**ADDRESS OF THE**  
**GRAND MASTER**  
**2022-2023**

When I received my apron as an Entered Apprentice, I was told that one day “even the purple of our fraternity might rest upon my honored shoulders.” Scarce could I have imagined that such a day would occur. Today you honor me with that distinction.

The privilege of serving you as Grand Master does not belong to me alone, but to every person who has brought this into being. I am nothing but what God has used others to make of me. First, I thank my wife, Deanna, who has always supported me in my masonic endeavors, as well as in all other facets of my life. She stands beside me and together we will work for you; our fraternal family. My father was the first Mason I ever knew and he is responsible for kindling the spark of fraternal interest in me. All the members of my home lodge, Bernice # 239, have been a constant source of encouragement and support from the first steps of my Masonic journey. Jacob Carl Akin and William Edward Cook are just two of many who unselfishly advanced my cause and taught me the lessons of Freemasonry. As men such as these have been a constant inspiration to me, I pray that God will allow me to assist others on their way.

As with all Masonic journeys, we begin this journey together with a firm foundation on which to build. The principles of Freemasonry are immutable and timeless. We live in a society of ever changing mores and ethical equivocation. As people cast about desperately for stability, we are able to anchor our philosophy in the absolute truth of the Great Light in Masonry. With this steadfastness of purpose, the rest of our labors become much easier.

Freemasonry in Louisiana is confronted by no overwhelming obstacles, but rather we approach unexploited opportunities. The only difficulty in our path is whether we are determined enough to utilize the assets and advantages that Providence has provided. Together we are more than capable of doing so. I have every confidence in your ability to increase the success and growth of our fraternity. I have observed all of you accomplishing too many great tasks in the past, to not have absolute confidence in your ability to perform great things in the future.

Our fraternity can no longer afford to “hide our light under a bushel.” We must begin to tell our story. The best kept secret in Freemasonry is how Louisiana Masons are helping young people succeed in life through our Grand Lodge Children’s Charities. Our dyslexia and scholarship programs are changing the lives of young people all over the state, but few of our own members, much less the public, knows about these beneficent efforts. Brethren, begin to tell our story. When we do, others will want to join with us in our labors.

Finally, thanks again for allowing me to serve you as together we serve our fellow man. Brethren, your labors are not in vain. You are changing lives.

**EDICT 2022-01**

Whereas the Holy Bible is the Great Light in Masonry; and  
Whereas the Holy Bible is the rule and guide to our faith and practice; and  
Whereas Freemasonry opens this Book upon its altars, with the command to each of its votaries  
that he diligently study therein to learn the way to everlasting life;

Therefore, by the authority vested in me as Grand Master of the Grand Lodge of Louisiana, Free  
& Accepted Masons, I do hereby issue and proclaim the following edict:

Effective upon the date hereof, the Worshipful Master of each lodge shall cause a verse or  
passage of Scripture from the Holy Bible to be read aloud immediately after the lodge has  
been opened and before the reading of the minutes or any other business of the lodge shall be  
transacted.

GIVEN UNDER MY HAND AND THE SEAL OF THE GRAND LODGE OF LOUISIANA, F. & A. M. on this 31st day of March, in the year of our Lord, 2022.

  
Jay B. McCallum  
Grand Master

## **REPORT OF THE GRAND SECRETARY 2022-2023**

The dedication, loyalty, efficiency, diligence and hard work of the Grand Lodge staff is acknowledged and greatly appreciated. The Staff understands we are the customer service division for the fraternity and they stand ready to help aid and assist.

### **MEMBERSHIP MILESTONE CERTIFICATES**

The Grand Secretary of the Grand Lodge is authorized to issue certificates to all members in good standing in a Lodge of this Grand Jurisdiction when they have attained twenty-five, fifty, sixty, or seventy-five years of cumulative, not necessarily continuous, good standing in the Masonic Fraternity. These certificates may be presented at any time during the anniversary calendar year. During 2022, we issued 236 twenty-five-year certificates, 179 fifty-year certificates, 90 sixty-year certificates and 22 seventy-year certificates.

### **CENTENNIAL PLAQUES**

The Grand Lodge, through the office of the Grand Secretary obtains a commemorative plaque for each Lodge which has completed one hundred years of cumulative existence under a valid charter. During 2023, plaques were presented to each of the following Lodges, to-wit: Greenwood Lodge No. 409- Greenwood, La., Harmony Lodge No. 410- Eunice, La., and Many Lodge No. 411- Many, La.

### **FEDERAL TAXES AND REPORTING**

All non-profit groups with an income of less than \$50,000.00 are now required to file a 990 N by E-mail. Such filings must be made by May 15th of each year. Failure to file for a period of three (3) years will result in the revocation of the tax-exempt status of the Lodge. Those Lodges with an income in excess of \$50,000.00 per annum are required to file a form 990. Lodges which lose their exempt status will be required to reapply for the exemption and pay a reinstatement fee to the Internal Revenue Service. Otherwise all dues and other income will have to be accounted for and perhaps be taxable.

### **STATE AND LOCAL SALES TAX**

Non-profit domestic civic, educational, historical, charitable, fraternal or religious organizations may be exempted from collecting Louisiana sales taxes on goods sold as a fundraiser. Should the Lodge be challenged by a Revenue Deputy, the Department of Revenue has prepared a form for use in claiming the exemption, pursuant to the provisions of R.S. 47: 305. 14. Such Exemptions must be claimed on an annual basis. Exemption from collecting sales taxes does not exempt the Lodges from paying State and local sales taxes on purchases by the Lodge.

### **HANDBOOK OF MASONIC LAW**

The Handbook of Masonic Law is an essential for Worshipful Masters and Lodge Secretaries. The Handbook is updated after each Annual Grand Communication and the updates are distributed. Frequently the possessors of the books fail to insert the updates and, consequently, the usefulness of the Handbook is greatly diminished. Copies of the Handbook and the updates are available from the Grand Lodge Service Committee. The Handbook, in digital format, is also available to all Master Masons through the members' individual Grandview portal.

### **MASONIC DIRECTORY**

A revised Masonic Directory is published each year. It contains a list of Lodges in various arrangements. There is also a list which contains the name and contact information for the Worshipful Master and Secretary of each Lodge as well as dates and times of meetings and the location of the Lodge. (This information is taken from the officer reports filed by the Lodges. The Worshipful Master and Secretary of each Lodge should review the directory and advise the Grand Lodge of any errors pertaining to their Lodge.) The directory also contains a list of Grand Lodge officers, a list of Past Grand Masters, information relative to the make-up of the Masonic Districts and a listing of the Grand Lodge Boards and Committees with names etc. for the members of each. One copy of the directory is furnished to each Lodge. Additional copies may be purchased from the Service Committee for a nominal price.

### **CESSION OF LODGES**

During the year 2022 the following mergers were completed, to-wit:

1. Mooringsport Lodge No. 342 with Blanchard Lodge No. 447, effective June, 23, 2022, with Blanchard Lodge No. 447 as the surviving Lodge;

**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2022*

---

**Note 1 - Summary of Significant Accounting Policies**

Organization

Masonic Home Educational Foundation, Inc. (The Foundation) is a nonprofit organization organized under the laws of the State of Louisiana. The Foundation was established for the purpose of providing funds to college students and the use of its earnings is restricted to this purpose. The Scholarship Committee of the Board of Directors reviews and selects applicants for assistance.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Foundation and changes therein are classified and reported as follows:

*Net assets without donor restrictions* - Net assets not subject to donor-imposed stipulations.

*Net assets with donor restrictions* - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Foundation and/or the passage of time or that they be maintained permanently by The Foundation. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Regarding those to be maintained permanently, generally the donors of these assets permit The Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Foundation is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Foundation would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 - Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

**MASONIC HOME EDUCATIONAL FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2022*

- Level 1 - Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.
- Level 2 - Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.
- Level 3 - Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity's own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2022 are as follows:

Description	Fair Value Measurement at September 30, 2022 Using			
	Fair Value	Level 1	Level 2	Level 3
Cash	\$ 23,356	\$ 23,356	\$ -	\$ -
Investments	\$ 3,719,297	\$ 3,719,297	\$ -	\$ -

### Note 3 - Investments and Marketable Securities

The Foundation has three investment accounts held at two national investment companies. The accounts have investments in several different marketable securities and cash investments.

Investment income for 2022 is summarized as follows:

Interest and Dividends	\$ 91,929
Realized gain/(loss)	(47,169)
Unrealized gain/(loss)	<u>(721,717)</u>
Total Investment Income/(Loss)	<u>\$ (676,957)</u>

### Note 4 - Concentration of Credit Risk

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

### Note 5 - Income Taxes

The Foundation's tax returns for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

### Note 6 - Related Party Activity

The Foundation is governed by a Board of Directors which is comprised of some of the same individuals which serve as Board Members of Grand Lodge of Louisiana, Inc., Masonic Learning Center, Inc and Masonic Library Museum, Inc. The rent and payroll expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Masonic Home Educational Foundation, also received \$16,907 of support from Grand Lodge of Louisiana F & AM. As of the September 30, 2022, The Foundation owed Grand Lodge of Louisiana F & AM \$0.00.

### Note 7 - Subsequent Events

The Foundation has no material subsequent events that would require disclosure. Subsequent events have been evaluated through January 17, 2023, which is the date the financial statements were available for issuance.

The Center was established for the purpose of providing assistance to students by funding educational expenses related to dyslexia training for students at the elementary school level.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

*Net assets without donor restrictions – Net assets not subject to donor-imposed stipulations.*

*Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time, or that they be maintained permanently by The Center. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Regarding those to be maintained permanently, generally the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.*

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Investments

Accounting for Fair Value Measurements (FASB ASC 820-10-50-1) requires disclosures of financial assets and liabilities that are re-measured at fair value at least annually. FASB ASC 820-10-50-1 establishes a three tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Income Taxes

The Center is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Center is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Center would be required to purchase these services if donated services were not available.

The Center uses various locations to implement the dyslexia program. Many of these locations are other non-profit organizations. The fair value of the use of these locations has been determined by management to be immaterial. Accordingly, no non-cash support for the use of these locations is recorded in these financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 - Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

- Level 1 - Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.
- Level 2 - Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.
- Level 3 - Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement including the reporting entity's own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2022 are as follows:

Description	Fair Value Measurement at September 30, 2022 Using			
	Fair Value	Level 1	Level 2	Level 3
Cash	\$ (154)	\$ (154)	\$ -	\$ -
Investments	\$ 448,807	\$ 448,807	-	-

**Note 3 - Investments and Marketable Securities**

The Center has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2022 is summarized as follows:

Interest income	\$ 13,437
Realized gain/(loss)	0
Unrealized gain/(loss)	<u>(86,479)</u>
Total Investment Income/(Loss)	<u>\$ (73,042)</u>

**Note 4 - Income Taxes**

The Center's tax returns for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 5 - Concentration of Credit Risk**

Financial instruments that potentially subject The Center to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 6 - Related Party Activity**

The Center is governed by a Board of Directors which is comprised of the same individuals which serve as Board of Trustees for the Masonic Home Properties and Charities (a program service of the Grand Lodge of Louisiana F & AM). The administrative expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Masonic Learning Center, also received \$183,926 of support from Grand Lodge of Louisiana F & AM. At September 30, 2022, Grand Lodge of Louisiana F & AM owed the Center \$674,835.

