discouraged and a designated server(s) is recommended. Servers will use gloves and masks for food and beverage service. Individually wrapped or boxed dinners are preferred.
- Strict social distancing rules as established in Governor Edwards' "Open Safely" must be followed, including the following:
 1. All Masons will maintain social distancing, when practicable.
 2. Masks are required for all attendees in Lodge, where the local government has mandated it, and highly encouraged in all other areas of the State.
 3. Lodges are encouraged to have hand sanitizer available in the Lodge building.
 4. Most importantly, all Louisiana Masons are strongly encouraged NOT to attend Lodge if they have any signs of illness or do not feel comfortable, at the present time, with attending. Masons must self-screen for any signs or symptoms of COVID-19 before attending any Lodge meeting. Those individuals considered to be "at-risk", including those who are 65 or older, and especially those with chronic lung disease; moderate to severe asthma; chronic heart disease; severe obesity; diabetes; chronic kidney disease undergoing dialysis; liver disease; weakened immune system or other risk factors are encouraged not to attend Lodge. You are the sole decision-maker as to whether you should attend Lodge. There is nothing more important at this time than the continued well-being of our Louisiana Masons.

This directive will allow our District Lodges to resume meeting, with restrictions as follows:

- Districts Lodges are restricted to 50 or less members in attendance, unless the Lodge hall can accommodate additional members based upon available seating using social distancing as the rule.
- Meals will be allowed with the aforementioned guidelines
- Masks are required for all attendees in Lodge, where the local government has mandated it, and highly encouraged in all other areas of the State.
- Strict social distancing rules, as established in Governor Edwards' "Open Safely", must be followed, as previously detailed above.

Phase 2 is effective until July 24, 2020 and the Governor will issue further instructions regarding lifting additional restrictions and moving to Phase 3. I will issue future Directives when it is deemed both safe and prudent to do so while, at the same time, adhering to the mandates of the State of Louisiana.

James E. Steen

No. 3

July 13, 2020

On July 11, 2020, Governor John Bel Edwards announced modifications to the Phase Two plan that we have been operating under. Those changes, which take effect today, July 13, 2020 are as follows:

- Everyone ages 8 and older must wear a mask or face covering outside of their home.
- All bars will be closed unless providing curbside pickup.
- Indoor social gatherings are limited to 50 people.

Therefore, I am issuing the following directive to allow our constituent lodges to resume further activities, with restrictions as follows:

- Commencing July 13, 2020, Lodges may hold Stated Meetings for the purpose of conducting regular business appropriate to a stated meeting, including degree conferrals, however, all attendees must wear an appropriate mask or face covering.
- Lodges may hold Special (called) Communications only for the purpose of examining a candidate - if applicable - and conferring degrees.
- Special Communications involving the public's attendance remain prohibited.
- District Lodges will again be prohibited from meeting, as the maximum 50 person occupancy restriction cannot be followed in all Districts, in addition the requirement of masks presents a significant burden as well as an impediment to proper communication.
- Meals will continue to be allowed at Lodge meetings with the following guideline:
Buffet style service is discouraged and a designated server(s) is recommended.

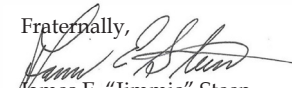

Servers must use gloves and masks for food and beverage service.

• Strict social distancing rules as established in Governor Edwards' "Open Safely" will be followed, including the following:

1. All Masons will maintain social distancing, when practicable.
2. Masons are now required, to wear face masks at Lodge meetings.
3. Lodges are encouraged to have hand sanitizer readily available in the Lodge building.
4. Most importantly, all Louisiana Masons are strongly encouraged NOT to attend Lodge if they have any signs of illness or do not feel comfortable, at the present time, with attending. Masons must self-screen for any signs or symptoms of COVID-19 before attending any Lodge meeting. Those individuals considered to be "at-risk", including those who are 65 or older, and especially those with chronic lung disease; moderate to severe asthma; chronic heart disease; severe obesity; diabetes; chronic kidney disease undergoing dialysis; liver disease; weakened immune system or other risk factors are encouraged not to attend Lodge. You are the sole decision-maker as to whether you should attend Lodge. There is nothing more important at this time than the continued well-being of our Louisiana Masons.

Phase 2, including these new requirements is effective until July 24, 2020. We expect the Governor will issue further instructions on or before July 24th regarding possible modifications based on the rate of new cases and other factors relative to the spread of COVID-19. I will issue future Directives when it is deemed both safe and prudent to do so while, at the same time, adhering to the mandates of the State of Louisiana.

Fraternally,

James E. "Jimmie" Steen
Grand Master

July 14, 2020
(Point of Clarification)

Now that the actual Proclamation Number 89 JBE 2020 from Governor John Bel Edwards concerning face masks has been released, we should clarify the Directive from the Grand Master issued on July 13, 2020.

One of the exceptions that is contained in the Proclamation states that "Any individual who.... will be able to maintain strict social distancing of six feet apart from any other individual" is exempt from the mask requirement.

Please be advised of this clarification and act accordingly.

No. 4

August 14, 2020

Due to Phase II guidelines issued by Louisiana Governor John Bel Edwards, a 50-person limit is in place to maintain social distancing. After review, we have determined that several of the District Lodges could meet and stay within these guidelines.

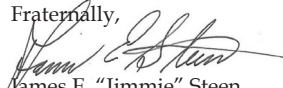

Therefore, I am issuing the following directive to **allow** our District Lodges to resume meeting, with restrictions as follows:

- District Lodge Meetings should only have the following attendees (not to exceed 50 attendees):
 1. Three (3) Principle Officers of each Lodge in the District
 2. District Deputy Grand Master of that District
 3. District Grand Lecturer of that District
 4. District Lodge Officers of that District

- Meals will be allowed with the following guidelines: Buffet style service is discouraged and a designated server(s) is recommended. Servers will use gloves and masks for food and beverage service.

- Strict social distancing rules, as established in Governor Edwards' "Open Safely", will be followed, including the following:
 1. All Masons will maintain social distancing.
 2. Masons are strongly urged, but are not required, to wear face masks.
 3. Lodges are encouraged to have hand sanitizer available in the Lodge building.
 4. Temperature checks are highly recommended before each meeting.
 5. Most importantly, all Louisiana Masons are strongly encouraged NOT to attend District Lodges if they have any signs of illness or do not feel comfortable, at the present time, with attending. Masons must self-screen for any signs or symptoms of COVID-19 before attending any Lodge meeting. Those individuals considered to be "at-risk", including those who are 65 or older, and especially those with chronic lung disease; moderate to severe asthma; chronic heart disease; severe obesity; diabetes; chronic kidney disease undergoing dialysis; liver disease; weakened immune system or other risk factors are encouraged not to attend Lodge. You are the sole decision-maker as to whether you should attend Lodge.

No. 5

September 16, 2020

Due to Phase III guidelines issued by Louisiana Governor John Bel Edwards on September 11, 2020, a limit of the lesser of 250 or 50% capacity of a facility is in place to maintain social distancing. After review, we have determined that several of the District Lodges could meet and stay within these guidelines. Additionally, we determined that constituent Lodges could resume open meetings within these same guidelines.

DIRECTIVES ISSUED BY THE GRAND MASTER

- Meals will be allowed with the following guidelines:
 Buffet style service is discouraged and a designated server(s) is recommended.
 Servers will use gloves and masks for food and beverage service.

EDICT 2020-01

WHEREAS, the Perpetual Membership program began with an Edict in 1990 for the purpose of perpetually securing a supplemental revenue source because our constituent Lodges, as well as our Grand Lodge, were facing a continuing monetary loss due to diminishing membership within our fraternity, and,

WHEREAS, over time, devaluation due to inflation significantly reduces the purchasing power of the income from the program because the payments remain frozen at the rate that was in effect when the member joined, and,

WHEREAS, this increasing shortfall of revenue to the Lodges is born by unfair, ever increasing, higher yearly dues to the regular members to make up for the lost purchasing power from the Perpetual Membership program, and,

WHEREAS, both fairness to all members and protection for the future viability of the payments to the lodges must be secured as was the original purpose of this well intended program,

NOW THEREFORE, I issue the following Edict on this 27th day of June, 2020:

Effective immediately, The Handbook of Masonic Law, Digest of Edicts, Section on Perpetual Membership, pages 100-100c be amended to confirm with the following revisions:

B. The member desiring a Perpetual Membership shall apply to the Secretary of his Lodge during the first quarter of the calendar year, for such membership on forms prescribed by the Grand Lodge and shall tender therewith a minimum of twenty (20) times the annual dues for his Lodge at the time of application, but in no event less the twenty (20) times the minimum dues. The member desiring a Perpetual Membership shall apply to the Secretary of his Lodge during the first quarter of the calendar year for such membership on forms prescribed by the Grand Lodge and shall tender therewith the sum of fifty (50) times the annual dues for his lodge at the time of application, minus the number of years of good standing the member has in the Masonic Fraternity, but in no event less than twenty (20) times the lodge's annual dues. The Lodge Secretary shall complete his part of the application and shall forward the same together with the full fee due, to the Grand Secretary. The date of the application shall be the date the Grand Secretary certified he received the application.

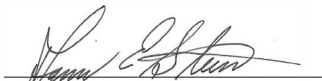

II.

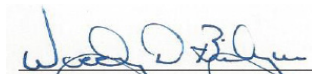

*D. The Perpetual Membership fee may optionally be paid in five (5) equal annual installments in addition to regular Lodge dues. Use the "Sum" calculated in accordance with Section B at the time of application to determine the installment payment. EXAMPLE: ~~One January 1, 1990 Lodge dues are \$25.00. Multiply \$25.00 X 4.0 to determine that the annual fee will be \$100.00 for five (5) successive years;~~ On January 1, 2019 Lodge dues (local dues plus Grand Lodge per capita) are \$50.00. The number of years he has been a Master Mason is 15 so the factor is $50 - 15 = 35$. Multiply \$50.00 by 35 for a total of \$1,750.00. Then divide by 5 to determine the annual fee will be \$350.00 for five (5) successive years, **plus lodge dues.***

III.

All other provisions of the section entitled "Perpetual Membership" shall remain in full force and effect.

EDICT 2020-2

WHEREAS over the past few years because of the wording of Articles IV and VII of the General Regulations there has been some misunderstandings and confusion as to what the duties and responsibilities of the Appeals and Grievances Committee are, and

WHEREAS, our communication reporting indicates there are several lodges that are not comfortable conducting a Masonic Trial and those that cannot get enough members to attend a meeting to conduct a Masonic Trial and,

WHEREAS, every Brother Mason is charged with the duty to bring Masonic Charges against a brother whose actions have brought discredit to our Fraternity and,

WHEREAS, Masonic Trials are currently using this form of trial successfully, as issued under EDICT 2018-03,

WHEREAS, the actual filing of Masonic Charges against another Brother is the last and most difficult thing that a Brother wants to do;

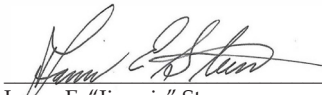

NOW THEREFORE, I issue the following Edict on this 27th day of June, 2020:

Effective immediately, the Louisiana Masonic Disciplinary Code shall supersede Article IV and Article VII in the Handbook of Masonic Law.

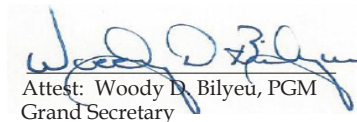

The Masonic Disciplinary Code relieves the lodges of the responsibility of holding a trial and places that responsibility on the Trial Commissioners (which are appointed in each Lecture District by the Grand Master) of the TRIAL COMMISSION DISTRICT in which the lodge is located.

The process and provisions of this Disciplinary Code are attached.

 - b) The Master's Duty After Receiving Written Complaint:

- 2) By the Grand Master
 - a) The Grand Master may institute Masonic Disciplinary Proceedings in any case he deems fit by referring written charges to the Grand Secretary. His authority shall not be limited in any manner, and his jurisdiction shall be concurrent in every way possible with that of a Lodge to institute charges. Nothing herein shall limit the authority of the Grand Master to refer written charges to the Trial Commission.
 - b) The Grand Master and/or his designee(s) may serve as an Investigating Committee, with full authority to issue summonses, conduct hearings, and perpetuate evidence for consideration and/or review by a Trial Commission and/or the Committee on Appeals and Grievances for recommendation to the Grand Lodge for action in due course.

D. The Grand Master shall designate a member of the Trial Commission to serve as Chairman. E. Nothing herein shall interfere with the Grand Master's authority, which is expressly recognized, to remove and/or replace any member of any Trial Commission at any time for whatever reason he shall see fit. Further, in the case of inability or unwillingness to serve, or in any other case in which the Grand Master shall deem fit, he may temporarily replace one or more members of a Trial Commission with such alternate members as he may appoint.

- B. Should it be necessary to take testimony outside of the Trial, the Trial Commission shall give due notice to the Accused of the time and place of taking such testimony, shall reduce the testimony to writing and cause it to be affirmed by the party giving it. The Accused must receive notice from the Grand Secretary of the taking of testimony outside of the Trial and must be permitted to hear all of it in and out of Trial. He shall also have the right, either personally or through his representative, to question all witnesses. If other witnesses than those on the list submitted to the Accused later appear, it shall be proper for them to testify and further time shall be granted to take the testimony of all new witnesses, but all of the same must be committed to writing and notice of their appearance shall be given to the accused as soon as reasonably possible.
- C. Any witness may be recalled to testify again.