**Note 7 - Subsequent Events**

The Center has no material subsequent events that would require disclosure. Subsequent events have been evaluated through January 18, 2023 which is the date the financial statements were available for issuance.

**Note 1 – Summary of Significant Accounting Policies**

Organization

Masonic Library/Museum Foundation of Louisiana, Inc. (The Museum) is a nonprofit organization organized under the laws of the State of Louisiana. The Museum was established for the purpose of preserving records, artifacts and memorabilia concerning the Fraternity of Masonry in general and Louisiana Masonry in particular, and to display items of history and masonic history to present time.

The Museum currently displays and preserves items on loan from the Grand Lodge of Louisiana. The Museum does not own any of the artifacts and memorabilia that it houses. The loan of items is indefinite and will remain in effect until the Grand Lodge of Louisiana or the Museum ends the agreement.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as with donor restrictions and without donor restrictions.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. Contributions of fixed assets or resources to purchase them are reported as with donor restrictions. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the period as the contribution is received, the revenue is shown as without donor restrictions.

Financial Statement Presentation

The Museum is required to report information regarding its financial position and activities according to two classes of net assets (without donor restrictions and with donor restrictions) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as support without donor restrictions or with donor restrictions, depending upon the existence and/or nature of any donor restrictions.

Income Taxes

The Museum is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Museum is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Museum would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 – Fair Value Measurement**

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, "Fair Value Measurements" fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

**MASONIC LIBRARY/MUSEUM FOUNDATION OF LA., INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**For the Year Ended September 30, 2022**

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 - Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to fair value measurement. Fair value of assets measured on a recurring basis at September 30, 2022 are as follows:

<u>Description</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$ 14,969.33	\$ 14,969.33	\$ -	\$ -
Investments	\$ 194,935.28	\$ 194,935.28	\$ -	\$ -

### Note 3 - Investments and Marketable Securities

The Museum has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2022 is summarized as follows:

Interest income	\$4,706.67
Realized Gain	0
Unrealized Loss	<u>(29,015)</u>
Total Investment Income/(Loss)	<u>\$ (24,309)</u>

### Note 4 - Endowment

Net assets with donor restrictions include of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educational Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence or absence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Museum and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Museum.
7. The investment policies of the Museum.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Museum to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2022.

The Museum has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Museum has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Museum's investment policy.

During the year ended September 30, 2022, the Museum had the following endowment related activities:

**MASONIC LIBRARY/MUSEUM FOUNDATION OF LA., INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2022*

Endowment net assets, September 30, 2021	\$ 99,044
Amount appropriated for expenditures	0
Endowment net assets, September 30, 2022	\$ 99,044

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

Accounts receivables are immaterial, and therefore no consideration was made to the concentration of their credit risk.

**Note 6 – Income Taxes**

The Museum’s tax return for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 7 – Related Party Activity**

The Museum is governed by a Board of Directors which is comprised of some of the same individuals to which serve as Board of Directors of Grand Lodge of LA Inc., Masonic Home Educational Foundation, and Masonic Learning Center. The administrative expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Museum also received \$0 of support from Grand Lodge of Louisiana F & AM. At September 30, 2022, Grand Lodge F & AM owed the Museum \$0.

**Note 8 – Subsequent Events**

The Museum has no material subsequent events that would require disclosure. Subsequent events have been evaluated through January 18, 2023, which is the date the financial statements were available for issuance.

The Lodge has several funds which are included in these financial statements. The funds and purposes are listed below.

Fraternal - This is the C-10 fraternal that directly services membership. The membership dues flow in and expenses are paid for membership purposes. Most of the payrolls come out of this account.

Service Committee - This is the “store” that has all the Masonic items that can be purchased. Inventory is its biggest asset and physical inventory is taken once a year at year end.

Charities and Benevolence - These are monies collected from Lodges to help out the other Lodges in need.

Charities and Benevolence Fund A - This fund was set up to help former employees and associates of Grand Lodge.

Special Purpose - This fund was set up to collect and pay monies for Masonic conferences, etc. A certain amount is transferred from the Fraternal each year to help with the cost of conferences for members.

LA Freemason - This is the publication put out by Grand Lodge on a semi-annual basis. Part of the dues sent to Grand Lodge includes an assessment from the members to defray the cost of publishing the magazine. That assessment is transferred to LA Freemason each year after the dues come in.

Disaster Fund - This fund was for members to contribute to when there is a disaster. For example, when Hurricane Katrina hit in 2005, money was donated and used to aid victims of the hurricane.

Thibodaux Cemetery - This is a cemetery owned by The Lodge in Thibodaux, LA.

Masonic Cemetery - Located in New Orleans, this cemetery is funded by monies received from families of those buried there and from the income of these investments. These funds are used to maintain the cemetery.

Perpetual Membership - This program was started so members can pay a onetime fee and not have to pay annual dues. Grand Lodge uses the income from the principal invested to pay the local lodge dues for that member.

Masonic Endowment - These monies were donated over the years so that charitable causes could be funded.

Masonic Home Endowment - These monies were donated as 501 (c) (3) for purposes of paying expenses for the care of the children when the home was operated as a children’s home. Since the Home has closed, the income from the endowment goes to the Masonic Learning Center (dyslexia program) and the other ½ to the Masonic Home Education Foundation to fund scholarships.

Masonic Charities - This is the old “Masonic Home for Children.” Back in 1996, the C-3 funds (those given to the home as charitable donations) & C-10 funds (those given to the home by Grand Lodge) were split. The C-3 funds are used for charitable purposes. The C-10 funds are used for fraternal membership purposes.

Significant Accounting Policies

Significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as with donor restrictions and without donor restrictions.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. Contributions of fixed assets or resources to purchase them are reported as with donor restrictions. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the period as the contribution is received, the revenue is shown as without donor restrictions.

Promises to Give

The Lodge does not engage in any fund-raising activities and does not receive any pledges. Accordingly, no such activity has been recorded in these financial statements.

**NOTES TO FINANCIAL STATEMENTS**

---

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Financial Statement Presentation

The Lodge is required to report information regarding its financial position and activities according to two classes of net assets (without donor restrictions and with donor restrictions) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as support without donor restrictions or with donor restrictions, depending upon the existence and/or nature of any donor restrictions.

Income Taxes

The Lodge is a not-for-profit organization that is exempt from income taxes under Section 501 (c) (10) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements. In addition, the Lodge has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

Cash and Cash Equivalents

Cash and cash equivalents represent bank deposits and highly liquid investments with original maturities of three months or less.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt and equity securities are valued at their fair value in statements of financial position. Unrealized gains and losses are included in the change in net assets.

Functional Allocation of Expenses

The cost of providing the Lodge's programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited.

Other support services include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Lodge.

Compensated Absences

The Lodge has no policy relating to compensated absences. The compensated absences are not material to the financial statements as of September 30, 2022.

Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as contributions with donor restrictions. Property and equipment are depreciated over their useful lives using the straight-line method. Useful lives are determined by IRS regulations.

**Note 2 – Fair Value Measurements**

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, "Fair Value Measurements" fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

**GRAND LODGE OF LOUISIANA F. & A.M.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2022*

Level 3 – Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to fair value measurement. Fair value of assets measured on a recurring basis at September 30, 2020 are as follows:

<u>Description</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$ 870,232	\$ 870,232	\$ -	\$ -
Investments	\$ 17,523,118	\$ 17,523,118	\$ -	\$ -

**Note 3 – Investments**

The Lodge has several investment accounts with several national investment companies. The accounts are invested in several different marketable securities and cash investments.

Investment income for 2022 is summarized as follows:

Interest income	\$ 479,012
Realized gain/loss	512,258
Unrealized gain/loss	<u>(4,803,522)</u>
Total Investment Income/(Loss)	<u>\$ (3,812,252)</u>

**Note 4 – Inventory**

Inventory consists primarily of books, videos, accessories, and other educational materials. Inventory is carried at the lower of cost or market using the first-in, first-out method.

**Note 5 – Property and Equipment**

Property and equipment consists of the following:

<u>Description</u>	<u>Life</u>	<u>Amount</u>
Land		\$ 36,706
Buildings	39 years	1,399,134
Furniture and fixtures	5 – 15 years	85,682
Machinery and equipment	5 – 7 years	22,567
Storage	15 years	80,369
Accumulated Depreciation		<u>(731,099)</u>
Net		<u>\$ 893,359</u>

Depreciation expense as of September 30, 2022 was \$43,111.

**Note 6 – Related Party**

The Lodge is governed by a Board of Directors which is comprised of some of the same individuals which serve on the Board of Directors for the Masonic Learning Center, Inc., the Masonic Home Educational Foundation, and the Masonic Library/Museum.

Masonic Home Educational Foundation paid the Lodge \$9,000 in rent and \$6,000 in payroll reimbursement.

As of September 30, 2022, there were payables to two of the other Masonic entities. The amount due to the Masonic Learning Center, Inc. is \$674,835, and the amount due to Masonic Home Educational Foundation is \$7,313.

**Note 7 – Restrictions on Net Assets**

The Lodge has a program (Perpetual Membership) where a member can pay a lump sum amount for a lifetime membership. This can also be paid in installments. The earnings from the lump sum and/or installments are transferred to the lodges each year in order to pay that member's dues. These funds have been set aside in investment accounts which, as of September 30, 2022, total \$4,069,628.

The Lodge has certain net assets that are with donor restrictions. These assets are comprised of contributions made to the endowment funds of the Lodge, the income from which has been used to fund certain charitable purposes. The net assets in these endowment funds are restricted by its original donors to endow these aforementioned purposes. The two endowment funds are the Masonic Endowment and the Masonic Home Endowment. Details of the endowment funds can be found in Note 8.

**Note 8 – Endowment**

Net assets with donor restrictions include of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educational Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence or absence of donor-imposed restrictions.

**GRAND LODGE OF LOUISIANA F. & A.M.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2022*

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Lodge and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Lodge.
7. The investment policies of the Lodge.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Lodge to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2022.

The Lodge has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Lodge has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Lodge's investment policy.

During the year ended September 30, 2022, the Lodge had the following endowment related activities:

	<u>Net Assets with Donor Restrictions</u>
Endowment net assets, September 30, 2021	\$ 3,578,744
Contributions	-
Investment income/(loss)	(609,916)
Distributions for endowment purposes	(43,193)
Amounts appropriated for expenditure	-
Endowment net assets, September 30, 2022	\$ 2,925,635

**Note 11 - Concentrations of Credit Risk**

Financial instruments that potentially subject the Lodge to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make investments less valuable.