- A. - B. The Grand Secretary shall notify the Accused and witnesses, except profane witnesses, of the time and date that the trial will be held in writing either by certified mail, return receipt requested, or by personal service.

Sec. 715. Order of Trial

- A. The trial shall commence with prayer, followed by the reading of the charges and the answer.
- B. The Prosecutor and the Accused, or their representatives, may make an opening statement.
- C. The Prosecutor may then call witnesses and present evidence, provided that only those witnesses and evidence disclosed to the Accused, if requested by the Accused, shall be permitted.
- D. Upon conclusion of the Prosecutor's case, the Accused may then call witnesses and present evidence, provided that only those witnesses and evidence disclosed to the Prosecutor shall be permitted.
- E. Each member of the Trial Commission, the prosecutor, and the Accused or his counsel shall be permitted to ask questions of any witness.

Sec. 717. Evidence When Accused is Convicted of a Crime:

- A. If a brother has been convicted of a crime and sentenced to penal servitude, the Prosecutor need only introduce a certified copy of the charges, verdict and sentence, which establishes a prima facie case and relieves the Prosecutor of offering further proof.
- B. Should the request of the Prosecutor or Trial Commission for a certified copy of the Court record be refused, then a written certification of the Court charges, verdict and sentence by a brother may be introduced in lieu of the Court copy.
- C. The Trial Commission may disregard the verdict in any court trial which does not always prove guilt or innocence in a Lodge trial.
- D. A Brother may be guilty of gross un-masonic conduct and yet be acquitted in Court, for there are many offenses that violate the moral law that do not violate the criminal law.
- E. The evidence in the Court may be presented to the Trial Commission, but the accused has the right to offer proof of mitigating circumstances, absence of moral turpitude and even innocence; all of which the Trial Commission should consider in arriving at its decision on guilt and degree of punishment.

Sec. 718. Voting

- A. The commission, after conclusion of closing arguments, shall retire to vote. All members of the Commission must vote, provided no member thereof shall be entitled to vote who was not present during the entire trial. A majority vote cast shall convict.
- B. The Trial Commission shall only vote on sentencing after it has voted to convict. Even if the Accused has appeared and admitted his guilt, a vote to convict must still be taken as, due to mitigation, absence of moral turpitude, etc., the Trial Commission may find the Accused not guilty. Thus, a vote to convict is necessary before any vote on sentencing may take place. Guilt is NEVER presumed.
- C. Voting on Sentence After Conviction:
 - 1) The vote on the sentence shall be taken in the following order for the different degrees of punishment.
 - a) First, expulsion, for which a unanimous vote shall be necessary;
 - b) Second, suspension, for which a two-thirds vote shall be necessary.
 - a. If the Trial Commission votes to suspend a brother, it must then decide, by two-thirds vote, what the appropriate length of suspension shall be up to twenty (20) years.
 - b. Should the Trial Commission be unable, by two-thirds vote, to determine an appropriate length of suspension, the Accused shall be automatically suspended for a year and a day, thus necessitating his application to be reinstated as provided herein.
 - 2) Should the convicted brother not be suspended or expelled, he shall stand sentenced, without any further vote, to reprimand in open Lodge in the case of charges preferred by a Constituent Lodge or the Grand Lodge in case of charges preferred by the Grand Master.
- D. Whether the Accused is found guilty or not, after voting on conviction and sentence (if found guilty) the Trial Commission shall reduce its findings to writing and return to the place of Trial and the Chairman shall announce the findings of the Trial Commission.

Sec. 719. Imposition of Sentence

- A. All sentences shall be effective immediately.
- B. If the sentence is to reprimand, then the Accused, in the case of charges preferred by a Constituent Lodge, shall be reprimanded by the Master at the next regular communication of that Lodge or, in the case of charges preferred by the Grand Master, shall be reprimanded at the next annual communication of the Grand Lodge. Further, the Accused shall stand suspended until such time as he is reprimanded.
- C. No matter what sentence is imposed, if the convicted brother is an officer of a Lodge, his office is immediately vacated and a new appointment must be made or an election held on dispensation from the Grand Master.

Sec. 720. New Trial

- A. A New Trial shall be held if:
- 1) The Accused has been convicted without having been served with a copy of the written charges or notified of the trial date provided, he shall establish to the satisfaction of the Trial Commission that he had no knowledge of the charge or trial date.
 - 2) The Accused is convicted after illegal testimony has been introduced in the trial proceedings.
 - 3) A continuance was refused when an important witness on either side was absent; provided, that applicant must certify that the testimony of such witness would have been essential to applicant's case. However, if an important witness is absent and the opposing party stipulates to the content of that witness' testimony, then a new trial shall not be granted solely on account of that witness' absence.
- B. A new trial MAY be held if, in the opinion of the Grand Master, new evidence that was not known or discoverable at the time of trial comes to light.
- C. The Committee on Appeals and Grievances shall, by majority vote, remand to a Trial Commission for a new trial any matter in which it finds the procedural protections afforded herein have not been met. Action of the Grand Lodge is not required for a remand in this instance.
- D. Final action by the Grand Lodge on an appeal prevents the holding of a new trial except as provided herein.

Chapter V. APPEALS AND GRIEVANCES COMMITTEE

Sec. 721. Appeal to Appeals and Grievance Committee is Automatic

All trial proceedings are automatically referred to the Appeals and Grievance Committee for their review and recommendation to the Grand Lodge for final action.

Sec. 722. Appeals do not Suspend Sentence

The conviction and sentence appealed from shall remain in full force and effect until action by the Grand Lodge at the first Grand Communication held after the appeal has been filed, unless a new trial is ordered by the Grand Master.

Chapter VI. GRAND LODGE

Sec. 723. Action by Grand Lodge

- A. The Grand Lodge may, by majority vote, affirm or reverse the Trial Commission's action with respect to conviction. Failure of the Grand Lodge to affirm a conviction shall result in the reversal of the conviction and the brother's reinstatement.
- B. The Grand Lodge may, by majority vote, affirm the Trial Commission's action with regard to sentence.
- C. The Grand Lodge may, by two-thirds (2/3) vote, reverse, amend, or annul a sentence of expulsion or suspension or convert a sentence of expulsion to suspension or suspension to expulsion. Annulment of a sentence of expulsion or suspension immediately restores the brother to membership in his Lodge as of the date of his expulsion or suspension. Failure of the Grand Lodge to affirm or amend or convert the sentence of the Trial Commission shall result in the imposition of a reprimand.

Misconduct shall be grounds for one or more of the following sanctions:

- 1) Expulsion
 - a) Expulsion shall be permanent and there shall be no reinstatement.
- 2) Suspension
 - a) Suspension may be imposed for an appropriate fixed period of time not in excess of twenty (20) years.
- 3) Reprimand
 - a) A reprimand shall be in writing and, in the case of charges preferred by a Lodge, imposed in person by the Master of the Lodge which preferred the charges and shall be done in a tiled lodge following final action by the Grand Lodge and shall be entered in the minutes of the Lodge. In the case of charges preferred by the Grand Master, a reprimand shall be imposed in person by the Grand Master or his designee at the next annual Grand Communication and shall be entered in the minutes of the Grand Lodge.

Chapter VIII. REINSTATEMENT

Sec. 725. General Provisions

- A. Except as provided herein, a brother who has been suspended cannot be restored to Masonic privileges except by the Grand Lodge.
- B. A sentence becomes effective immediately upon the rendering of sentence by the Trial Commission. Nevertheless, a brother who is found guilty by the Trial Commission, no matter the sentence, shall stand suspended until his case is reviewed by the Appeals and Grievances Committee and final action taken by the delegates at the next annual Grand Communication.

Edict 2020-07 (2021)

Whereas: The COVID-19 pandemic has caused many disruptions and delays in society in general and within the Masonic Fraternity specifically, and

Whereas: The Grand Lodge of the State of Louisiana has not been able to conduct it's business in a normal manner since June 2019 causing a backlog of various items that need action by the voting delegates, and

Whereas: Governor Jon Bel Edwards executive order limiting assembly to 250 people (without a variance by the State Fire Marshal) is and will remain in effect for the foreseeable future which limits the number of voting delegates that may assemble to conduct the business of the Grand Lodge, and

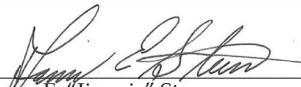

Whereas: The above mentioned limited assembly order has caused disruption in the availability of proper meeting facilities as well as lodging and event staffing,

Therefore I, James E. Steen, Grand Master of the State of Louisiana do hereby issue the following EDICT in order to address those issues and permit a Grand Lodge Session that will allow for the maximum number of delegates to conduct the business of the Grand Lodge of the State of Louisiana:

That Article V, Section 5 of the General Regulations (pg 27 HOML) be modified to cause the votes of the Senior and Junior Wardens of a Lodge to be transferred (proxied) to the Worshipful Master of that Lodge. Further that should the Worshipful Master of a Lodge be unable to attend the Grand Lodge Session he may proxy his 3 votes to any Master Mason of his Lodge or of his District except that a member may only proxy for one Lodge, and

Further, that the date and time for the 210th Annual Grand Lodge Session, which has been set by resolution for April 24, 2021 is hereby suspended and the new date for the 210th Annual Grand Lodge Session be set on May 8, 2021.

REPORT OF THE GRAND SECRETARY

The Year that Was

The novel Corona Virus, COVID-19, has upended our country, indeed the world, and without a doubt, none of us truly appreciate all the effects it has on our lives, our plan, and our activities.

We receive many inquires each day about our scheduled Grand Lodge session. Most are wondering if we will be forced to have a session as we did last year or will we be able to, somehow, meet in person to conduct the business of our Grand Lodge.

None of us wants our lives and plans upended and to have to change plans at the last moment. This usually does not end very well. However we must be cognizant that COVID is still here. Although there seems to be some progress of slowing the spread due to precautions of wearing masks, safe social distancing, ensuring our hands are properly sanitized, and other common sense items now is not the time to quit being vigilant.

The several vaccines that are becoming more widely available offer hope that in the not to distant future we may start getting back to a "more normal" life (whatever that means) sooner rather than later.

Given all the "change" that we, as a Fraternity, have been faced with we have, in most cases, faced those challenges and overcome the obstacles put in our path. These "adjustments" caused us to, per the Handbook of Masonic Law, hold a Grand Lodge election by mail in ballot and a truncated session with only the elected Grand Lodge officers and PGMs as the voting delegates. Although this portion of the HOML was well intended to give us a tool to operate with during an emergency it certainly is not an ideal system.

Remember March 2020? COVID numbers quickly increased and blanketed the state of Louisiana and indeed our nation. Our state government placed restraints on meetings and Lodges were shuttered for a number of months. The thought was if we could just get to the summer months the heat would kill off the virus and things would be normal again. Well, that did not happen in fact the summer months saw a surge in the number of cases. We managed to reopen Lodges but only with severe restrictions.

We managed to hold the previously mentioned Grand Lodge session however none of the resolutions submitted were acted on. The election process left us without a Grand Junior Warden. Really about the only thing we accomplished was an orderly progression of power from one administration to the next. We were thankful for that bit of normalcy.

As summer progressed to fall the infection rates waned and then spiked time and again. It became clear that there would be no "silver bullet" or quick fix for this COVID-19 ailment.

Your Grand Lodge officers have considered many options, given our COVID restrictions, on how to conduct a Grand Lodge session. We looked at the idea of using a virtual video meeting platform, as these have become so popular, and for a while it was felt this must be the way to go. We leaned on our IT Committee to discuss the details of conducting this sort of session.

We spoke with District Deputy Grand Masters at various locations throughout the state to suggest potential locations where members could gather with thought on the size so as to address safe social distancing. We also needed to determine the availability of high-quality internet access.

REPORT OF THE GRAND SECRETARY

Our internal IT team mapped out remote sites, but in the course of doing this they agreed there would be technical issues which would have to be overcome. We looked at multiple paths to work through these technical issues. We used resources from inside the Fraternity and vendors outside of the Fraternity. After exploring this with the committee, and others, we came to a conclusion that this would not work the way we envisioned because there were unresolvable technical glitches that would cause unacceptable numbers of Brothers to be disenfranchised. Another factor that was considered is that our Grand Lodge has always been built on the connections between our Brothers and that we would lose this part of the experience through utilizing the available technology.

Given the loosening of restrictions in the past few weeks we are hopeful that we can structure a limited, in person, session which may see the Worshipful Master, or his proxy, bring all three votes of the Lodge. This will reduce the number of delegates in attendance by almost two thirds. As of this writing the limit for gatherings is 250 people. We are working with the State Fire Marshals office to increase that to a maximum of 400 (for this one event) to accommodate the number of folks we would have. We must present a plan that shows we have enough space available for safe social distancing. We are confident that we can accomplish that and we are optimistic that the plan will be approved.

Assuming that all of this comes together as planned we are looking at May 8, 2021 as the date for a one day, limited attendance, Grand Lodge session. Please bear with us as we work through the details and pray that we have the energy and foresight in order to accomplish the task.