The Lodge maintains cash balances with national and regional banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2022 cash on deposit that was in excess of the federally insured limits was \$78,467.

Accounts receivables are immaterial, and therefore no consideration was made to the concentration of their credit risk.

**Note 12 - Collections**

The museum also contains memorabilia from the old Masonic Home for Children which operated from 1923 until 1994 as a home for needy children. It includes such things as an old dentistry chair from the infirmary as well as musical instruments from the old band formed in the 1920s at the Home. Files are kept of former residents for genealogical tracking.

The services performed consist of the availability for research and study by the general public. The availability of periodicals and clipping services, biographical data, card catalogue, Grand Lodge Proceedings and proceedings of Grand Lodges from other states, and other services performed by libraries generally.

**Note 13 - Income Tax**

The Lodge's tax returns for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 14 - Subsequent Events**

The Lodge has no material subsequent events that would require disclosure. Subsequent events have been evaluated through January 18, 2023, which is the date the financial statements were available for issuance.

In all elections a majority of all the votes cast shall be necessary to an election. No Brother can be elected Master of the Lodge unless he has served as Warden. The Master, alone, has authority to name the appointed officers of the Lodge.

Whereas, our Lodges are losing the proper guidance from a Worshipful Master, who has rapidly advanced to Worshipful Master from the time they were raised as Master Mason and,

Whereas injustice is being done to the Master Mason who is elected Worshipful Master soon after being raised and,

Whereas the Lodge suffers from having a Worshipful Master who is ill prepared through no fault of his own,

Now Therefore, be it resolved that Article VII., Section 3, Page 8 be amended to read as follows: (bold face type)

Section 3 States: The officers of each Lodge shall consist of a Master, Senior Warden, Junior Warden, Treasurer, Secretary, Senior and Junior Deacons, and Tyler, and such other officers as may be deemed necessary by the Lodge; the first five of the above named officers must be chosen by ballot, provided it shall be legal for the Lodge, by unanimous consent, to permit any designated officer to cast a ballot for the Lodge, for the office of Secretary and Treasurer; all officers except Tyler must be members of the Lodge. In all elections a majority of all the votes cast shall be necessary to an election. **No Brother can be elected Worshipful Master of the Lodge unless he has been raised to the Degree of Master Mason for a minimum of 5 (five) years, served as a Warden, and can show suitable proficiency in opening and closing the Lodge in all 3 (three) degrees.** The Master, alone, has authority to name the appointed offices of the Lodge.

Author: W: Charles "Ken" Dorhauer, PM; Denham Springs No. 297

Refer to: Digest of Edicts Section: Conferring Degrees Page: 76 of the Constitution, General Regulations or Edicts.

Whereas, the Hand Book of Masonic Law does not specifically identify procedure for conferral single candidate in second section of Master Mason Degree.

No more than five candidates may be obligated in the Fellow Craft or Master Mason Degree at one time. Any number of candidates may receive the second section of the Fellow Craft Degree at the same time, but only one candidate may receive the second section of the Master Mason Degree at the same time, and not more than five Fellow Craft Masons shall be raised to the Master Mason Degree at any one meeting of a Lodge.

Whereas, the Official manuscript of the Esoteric Work of the Grand Lodge of the State of Louisiana, rewritten as authorized by Joe G. Cabuk, Jr., Grand Master 2003 in his letter to Milford G. Busby, Chairman of the Permanent Committee on Work dated January 15, 2004 states on page 86, "Summary Raising Master Mason Degree"

Add paragraph:

**Under our law, a lodge is permitted to raise as many as five candidates to the Master Mason Degree at one and the same communication When more than one are raised at a communication of a lodge, it is permitted to raise all except the last candidate in a summary manner, but in such case all who are so raised must remain throughout to see and hear the full ceremonies as enacted in the case of the last candidate, and should be informed that the full ceremonies will be witnessed. The summary manner shall not be used when there is only one candidate and he shall receive the full ceremony.**

**RESOLUTIONS**

**Resolutions timely filed, to be considered and at this Grand Communication, are:**

**RESOLUTION NO. 2023-01**, proposes that “every resolution submitted for consideration at the Annual Grand Communication of this Grand Lodge shall include a SUMMARY section immediately below the author information, and that this section shall contain a short summary in clear and plain language explaining the effect of adopting the resolution.”

Your Committee notes the only current Law on the subject of the summaries and effect of resolutions on current law is found at H.O.M.L., General Regulations, Article, III, page 21: The Committee on Masonic Law and Jurisprudence shall review the written law and make recommendation to the Grand Lodge for possible need of clarification or change; it shall receive all proposals to change the written law and report to the Grand Lodge it’s recommendation. The Committee’s Annual Report contained in the Advanced Proceedings does exactly that.

We also note that some authors are not sufficiently knowledgeable of the interactions of various provisions of laws to properly comment on the effect of adoption of a resolution on other provisions of law and for the author to write and summarize the proposal is somewhat redundant.

As this resolution could amend the H.O.M.L., General Regulations by adding a new provision relating to resolutions and /or Digest of Edicts, it must be received by a favorable vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

## THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE (cont)

### RESOLUTIONS

**RESOLUTION NO. 2023-02**, proposes to codify **Edict 2022-01** by adding a paragraph to H.O.M.L., Digest of Edicts, LODGE MEETINGS AND ACTIVITIES, Page 89ff and Model Forms of By-Laws, page 117, directing the Worshipful Master of each Lodge to cause a verse or passage of Scripture from the Holy Bible to be read aloud immediately after the Lodge has been opened and before the reading of the minutes or any other business of the Lodge shall be transacted.

As this resolution could amend the H.O.M.L., Digest of Edicts and Model Forms of the By-Laws by adding a new provision relating to resolutions and /or Digest of Edicts, it must be received by a favorable vote of a majority of delegates, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2023-03**: Proposes to fix the time and place for the Annual Grand Communication for the year 2024, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations, Article 1, Section 1, or such other date set by the Grand Lodge in Annual Communication assembled, and that it be conducted in the City of Alexandria, Louisiana.

The proposed resolution is in compliance with and does not amend the Handbook of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a majority vote of a quorum of delegates lay over from one session to the next, and be adopted by a simple favorable majority vote of a quorum of delegates.

**RESOLUTION 2023-04**: Proposes to amend H.O.M.L., Constitution, Article VII, Section 3 to the extent of adding additional qualifications for election as Worshipful Master. Current law requires the nominee be a member in good standing who has previously served as Warden. This amendment would add two additional qualifications: (1) he has been a Master Mason for five (5) years or more; and (2) show suitable proficiency in opening and closing the Lodge in all three degrees.

Your Committee notes the resolution does not provide methodology for testing candidates, but suggest the proposed requirement is the equivalent of holding a Level One Proficiency Card.

As the adoption would amend H.O.M.L., Constitution, Article VII, Section 3, it must be received by a favorable majority vote of a quorum, lay over to the next annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2023-05**: Proposes to add a paragraph after H.O.M.L., Digest of Edicts, CONFERRING DEGREES paragraph 4, page 76 to provide with specificity that every Master Mason shall witness the complete ceremonies of the degree, including the entire second section of the degree, at raising.

Current law provides not more than five Fellow Craft Masons shall be raised to the Master Mason Degree at one meeting of a Lodge, and only one candidate may receive the second section of the degree at the same time.

Your Committee notes that the H.O.M.L. is silent relative to raising in a summary manner, however, the proposed additional paragraph merely codifies existing practice, approved by the Permanent Committee on Work and memorialized in the current Official Manuscript of Esoteric Work.

Respectfully submitted,

Lloyd E. Hennigan, Jr., PGM Chairman

**THE BOARD OF TRUSTEES FOR  
MASONIC CHARITIES  
REPORT ANNUAL REPORT**

M: W: Grand Master, Grand Lodge Officers and Brethren:

The Board of Trustees For Masonic Charities is responsible for the management of funds derived from investments, bequeaths, contributions and donations. This Board is a charitable entity and must abide by specific requirements and regulations to maintain it's tax exempt status as a 501(C)3 organization as directed by the Internal Revenue Service.

It is important that each Mason in Louisiana know there must be a clear separation of the 501(C)3 charitable, tax exempt and deductible funds and the 501(C)10 funds and assets used to operate our Grand Lodge. The funds must be kept in separate accounts and not co-mingled for any reason. To maintain our 501(C)3 status The Board must solicit and seek funds from outside of our Masonic Fraternity, in conjunction with the donations and bequeaths derived from our membership.

The Board has devised a Business Plan to assist in the growth of assets for Mason Charities. We feel that the full implementation of this plan will provide increased funding and growth for the various charities supported by Masonic Charities.

The Board has an Investment Committee which oversees the monthly operations of our Investment Management Company. The Investment Committee and Management Company reports at the Boards bi-annual meetings on the status of our investments and advises the Board on any changes that need to be made to maximize our return on investment. The Board of Trustees for Masonic Charities has approved an investment plan that dictates the investment policies and parameters which the Investment Management Company must use as a guide for our investments.

The Board of Trustees for Masonic Charities thanks all of the Louisiana Masons for their donations and bequeaths in 2022.

The legal issues directed to your Committee pertaining to Gifts, Wills and Legacies were addressed in an efficient and professional manner, always keeping the high ideals of our spiritual brotherhood a priority in our representation of the Grand Lodge.

The Committee, with the assistance of committee member, H. Barlow Holley, proposed some clauses, Last Will and Testament clauses be utilized for bequests to the Grand Lodge.

Your Committee commends the Grand Master and his officers for their cooperation and efficient administration of our Grand Lodge.

## HISTORY COMMITTEE REPORT

To the Most Worshipful Grand Master, Officers and Brethren of the Grand Lodge of Louisiana, F. & A. M. This Committee thanks the Grand Master and Brethren for allowing us to serve the Grand Lodge.

This Committee continues to work and assist the Lodges of Louisiana encouraging each Lodge to create and maintain their history. There is so much history in each Lodge that needs to be captured for future generations. Each Lodge has its own individuality, i.e. its origin, name, furniture, papers, etc. This information should be used for the education of its members and future generations. Our Committee stands ready to assist all Lodges in preserving our rich history.

Again, Brethren, this Committee thanks you for allowing us to be of service to our Grand Lodge.

Fraternally submitted,

Samuel "Sam" B. Owens, PM Chairman; Paul J. Martin, PM; Ion Lazar, PM  
Gerald H. Houston, PM; Allen H. Borne, Jr.; Earl L. Toups, P.M.

## INSURANCE COMMITTEE REPORT 2022-2023

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

The following is submitted on behalf of the ad hoc "Insurance Committee." The committee currently consists of Brothers James "Chuck" Morgan III, P.M., Greg L. Bruce, P.M., and H. George Scanlan, Jr., P.M.-Emeritus. There have been no meetings of the committee in the past year. No insurance issues have been referred to the committee during this past year. The Grand Lodge has continued to appropriately renew its coverages. Quotes for coverage can be obtained by individual Lodges through the Grand Lodge website.

The "Insurance Committee" continues to strongly urge each member Lodge to review its current property and liability coverage to ensure that same is in place, and is adequately covering your risks. Even if the Lodge is only renting space in a building owned by someone else, care should be taken to see that the Lodge furnishings, including Officers jewels, are covered in case of loss, and that proper liability coverage is being maintained. Each Lodge should be aware of whether or not its property is in a flood zone, and if so, to purchase proper flood coverage.

Respectfully & Fraternaly Submitted,  
James H. "Chuck" Morgan III, P.M., Chairman

**BOARD OF TRUSTEES FOR THE MASONIC FOR THE  
MASONIC LEARNING CENTER OF LOUISIANA DYSLLEXIA  
TRAINING PROGRAM**

Most Worshipful Grand Master, Officers, and Brethren of the Grand Lodge of the State of Louisiana:

The Masonic Learning Center of Louisiana Dyslexia Training Program is pleased to report that 2022 was the start of the rebuilding of the Dyslexia Program after the unprecedented disruption by the COVID-19 Pandemic. The program suffered through observance of local, state and federally mandated restrictions, loss of locations, teachers and students.

The Board of Trustees is pleased to report that in the second half of the year a new approach was undertaken to rebuild and expand the Dyslexia Training Program. We will still use the traditional approach but also expand our search to include school locations that are willing to cooperate and join as partners in the program.

Part of this change in direction is to approach local school systems, public and private as well as charter schools, to assist in a joint venture to establish centers in their local school buildings. By doing so travel time for students and teachers can be eliminated as they would no longer need to leave their school locations and travel to a separate center to attend our program. This is and has been a major hindrance to our program throughout the state for years.

The board is also working to initiate a public relations campaign throughout the state to get our message out to the parish schools, charter schools, civic groups, brothers and the general public through printed media and social media.

The applications for the program have been revised to be more user friendly as some questions were found to be difficult to understand.

The number of clinics for the Dyslexia Training Program is in the process of expanding in the following parishes:

Jefferson Parish-Metairie, LA - St. Therese Academy. A Letter of Understanding is being composed. Possible 6-8 students plus.

St. Tammany Parish- Mandeville, LA - Abba Educational Center. Work in progress. Possible 6-8 students.

St. Tammany Parish- Covington, LA – Cary Froeba Home School Center. Work in progress. Possible 6-8 students.

W. Baton Rouge Parish- W. Baton Rouge School Board. Open discussion.

The Board of Trustees is studying creating the position of Dyslexia Ambassador and Representative for the brothers who wish to volunteer their time.

The Board of Trustees is grateful for the continued support of the members and Lodges of the Grand Lodge of the State of Louisiana. Without their support, through donations, time, energy, and classroom space our Masonic Philanthropy would not be possible.

Special thanks to the New Orleans Scottish Rite-Valley of New Orleans for a \$30,000 donation to the Dyslexia Training Program.

Special Thanks to Brother Michel R. Norman, Covington Lodge # 188, F. & A. M., St. Tammany Parish who is working hard in St. Tammany Parish.

The following is an overview of the current status of the program for the Fiscal Year of October 1, 2022 through September 30, 2023.

\* 94 Students served

\* 24 Classes offered

\* 12 Communities served

\* 24 Teachers employed

\* 7 Masonic Districts served

**BOARD OF TRUSTEES FOR THE MASONIC FOR THE

TRAINING PROGRAM (cont)**

\* Donations received \$ 58,314.60

\* Total expenses \$ 172,695.51

The Program is administered by Sharon McCaskill and Michelle Dempsey is the Administrative Assistant.

Our success is the joy of knowing that the Dyslexia Training Program has assisted and changed the lives of many students since its inception in 1998 by furthering their education and their ability to become leaders of our communities.

We encourage all Masons to take an active role in our philanthropy. Our members are the ambassadors to our community.

## REPORT OF COMMITTEE TO SUPERVISE PUBLICATION OF THE LOUISIANA FREEMASON

### PUBLICATION OF THE LOUISIANA FREEMASON 2022

Since the time of the last report of this committee, The Louisiana Freemason has consistently published a weekly eEdition every Friday afternoon (52 issues). Currently, over 4,000 Masons receive this digital newsletter with a 52% weekly readership/open average. It has been very well received and is growing in popularity. The eEdition continues to receive compliment and support from the brethren, and more lodges and individual Masons are contributing with each passing month as this product develops more.

Two print issues were published this year. The first, in the Spring, was in the magazine format that was adopted in 2019 for future issues when resuming printed distribution. These issues have been the "new" format (8.5x11, full color, slick) following the design of the Spring 2019 Digital Issue, which had been published at the request of MWB Martin Reinschmidt before his session. The second, a Fall issue, was in the recently adopted "newsprint tabloid" format. Switching to this format reduced production costs more than 80% per issue, freeing up production funds to publish more frequently than once per year in order to better serve brethren, especially older brethren, whom the eEdition, and digital magazines were excluding.

In addition to cutting costs, more frequent publication is more attractive to potential advertisers, and 30% of the production costs for the Fall issue was supplemented by display advertisements. Overall costs for the annual publication of the eEditions and the print edition were reduced, which will lead to a surplus of income for the 2023, when print issues are in the new format and supported through ads.

The Freemason will continue to be published in a digital format if content allows, with two issues per year being published in newsprint. The digital editions are distributed via email and through various online venues. The annual printed editions are distributed via traditional mail, to Master Masons in Louisiana, and a weekly eEdition will continue to go out on Friday afternoons.

## NECROLOGY COMMITTEE REPORT

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

It is with a heavy heart that your Necrology Committee must report that the dread messenger of death has once again reduced our ranks. Since our last report 336 brave brothers have laid down their working tools for the final time and entered that spiritual building, that house not built with hands, eternal in the Heavens.

These brothers will be remembered at our Necrology Service. It is respectfully requested that every companion who can attend do so, in a show of their respect for our departed brethren. It is our duty to remember their zeal for our fraternity which has helped it to survive and prosper.

We shall always remember and grant, to all of our brothers who we lost in 2022, all the due respect, honor and dignity they have earned, and may the Grand Architect of the Universe welcome them with open arms, and these words; "Well done, thou good and faithful servant; thou hast been faithful over a few things. I will make thee ruler over many things, enter thou into the joy of thy Lord".

My thanks to the members of our Necrology Committee for your assistance and support.

## LODGE SECRETARY TRAINING COMMITTEE ANNUAL REPORT

LODGE SECRETARY TRAINING COMMITTEE ANNUAL REPORT (2022)

Greetings to the Most Worshipful Grand Master, Grand Offices, and Brethren all:

The year of 2022 was exciting with the recovery and rebound of the lodges from the pandemic. I would like to thank all the lodge secretaries who stayed the course and dedicated themselves to making sure the lodge business was maintained during the pandemic. The Secretary Training committee held a number of workshops around the state but the safety and wellbeing of our brothers is first and foremost above anything else. Most of the issues were discussed in a virtual communication format. Phone calls, emails, and zoom meetings were used to accomplish these tasks. In addition, some committee members attended a workshop hosted by Grandview where new ideas and programs have been implemented. The committee will continue to inform and evaluate the efforts of the lodge secretaries in order to improve on the learning process. It is an honor to serve and I hope this report will be of service to the Grand Lodge of the great state of Louisiana.

Fraternally submitted,

Jim Wingate, PM  
State Chairman, Secretary Training Committee.

## PERMANENT COMMITTEE ON WORK

The following is the totals for the year 2022 of Proficiency Holders:

Level 1- 135  
Level 2- 8

## MEMBERSHIP DEVELOPMENT COMMITTEE

CLAYTON NORRED, P.M., CHAIRMAN  
DISTRICT DEPUTY GRANDMASTERS

Membership is the life blood of any organization. Without a growing membership our fraternity will not prosper. It is true that some lodges are experiencing growth while many others continue to decline. Some to the point of closing or consolidating with other lodges. This is not new information for most of us.

Admitting we have a problem with membership is the first step to turning around the decades long decline. In 2020 a survey was conducted throughout the United States. The survey was initiated by the Grand Lodge of New Jersey with the cooperation of other Grand Lodges in California and Minnesota. The survey generated over 33,000 new leads for lodges across the country. The positive response rate was 57% of participants indicating that they would like to know more about the masons. Ultimately, 29% joined in 2021. Most had not heard of our fraternity but wanted to join an organization that provided a path to self-improvement. A place where they could develop deep friendships and enjoy the brotherhood of a fraternity. All very positive and an increase of membership around 9,500 new masons.

The alarming part of the survey was what the other 28% reported. Over half that number were never contacted by a lodge. Of those who were contacted decided the membership process was too long, the membership was too old, and they were not made to feel welcome. Over 9,000 potential new members were lost because we failed as a fraternity to practice the principals of masonry.

Now is the time for us all to take membership growth seriously. I have sat in far too many lodges where there was only a hand full of masons present. Where the conversation centered around why no one wants to attend lodge and why we cannot create or retain new members. All the while doing nothing to change.

Let us commit to making lodge meetings fun and educational. Let our membership know that we are dedicated to making good men better. Welcome our newly raised masons and don't wait till lodge night to socialize with them. Once we create an environment of brotherly love, our membership will increase.

Thank you for the opportunity to share our insights on membership.

**REPORT OF SPECIAL COMMITTEE ON THE LIBRARY,  
MUSEUM, AND ARCHIVES OF THE GRAND LODGE**

M:W: GRAND MASTER AND BRETHREN:

We, the Special Committee on the Library, Museum, and Archives of the Grand Lodge, thank you for the opportunity to serve and submit our annual Report on the state of our Library, Museum, and Archives as follows:

At the outset, we note that we are a Committee of the Grand Lodge and are a separate entity from the Board of Trustees for the Masonic Library/Museum Foundation. Unlike the Board, our Committee has no funds, spends no money, and is limited to making recommendations to the Grand Lodge regarding the Library, Museum, and archives of our Grand Lodge as a whole.

The Library/Museum was closed to the public for much of the year this year due to concerns with roof leaks and hurricane damage to the building in general that were ongoing from 2021. The roof leaks were remedied in September 2022, and following professional cleaning in the Library (air, carpet, etc) the Library re-opened to the public in October 2022. Since that time, all repairs have been made to the roof and the Library has resumed daily operation. No books or artifacts in the collection were damaged during that time. The scanning station has been set up in the Library once again, and the digitizing of printed items has resumed.

In May, 2022, the Library received a literal truck load of books (140+ boxes) from the estate of our late Brother Michael Carpenter. Dr. Carpenter was a valued member of Lodge of the Nine Muses, No. 9, Louisiana Lodge of Research No. 1989, and Trinity Union Lodge No. 372. The librarian, Bro. Gar Pickering, estimates that the collection contains approximately 1,500 books total and has begun the process of separating them by language (English and French mostly, with some German and Italian). The accessioning of the books is limited by the lack of shelf space in the Library, with only a few hundred titles being shelved (as a way of accessing what is what) thus far, which has barely made a dent in what needs to be shelved from this collection. Unfortunately, most of the books are still stacked in boxes in the back building with nowhere to put them.