Peace be with you Brothers and please pray for our gentle craft.

To the Board of Directors of The Grand Lodge of Louisiana F. & A.M.
Alexandria, Louisiana

We have reviewed the accompanying financial statements of Masonic Home Educational Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, change in net assets, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

MASONIC HOME EDUCATIONAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Note 1 – Summary of Significant Accounting Policies

Organization

Masonic Home Educational Foundation, Inc. (The Foundation) is a nonprofit organization organized under the laws of the State of Louisiana. The Foundation was established for the purpose of providing funds to college students and the use of its earnings is restricted to this purpose. The Scholarship Committee of the Board of Directors reviews and selects applicants for assistance.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Foundation and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Foundation. Generally, the donors of these assets permit The Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Foundation is not classified as a “private foundation” by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Foundation would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 – Fair Value Measurement

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

MASONIC HOME EDUCATIONAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

- Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.
- Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.
- Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity’s own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2020 are as follows:

<u>Description</u>	<u>Fair Value Measurement at September 30, 2020 Using</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$ 59,144	\$ 59,144	\$ -	\$ -
Investments	\$ 3,771,636	\$ 3,771,636	\$ -	\$ -

Note 3 – Investments and Marketable Securities

The Foundation has three investment accounts held at two national investment companies. The accounts have investments in several different marketable securities and cash investments.

Investment income for 2020 is summarized as follows:

Interest and Dividends	\$ 161,344
Realized gain/(loss)	105,643
Unrealized gain/(loss)	2,587
Total Investment Income/(Loss)	\$ 269,574

Note 4 – Concentration of Credit Risk

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

Note 5 – Income Taxes

The Foundation’s tax returns for the years ended September 30, 2018 through September 30, 2020, remain open and subject to examination by taxing authorities.

Note 6 – Related Party Activity

The Foundation is governed by a Board of Directors which is comprised of some of the same individuals which serve as Board Members of Grand Lodge of Louisiana, Inc., Masonic Learning Center, Inc and Masonic Library Museum, Inc. The rent and payroll expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Masonic Home Educational Foundation, also received \$22,923 of support from Grand Lodge of Louisiana F & AM. As of the September 30, 2020, The Foundation owed Grand Lodge of Louisiana F & AM \$0.00.

Note 7 – Subsequent Events

The Foundation has no material subsequent events that would require disclosure. Subsequent events have been evaluated through February 4, 2021, which is the date the financial statements were available for issuance.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. MASONIC LEARNING CENTER, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Note 1 – Summary of Significant Accounting Policies

Organization

Masonic Learning Center of LA, Inc. (The Center) is a nonprofit organization organized under the laws of the State of Louisiana. The Center was established for the purpose of providing assistance to students by funding educational expenses related to dyslexia training for students at the elementary school level.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Center. Generally, the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Investments

Accounting for Fair Value Measurements (FASB ASC 820-10-50-1) requires disclosures of financial assets and liabilities that are re-measured at fair value at least annually. FASB ASC 820-10-50-1 establishes a three tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Income Taxes

The Center is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Center is not classified as a “private foundation” by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Center would be required to purchase these services if donated services were not available.

The Center uses various locations to implement the dyslexia program. Many of these locations are other non-profit organizations. The fair value of the use of these locations has been determined by management to be immaterial. Accordingly, no non-cash support for the use of these locations is recorded in these financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

MASONIC LIBRARY/MUSEUM FOUNDATION OF LA., INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Note 1 – Summary of Significant Accounting Policies

Organization

Masonic Library/Museum Foundation of Louisiana, Inc. (The Museum) is a nonprofit organization organized under the laws of the State of Louisiana. The Museum was established for the purpose of preserving records, artifacts and memorabilia concerning the Fraternity of Masonry in general and Louisiana Masonry in particular, and to display items of history and masonic history to present time.

The Museum currently displays and preserves items on loan from the Grand Lodge of Louisiana. The Museum does not own any of the artifacts and memorabilia that it houses. The loan of items is indefinite and will remain in effect until the Grand Lodge of Louisiana or the Museum ends the agreement.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as with donor restrictions and without donor restrictions.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. Contributions of fixed assets or resources to purchase them are reported as with donor restrictions. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the period as the contribution is received, the revenue is shown as without donor restrictions.

Financial Statement Presentation

The Museum is required to report information regarding its financial position and activities according to two classes of net assets (without donor restrictions and with donor restrictions) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as support without donor restrictions or with donor restrictions, depending upon the existence and/or nature of any donor restrictions.

Income Taxes

The Museum is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Museum is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Museum would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 – Fair Value Measurement

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, "Fair Value Measurements" fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

MASONIC LIBRARY/MUSEUM FOUNDATION OF LA., INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 - Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to fair value measurement. Fair value of assets measured on a recurring basis at September 30, 2020 are as follows:

<u>Description</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$ 7,369.76	\$ 7,369.76	\$ -	\$ -
Investments	\$ 161,640.50	\$161,640.50	\$ -	\$ -

Note 3 - Investments and Marketable Securities

The Museum has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2020 is summarized as follows:

Interest income	\$ (3,558.86)
Realized Gain	0
Unrealized Loss	<u>(19,685.24)</u>
Total Investment Income/(Loss)	<u>\$ (23,244.10)</u>

Note 4 - Endowment

Net assets with donor restrictions include of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educational Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence or absence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Museum and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Museum.
7. The investment policies of the Museum.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Museum to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2020.

The Museum has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Museum has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Museum's investment policy.

GRAND LODGE OF LOUISIANA F. & A.M.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Note 1 – Nature of Activities and Significant Accounting Policies

Nature of Activities

The Grand Lodge of Louisiana F. & A.M. (The Lodge) was established as a Fraternal Organization.

The Lodge has several funds which are included in these financial statements. The funds and purposes are listed below.

Fraternal - This is the C-10 fraternal that directly services membership. The membership dues flow in and expenses are paid for membership purposes. Most of the payrolls come out of this account.

Service Committee - This is the "store" that has all the Masonic items that can be purchased. Inventory is its biggest asset and physical inventory is taken once a year at year end.

Charities and Benevolence - These are monies collected from Lodges to help out the other Lodges in need.

Charities and Benevolence Fund A - This fund was set up to help former employees and associates of Grand Lodge.

Special Purpose - This fund was set up to collect and pay monies for Masonic conferences, etc. A certain amount is transferred from the Fraternal each year to help with the cost of conferences for members.

LA Freemason - This is the publication put out by Grand Lodge on a semi-annual basis. Part of the dues sent to Grand Lodge includes an assessment from the members to defray the cost of publishing the magazine. That assessment is transferred to LA Freemason each year after the dues come in.

Disaster Fund - This fund was for members to contribute to when there is a disaster. For example, when Hurricane Katrina hit in 2005, money was donated and used to aid victims of the hurricane.

Thibodaux Cemetery - This is a cemetery owned by The Lodge in Thibodaux, LA.

Masonic Cemetery - Located in New Orleans, this cemetery is funded by monies received from families of those buried there and from the income of these investments. These funds are used to maintain the cemetery

Perpetual Membership - This program was started so members can pay a onetime fee and not have to pay annual dues. Grand Lodge uses the income from the principal invested to pay the local lodge dues for that member.

Masonic Endowment - These monies were donated over the years so that charitable causes could be funded.

GRAND LODGE OF LOUISIANA F. & A.M.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Masonic Home Endowment - These monies were donated as 501 (c) (3) for purposes of paying expenses for the care of the children when the home was operated as a children's home. Since the Home has closed, the income from the endowment goes to the Masonic Learning Center (dyslexia program) and the other ½ to the Masonic Home Education Foundation to fund scholarships.

Masonic Charities - This is the old "Masonic Home for Children." Back in 1996, the C-3 funds (those given to the home as charitable donations) & C-10 funds (those given to the home by Grand Lodge) were split. The C-3 funds are used for charitable purposes. The C-10 funds are used for fraternal membership purposes.

Significant Accounting Policies

Significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as with donor restrictions and without donor restrictions.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. Contributions of fixed assets or resources to purchase them are reported as with donor restrictions. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the period as the contribution is received, the revenue is shown as without donor restrictions.

Promises to Give

The Lodge does not engage in any fund-raising activities and does not receive any pledges. Accordingly, no such activity has been recorded in these financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Financial Statement Presentation

The Lodge is required to report information regarding its financial position and activities according to two classes of net assets (without donor restrictions and with donor restrictions) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as support without donor restrictions or with donor restrictions, depending upon the existence and/or nature of any donor restrictions.

Income Taxes

The Lodge is a not-for-profit organization that is exempt from income taxes under Section 501 (c) (10) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements. In addition, the Lodge has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

Cash and Cash Equivalents

Cash and cash equivalents represent bank deposits and highly liquid investments with original maturities of three months or less.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt and equity securities are valued at their fair value in statements of financial position. Unrealized gains and losses are included in the change in net assets.

GRAND LODGE OF LOUISIANA F. & A.M.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended September 30, 2020

Functional Allocation of Expenses

The cost of providing the Lodge's programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited.

Other support services include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Lodge.

Compensated Absences

The Lodge has no policy relating to compensated absences. The compensated absences are not material to the financial statements as of September 30, 2020.

Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as contributions with donor restrictions. Property and equipment are depreciated over their useful lives using the straight-line method. Useful lives are determined by IRS regulations.

Note 2 – Fair Value Measurements

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, "Fair Value Measurements" fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to fair value measurement. Fair value of assets measured on a recurring basis at September 30, 2020 are as follows:

<u>Description</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$ 1,830,111	\$ 1,830,111	\$ -	\$ -
Investments	\$ 18,126,376	\$ 18,126,376	\$ -	\$ -

Note 3 – Investments

The Lodge has several investment accounts with several national investment companies. The accounts are invested in several different marketable securities and cash investments.

Investment income for 2020 is summarized as follows:

As of September 30, 2020, there were payables to two of the other Masonic entities. The amount due to the Masonic Learning Center, Inc. is \$545,870, and the amount due to Masonic Home Educational Foundation is \$126,531.

Note 7 – Restrictions on Net Assets

The Lodge has a program (Perpetual Membership) where a member can pay a lump sum amount for a lifetime membership. This can also be paid in installments. The earnings from the lump sum and/or installments are transferred to the lodges each year in order to pay that member's dues. These funds have been set aside in investment accounts which, as of September 30, 2020, total \$4,879,840.

The Lodge has certain net assets that are with donor restrictions. These assets are comprised of contributions made to the endowment funds of the Lodge, the income from which has been used to fund certain charitable purposes. The net assets in these endowment funds are restricted by its original donors to endow these aforementioned purposes. The two endowment funds are the Masonic Endowment and the Masonic Home Endowment. Details of the endowment funds can be found in Note 8.

Note 8 – Endowment

Net assets with donor restrictions include of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educational Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence or absence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Lodge and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Lodge.
7. The investment policies of the Lodge.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Lodge to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2020.

GRAND LODGE OF LOUISIANA F. & A.M.

Amounts appropriated for expenditure	<u>-</u>
Endowment net assets, September 30, 2020	<u>\$ 2,921,049</u>

Note 11 - Concentrations of Credit Risk

Financial instruments that potentially subject the Lodge to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make investments less valuable.

The Lodge maintains cash balances with national and regional banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2020 cash on deposit that was in excess of the federally insured limits was \$72,191.

Accounts receivables are immaterial, and therefore no consideration was made to the concentration of their credit risk.

Note 12 - Collections

The museum also contains memorabilia from the old Masonic Home for Children which operated from 1923 until 1994 as a home for needy children. It includes such things as an old dentistry chair from the infirmary as well as musical instruments from the old band formed in the 1920s at the Home. Files are kept of former residents for genealogical tracking.

THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE(cont)

The Committee notes that the Governor of the State of Louisiana, pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, LSA-R.S. 29:721 et seq., declared a Public Health emergency on March 11, 2020 in response to the threat posed by COVID-19, and by subsequent Proclamations deemed necessary for the health and safety of its citizens, instituted Phase I, prohibiting or severely curtailing assemblies (see 2020 report for early details).

Subsequent to the limited Grand Lodge Session held June 27, 2020, and our Grand Master Steen issued a directive on July 14, 2020, allowing stated meetings and degree conferrals, with meals all with guidelines, for local lodges.

On August 14, 2020, Our Grand master issued **Edict 2020-3**, extending the “315-day count down (year) between degrees” to coincide with the last day of the next Annual Grand Communications, and on the same date, issued a directive allowing District Lodges to meet, with stated restrictions.

On January 13, 2021, our Grand Master Steen issued **Edict 2020-4**, suspending any statewide assemblage of the Craft, and allowing local or regional assembly’s but requiring all in attendance to wear masks at all times, practice social distancing, and prohibiting serving of food.

Edict 2020-5, issued February 23, 2021, extended the 60 day deadline in which to submit resolutions for consideration which was designated as February 23, 2021, to March 1, 2021.