We understand that the situation has been made known to our sister entity, the Board of Trustees for the Masonic Library/Museum Foundation. Earlier this term (2022) Bro. Pickering brought to the Board's attention the issue of a lack of space, particularly now with the Carpenter donation, and contacted a leading company in the industry (Spacesaver Corp), with business in Louisiana. Linda Carpenter, Bro. Carpenter's sister, reached out to the Library shortly after and offered to donate to the shelving project, but was not sure exactly what the cap was for her donation at the time. In October, a consultant from Spacesaver visited the Library and did an initial assessment of the space and gave an estimated range of costs. This has been submitted to the Board for consideration, and Mrs. Carpenter follows up regularly to ensure that she is committed and serious in her intent to support the project. At this time we await Board action on the project.

In addition to the large donation from the Carpenter Estate, several smaller donations have been received, including more books and Masonic memorabilia. Having sold their building this year, the Scottish Rite Valley of Monroe is considering a loan of their Library, but further action on that project is pending. In particular, the brethren in Monroe are concerned about the lack of adequate climate-controlled storage in the Library.

In short, under the able leadership of Bro. Gar Pickering, the Library and Museum continues to grow and expand and is an arm of our fraternity of which ALL of us can be very proud. We look forward to many years of continued prosperity.

**BOARD OF DIRECTORS TO MANAGE**  
**PERPETUAL MEMBERSHIP**

2022 Report of the Perpetual Membership Committee

1. The Board to Manage the Perpetual Membership Program manages the Perpetual Membership Funds following the guidance of the Perpetual Membership Fund Investment Policy. Briefly, this policy details how the Perpetual Membership funds may be invested. The money that pays for a Perpetual Membership, an Honorary Perpetual, a Memorial Perpetual, or a Perpetual Memorial is placed in the Principal Account, adding to the Principal Basis, which is not to be spent. The principal funds are invested in instruments intended to exceed 5% of the Principal Basis annually.

The Cash/Short Term Account, in which earnings from the Principal Account are swept in anticipation of the annual payout to the lodges, primarily holds very short-term instruments and cash. The amount of the annual payout to a Lodge reduces the Lodge's annual per capita accordingly.

In addition, the Reserve Account, which holds earnings in excess of the annual 5%, is primarily invested in different types of financial instruments: equities, short-term bonds, and Treasury bills. The Reserve Account is used if the Principal Account does not earn 5% in any year.

2. As January 31, 2023, the balances of the accounts were as follows:

Principal Account: \$3,776,371.17  
Reserve Account: \$356,329.65  
Cash/Short Term Account: \$210,584.83

An additional \$14,176.00 was moved into the Cash/Short Term Account from the Reserve Account in order to meet the 5% payout of \$219,760.57 and administrative costs of \$5,000.00.

3. Each year brings different challenges in the financial markets. This past year was a tough year. The Investment Manager appointed by the Board talks with our Broker, Huddleston & Smith, regularly to review effectiveness and compliance with the investment policy. This conversation often happens several times a month when the markets warrant.

With the prospects for 2023 looking better, the Perpetual Membership Fund is on track to earn a return that will exceed 5% and thereby also increase the Reserve Account.

## MASONIC YOUTH COMMITTEE REPORT

To: The Most Worshipful Grand Master, of the Grand Lodge of Louisiana, F.& A.M.

Most Worshipful Sir, Most Worshipful Sirs, Right Worshipful Sirs, Worshipful Sirs, My Brethren All

First let me thank you for the opportunity to serve our Grand Lodge of Louisiana on the committee for Masonic Youth. This endeavor has been challenging and enjoyable. Reasons for this committee are varied, but, most importantly, we are investing in the future of our beloved Masonic Fraternity.

Louisiana DeMolay currently has 6 functioning chapters with 81 active DeMolays, 11 Squires and 22 advisors. Louisiana Rainbow has 53 members, 11 pledges and 46 advisors across 6 Rainbow Assemblies. The advisors that work with the youth around are state are to be commended as they have invest a huge amount of time to promoting Masonic Youth.

As you are well aware, Masonic Youth organizations depend on the continued support of our Masonic Organizations, and the support given by the Grand Chapter is greatly appreciated.

Fraternally submitted,

Wilson O. Cook, PM  
Executive Officer, Louisiana DeMolay

## REPORT OF THE MASONIC EDUCATION COMMITTEE

Most Worshipful Grand Master, Grand Lodge Officers, Wardens and Brethren:

The Annual Wardens Retreat was a large success with more than 130+ brethren from throughout the state attending following a few years not being able to hold it due to Covid-19. The Wardens Retreat was held earlier in the year than normal, being held on August 27th, 2022. Speakers gave compelling presentations on several topics including Social Media and Outreach, information for First Time Worshipful Masters, and how to Implement a Lodge Education Program. Our Grand Master, M.W. Jay McCallum, charged the brethren to make a continual effort to seek donations for our 3 Charities, especially our Dyslexia Program and Scholarships Program. W. Bro. LeBouef presented information for First Time Worshipfuls as well as the Grand Hospitalier program. Our Grand Chaplain, W. Bro. Perry Anderson, stressed the importance of selecting the right brother for the Chaplain of your Lodge as well as those officers duties. W. Bro. Mark St. John provided an outline for Implementing an Education Program for your Lodge and W. Bro. Glen Girard clarified Proficiency Cards with some tips and tricks. W. Bro. Allan Bean gave a direct way for Officers of the Lodge to contact him if they need information regarding the Perpetual Membership Program. W. Bro. Cash Melville shed some light on how NOT to become a "Grumpy Past Master" and W. Bro. Keith Gates gave an account of fictional "Moon Light Lodge" and the exploits of "Bro. T-Roy" as well as tips on how to stay OUT of the Appeals and Grievances Committee. Following the Retreat, the Exit Ticket provided some interesting results.

The 2022 Wardens Retreat included more Senior Deacons (26.5%) than any other retreat previous usually ranging between 7% and 11% of our attendance. When asked what Lodges need most, the answer again is "Members" at 59.2% with "Education" coming in second at 36.7%. One quarter (26.5%) of all Masons surveyed said they would like to see more productive meetings at their Lodge. When asked what would make the Retreat more effective, 3 responses tied for 32.7%; More Materials Online, More Materials to take back and More Time (like 2 days). When asked what types of presentations they would like more of, again we had a 3 way tie. "Education Resources for ALL members (not just Officers)", "Leadership Training" and "How-To's" were all ranked equally at 55.1%. When asked what they thought should be covered in future Retreats, "Planning", "How to improve attendance" and "Ways to keep new Masons interested" topped the list with the Handbook of Masonic Law and Trials scoring the lowest. A majority of respondents (57.1%) said that they joined Freemasonry because they "...wanted to learn philosophical and esoteric knowledge" however when asked why they think candidates join, Family Tradition (57.1%), Seeking Fellowship (51%) and Seeking to make themselves "Better Men" (59.2%) outranked reasons like Seeking Knowledge (44.9%). A majority of respondents said they have a Facebook account (83.7%) and belong to a local Louisiana Masonic Face Book Group (81.6%) as well as saying that their Lodge also has an account (69.8%). This is in stark contrast to 0% of the Lodges having a YouTube, Twitter, or Instagram account. Materials from the Retreat and results of the Exit Ticket were provided digitally via email to all who attended to share with their respective lodges.

## REPORT OF THE MASONIC EDUCATION COMMITTEE (cont)

The Achievement Award submissions for 2022 were inspiring as several lodges participated and had exceptional additional education topics, going above and beyond the simple requirements.

The Education Committee has been in communication with the Grand Secretary and believe we have a plan to provide more education topics and resources both online and within the Lodges, create content and information on how to keep new Masons interested and “set the table” for candidates before they show up hungry, and provide instructional information for ALL members, not just the officers of a Lodge. We plan on delivering these through the Grand View portal where other jurisdictions like California are planned to provide their education outlines/materials by the end of 2023. We will be in collaboration with other Grand Lodge teams in those jurisdictions to determine success strategies to accompany the materials and pitfalls to avoid. We also will use social media and collaboration and streaming tools like Zoom/YouTube where we’ve seen a majority of newer (not necessarily younger) members, and will provide education topics, papers, power points, and materials for Lodge Education Committee Chairmen to share within their lodges, better preparing them to provide education within the meetings.

Lastly, we plan on providing materials to all brethren that will help them educate the public (not only the brethren) as to who we are, why we exist, and what we believe in. That we are the largest and oldest Fraternity in the world. That we exist to foster the Fatherhood of God and the brotherhood of men. That we attempt to enjoin morality, charity and the timeless principles and lofty ideals of our Craft along with our philanthropy to help children with Dyslexia. That we provide scholarships to continue education within the State and we strive daily to practice virtue, silence and love, faith, hope and charity.

Sequere Lucem. Fiat Lux.

## FINANCIAL OVERSIGHT COMMITTEE REPORT

Your Financial Oversight Committee is charged with reviewing the records of seven (7) Grand Lodge boards and committees handling fund showing the policies, procedures, and actions to actively and intentionally attend their fiduciary responsibilities. These boards must provide evidence that they are actively managing their funds. Our committee provides oversight verifying policies and practices are in place to insure the investments accounts are actively managed with written goals and objectives that support these boards.

Without the cooperation of each board and committee, we cannot assure the members of the Grand Lodge that their money is safe and/or working to provide income to support the functions of these boards. Over the past several years, this committee has worked with the various boards and committees to establish practices that demonstrate good financial management and acceptable accounting practices so that the funds of the Grand Lodge are safe.

Due to logistics and availability, our committee only was only able to have a virtual meeting in 2022 to review the actions of the boards and committees. Our review was limited to the boards who promptly responded to our request for documentation. Our review in 2022 led to specific recommendations to some of the various boards. Our committee's objective for the upcoming annual 2023 meeting is to hold the boards accountable for timely responding to our request for information. Accordingly, we will report our finding to you in the next Grand Lodge Advanced Report.

It is the desire of the Financial Oversight Committee to provide resources and guidance to each Grand Lodge committee and board charged with management of funds that will insure prudent written processes that follow acceptable accounting practices in the management of these funds. We appreciate the opportunity to serve on this committee and hope that our service provides guidance and standards for our boards and their leaders.

Respectfully submitted,

Thomas H. Doussan, Jr.  
Chairman

**REPORT OF THE BOARD OF BUDGET  
AND CONTROL FISCAL YEAR ENDING  
SEPTEMBER 30, 2022**

Report of the Annual Meeting of the Board of Budget and Control

Most Worshipful Grand Master,

Your Board of Budget and Control met VIRTUALLY on Thursday January 5, 2023, at 4:00 p.m. with the following board members in attendance: M: W: Martin J Reinschmidt, P.G.M.; M: W: Charles H. Penn, III, P.G.M.; W: Brother M. Darin West, P.M.; W: Brother James E. "Buddy" Pearce, P.M.. Grand Lodge Officers in attendance were: R: W: John Knox, Grand Junior Warden; M: W: Steven A Pence, P.G.M. Grand Secretary; and Brother Jim Thibodaux, Grand Lodge Accountant.