Pursuant to Governor J. B. Edwards Proclamation moving from Phase 2 to Phase 3 by Executive Order dated March 3, 2021 loosening previous restrictions on assembly, Grand Master Steen issued **Edict 2020-6**, permitting Statewide assemblages of the Craft with strict compliance with the Governor’s Executive Order; allowing regional and local assemblages only so long as all in attendance wear masks, any food and drink be served by designated server(s), and social distancing rules are followed, replacing Edict 2020-4.

Edict 2020-7, dated March 14, 2021, acknowledging the limitations of the Governor’s Executive Order on assemblages, and in order to permit a Grand Lodge Session that will allow for the maximum number of delegates to conduct the business of our Grand Lodge, modifies Article V, Section 5 of General Regulations, HOML to cause the three votes of each Lodge to be voted by its Worshipful Master or his designee who shall be Master Mason of his Lodge, or in his District if necessary, except one may only proxy for one Lodge.

Edict 2020-7 also changes the date and time for the 210th Annual Grand Lodge Session, previously set by Resolution for April 21, to May 8, 2021 at Alexandria, Louisiana.

V.

RESOLUTIONS

Resolutions timely filed, to be considered, along with No. 2019-10 and all 2020 resolutions timely filed, at this Grand Communication, are:

RESOLUTION NO. 2021-1 Proposes to amend Digest of Edicts, LODGE MEETINGS AND ACTIVITIES to allow the W. M., at his discretion, to open and conduct business in any degree, in regular or special communications; provided all non-Master-Masons may attend but will not be afforded enumerated rights and/or privileges of Master Masons during said meeting.

Current law requires a Lodge be opened on the Master Mason Degree to transact business.

Your committee notes passage may have a chilling effect on recitation of catechisms and advancement of candidates.

As the adoption of this resolution would amend Digest of Edicts, LODGE MEETINGS AND ACTIVITIES, and also Constitution, Art. VII, Sec. 2, (p. 7, HOML), which provides "The constituent Lodge shall be composed of those named in their Charters, and such brothers as they shall admit by regular affiliation, or shall raise to the sublime degree of Master Mason", it must be received by a favorable vote of a majority of a quorum, lay over to the next Annual Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION NO. 2021-2: Proposes to amend the requirements for Perpetual Membership to Codify Edict 2020-1. This is a resubmission of Resolution 2020-2, and they should be considered at one and the same time.

As this resolution proposes to amend Digest of Edicts, PERPETUAL MEMBERSHIP, page 100, paragraphs B and D, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

2021

THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE (cont)

RESOLUTION 2021-3: Proposes to amend Constitution, Article VII, Section 3, to provide no Brother can be elected Worshipful Master of the Lodge unless he has been a Master Mason for a minimum of five years, served as a Warden, and has at least a Level One Certificate or has shown suitable proficiency in all three degrees.

Current law requires one to have served as Warden to be elected Master.

As the adoption would amend the Constitution, Article VII, Section 3, it must be received by a favorable majority vote of a quorum, lay over to the next annual communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2021-4: Proposes to amend Constitution, Article IV, Section 3, to provide in those instances when competent authority prohibits the assembly of persons in numbers sufficient to provide a quorum of Grand Lodge, the required ballot, whether printed or electronic, contain the name of the candidate who has been recommended by a majority vote of Past Grand Master.

Current law makes no provision for electronic balloting, or for nomination or election of Grand Junior Warden under these circumstances.

As the adoption would amend Constitution, Article IV, Section 3, paragraphs 4 and 5, it must be received by a favorable majority vote of a quorum, lay over to the next annual communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2021-5: Proposes to amend Constitution, Article VII, Section 3, to provide that no Brother can be elected Master of a Lodge unless he has served as Warden and obtained at least a Level One Proficiency card, excepting only Masters of Lodges operating under the Scottish Rite Ritual from the proficiency requirement.

As the adoption would amend Constitution, Article VII, Section 3, it must be received by a favorable majority vote of a quorum, lay over to the next annual communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2021-6: Proposes the provisions for examination for Certificate of Proficiency Digest Edicts, CERTIFICATE OF PROFICIENCY, Sec. F(1) p. 73 b, to allow a candidate for a Level One Certificate to be examined by a committee composed of three, two of which must hold at least a current Level One Card, and the third, who shall be chairman, must hold a Level Three Certificate. The provision allowing a District Grand Lecturer to examine and certify a candidate for Level One Certificate singly, in his official capacity, is retained.

A provision to allow Master Masons to observe is included, but superfluous.

As the adoption of this resolution would amend the Digest of Edicts mentioned above, it must be received by a favorable majority vote of a quorum, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2021-7: Proposes to amend Digest of Edicts, CERTIFICATE OF PROFICIENCY, to change the requirements for a gold certificate for proficiency in the Work for life to ten years of proficiency at Level Three and standing for the sixth examination, and further providing all current holders of Gold Certificates of Proficiency, based on the current twenty-five year proficiency requirement, be issued a Platinum Certificate of Proficiency.

As the adoption of this resolution would amend the Digest of Edicts mentioned above it must be received by a favorable majority vote of a quorum, lay over from session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2021-8: Proposes to cancel and to remove in its entirety the MASTER RITUALIST PROGRAM, Digest of Edicts, page 97, HOML.

As the adoption of this resolution would amend the Digest of Edicts mentioned above, it must be received by a favorable majority vote of two-thirds of a quorum of delegates.

RESOLUTION 2021-9: Proposes that Widow Sons Louisiane, a motorcycle riding association, be made an appendent body of the Grand Lodge of Louisiana.

2021

**THE REPORT OF THE COMMITTEE ON
MASONIC LAW AND JURISPRUDENCE (cont)**

Your Committee notes that HOML makes no provision for requirements for status as an appendant body, which by custom and practice has included Shrine Temples, Scottish Rite Bodies, York Rite, Grottoes, Order of DeMolay, International Order of Rainbow Girls, Order of the Eastern Star, Order of the Amaranth, Inc. and Daughters of the Nile, all of whom have their own rules and regulations.

We also note the current existence of Louisiana Motorcycle Lodge No. 13.

As the adoption of this resolution would amend the Digest of Edicts, AUTHORIZED GROUPS OF MASONS, it must be received by a favorable majority vote of a quorum, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

Respectfully submitted,

Lloyd E. Hennigan, Jr., PGM
Chairman
Law & Jurisprudence Committee

THE BOARD OF TRUSTEES FOR MASONIC CHARITIES REPORT
ANNUAL REPORT

M:W: Grand Master, Grand Lodge Officers and Brethren:

The Board of Trustees For Masonic Charities is responsible for the management of funds derived from investments, bequeaths, contributions and donations. This Board is a charitable entity and must abide by specific requirements and regulations to maintain it's tax exempt status as a 501(C)3 organization as directed by the Internal Revenue Service.

It is important that each Mason in Louisiana know there must be a clear separation of the 501(C)3 charitable, tax exempt and deductible funds and the 501(C)10 funds and assets used to operate our Grand Lodge. The funds must be kept in separate accounts and not co-mingled for any reason. To maintain our 501(C)3 status The Board must solicit and seek funds from outside of our Masonic Fraternity, in conjunction with the donations and bequeaths derived from our membership.

The Board has devised a Business Plan to assist in the growth of assets for Mason Charities. We feel that the full implementation of this plan will provide increased funding and growth for the various charities supported by Masonic Charities.

The Board has an Investment Committee which oversees the monthly operations of our Investment Management Company. The Investment Committee and Management Company reports at the Boards quarterly meetings on the status of our investments and advises the Board on any changes that need to be made to maximize our return on investment. The Board of Trustees for Masonic Charities has approved an investment plan that dictates the investment policies and parameters which the Investment Management Company must use as a guide for our investments. In 2020, our investments out performed most of the market indicators and we had a gain in relation to the previous year.

The Board of Trustees for Masonic Charities thanks all of the Louisiana Masons for their donations and bequeaths in 2020.

REPORT OF THE COMMITTEE ON STATE OF THE ORDER

Your Committee on State of the Order has reviewed the Grand Master's address for 2020-2021. Most Worshipful James E. "Jimmie" Steen, GM, came into the office with the COVID-19 epidemic at one of the most difficult times in our Fraternity's history. He has been as active as legal authority would permit this year in visiting and attending to the affairs of the Grand Lodge. In his address to the Grand Lodge, Brother Steen has well described the procedure that he has had to follow during this year as our Grand Master. This committee commends him on the several edicts he has issued to conform to mandates issued by Governor Jon Bel Edwards. Portions of the report, if needed, have been referred to the proper committees. The committee is appreciative of Brother Steen for his service as our Grand Master, again for his dealing with the COVID-18 pandemic and the management of Grand Lodge affairs.

HISTORY COMMITTEE REPORT

To the Most Worshipful Grand Master, Officers and Brethren of the Grand Lodge of Louisiana, F. & A. M. This Committee thanks the Grand Master and Brethren for allowing us to serve the Grand Lodge.

This Committee continues to work and assist the Lodges of Louisiana encouraging each Lodge to create and maintain their history. There is so much history in each Lodge that needs to be captured for future generations. Each Lodge has its own individuality, i.e. its origin, name, furniture, papers, etc. This information should be used for the education of its members and future generations. Our Committee stands ready to assist all Lodges in preserving our rich history.

Again, Brethren, this Committee thanks you for allowing us to be of service to our Grand Lodge.

INSURANCE COMMITTEE REPORT 2020-2021

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

The following is submitted on behalf of the ad hoc "Insurance Committee." The committee currently consists of Brothers James "Chuck" Morgan III, P.M., Jay W. Owensby, P.M., H. George Scanlan, Jr., P.M., and MW Woody Bilyeu, Grand Secretary. The committee met by telephone in October 2020 to discuss identifying several brokers/agents for the Grand Lodge to request insurance quotes for the renewal of Grand Lodge coverages. Ms. Mary Farmer discussed these recommendations with Brother Morgan and same were contacted. The renewal of appropriate coverage was completed through the current agent and with current carrier. There have been no other meetings of the committee this past year. No insurance issues have been referred to the committee during this past year. Quotes for coverage can be obtained by individual Lodges through the Grand Lodge website

The "Insurance Committee" continues to strongly urge each member Lodge to review its current property and liability coverage to ensure that same is in place, and is adequately covering your risks. Even if the Lodge is only renting space in a building owned by someone else, care should be taken to see that the Lodge furnishings are covered in case of loss, and that proper liability coverage is being maintained. Each Lodge should be aware of whether or not its property is in a flood zone, and if so, to purchase proper flood coverage.

Respectfully & Fraternaly Submitted,

James H. "Chuck" Morgan III, P.M., Chairman

BOARD OF TRUSTEES FOR THE MASONIC LEARNING CENTER OF LOUISIANA

M. W. Grand Master and Brethren:

This was an unprecedented year for the Masonic Learning Center with the COVID-19 Pandemic in the spring of 2020. Due to school closures and the COVID-19 guidelines, many Lodges graciously offered space and supplies for classroom instruction since classes could not be held at local schools during the summer.

The Masonic Learning Center was eligible for a Paycheck Protection Program (PPP) loan, for which we applied and were approved in the amount of \$23,800.00. The funds were used in full to pay teachers prep time or both prep and teaching time. The funds enabled us to pay prep time for teachers that were unable to secure a place for instruction. Most teachers were able to resume teaching due to Lodges opening up a place for class instruction; therefore, they were paid prep and teaching time. Having met the criteria and requirements of the PPP Loan Program, our loan was forgiven by the United States Small Business Administration (SBA).

The Board of Trustees for the Masonic Learning Center of Louisiana is pleased to report that 2020 was a successful year for your principle philanthropy. Under the administration of Sharon McCaskill, the Masonic Learning Center has continued to assist two primary age groups with educational and training services addressing Dyslexia. The following data is an overview of this work:

- 110 students served
- 27 classes offered
- 12 communities served
- 27 teachers employed
- 8 Masonic Districts served
- Total spent \$230,536.90
- Average budgeted cost per student \$2,095.77
- Donations received \$39,426.96

The Board is grateful to have the support in the way of time, talent, and treasure that so many of the brethren contribute in working with our local classes. The great success we enjoy is not so much what this Board does, but what you do to help our children overcome dyslexia today, to become the leaders of tomorrow. We welcome all lodges, but more particularly, all Masons in Louisiana to take an active role in this philanthropy. The rewards will remain in your heart for eternity.

Sadly this year we lost Dr. I. C. Turnley Jr., P.G.M. He was a charter member of Masonic Learning Center incorporated and remained actively involved. We are grateful for his contribution and dedication to serving the needs of children with dyslexia. He will be greatly missed.

Respectfully submitted,

REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS

Chairman: W: Michael R. Poll, PM

Members: M:W: Clayton J. "Chip" Borne, III., PGM, M:W: Woody D. Bilyeu, PGM, GS

To the Most Worshipful Grand Master,

The following is the Report for the Committee to Study the Regularity of Unrecognized Masonic Organizations.

Most Worshipful Sir, your committee wishes to thank you for the opportunity to serve for the past 12 months in the continuing study of unrecognized Masonic Organizations.

Your committee, as directed by you, attempted to examine those unrecognized Masonic Organizations within the state of Louisiana with the goal of better understating their nature and history. As the committee Chairman, I submit this report.