Board Member W: Brother William R. Bradley, P.M., was absent due to death in his family.

The first order of business was the reviewing of the financial statements for the Fiscal Year 2021 which ended September 30, 2022. After a review of the line items, the financial statement was unanimously approved and closed out.

The Fraternal Operating Budget for Fiscal Year 2022 (October 1, 2022 to September 30, 2023) was reviewed and it was suggested that two line items should be increased in the FY 2022 budget. It was recommended that the line item for the Utilities be increase by Twelve Thousand Dollars (\$12,000) to cover the increase in the monthly utility bill due to inflation and that the line item for lawn care be increase by The Thousand and Eight Hundred Dollars (\$10,800.00) to cover the added expense of having the grass cut twice a month on the ball fields. This has become an added expense because at the present time we do not have anyone renting the ball fields from the Grand Lodge. After some discussion, a motion to approve the increase in the two named line items was made and seconded and approved without objection.

The Fraternal Operating Budget for Fiscal Year 2023 (October 1, 2023 to September 30, 2024) was reviewed line by line and after some brief discussions, the proposed budget for Fiscal Year 2023 was approved by the Board of Budget and Control and will be submitted to the membership for approval at the Grand Lodge Session in March of 2023.

The Board wishes to thank M: W: Brother Pence and Brother Thibodaux for preparing the budgets and providing the necessary reports.

M: W: Grand Master is has been our pleasure to serve on the Board of Budget and Control and we thank you the opportunity, and look forward to a successful Grand Lodge Session in Alexandria, Louisiana.

### COMMITTEE REPORTS

#### COMMITTEE TO STUDY THE REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS REPORT (2022-23)

**Committee:** M.W. Woody Bilyeu, PGM  
W. Taylor P. Nauta, PM  
M. W. Clayton "Chip" Borne, PGM, Chairman

Most Worshipful Grand Master: We, your appointed Committee to Study the Regularity of Unrecognized Masonic Organizations, in accordance with your Mandate tender to you and through you, to the Delegates to the Grand Lodge of the State of Louisiana, our Reports on those Organizations which have been forwarded to us for Research, Review and Reporting. We trust our efforts meet with your approval.

#### A. Grand Lodge of England/M.W. Prince Hall Grand Lodge F&AM of Tennessee "Request for Recognition":

A notice was received by your Grand Lodge from the Grand Lodge of England resolving that Recognition be accorded to the Prince Hall Grand Lodge of Tennessee. Your Committee concurs with the Grand Lodge of England of the Regularity of this Grand Lodge subject however, to the same condition set forth in the Grand Lodge's Recognition of the Prince Hall Grand Lodge of Maryland in 2022.

Whereas your Committee's research finds the MW Prince Hall Grand Lodge F&AM of Tennessee to be in compliance with the requirements in determining regularity used by the North American Conference of Grand Masters "Commission on Recognition" and your Grand Lodge, in particular the three Principles of Regularity namely A) Legitimacy of Origin B) Exclusive Territorial Jurisdiction and C) Adherence to the Ancient Landmarks, namely 1) Belief in a Supreme Being, 2) Volume of Sacred Law as an indispensable part of the furniture of the Lodge and 3) the Prohibition of the discussion of politics and religion within the Lodge. Our investigation confirmed the M. W. PHA Grand Lodge of Tennessee does respect the Masonic Landmark of "Exclusive Territorial Jurisdiction."

Whereas the Grand Lodge of Tennessee at their 148 Annual Communication held in March, 2019, did in fact enter into a mutual treaty agreement with the Most Worshipful Prince Hall Grand Lodge of Tennessee F&AM of a shared jurisdiction allowing for mutual recognition with each body maintaining the Sovereignty of their respective Grand Lodges.

## ADDENDUM TO ADVANCE REPORTS

### COMMITTEE TO STUDY THE REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS REPORT (2022-23)...Cont.

Whereas your Committee, although finding the M. W. Prince Hall Grand Lodge of Tennessee F&AM to be Regular, acknowledges that a request for full recognition would only be in order if Article III of the Constitution of The Grand Lodge of Louisiana would be properly amended.

Whereas your Committee however, consistent with other Jurisdictions that have Amity/Recognition Accords with their PHA Grand Lodges, recommends that the M.W. Prince Hall Grand Lodge of Tennessee's Recognition be Approved subject to the following conditions: 1. There shall be no visitation at neither the subordinate nor Grand Lodge Levels, 2. Amity/Recognition shall never constitute a future merger nor demitting to the other jurisdictions, and 3. The Recognition, if approved, shall not be amended nor revisited within five years from the date of acceptance from the Grand Lodge of Louisiana F&AM.

Therefore, it is moved by your Committee that the Resolution of the Grand Lodge of England requesting Recognition of the M. W. Prince Hall Grand Lodge of Tennessee, meeting all of the Standards for Recognition and subject to the conditions set forth herein above, be approved, with the understanding that the Request for Full Recognition be continued, pending certain constitutional considerations of the Grand Lodge of Louisiana, and your Committee so moves for Approval of its Report. (Approved by the Grand Lodge April 22, 2023.)

Most Worshipful Grand Master, we the members of your Committee to Study the Regularity of Unrecognized Masonic Organizations express our sincere thanks for the opportunity to serve you and the Grand Lodge and move for Adoption of this Report.

**Respectfully submitted,**

To the Most Worshipful Grand Master, Grand Lodge Officers, and Brethren:

The following is a report of your Foreign Correspondence Committee for the year 2022—2023. Your Committee works closely with the **Commission on Information for Recognition of the North America Conference of Grand Masters** of which I was allowed the privilege of representing our Grand Lodge for seven years retiring as chairman in 2015. This report will attempt to detail the inquiries of those Bodies which have applied directly to the Commission or our Grand Lodge for Recognition.

## ADDENDUM TO ADVANCE REPORTS

### FOREIGN CORRESPONDENCE COMMITTEE 2022-23 REPORT... (Cont.)

The predicate that must be understood is that it is the right of every Grand Lodge in the world to determine whether or not they recognize any other Grand Lodge. Each Grand Lodge must determine whether or not the applying Grand Lodge meets the requirements for regularity which have been used for decades by Grand Lodges around the world. If it is determined by our Grand Lodge or the Commission, that the Grand Lodge in question is *Practicing Regular Masonry*, if approved, a recommendation of recognition will be issued to each jurisdiction with whom we are in amenity. In many Jurisdictions, it is subsequently accompanied by the customary exchange of representatives.

The standards of our Grand Lodge are consistent with the defined parameters used by the Committee for Recognition of the North America Conference of Grand Masters, and these standards are summarized as follows:

1. **Legitimacy of Origin** This standard occurs in only two circumstances. First, a new Grand Lodge may be chartered by one or more existing-regular Grand Lodges in the world. The chartering Grand Lodge traditionally traces its pedigree back to one of the three old Grand Lodges, "The United Grand Lodge of England," "The Grand Lodge of Scotland" or The Grand Lodge of Ireland." Secondly, it can occur when no Regular Grand Lodge exists in a territory and three or more legitimately chartered Lodges in that territory come together to form a Grand Lodge.
2. **Exclusive Territorial Jurisdiction** This standard requires that a Regular Grand Lodge must be the only Regular Grand Lodge in a territory unless a treaty or compact exist between two or more Regular Grand Lodges which states that they will share the territory.
3. **Adherence to the Ancient Landmarks**, they must include but are limited to (A) Belief in God, or Monotheism, (B) the Volume of Sacred Law as an indispensable part of the Furniture of the Lodge and (C) the prohibition of the discussion of politics and religion within the Lodge.

Regularity insures that only Lodges and Grand Lodges that are based upon the ancient Masonic principles and landmarks are allowed to visit and exchange members with the Lodges and Grand Lodges of the world. If a Grand Lodge is found to be regular, most other Regular Grand Lodges will do the same and extend some form of recognition to them including an exchange of representatives. A great deal of information on this subject can be found on the Commission's web site, found in your proceedings: <http://www.recognitioncommission.org>

**Applying these standards to the current application by several Grand Lodges, your committee now shares the following information; First for those bodies that have made a formal presentation to the Committee for Recognition of the North American Conference of Grand Masters, and second to those Jurisdiction applying directly to your Grand Lodge of Louisiana requesting recognition, your Foreign Correspondence Committee has reviewed the petitions and report to you Grand Master and through you to the Officers and Members of this Honorable Grand Lodge the findings of its independent research and the same is tendered as follows:**

#### **A) CONTACTS TO THE CONFERENCE OF GRAND MASTERS OF NORTH AMERICA**

##### **1. Grand Lodge of the Ancient and Accepted Scottish Rite of Bulgaria:**

The matter of regular Freemasonry in Bulgaria has repeatedly been addressed by the Commission (see 2008-2013 and 2015-2016, particularly 2016 and the supplement to 2008). The United Grand Lodge of Bulgaria has been determined to be a regular grand lodge. We see no reason to change this finding. The Grand Lodge of the Ancient and Accepted Rite of Bulgaria however, that has made this request, does not appear to meet the standards of recognition.

##### **2. Grand Lodge Equinoccial of Ecuador:**

A majority of grand lodges of this Conference of Grand Masters recognize the Grand Lodge of Ecuador, AF&AM, founded in 1921. In 2022, the Grand Lodge Equinoccial of Ecuador requested findings that they met the standards of recognition in 2022. At that time, the Commission did not have evidence of an agreement or treaty to share the jurisdiction of Ecuador. A presentation was made to your Commission on February 19, 2023, by Equinoccial. The Grand Master of the Grand Lodge of Ecuador, AF&AM, also appeared. He stated that the two grand lodges have been talking and that in the future they may sign a treaty of mutual recognition. At this point, there is no treaty. Inasmuch as there is no treaty to share the jurisdiction, it does not appear that the Grand Lodge Equinoccial of Ecuador meets the Standards of Recognition.