In the state of Louisiana, we have found the following:

From all appearances, The M:W: Prince Hall Grand Lodge of Louisiana (PHA) continues to operate from its headquarters in Baton Rouge, Louisiana. No working website can be found for this Grand Lodge. However, several of the district lodges of the M:W: Prince Hall Grand Lodge have their own separate websites and those can be accessed. Dr. Ralph Slaughter is still listed as the Grand Master of the M:W: Prince Hall Grand Lodge of Louisiana. This committee does not dispute the findings of the majority of Grand Lodges in the United States and their acknowledgment of the regularity of Prince Hall Masonry in general. The M:W: Prince Hall Grand Lodge of Louisiana is, however, a unique organization in that it does not enjoy Fraternal Relations with all of other Prince Hall Grand Lodges in the United States due to practices found to be unacceptable to Prince Hall Masonry and Freemasonry as a whole. The Grand Master of this body also appears to have self-created a Supreme Council of the AASR. No request for recognition has been made from this body. It is hoped that this body can solve its internal problems so that it may join the Masonic family.

The Most Worshipful National Grand Lodge Free and Accepted Ancient York Rite Masons (also referred to as Prince Hall Origin as well as Compact Masons) has its headquarters reported to be at present in Uniondale, NY and Lee Singleton is listed as their National Grand Master. In Louisiana (as well as a number of other jurisdictions) a "state" Grand Lodge (or, Grand Lodge Affiliate) exists in Alexandria with Larry Piper listed as Grand Master. These state Grand Lodges are not sovereign and independent bodies and operate similar to Provincial Grand Lodges under the jurisdiction of the National Grand Lodge. Neither the National Grand Lodge nor their state Grand Lodges are found to be regular by Mainstream or PHA Masonry. More information about Prince Hall Origin can be found at www.mwnationalgrandlodge.org.

The Supreme Council of the Thirty-Third Degree of the Ancient and Accepted Scottish Rite of Freemasonry of the State of Louisiana, Inc. commonly referred to as the Supreme Council of Louisiana, is an active and functioning body. It is under the direction of the Most Powerful Sovereign Grand Commander Eddie L. Gabriel, Sr., 33°. In 2016 or 2017, they elected a new line of officers and have Grand Consistories and Consistories in various areas of the United States. It should be noted that until the mid-1850's we shared a common Scottish Rite history with this organization. On page 22 of the 1847 Proceedings of the Grand Lodge of Louisiana is written of this supreme council, "The Supreme Council regularly constituted according to the Scotch Rite, is in friendly and fraternal correspondence with the Grand Lodge of the State of Louisiana, and foreign Grand Orients; and the members of the Sup.: Council are all officers and members in activity of the Grand Lodge." The 1847 Proceedings show M.:W.:Bro.: Jean F. Canonge, PGM serving as their Sovereign Grand Commander and M.:W.:Bro. John H. Holland, PGM (among others) as a Sovereign Grand Inspector General. During our history, Etoile Polaire No. 1, Perseverance No. 4 and Cervantes No. 5 (working then under the name Los Amigos Del Orden) and others have passed under the jurisdiction of the Supreme Council of Louisiana for periods of time. By the standards of ritual work and origin, this does operate as a regular supreme council of the AASR. But as this council works today in the complete 33 degrees of the AASR, it presents a challenging situation as far as recognition.

How does a Grand Lodge enter into "friendly and fraternal correspondence" with a Supreme Council of the AASR which controls craft lodges? A quick answer may not be in anyone's best interest. The Grand Lodge of Louisiana enjoyed "friendly and fraternal correspondence" with the Supreme Council of Louisiana from its creation in 1839 until 1850. Every single member under the jurisdiction of the Supreme Council of Louisiana prior to 1850 was also a member of a craft lodge under the jurisdiction of the Grand Lodge of Louisiana. This would include every Sovereign Grand Commander (save the very first), every Officer, and every SGIG of the Supreme Council of Louisiana from 1839 until 1850.

REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS (Cont)

A bit of Louisiana Masonic history is in order.¹

The Supreme Council of Louisiana at its creation, and until 1850, worked from the 4th degree to the 33rd, as do other Supreme Councils in the US. Upon its creation, the Supreme Council of Louisiana honored an 1833 concordat between the Grand Consistory of Louisiana and the Grand Lodge of Louisiana. This concordat agreed that the Grand Consistory of Louisiana would not work in the craft degrees of Freemasonry as long as the Grand Lodge accommodated all rituals worked by lodges under its jurisdiction, including the Scottish Rite. In response, the Grand Lodge of Louisiana gave assurance that it would accommodate the York Rite, Scottish Rite, and French or Modern Rite craft lodge rituals as worked by lodges under its jurisdiction. It also created a supervisory body known as "the Chamber of Rites" to supervise the three rituals.

In 1844, the Grand Lodge of Louisiana approved a new Constitution officially recognizing and approving three craft rituals to be worked in Louisiana — the York Rite, Scottish Rite, and French or Modern Rite rituals. It was during this time that Etoile Polaire Lodge #5 requested and received the first Scottish Rite charter from the Grand Lodge to become Etoile Polaire Lodge #1. Long held cultural differences between New Orleans French-speaking and English-speaking Masons flared up into hostilities. The English-speaking Masons, by far, belonged to York Rite craft lodges and desired that Louisiana follow the practice of the balance of US Grand Lodges by allowing only one craft ritual (York Rite) and one language (English). In addition to Louisiana lodges working in three different rituals, the lodges also worked in five different languages (French, English, Spanish, Italian and German). This was felt to be wholly unacceptable to the English-speaking Masons. A group of York Rite/English-speaking Masons petitioned the Grand Lodge of Mississippi for relief in 1846. This group felt that the 1844 Constitution of the Grand Lodge of Louisiana altered the Grand Lodge into a body that was no longer an Ancient York Rite Grand Lodge. The decision was made to sever their association with the Grand Lodge and organize themselves into what they felt was proper York Rite Masonry. The Grand Lodge of Mississippi heard their petition for relief and in 1847 declared Louisiana to be open territory without a legitimate Grand Lodge and chartered two lodges in the city of New Orleans. By the following year, the Grand Lodge of Mississippi would charter a total of seven lodges in and around New Orleans. These seven Lodges would unite to form the Louisiana Grand Lodge of Ancient York Masons on March 8, 1848. The Grand Lodge of Louisiana declared this new Grand Lodge to be irregular and severed relations with the Grand Lodge of Mississippi. Most US Grand Lodges denounced Mississippi's action and no Grand Lodge, except Mississippi, recognized the new Louisiana Grand Lodge as regular. New Orleans attorney, John Gedge, who spearheaded the York Rite craft movement, would serve as Grand Master of the Louisiana Grand Lodge of Ancient York Masons.

By 1849, the Grand Lodge of Louisiana realized that profound and intolerant cultural differences in New Orleans, as well as a growing English-speaking population could mean the death of the Grand Lodge of Louisiana. The decision was made to enter into negotiations with the Louisiana Grand Lodge of Ancient York Masons. The result of these negotiations was an 1850 merger of the Grand Lodge of Louisiana and the Louisiana Grand Lodge of Ancient York Masons. The merger was, in fact, more of a takeover by the Louisiana Grand Lodge of Ancient York Masons. The policies that inspired the break away from the Grand Lodge were then put into place by the new Grand Lodge. All non-York Rite lodges were told to turn in their charters for new York Rite charters. The new Grand Lodge would be York Rite and English-speaking.

The French-speaking New Orleans Masons flew into rage at the turn of events in the Grand Lodge. They had believed that the merger and new 1850 Constitution would be a move towards the accommodation of both sides and not a total loss of the nature of the 1812 Grand Lodge. Charges of trickery abounded. Two French-speaking lodges (Etoile Polaire and Disciples of the Masonic Senate) and a Spanish-speaking lodge (Los Amigos del Orden) applied to the Supreme Council of Louisiana for relief. The charge against the new Grand Lodge was a violation of the 1833 Concordat between the Grand Lodge and Grand Consistory. The Grand Lodge was no longer accommodating the work of all of their lodges. After some consideration of the situation, the Supreme Council of Louisiana (with a number of its Active Members being Past Grand Masters of the Grand Lodge of Louisiana) voted to accept the lodges under its jurisdiction as a result of the Grand Lodge's violation of the 1833 Concordat. From that date, the Supreme Council of Louisiana began working in the complete 33 degrees of the AASR.

In the years that followed, Louisiana Masonry was in a state of turmoil. Masons and lodges passed back and forth between the Grand Lodge and Supreme Council of Louisiana. The Yellow Fever epidemic of 1852-53 decimated the Grand Lodge and resulted in a softening of its headline position towards non-York Rite lodges. Some of the seemingly vindictive acts of the "new" Grand Lodge towards non-English-speaking, non-York Rite craft lodges as well as Past Grand Masters of the "old" Grand Lodge were reversed. But it would be another 20 or more years before an appearance of normalcy would return to the Grand Lodge of Louisiana. It was extremely troubled times.

REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS (Cont)

It would seem important to look at the Louisiana events in the 1850's and the events in Connecticut in the late 1980's as we may be able to draw some benefit. The Grand Lodge of Connecticut entered into Fraternal Relations with the Prince Hall Grand Lodge of Connecticut in 1989. This was the first US Grand Lodge to enter into Fraternal Relations with their Prince Hall counterpart. It must be understood that the Prince Hall Grand Lodge of Connecticut did not change their nature prior to this recognition. It had been the policy of Exclusive Territorial Jurisdiction which stood in the way of any state having more than one recognized Grand Lodge. This policy was amended upon the acknowledgement that sovereign Grand Lodges have the authority to amend or do away with even long-held policies which do not seem to be in the best interest of their Grand Lodge or Freemasonry as a whole.

The US Grand Lodge community began to realize that extenuating circumstances can affect recognition decisions. It was acknowledged that racism played a part in keeping Prince Hall Freemasonry outside of what was considered the regular Grand Lodge community as well as Exclusive Territorial Jurisdiction. It was understood that racism was not in keeping with the teachings of Freemasonry. It was also realized that the cases made against the regularity of origin and work of PHA Freemasonry were not sound. The only issue standing in the way of Prince Hall recognition in Connecticut, and most everywhere else, was the issue of Exclusive Territorial Jurisdiction. The Grand Lodge of Connecticut felt that this was a technical issue that they could resolve. The Grand Lodge of Connecticut voted in a manner that they felt was in the best interest of Freemasonry in Connecticut and in keeping with the philosophy and moral teachings of Freemasonry. It was a bold, well-considered, and wholly Masonic action.

Not every US Grand Lodge agreed with the action taken by the Grand Lodge of Connecticut in their recognition of the PHA Grand Lodge of Connecticut. A few Grand Lodges (including, sadly, Louisiana) broke Fraternal Relations with the Grand Lodge of Connecticut for a short time over this recognition. It was then realized that Grand Lodges have the right to do what they feel is best for Freemasonry in their jurisdiction and to correct past wrongs. This would be especially true if the situation involved extenuating circumstances and the actions were in accordance with the true spirit of Freemasonry.

This brings us to the situation today between the Grand Lodge of Louisiana and the Supreme Council of Louisiana. Again, how can fences be mended and "friendly and fraternal correspondence" be reestablished with a Supreme Council of the 33rd degree that controls all 33 degrees? The Supreme Council, SJUSA, as well as NMJ, and the two regular Prince Hall Supreme Councils in the US do not control craft lodges. The Supreme Council of Louisiana, itself, did not control craft degrees when it was organized in 1839. It was only because the Grand Lodge of Louisiana violated an agreement in 1850 did this Supreme Council accept the petition of relief from three craft lodges from the Grand Lodge of Louisiana that they begin working in all 33 AASR degrees.

The term "extenuating circumstances" applies to most every aspect of the Supreme Council of Louisiana. They have existed for the last 170 or more years controlling the full work of the AASR and have done so in a peaceable and Masonic manner. From all that can be seen, they exemplify every positive and true aspect of Freemasonry. Their regularity of work and origin was established in 1839 by the Grand Lodge of Louisiana. Nothing in their visible practice would suggest that anything has changed in that regard. But how does such a recognition take place? Many in the US still are not even aware that Scottish Rite craft lodges exist. Some believe that Scottish Rite craft lodges are irregular by nature. Misinformation is widespread. But it is this writers opinion that such relations would be positive for not only the whole of Louisiana Freemasonry but the whole of Freemasonry itself. It also clear that old struggles die hard. The Scottish Rite "wars" of the early/mid 1800's were long, extremely bitter, uninformed, and damaging. We must turn the page from that extremely unnecessary and unproductive chapter in Masonic history.

It would seem wise and in keeping with true Freemasonry to seriously study how "friendly and fraternal correspondence" with the Supreme Council of Louisiana, if desired, can be achieved. We should work in that direction. Their website is located at:

<https://www.supremecounciloflouisiana.org>

There are approximately 10 - 15 other smaller unrecognized Grand Lodges in and around Louisiana of varying size. It is difficult to determine the viability of most of these bodies and some may have already ceased to exist. All share unrecognized status by US "Mainstream" Grand Lodges as well as Prince Hall Masonry.

In conclusion, Most Worshipful Grand Master, we, your committee respectfully urge that all due vigilant must be taken to guard the west gate and we must fully and to the best of our ability investigate anyone who comes to doors professing to be a Master Mason with the desire to visit any of our constituent lodges.

REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS (Cont)

Most Worshipful sir, your committee wishes to thank you and the entire Grand Lodge administration and staff for all their assistance in the continued study of this sensitive subject of unrecognized Masonic Organizations.

RECEPTION OF VISITORS COMMITTEE

The Reception of Visitors Committee did not function at the 2020 Grand Lodge Session, due to the COVID-19 restrictions by elected and public health officials that limited attendance to just officers and voting delegates. As the 2021 Grand Lodge Session approaches, we are prepared to serve the Grand Lodge, should attendance be opened to visitors.

We are grateful for the opportunity to serve and look forward to the time when we may all meet in person for our Grand Lodge Sessions.

**REPORT of COMMITTEE to SUPERVISE
PUBLICATION of the LOUISIANA FREEMASON**

Since the time of the last report of this committee, The Louisiana Freemason has consistently published a weekly eEdition every Friday afternoon. No digital quarterly issues were published as there was a lack of content contributions, with what few articles that were collected being added to the forthcoming Spring 2021 printed issue, to be printed and distributed before the next Grand Lodge session, containing the submitted resolutions as in the previous printed issue from Spring 2020. The eEdition continues to receive compliment and support from the brethren, and content contribution is picking up.

An appeal for brethren in constituent lodges to appoint themselves as “media reps” for their lodges, to the Louisiana Freemason, continues to be made, and that program will develop further in 2021 for the purpose of engaging brethren on the local level and investing them with a sense of ownership in the publication.

Overall costs for the annual publication of the eEditions and the print edition were reduced once again in the 2020-21 budget, leaving a surplus of income for the year.

The Freemason will continue to be published in a digital format as content allows, with one issue per year being published in print. The digital editions are distributed via email and through various online venues. The annual printed edition is distributed via traditional mail, to Master Masons in Louisiana, and a weekly eEdition will continue to go out on Friday afternoons.

NECROLOGY COMMITTEE REPORT

The past year has been one of trial for the masonic fraternity locally, statewide, and nationally due to the emergence of COVID-19. Our fraternity has not been spared from the disease. As of the beginning of February we lost over 325 of our brothers over a period of 7 months. Not all deaths could be attributed to COVID 19, but some surely were. Multiple lodges lost several members to the disease this year; circumstances which prompted efforts by M:W: Brother Steen to take actions to minimize exposure to the disease yet allowing lodges to meet.

On November 16, 2020, our fraternity lost M:W: Brother I. C. Turnley Jr., PGM, who served us as Grand Master in 1996. He was a member of several lodges and was a moving force in Louisiana Freemasonry.

May the blessing of the Grand Master of the Universe rest upon all who have gone before us and now rest in that house not made with hands. May the light of His countenance shine upon them and give them His peace, now and forever.

Whether or not we meet in person in 2021, we owe a duty to remember those zeal for our institution have helped it to survive and prosper and may their efforts inspire us to improve Freemasonry. My thanks to the members of the Necrology Committee for their assistance in our annual observations. Their efforts make my job easier.

W. Bro. Stuart Averitt, Chairman
Necrology Committee

SERVICE COMMITTEE REPORT

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

This year, the Service Committee was unable to attend the Grand Lodge Session and the Warden’s Retreat and Training Session due to the COVID-19 Pandemic and subsequent occupancy restrictions on public venues. However, once businesses were allowed to re-open, the Service Committee continued to serve the Brethren and Lodges. The Service Committee will continue to carry Lodge supplies, forms and many other useful items and hope to grow in the ability to provide these needs in this “new normal” for the Fraternity.

As always, the Service Committee looks forward to serving the Brethren in the coming year!

Many thanks to the members of this Committee and especially to Ms. Dianne Bordelon, whose hard work and dedication makes all this possible.

LODGE SECRETARY TRAINING COMMITTEE
2020 ANNUAL REPORT

To The M:W: Grand Master, Grand Officers, and Members of the Grand Lodge of the State of Louisiana:

The year of 2020 has been an unprecedented event for all of us. The Covid-19 virus has affected just about everyone in the state. However, the duties of the lodge secretary must go on to its completion. The Secretary Training Committee has not held any open workshops around the State of Louisiana for the year of 2020 due to the restrictions and the possibility of infection. The safety and well-being of our brothers is first and foremost above anything else. However, I am happy to report that our committee has stayed in contact via telephone and e-mails with lodge secretaries who need assistance regarding petitions, file management, and seeking guidance. In addition, the very first Virtual Training Workshop was held in January of 2021 to assist any and all Masons wanting to learn more about the position of lodge secretary. The committee will continue this form of training as our brothers seek more-light. It is an honor to serve and I hope this report will be of service to the Grand Lodge for the great state of Louisiana.

BOARD OF DIRECTORS TO MANAGE PERPETUAL MEMBERSHIP

Fiscal year 2020 turned out to be good year for the Perpetual Membership Program.

1. The Board to Manage the Perpetual Membership Program manages the Perpetual Membership Funds under the rules of the Perpetual Membership Fund Investment Policy. This Policy is modeled after the Grand Lodge of Louisiana model Investment Policy. Briefly, this policy details how the Perpetual Membership funds may be invested. The principal amount of the Program is invested in Long Term Bonds (Principal Account). This Principal amount is not to be spent. The earnings from the Principal are held in a separate fund (Reserve Account) which is invested in many different types of financial instruments, primarily equities, short-term bonds, and Treasury bills. There is a third account (Cash/Short Term Account), which primarily holds very short terms instruments and cash. This account is used to pay the Blue Lodge dues payments.

The Investment Manager appointed by the Board talks with our Broker, Huddleston & Smith, at least every two weeks to review the investment strategy. Often this conversation happens several times a week if the markets warrant.

2. As of December 31, 2020, the balance of the accounts were as follows:

Principal Account:	\$4,793,477
Reserve Account:	\$ 344,483
Cash/Short Term Account:	\$ 206,042

At the close of 2020 the total of earnings for these accounts amounted to a Rate of Return of 15.17%.

In October 2020, in order to capture unrealized earnings in the Reserve Account, funds were moved from the Reserve Account to the Cash/Short Term Account which will be used to pay the Blue Lodge Perpetual Memberships in February 2021.

In January 2021, the accounts were rebalanced, money moved from the Principal Account to bring that account balance to the basis level was moved to the Reserve account, replenishing funds used from the Reserve Account in 2019 and increasing the balance of the Reserve account.

Each year brings different challenges to the financial markets. In order to protect the Perpetual Membership Fund principal and to earn a return that will allow the payment of the Blue Lodge payment plus increase the Reserve Fund requires diligent contact with the Broker and the ability to adjust to changing market conditions swiftly.

The Perpetual Membership Fund is on track to earn, in 2021, a return that will allow a maximum payout to the Blue Lodges and increase the Reserve Account.

John F. Knox, Jr.
Chairman, Perpetual Membership Committee

MASONIC YOUTH COMMITTEE REPORT

To: The Most Worshipful Grand Master, of the Grand Lodge of Louisiana, F.& A.M.

Most Worshipful Sir, Most Worshipful Sirs, Right Worshipful Sirs, Worshipful Sirs, My Brethren All

First let me thank you for the opportunity to serve our Grand Lodge of Louisiana on the committee for Masonic Youth. This endeavor has been challenging and enjoyable. Reasons for this committee are varied, but, most importantly, we are investing in the future of our beloved Masonic Fraternity.

Louisiana DeMolay currently has 6 functioning chapters with 81 active DeMolays, 11 Squires and 22 advisors. Louisiana Rainbow has 53 members, 11 pledges and 46 advisors across 6 Rainbow Assemblies. The advisors that work with the youth around are state are to be commended as they have invest a huge amount of time to promoting Masonic Youth.

As you are well aware, Masonic Youth organizations depend on the continued support of our Masonic Organizations, and the support given by the Grand Chapter is greatly appreciated.

REPORT OF THE GRAND LODGE CEMETERY

To the Most Worshipful Grand Master, Officers and members of the Grand Lodge of Louisiana.

The board has undertaken the renovation and repair of the of the grounds to include repairing of the tombs, plots, sidewalks and complete sanding and painting of the iron fence surrounding the two block area. The board members are overseeing the approximately use of 4,000 thousand pounds of cement, 2,500 pounds of mortar, and 10-15 gallons of paint every week.

The cemetery was in deplorable shape when this current board took over the management of same and have since correct the management of the site. The corrective action is ongoing and continuous. The normal maintenance of the cemetery is being conducted by a worthy brother who cuts the grass and cleans the grounds in and outside the fence line.

The grounds are being pressure washed to include all tombs and paved pathways. The amount of mold and mildew was over whelming and is taking a herculean task to clean and re-mediate.

In addition we have completed our second billing of assessments for 2020. We now have a good current address of 633 active owners to update our records. Of those 633 we sent out 114 active assessment letters of dues. A majority of these owners are perpetual care and returned mail due to bad addresses. In the coming months we will start to update our 7,000 plus records into our database of internments. The board members at the cemetery now say that we see the light at the end of the tunnel. As mentioned above we have worked diligently to get the cemetery back into shape and is looking GOOD. But there still remains much work to be completed.

Respectively submitted,

Masonic Cemetery Board

REPORT OF THE MASONIC EDUCATION COMMITTEE

Most Worshipful Grand Master, Grand Lodge Officers, Wardens and Brethren:

There are a variety of words that could describe the year 2020. With the onset of the COVID-19 Pandemic causing our membership to refrain from physically meeting, we had to get creative. The committee began a social media Facebook Group on March 13th. The moderated group is focused and intended to bring brothers together to share Masonic Educational ideas and resources, to increase collaboration between regular Masons of from and in Louisiana's jurisdiction, to disseminate and easily distribute information, materials and clarifications from the Grand Lodge of Louisiana's Education Committee, and lastly, to give lodge officers and their members tools to better provide education within their lodges to their members and candidates. The group has grown in membership to include 270 members with 254 of them considered active in the forum.

The committee began using ZOOM sessions beginning on March 27th with the brethren being sent invites via social media pages, web pages and collaboratively included later in the Louisiana Freemason Weekly Edition. Education presentations were recorded and uploaded to YouTube for later viewing garnering 921 views and an astounding 229 HOURS of educational viewing. Session topics were selected based on the Seven Liberal Arts and Sciences with each session dedicated to each of the Trivium and Quadrivium. Open discussion was encouraged, and enlightenment was shared.

The Achievement Award was modified and revised August 14th to include both a Mock Trial and Level 1 Proficiency. Clarifications and explanations of which were necessary for several Wardens and Masters in the Jurisdiction given that the changes were made mid-year. This influx of inquiry was interpreted as a positive sign of several Lodge Officers attempting to complete the Achievement Award.

While we were unable to hold an in person Wardens Retreat, the committee feels that the digital resources provided, not only to Wardens, but to all members was an effective attempt. The committee was also pleasantly surprised to see that 42% of participants in both digital mediums were above the age of 55 with 31% being between the ages of 45-54 and 26% under the age of 44. With these statistics we can truly see to quote St. Augustine that "Education is the food of youth, the delight of old age, the ornament of prosperity, the refuge and comfort of adversity, and the provocation to grace in the soul."
Sequere Lucem. Fiat Lux.

INFORMATION TECHNOLOGY COMMITTEE

To the Most Worshipful Grand Master, Grand Officers and Brethren assembled:

It is with great pleasure that I submit the following report of the Information Technology Committee:

As Chairman of the Committee I take this opportunity to personally thank all of the members of this committee for their participation, input and support. We have a couple of members of this committee that have worked tirelessly to ensure that our systems all work seamlessly and provide us the information we need in order to conduct our business. So, a big tip of the hat to Jeff Clarke and Chad Koelling, thank you for all you do for Masonry!

The previous year has been challenging on everyone as we all have been forced to deal with COVID-19 and the restrictions associated with it. Most everyone has become more proficient in conducting and participating in Zoom meetings. While most folks were aware of Zoom, Google Meets, Skype, and other video meeting platforms none of us could predict the widespread use these platforms would be pressed into during this past year.

This committee has worked diligently, providing assistance and support, to ensure that our Boards and Committees could conduct their business virtually. For the most part these meetings have worked well and most likely will be the norm going forward rather than being just an interesting outlier.

As most of you know we have the most recent edition of the Handbook of Masonic Law available as a free download along with many other forms and documents located in the Secretaries area of the website. We continue to expand and evolve the Secretaries online reporting functions.

Also we take this opportunity to thank W: Brother Jim Wingate who conducted the Lodge Secretary Training Course via Zoom. This was a big help to new Secretaries and it even helped some more experienced Secretaries become more proficient with our Grandview database.

As you are aware we now distribute the Annual Proceedings only via electronic format to constituent Lodges. It should be noted that virtually all of our past proceedings are available online. These have proven to be invaluable for research purposes.

The Photo Gallery area of our website is being updated and contains many pictures of interest. If you have not visited this area, please do so. You may be surprised to see yourself in some of the photos!

As always we are looking for new and additional ways that our website, database, and social media platforms may be of service to the constituent Lodges.

Should you have a suggestion for additional functionality, in any of our systems, please feel free to contact us with those suggestions.