## ADDENDUM TO ADVANCE REPORTS

### FOREIGN CORRESPONDENCE COMMITTEE 2022-23 REPORT... (Cont.)

#### **3. Grand Lodge of Georgia, AF & AM (the country):**

In 2022, the Commission set out facts regarding the grand lodges in the country of Georgia. The Grand Lodge of Georgia, AF&AM was formed in 2015. The United Grand Lodge of Georgia (UGLG) was formed in 2018. Last year UGLG sought a finding that they met the Standards of Recognition. Numerous questions were raised by the Commission, including the existence of the 2015 AF&AM Grand Lodge of Georgia. The Commission was told that the 2015 grand Lodge was no longer in existence. The Commission found that the documentation failed to demonstrate that UGLG met the Standards of Recognition adopted by this Conference. The 2015 AF&AM Grand Lodge is now before us seeking a finding that it meets our Standards of Recognition. Representatives of both grand lodges appeared before the Commission on February 19, 2023. This year, the UGLG alleges that the Grand Master of Georgia AF&AM was present in Cologne in October 2016, when the decision to form the UGLG was made, and that he consented to the formation of the new grand lodge. AF&AM of Georgia responds that this Grand Master was expelled from Georgia AF&AM on May 30, 2016, before the October 28, 2016, Cologne meeting occurred, and he therefore had no authority. Further, the AF&AM Grand Lodge never voted to merge. Additionally, it was reported that the Grand Lodge of Russia was informed of the expulsion of the AF&AM grand master prior to the Cologne meeting. The AF&AM of Georgia reports seven lodges currently working, and that at least three AF&AM lodges have continued to work since 2015. The UGLG Grand Chancellor represented his Grand Lodge before the Commission. He did not address whether the AF&AM Grand Master was expelled by AF&AM of Georgia. UGLG had no proof that the existing AF&AM Grand Lodge of Georgia ever approved the merger into or with UGLG. The Commission again notes the issues with the 2018 charter issued to UGLG. We invite attention to our 2022 report. Consequently, the Commission sees no reason to change its opinion of 2022 regarding the 2018 UGLG. Indeed, there is now even greater evidence supporting that finding. Based on the facts presented to us, it appears the Grand Lodge of Georgia, AF&AM, founded in 2015, meets the Standards of Recognition.

#### **4. Grand Lodge of Lebanon, F & AM:**

In 2022, the Grand Lodge of Lebanon, F&AM sought a finding that it met the Standards of Recognition. The Commission declined to make findings at that time. The Grand Lodge of Lebanon has returned, asking that we issue "a clear statement of finding about the regularity" of the Grand Lodge of Lebanon. The Grand Lodges of Scotland, Washington, D.C., and Grande Loge Nationale Frances have responded at length, arguing that the Grand Lodge of Lebanon was not begun in a regular manner. At presentations on February 19, 2023, the following facts regarding the founding of the Grand Lodge of Lebanon appeared established: There were three New York lodges listed as founding the Grand Lodge of Lebanon: Ani, Fakhrudin, and Chouf. No minutes from these lodges have been provided showing the lodges approved of the new grand lodge. No minutes of an assembly or convention of Freemasons have been provided showing the masons of Lebanon approved the founding of a new grand lodge. Importantly, after the formation of the new grand lodge, the three lodges said to have founded the Grand Lodge of Lebanon actually requested and received new charters from the Grand Lodge of New York, keeping the same names they had as lodges under the Grand Lodge of New York and subsequently Lebanon. Based on the facts presented to the Commission, the Grand Lodge of Lebanon does not appear to meet the Standards of Recognition. We hope the Freemasons residing in Lebanon will continue to seek the Freemasonry they envision for their country.

#### **5. Grande Lodge Nationale Togolaise:**

There is a division in this grand lodge under two grand masters: Clomegah and Pessinaba. In 2019, the Conference of Regular African Grand Lodges determined that Ignace Clomegah was the legitimate grand master. The Commission declines to make any findings regarding the conflict.

#### **6. National Grand Lodge of Romania:**

We have been advised that individuals claiming to be officers of the National Grand Lodge of Romania have appeared at a regional masonic conference, seeking to "reconfirm" existing treaties of recognition. It is noted that they have a similar, but different coat of arms on their letterhead. The National Grand Lodge of Romania advises that they are not seeking to reconfirm existing treaties of recognition. The Grand Master of the National Grand Lodge of Romania is Radu Balanescu.

### **B) CONTACTS MADE DIRECTLY TO THE GRAND LODGE FOR THE STATE OF LOUISIANA**

## ADDENDUM TO ADVANCE REPORTS

### FOREIGN CORRESPONDENCE COMMITTEE 2022-23 REPORT... (Cont.)

**7. Grand Lodge of Georgia AF&AM:**

We respectfully direct our Grand Lodge to the opinion set forth in the above report of the North American Conference of Grand Masters which states that the Grand Lodge of Georgia AF&AM (the country) founded in 2015 meets the Standards for Recognition.

**8. Grand Lodge of Swiss Alpina:**

The Grand Lodge of Swiss Alpina writes to inform the Grand Lodge of Louisiana of the installation of its new Officers for 2022-23.

**9. Grand Lodge of Turkey/Grand Lodge of Albania:**

Notice was received that this Grand Lodge established a rival Grand Lodge in the Country of Albania. The established Grand Lodge of Albania was chartered Oct. 14, 2011 by three Grand Lodges, namely Greece, Serbia and Italy, all three considered Regular by the World Conference of Regular Grand Lodges. In creating this new Grand Lodge, the Grand Lodge of Turkey violated the Masonic Landmark of Exclusive Territorial Jurisdiction, therefore the Grand Lodge of Turkey in Albania is found not to be regular and caution should be maintained with any attempts of communication by the Body.

A letter of explanation was received from the Grand Lodge of Turkey in support of the 2022 Grand Lodge of Albania. Your Committee again urges caution in any attempts at communication by this Body or any other Bodies from other jurisdictions encouraging relations.

**10. Grand Lodge Benemerito Ejercito de Orient F&AM of the State of Puebla Mexico:**

A request for Mutual Recognition was received by the Grand Lodge, State of Puebla, Mexico on April 20, 2022. Your Committee investigated the principles on which this Body was established, in particular, adoption of the Ancient Landmarks of Freemasonry, Belief in a Supreme Being, Book of Sacred Law Open on the altar in all Lodge Meetings, Discussion of Politics and Religion prohibited within a Lodge, Organization of Exclusively Men, etc. This Body was approved, as confirmed in 2004 in a Report of the Grand Masters of North America. Your Committee finds this Grand Lodge to be Regular and the Request for Mutual Recognition should be respectively granted, with the customary appointment of a Grand Representative.

**11. Grand Lodge of England/Grand Lodge of the State of Paraiba, Brazil:**

On Sept. 14, 2022 your Grand Lodge received a notice from the Grand Lodge of England wherein they resolved that Recognition be extended to the Grand Lodge of the State of Paraiba, Brazil and your Committee concurs in the Grand Lodge of England's approval.

**12. Grand Lodge of England/Grand Lodge of Malaysia:**

On September 14, 2022, The Grand Lodge of England, the Grand Lodge of Scotland and Ireland communicated to The Grand Lodge of Louisiana that they consider the Grand Lodge of Malaysia to be Irregular and Unrecognizable. The opposition is based on the composition of this Body as being made up by and supported by dissidents, unrecognized splinter groups unable to organize and sustain a Grand Lodge resulting in a caution by the Grand Lodge of England not to communicate with this Body or any Bodies from other Jurisdictions encouraging relations.

### **C) Additional Information**

A great many "Grand Lodges" continue to appear in North America each year and in particular Louisiana as reported in your proceedings as Regularly of Un-Masonic organizations which do not meet the standards for recognition. Further, most of these Grand Lodges make no effort to achieve regularity or even establish a relationship with the regular Grand Lodges into whose jurisdiction they have inserted themselves. The Commission, along with your Grand Lodge Foreign Correspondence Committee, urges great vigilance in establishing relationships with new Grand Lodges that do not exist in the List of Lodges Masonic, published by Pantograph, in Bloomington, IL.

Most Worshipful Grand Master, we the members of your Foreign Correspondence Committee express our sincere thanks for the opportunity to serve you and the Grand Lodge, and move for an Adoption of this Report.

- 2) W. Anthony Radosti, PM (Kenner)
- 3) W. Mitch Reynolds, PM (Winnsboro)
- 4) W. Donald Spell, PM (Marrero)
- 5) W. Michael Boone, PM (LeCompte)

- 2) R.W. John Knox, GJW (Shreveport)

c) **Chairman:** M.W. Clayton "Chip" Borne, III, PGM, (Mandeville)

3) **COMMITTEE DUTIES - Appellate review for compliance of the provisions set forth in the Handbook of Masonic Law to include examining the Record for due process notice requirements along with a review of the trial evidence and rulings for the following cases:**

- a) **Lodge Trials:** Review of charges, procedures, and hearings implemented by the Lodge.
- b) **Grand Lodge Trials:** Hearings on charges resulting from suspensions by the Grand Master.

4) **COMMITTEE HEARINGS:** Hearings are **Open to all Master Masons in good standing**, however closed to Profanes. Witnesses who are scheduled or might be expected to testify, may be sequestered by either the Committee or the Accused. The Hearings are to be final with no additional Testimony allowed on the Floor of the Grand Lodge, except where specifically ordered by the Grand Master. Note: Master Masons interested in any particular case or cases are encouraged to attend the Committee hearings.

5) **EXECUTIVE SESSIONS:** At the Conclusion of a Case, on Motion of a Committee Member, the Chair may call for an Executive Session for discussion and a vote by the Committee as to whether or not the Actions of the Grand Master and/or the Respective Lodge Trial will be sustained, modified or changed, in the Committees' report to the Grand Lodge.

6) **COMMITTEE CREDIBILITY:** In order to ensure the Credibility of the Committee, it will be the position of the Chair not to vote on any of the Cases unless the vote of the Committee is a tie. Should this occur, the Chair will always vote for the lower of the verdicts and sentences presented, i.e., if 3 votes for suspensions vs. 3 votes for reprimands, the Chair will vote with the lesser penalty, i.e., reprimands. In all other cases, the majority will prevail in its report to the Grand Lodge.

7) **STATUS OF THESE PROCEEDINGS:** The Chairman reminds everyone that matters before this committee are not Criminal Proceedings. They are Administrative Hearings or Trials for the Grand Lodge of the State of Louisiana, which is a private self-governing benevolent, Fraternal Organization, to determine if there was sufficient evidence of misconduct to rise to the level of the Masonic Law's definition of Unmasonic Conduct to support the charges against the offending Brother. Cases will be handled as arbitrations for purposes of trial as to the testimony of parties and witnesses. As to issues of evidence, all evidence will be allowed with the Committee giving the evidence whatever weight it deems its value to be.

#### CASE 2022(23)-10 (2020-3), MAGNOLIA LODGE# 238 F&AM VS. WILLIAM ALLEN JOYNER

**CHARGES:** This matter comes before your Committee on a Petition for Reinstatement.

**FACTS:** On October 29, 2018, William A. Joyner executed a Mortgage on property that he knowingly had been judicially seized, which facts were concealed from the brother lending the money and the brothers of Magnolia Lodge, circumventing Grand Lodge's notice and action. For such Unmasonic conduct, William A. Joyner was subsequently suspended. On Sept. 9, 2020, a Trial Commission found Joyner Guilty and moved for Expulsion. On June 26, 2020, after a review, your Committee on Appeals and Grievances amended the sentence to that of Suspension. Restitution was alleged to have been completed on Sept. 12, 2022. On December 10, 2022, William A. Joyner was reinstated by his Lodge.