It has been my pleasure to serve as Committee Chairman this year and on behalf of the entire Committee I thank the Grand Master for allowing us to serve this Grand Lodge.

Respectfully submitted,
Woody D. Bilyeu, PGM, Chairman

FINANCIAL OVERSIGHT COMMITTEE REPORT

Your Financial Oversight Committee is charged with reviewing the records of eight (8) Grand Lodge boards and committees handling fund showing the policies, procedures, and actions to actively and intentionally attend their fiduciary responsibilities. These boards must provide evidence that they are actively managing their funds. Our committee provides oversight verifying policies and practices are in place to insure the investments accounts are actively managed with written goals and objectives that support these boards.

Without the cooperation of each board and committee, we cannot assure the members of the Grand Lodge that their money is safe and/or working to provide income to support the functions of these boards. Over the past several years, this committee has worked with the various boards and committees to establish practices that demonstrate good financial management and acceptable accounting practices so that the funds of the Grand Lodge are safe.

Unfortunately, COVID 19 resulted in a limited Grand Lodge Session in 2020. This also resulted in our committee not having our annual meeting. We do plan to meet via Zoom in 2021 to review the actions of the eight boards and committees and will report our findings to you in the 2022 Grand Lodge Advanced Report. Thank you for this opportunity to serve the Grand Lodge. We hope that our service provides guidance and standards for our boards and their leaders.

**REPORT OF THE BOARD OF TRUSTEES/DIRECTORS
FOR THE MASONIC LIBRARY/MUSEUM FOUNDATION
OF LOUISIANA, INC.**

Most Worshipful Grand Master: Your elected Masonic Library Foundation, in accordance with your Mandate, tenders to you and through you, to the Delegates to the Grand Lodge of the State of Louisiana:

Your Masonic Library Foundation has had a most successful year, considering the limitations faced with the Covid 19 lockdown. Financially we are sound, but of course welcome the continued financial support of the Brothers. Bro. Gar Pickering as Curator of our Library, continues to work with the Grand Lodge in receiving Chapter, Council and Commandery Records from around the state. Plans are also in place to have a cooperative effort with the Louisiana Lodge of Research to have our efforts expanded to allow for National and International Research and Publishing capabilities with W: Bro. Mike Poll, P.M. who has agreed to be Dean of this cooperative effort. This will be in addition to the outstanding Louisiana Freemason, skillfully edited by our Library Curator, Bro. Gar Pickering. W: Bro. Chad Koelling, P.M. was appointed and doing an outstanding job as our Secretary.

Your Foundation has a bright future and your Board thanks you for allowing us the honor of serving in this honored capacity.

Respectfully submitted,

M:W: Clayton J. "Chip" Borne, III., P.G.M.

PERMANENT COMMITTEE ON WORK

The permanent committee on work was limited on meeting time this year as we all were by Covid-19. I have implemented some new electronic reporting measures that are available for reporting. You will also see some resolutions regarding proficiency at this year's Grand Lodge session. These resolutions were all brought about as question from your District Grand Lecturers and other Committee on Work Members over the past year. We hope you consider supporting them.

Although our meeting times have been adjusted and limited your District Grand Lecturers were hard at work ensuring that you have the opportunity to take your exams when you were ready. They deserve all the credit for all of those "Good Nights for Masonry" that you hear about. Despite these limitations the following numbers of proficiency cards were issued in 2020. There were no Level 2 cards issued or renewed in 2020.

Card Issued	Number Issued
New Level 1	29
Renewed Level 1	21
New Level 3	4
Renewed Level 3	42
Gold Card	2

MEMBERSHIP DEVELOPMENT COMMITTEE

We, the members of the Membership Development Committee, would like to thank the Grand Master for allowing us to serve the Grand Lodge this year.

As with everything else in Masonry, the Coronavirus pandemic stifled some of the actions that this committee was looking forward to accomplishing, but it also shed light on some other actionable items that must be accomplished in the future.

1. With so many Lodges either not meeting or suffering from a lack of attendance, the need for records to be updated has become more necessary than ever before. Without updated records, Lodges cannot contact their members to check on them and see how they are doing when we are amid a shutdown or if people are hesitant to go into the public sphere. It is recommended that the Worshipful Master of each Lodge appoint a committee tasked with updating the records with the Secretary providing the necessary contact information for each brother in the Lodge.

MEMBERSHIP DEVELOPMENT COMMITTEE (CONT)

2. When brethren cannot assemble for a meeting where they can be exposed to more Light and further fellowship, something must be made available to the membership so they can work from home on their self-improvement. Most members do not realize that something like this already exists on the Grandview portal where they can view educational materials designed to help them better understand the Craft. We need to make sure that the members know that the materials are available to them. Of course, this is no substitute for meeting in person, but it will provide great supplemental material when we are restored to full capacity.
3. The rise of virtual get togethers throughout the pandemic has shown that we now have a way of communicating with members who are unable to get to Lodge in a more personal way. There may be value to Lodges holding virtual meet ups outside of their stated meeting times in order to just visit socially with each other and especially to give members who cannot get out a way to keep in touch.
4. Ritual work classes have proven to be a way to foster long lasting relationships within the Fraternity. As an example, Worshipful Brother M. Scott Goss, PM hosts a floor work and ritual workshop almost every Saturday at West Monroe #419 that has incredible attendance levels even through the pandemic situation. The bond between these brothers evolves to be even deeper and more satisfying on a "brotherhood" level than just going to meeting once or twice a month can do. Worshipful Brother Goss encourages Entered Apprentices and Fellowcrafts to attend and should they show up, the group will work in the lowest degree so everyone can participate. Developing these around the state could prove to be helpful in not only retaining members but will develop skills that brothers may not have known they possessed.
5. The Handbook of Masonic Law gives little insight into the methodology and goals of the Membership Development Committee. The Chairman of the 2020/21 committee is going to work over the course of the next year to develop legislation that will give future committee members a line of sight on what the committee is tasked to do.

Again, the committee thanks the Grand Master for allowing them to serve for the year 2020/21. May God bless you all and may God bless the Grand Lodge of Louisiana!

M. Cash Melville, PM Chairman

COMMITTEE ON LODGE BUILDINGS (Disaster Relief Committee)

Grand Master, your committee on Lodge Buildings was charged with developing and administrating a plan to collect funds for disaster relief as a result of Hurricane Laura. Several appeals were made to individuals, Lodges, sister Jurisdictions and the Masonic Service Association and all funds do-nated were placed into the Grand Lodge Disaster Relief Account.

We created "applications for relief forms" for both Lodges and individuals in need of relief from hurricane damage. These forms were distributed to all lodges and individual members in the state. In addition, \$ 50.00 gift cards were purchased and were made available to individual members and their families for purchase of individual emergency supplies such as gasoline, food, clothing, shelter and emergency repair supplies. Approximately \$2500.00 was distributed through this method.

An independent damage appraiser was hired to survey the damage sustained by the lodges and prepare estimates to repair or replace damage sustained by each lodge. Lodges, which carried insurance, were encouraged to file claims for damages. A total of twelve lodges applied for relief. Those Lodges and claimed losses are: Jonesboro #280 (54,342.03); Florian #263 (3,046.93); Zwolle #302 (3046.74); H.D.Anderson #320 (3,750); Fellowship #217 (7,248.00); Welsh #232 (20,332.68); Magnolia #238 (43,288.44); Vinton #364 (50,000); Calcasieu #400 (31,690.93); Westlake #443 (34,629.30); Iowa #451 (2,605.30); and Moss Bluff #462 (22,715.44). An appropriate reserve was maintained to address subsequent request for relief.

The committee, with the help of the Grand Lodge office staff, developed a formula for distribution of the available funds that would, in our opinion, be fair and equitable to all the parties involved. The formula was calculated to be the total Dollars to be distributed Divided by the number of active members on roll in the Lodges applying for relief. Funds were distributed up to the amount of their loss or the fixed amount for each active member. If additional information is required, it is available through the Grand Secretary's office.

COMMITTEE ON LODGE BUILDINGS (CONT)

It has been a pleasure to have served you this year.

DIRECTIVES ISSUED BY THE GRAND MASTER

No. 6

April 28, 2021

On April 27, 2021, Governor John Bel Edwards announced:

"Following sustained improvement in COVID, hospitalizations and an increase in the supply and availability of vaccines, some mitigation measures will be eased starting April 28, 2021. The state-wide mask mandate will be lifted but masks will be required for specific settings"

Governor John Bel Edwards also announced that the revision will allow local governments to set their own mandates, but masks will still be required in certain places (see chart below). This revision of the mandate is not an end to the recommendation of wearing a mask to prevent the spread of COVID

Therefore, I am issuing the following directive :

Beginning April 28, 2021, the Worshipful Master of each constituent Lodge will use his discretion to determine if masks in Lodge are necessary.

Reminders:

1. All Masons should maintain social distancing, when practicable.
2. Lodges are encouraged to have hand sanitizer available in the Lodge building.
3. Most importantly, all Louisiana Masons are strongly encouraged NOT to attend

Lodge if they have any signs of illness or do not feel comfortable, at the present time, with attending. Masons must self-screen for any signs or symptoms of COVID-19 before attending any Lodge meeting. Those individuals considered to be "at-risk", including those who are 65 or older, and especially those with chronic lung disease; moderate to severe asthma; chronic heart disease; severe obesity; diabetes; chronic kidney disease undergoing dialysis; liver disease; weakened immune system or other risk factors are encouraged not to attend Lodge. You are the sole decision-maker as to whether you should attend Lodge. There is nothing more important at this time than the continued well-being of our Louisiana Masons.

I will issue future Directives when it is deemed both safe and prudent to do so while, at the same time, adhering to the mandates of the State of Louisiana.

Fraternally,

James E. "Jimmie" Steen
Grand Master

FOREIGN CORRESPONDENCE COMMITTEE 2021 REPORT

To the Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

The following is a report of your Foreign Correspondence Committee for the year 2020-2021. Your Committee works closely with the Commission on Information for Recognition of the North America Conference of Grand Masters of which you allowed me the privilege of representing each of you and our Grand Lodge for seven years retiring as Chairman in 2015. Because of the COVID 19 Pandemic, the Conference of Grand Masters did not meet nor did its Commission of Recognition. This report will attempt to detail the inquiries of those Bodies which have applied directly to our Grand Lodge.

The predicate that must be understood is that it is the right of every Grand Lodge in the world to determine whether or not they recognize any other Grand Lodge. Each Grand Lodge must determine whether or not the applying Grand Lodge meets the requirements for regularity which have been used for decades by Grand Lodges around the world. If it is determined by our Grand Lodge or the Commission, that the Grand Lodge in question is *Practicing Regular Masonry*, if approved, a recommendation of recognition will be issued to each jurisdiction with who we are in amenity. In many Jurisdictions, it is subsequently accompanied by the customary exchange of representatives.

The standards of our Grand Lodge are consistent with the defined parameters used by the Committee of Recognition of the North America Conference of Grand Masters, and these standards are summarized as follows:

1. **Legitimacy Of Origin** This standard occurs in only two circumstances. First, a new Grand Lodge may be chartered by one or more exiting-regular Grand Lodges in the world. The chartering Grand Lodge traditionally traces its

ADDENDUM TO ORIGINAL REPORT

FOREIGN CORRESPONDENCE COMMITTEE (Cont)

1. pedigree back to one of the three Old Grand Lodges, "The United Grand Lodge of England", "The Grand Lodge of Scotland" or "The Grand Lodge of Ireland." Secondly, it can occur when no Regular Grand Lodge exists in a territory and three or more legitimately chartered Lodges in that territory come together to form a Grand Lodge.
2. **Exclusive Territorial Jurisdiction** This standard requires that a Regular Grand Lodge must be the only Regular Grand Lodge in a territory unless a treaty or compact exist between two or more Regular Grand Lodges which states that they will share the territory.
3. **Adherence to the Ancient Landmarks**, they must include but are limited to (A) Belief in God, or Monotheism, (B) the Volume of Sacred Law as an indispensable part of the Furniture of the Lodge and (C) the prohibition of the discussion of politics and religion within the Lodge.

Regularity insures that only Lodges and Grand Lodges that are based upon the ancient Masonic principles and landmarks are allowed to visit and exchange members with the Lodges and Grand Lodges of the world. If a Grand Lodge is found to be regular, most other Regular Grand Lodges will do the same and extend some form of recognition to them including and exchange of representatives. A great deal of information on this subject can be found on the Commission's web site, found in your proceedings: <http://www.recognitioncommission.org>

Applying the standards to the current application by several Grand Lodges, your Committee now share the following information; First for those bodies that have made a formal presentation to the Committee of Recognition of the North American Conference of Grand Masters, and second to those Jurisdictions applying directly to your Grand Lodge of Louisiana requesting recognition, your Foreign Correspondence Committee has reviewed the petitions and report to you Grand Master and through you to the Officers and Members of this Honorable Grand Lodge the findings of its independent research and the same is tendered as follows.