#### CASE# 2023-11, MINDEN LODGE # 51 F&AM VS GARY T. CARTER

## **PROCEEDINGS OF THE GRAND LODGE**

### **GRAND LODGE OF THE STATE OF LOUISIANA** **2022-2023 COMMITTEE ON APPEALS & GRIEVANCES REPORT**

**FACTS:** Gary T. Carter, former Mayor of Doyline, was expelled from Freemasonry for Un-masonic Conduct resulting from his arrest on felony charges in Webster Parish for RS 14:43 Domestic Violence, Second Degree Battery with Strangulation of his wife. On Jan 20, 2017, Gary T. Carter was indefinitely suspended and on June 30, 2018, the penalty was increased to that of Expulsion by vote of the Grand Lodge. **CHARGES:** Vance L. Hill was suspended from Freemasonry for violating his Masonic Obligation and the Law of the Land, in particular, the Theft of Lodge Funds in the amount of \$28,000 with a cursory audit indicating the amount misappropriated was in excess of the stated figure.

**FACTS:** A Trial by Vinton Lodge was held on October 11, 2022. The evidence indicates that Vance L. Hill had allowed his wife to manage the Lodge checking account and it is there that the misappropriation or theft of Lodge Funds took place. There is no evidence presented at Trial or to your Committee on review, that Vinton Lodge did annual audits, therefore a total amount accurately misappropriated was not able to be determined. The Lodge, following a properly issued call and notice to the Accused of a Trial, which at its conclusion Vance L. Hill was found guilty of the charges with 24 brothers present, by a vote of 22 guilty and 2 not guilty. As to the Sentence, 18 voted for "Suspension" and 6 voted not to Suspend. The File contains a Letter of Apology and evidence that restitution had been made, however the evidence does not indicate whether the total amount of funds misappropriated from the Lodge had ever been returned. The fact that the Lodge failed to do annual audits made the determination of the total amount of fund misappropriation unable to be ascertained.

**RULING:** Your Committee on Appeals and Grievances, noted that after a review of the notice, evidence, and testimony, concurs with the finding of the Lodge and moves to affirm its verdict of Indefinite Suspension, however moves to increase the sentence to that of Expulsion, and for approval of its Ruling.

Perry by Grand Master Jay McCallum and to continue the matter pending the results of the Case in District Court and the actions of Cedar Grove Lodge, and so moves for approval of its Ruling.

#### CASE 2023-16 UNION FRATERNAL LODGE# 53 F&AM VS DAVID W. COLE

#### **CASE 2023-18 TERREBONNE FELLOWSHIP LODGE #481 F&AM VS** **LIONEL M. BOURDIER, JR.**

**CHARGES:** This matter comes before the Grand Lodge on a Petition for Reinstatement by Lionel M. Bourdier, Jr.

**FACTS:** On February 26, 2022, Lionel M. Bourdier, Jr. was Suspended by the Grand Master Jimmie Steen for Unmasonic Conduct for Violating the Moral Law and his Masonic Obligation. A Lodge Trial was held on February 26, 2022, with the Lodge finding Lionel M. Bourdier, Jr. guilty with a penalty of suspension to last for a year and a day. Your Committee on Appeals and Grievances increased the penalty to Expulsion and the Grand Lodge approved its Ruling. Lionel M. Bourdier, Jr. now applies to the Grand Lodge for a review of the Case and sentence, and reinstatement. The charges against the Accused emanate from a crude vulgar bumper sticker on the Accused's truck adjacent to his Masonic license plate. Following being advised of the charges, rather than an apology, the Accused posted additional cyber postings degrading himself, the Grand Master and the Grand Lodge. A Lodge Trial was held on February 26, 2022 with nine brothers in attendance, with a vote of nine votes guilty, as to the sentence, the Lodge voting for the Suspension of Lionel M. Bourdier, Jr. for one year and a day. Your Committee on Appeals and Grievances, after a review of Terrebonne Fellowship's Trial, voted to increase the penalty to Expulsion, and its Ruling was Approved by the Grand Lodge.

 ~ *SYNOPSIS OF RESOLUTIONS CONSIDERED* ~

**RESOLUTION 2023-01**  
**Author: Lance Atchison, PM**

**RESOLUTION NO. 2023-01**, proposes that “every resolution submitted for consideration at the Annual Grand Communication of this Grand Lodge shall include a SUMMARY section immediately below the author information, and that this section shall contain a short summary in clear and plain language explaining the effect of adopting the resolution.”

Your Committee notes the only current Law on the subject of the summaries and effect of resolutions on current law is found at H.O.M.L., General Regulations, Article, III, page 21: The Committee on Masonic Law and Jurisprudence shall review the written law and make recommendation to the Grand Lodge for possible need of clarification or change; it shall receive all proposals to change the written law and report to the Grand Lodge its recommendation. The Committee’s Annual Report contained in the Advanced Proceedings does exactly that.

We also note that some authors are not sufficiently knowledgeable of the interactions of various provisions of laws to properly comment on the effect of adoption of a resolution on other provisions of law and for the author to write and summarize the proposal is somewhat redundant.

As this resolution could amend the H.O.M.L., General Regulations by adding a new provision relating to resolutions and /or Digest of Edicts, it must be received by a favorable vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**Resolution Not Received**

**RESOLUTION 2023-02**  
**Author: H. Edward Durham, PGM**

**RESOLUTION NO. 2023-02**, proposes to codify **Edict 2022-01** by adding a paragraph to H.O.M.L., Digest of Edicts, LODGE MEETINGS AND ACTIVITIES, Page 89ff and Model Forms of By-Laws, page 117, directing the Worshipful Master of each Lodge to cause a verse or passage of Scripture from the Holy Bible to be read aloud immediately after the Lodge has been opened and before the reading of the minutes or any other business of the Lodge shall be transacted.

As this resolution could amend the H.O.M.L. Digest of Edicts and Model Forms of the By-Laws by adding a new provision relating to resolutions and /or Digest of Edicts, it must be received by a favorable vote of a majority of delegates, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**Resolution Amended to read “Volume of Sacred Law”**  
**Received as Amended and Passed 337 For /137 Against (71%/29%)**

**RESOLUTION 2023-03**  
**Author: Larry J. Plaisance, GSW**

**RESOLUTION 2023-03**: Proposes to fix the time and place for the Annual Grand Communication for the year 2024, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations, Article 1, Section 1, or such other date set by the Grand Lodge in Annual Communication assembled, and that it be conducted in the City of Alexandria, Louisiana.

The proposed resolution is in compliance with and does not amend the Handbook of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a majority vote of a quorum of delegates lay over from one session to the next, and be adopted by a simple favorable majority vote of a quorum of delegates.

**Resolution Received and Passed Unanimously**

## PROCEEDINGS OF THE GRAND LODGE

### ~SYNOPSIS OF RESOLUTIONS CONSIDERED~

#### RESOLUTION 2023-04

Author: Wm. "Ronnie Coon", PM

**RESOLUTION 2023-04:** Proposes to amend H.O.M.L., Constitution, Article VII, Section 3 to the extent of adding additional qualifications for election as Worshipful Master. Current law requires the nominee be a member in good standing who has previously served as Warden. This amendment would add two additional qualifications: (1) he has been a Master Mason for five (5) years or more; and (2) show suitable proficiency in opening and closing the Lodge in all three degrees.

Your Committee notes the resolution does not provide methodology for testing candidates, but suggest the proposed requirement is the equivalent of holding a Level One Proficiency Card.

As the adoption would amend H.O.M.L., Constitution, Article VII, Section 3, it must be received by a favorable majority vote of a quorum, lay over to the next annual Grand Communication, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

#### Resolution Not Received

#### RESOLUTION 2023-05

Author: C. "Ken" Dorhauer, PM

**RESOLUTION 2023-05:** Proposes to add a paragraph after H.O.M.L., Digest of Edicts, CONFERRING DEGREES paragraph 4, page 76 to provide with specificity that every Master Mason shall witness the complete ceremonies of the degree, including the entire second section of the degree, at raising.

Current law provides not more than five Fellow Craft Masons shall be raised to the Master Mason Degree at one meeting of a Lodge, and only one candidate may receive the second section of the degree at the same time.

Your Committee notes that the H.O.M.L. is silent relative to raising in a summary manner, however, the proposed additional paragraph merely codifies existing practice, approved by the Permanent Committee on Work and memorialized in the current Official Manuscript of Esoteric Work.

## OF THE STATE OF LOUISIANA

### FOREIGN CORRESPONDENCE COMMITTEE 2022-2023 REPORT

To the Most Worshipful Grand Master, Grand Lodge Officers, and Brethren:

The following is a report of your Foreign Correspondence Committee for the year 2022 - 2023. Your Committee works closely with the **Commission on Information for Recognition of the North America Conference of Grand Masters** of which I was allowed the privilege of representing our Grand Lodge for seven years retiring as chairman in 2015. This report will attempt to detail the inquiries of those Bodies which have applied directly to the Commission or our Grand Lodge for Recognition.

The predicate that must be understood is that it is the right of every Grand Lodge in the world to determine whether or not they recognize any other Grand Lodge. Each Grand Lodge must determine whether or not the applying Grand Lodge meets the requirements for regularity which have been used for decades by Grand Lodges around the world. If it is determined by our Grand Lodge or the Commission, that the Grand Lodge in question is *Practicing Regular Masonry*, if approved, a recommendation of recognition will be issued to each jurisdiction with whom we are in amenity. In many Jurisdictions, it is subsequently accompanied by the customary exchange of representatives.

The standards of our Grand Lodge are consistent with the defined parameters used by the Committee for Recognition of the North America Conference of Grand Masters, and these standards are summarized as follows:

1. **Legitimacy of Origin** This standard occurs in only two circumstances. **First**, a new Grand Lodge may be chartered by one or more exiting-regular Grand Lodges in the world. The chartering Grand Lodge traditionally traces its pedigree back to one of the three old Grand Lodges, "The United Grand Lodge of England," "The Grand Lodge of Scotland" or The Grand Lodge of Ireland." **Secondly**, it can occur when no Regular Grand Lodge exists in a territory and three or more legitimately chartered Lodges in that territory come together to form a Grand Lodge.
2. **Exclusive Territorial Jurisdiction** This standard requires that a Regular Grand Lodge must be the only Regular Grand Lodge in a territory unless a treaty or compact exist between two or more Regular Grand Lodges which states that they will share the territory.
3. **Adherence to the Ancient Landmarks**, they must include but are limited to (A) Belief in God, or Monotheism, (B) the Volume of Sacred Law as an indispensable part of the Furniture of the Lodge and (C) the prohibition of the discussion of politics and religion within the Lodge.

Regularity insures that only Lodges and Grand Lodges that are based upon the ancient Masonic principles and landmarks are allowed to visit and exchange members with the Lodges and Grand Lodges of the world. If a Grand Lodge is found to be regular, most other Regular Grand Lodges will do the same and extend some form of recognition to them including an exchange of representatives. A great deal of information on this subject can be found on the Commission's web site, found in your proceedings: [http //www. recognitioncommission.org](http://www.recognitioncommission.org)

**Applying these standards to the current application by several