A) CONTACTS TO THE CONFERENCE OF GRAND MASTERS OF NORTH AMERICA

1. M.W. Prince Hall Grand Lodge F. & A.M. of Maryland "Request for Recognition"

Your Committee is in receipt of correspondence addressed to you from the Most Worshipful Prince Hall Grand Lodge, F. & A.M. dated July 14, 2020. Your Foreign Correspondence Committee, has complied with your request to fully investigate the credentials and authority of the Grand Body and find all to be in compliance with the requirements in determining regularity used by the North American Conference of Grand Masters "Commission on Recognition", in particular the three principal requirements for regularity namely A) Legitimacy of Origin, B) Exclusive Territorial Jurisdiction and C) Adherence to the Ancient Landmarks, namely 1) Belief in God, 2) Volume of Sacred Law as an indispensable part of the furniture of the Lodge and 3) the Prohibition of the discussion of politics and religion within the Lodge. All of these stated protocols and identities of this Grand Body are consistent with the standards for recognition and therefore I find no impediment to their request. Your Committee on Law and Jurisprudence should advise as to the procedures necessary for an official response.

2. United Grand Lodge of England (UGLE) "Notice of Recognition" on December 9, 2020, a correspondence from Paul R. Engehana, Grand Chancellor, addressed to all Grand Secretaries and Grand Chancellors of all Grand Lodges recognized by the United Grand Lodge of England, was received advising that their December Quarterly Communication, it was resolved that Recognition be accorded to the Grand Lodge, Stated of Alagoas, Brazil, Grand Lodge of Pernambuco, Brazil and the Grand Lodge of Piauf, Brazil.

FOREIGN CORRESPONDENCE COMMITTEE (Cont)

- 3. Grand Lodge Free and Accepted Masons of the State of New York “Request for Lodge Communication”** The Grand Body requests one of their Lodges, “L’Union Francaise Lodge” No. 17 of New York seems to establish a friendly and fraternal line of communication with the Brothers of “L’Etoile Polaire Lodge” No. 1, the Lodge stating that both Lodges share a common history. Their history can be found at (http://www.unionfrancaise.org/translation_page.html). Finding the Grand Lodge of the State of Louisiana is in amenity with the Grand Lodge, F. & A.M. of the State of New York, your Committee suggests only a kind respectful response is recommended for your approval.
- 4. Supreme Council of Europe “Seeking a Treaty of Friendship”** There presently is insufficient information on this Body and it is recommended that no response to the request be made pending further investigation.
- 5. Grand Lodge of Ukraine “Seeking Mutual Recognition”** This Grand Lodge was investigated by the North American Conference of Grand Masters and reported appearing to meet the requirements for Regularity, and practicing Regular Masonry.
- 6. Regular Grand Lodge of Italy “Seeking Mutual Recognition”** A review of the published standards of this Body would indicate that they are following the standards for recognition, however a review of those Bodies in which they are in Amenity reveals Bodies that have yet to be declared Regular. It is respectfully suggested that at this time mutual Recognition be denied.
- 7. United Grand Lodge of Bulgaria “Information”** Advising that the Irregular self-styled Masonic Body calling themselves the Grand Lodge A & FM in Bulgaria is using the identity of a Body that was formally closed in 2015, with the members becoming part of the United Grand Lodge of Bulgaria. Caution is encouraged should this Body continue to seek Recognition.
- 8. Grand Oriente de Santa Catarina (Brazil) “Request for Mutual Recognition”** This Orient signed a Treaty with their respective state Grand Lodge on April 23, 2016 and is a member of the Inter American Masonic Conference (CMI). It would be reasonable to assume that this Orient is practicing Regular Masonry and Recognition would be appropriate, should you choose.
- 9. Grand Orient de Sao Paulo (Brazil) “Request for Mutual Recognition”** This requesting Orient is one that has no Treaty with either of the established authorities i.e. Grand Orient of Brazil nor their individual State Grand Lodges in Brazil. Our research indicated that they do not meet the standards of Recognition. The problem is that one of their members was admitted as a Plural Member of St. James Lodge in Baton Rouge on May 15, 2020 and was appointed the Louisiana Representative to that Body and I have been informed that without your authority Grand Master, that person signed a Treaty with this unrecognized Body. Although the Treaty is without proper Authority and as a result legally null and void, caution should be used in any further contact by this Irregular Body.
- 10. The Supreme Council of Louisiana: “Seeking Friendly and Fraternal Correspondence and Mutual Regularity of Scottish Rite Symbolic Ritual”** This Body worked in harmony with the Grand Lodge of Louisiana until 1850. The impediment to Recognition rests on the fact that when the 1833 Concordant establishing the Chamber of Rite was terminated this Body returned to conferral of the complete system of 33 degrees, which by definition includes Symbolic Degrees. This Body’s Ritual was published in 1861 and questions of its Grand Commander that it practices today exactly the same as the 1861 Publication. That Publication of Ritual and the Symbolic Ritual used by the Lodges of the Sixteenth Masonic are virtually identical. The research indicates that a recognition of this identity would be in order to validate the purity of the Ritual.

B) Additional Information

A great many "Grand Lodges" continue to appear in North America each year and in particular Louisiana as reported in your proceedings as Regularity of UN-Masonic organizations which do not meet the standards for recognition. Further, most of these Grand Lodges make no effort to achieve regularity or even establish a relationship with the regular Grand Lodges into whose jurisdiction they have inserted themselves. The Commission, along with your Grand Lodge Foreign Correspondence Committee, urges great vigilance in establishing relationships with new Grand Lodges that not exist in the List of Lodges-Masonic, published by Pantograph, in Bloomington, IL.

Grand Master, as this completes our report, I move for its adoption.

REPORT OF THE BOARD OF TRUSTEES/DIRECTORS FOR THE MASONIC LIBRARY/MUSEUM FOUNDATION OF LOUISIANA, INC.

Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

The purpose of this Board of Trustees/Directors is to establish, maintain and operate a Masonic Library/Museum facility which promotes Louisiana's rich Masonic heritage and will maintain and preserve information, books, documents, portraits, art, relics and other items of Masonic interest which have accumulated over the more than 200 years of Masonry History in the State of Louisiana.

We are a 501(c)(3) charity and as such, all donations are tax deductible. We receive income from donations and the Louisiana Masonic License Plate Program. Funding has also been provided by the Grand Lodge of the State of Louisiana, F. & A.M. through the Board of Budget and Control and the Board of Trustees for Masonic Charities. The Charities Board has been very generous in support of the Library/Museum and could only provide this funding because of the 501(c)(3) charitable status of the Library/Museum Foundation. This year, a special thanks to New Borne Lodge and it's W.M. John Combel for their very generous commitment to the Foundation.

As reported, the Past Proceedings of the Grand Lodge of Louisiana, F. & A.M. from 1852 to present, have been digitalized and are available in digital format. They can be obtained through the Service Committee on a CD or can be found at this site <http://gllibrary.presencebuilders.com/> under the drop down "Resources" then "Past Proceedings". A portion of the Past Proceedings of the The Grand Lodge from 1852 to 1856 have also been digitalized, however, several years of records during this period are missing.

We are still in the process of restoring pictures of the Past Grand Masters and the digitization process for them as well as the digitization of the membership data.

We continue to receive donations of: Lodge records, artifacts, personal Masonic books and items and other Masonic memorabilia. The Proceedings of Etoile Polaire Lodge from 1800 to 1848 have been received and will be translated for research efforts. Indexing of these Records for research will be a continuous effort. Joshua Gar Pickering, the new Librarian/Curator, continues to do and excellent job.

REPORT OF THE BOARD OF TRUSTEES/DIRECTORS FOR THE MASONIC LIBRARY/MUSEUM FOUNDATION OF LOUISIANA, INC. (Cont)

The Board is still using the Museum Assessment Program Report dated April 3, 2017 as a model for some future focus area. The Assessment Report consisted of 40 pages and consisted of 8 areas as reported in the 2020 Proceedings and your Board continues to use these guidelines in its administration of the Foundation's activities. The Board, through its Curator, continues to work on the areas listed.

Your Masonic Library Foundation has had a most successful year, considering the limitations faced with the Covid 19 lockdown. Financially we are sound, but of course welcome the continued financial support of the Brothers. Bro. Gar Pickering, as Curator of our Library, continues to work with the Grand Lodge in receiving Chapter, Council and Commandery Records from around the state. Plans are also in place to have a cooperative effort with the Louisiana Lodge of Research to have our efforts expanded to allow for National and International Research and Publishing capabilities with W: Bro. Mike Poll, P.M. who has agreed to be Dean of this cooperative effort. This will be in addition to the outstanding Louisiana Freemason, skillfully edited by our Library Curator, Bro. Gar Pickering. W: Bro. Chad Koelling, P.M. doing an outstanding job as our Secretary.

We thank the Grand Lodge of Louisiana, the Board of Trustees for Masonic Charities, the Constituent Lodges, and the Brethren who have been supported of this most worthy project, not only with their words, but with their contributions and donations. Your Foundation has a bright future and your Board thanks you for allowing us the honor of serving in this honored capacity.

It will be handled as an arbitration for purposes of trial as to the testimony of parties and witnesses, and as to issues of evidence, all evidence will be allowed with the Committee giving the evidence whatever weight it deems its value to be.

CASE # 2021-1, LEVEL LODGE # 373 VS. ERIC HAHN

FACTS: This matter initially was before your Committee of Appeals and Grievances by order of the Grand Master on Eric Hahn's 2019 Petition for Reduction of Sentence requesting his 2016 Expulsion be reduced to a Reprimand. The initial charge emanated out of Eric Hahn's procurement of a Masonic Lodge Hall on Clearview Parkway in Metairie, La wherein certain Lodges, Brothers and individuals lost money on the venture. Eric Hahn testified that all Lodge indebtedness was repaid but could not confirm satisfaction of indebtedness repayment due the investing Brothers. The Case was continued pending proof that the Lodges and Brothers had been repaid. Proof having submitted to the Grand Master that all the pending indebtedness was in fact forgiven or satisfied, Eric Hahn was then issued a Mason at Large Certificate on October 19, 2020, and successfully petitioned Paul M. Schneidau Lodge # 391 F&AM.

PROCEEDINGS OF THE GRAND LODGE

GRAND LODGE OF THE STATE OF LOUISIANA 2021 COMMITTEE ON APPEALS & GRIEVANCES REPORT (cont)

RULING: The issuance of the Mason at Large Certificate to Eric Hahn was reviewed by your Appeals and Grievances Committee and found to be in order and unanimously approved, conditioned upon Eric Hahn not seeking any elected or appointed office in any symbolic Lodge of Freemasonry.

CASE # 2021-2, LANDMARK LODGE # 214 F & AM VS. RONALD E. MCCARTNEY

CHARGES: This Case began on December 17, 2017 wherein the Grand Master, Steve Pence, suspended the accused, Ronald E. McCartney, for Unmasonic Conduct by violating the Law of the Land. The Accused was arrested and charged with the crime of Simple Battery on the infirmed, RS14.35.2 Careless Operation of a Motor Vehicle, RS32:58 Leaving the Scene of an Accident, i.e. Hit and Run RS14:100 and Driving Under the Influence or DUI RS14:98.

FACTS: The public record confirmed that in addition to being arrested for Simple Battery on the Infirmed, Ronald Eugene McCartney, beginning in 2009 was charged and convicted of numerous criminal charges including, felony hit and run, fleeing the scene of an accident and Vehicular Negligent Injury. On November 9, 2009, the record indicates Ronald E. McCartney was on three different prescription drugs while driving when he hit a 15-year-old boy. After leaving the scene of the accident both Ronald and his wife Donna actively attempted to conceal the accident by repairing the damages to their vehicle.

TRIAL COMMISSION: The Disposition of the Charges was reviewed by the appointed District One Trial Commission. The accused failed to appear, but tendered a defense by means of a letter stating that because of a medical condition, which he stated to be "seizures", he was unable to know what he was doing. However, he did know that he was in the arrears in paying his dues to the Lodge. The Commission voted for Expulsion.

RULING: Your Committee of Appeals and Grievances, after a review of the evidence and procedures followed, sustains the actions of the Trial Commission in Expulsion of Ronald E. McCartney from Freemasonry.

CASE STATUS: The Grand Lodge continues to monitor the status of this case and has been advised that no further action has been initiated by any of the investigating agencies with the accused remaining incarcerated.

OF THE STATE OF LOUISIANA

ADDRESS OF THE GRAND MASTER ELECT,
TERRELL D. "TERRY" FOWLER
GRAND LODGE OF THE
STATE OF LOUISIANA,
AT ALEXANDRIA, LOUISIANA

I am pleased, honored and humbled to be chosen to be your Grand Master for the ensuing year. The Office of Grand Master holds great esteem. I will not disappoint you. I also see the office of Grand Master as a position that I can best serve the brethren and lodges. While I will protect the honor of the office, I also intend to be available to serve the lodges and the brethren.

Freemasonry has been good to me and my family, as it has been to all of us. This year I plan to give back to Freemasonry, for all of the gifts that brethren have given to me and my family.

I want to be active, to visit many lodges, to sit and speak with many of the brethren, and to help grow Freemasonry in Louisiana. I want all of our fraternity to have a positive and confident outlook. Please help me achieve this goal.

May God Bless you and your family, and the Grand Lodge of the State of Louisiana, F. & A.M.

Fraternally,
Terrell D. "Terry" Fowler
Grand Master 2021
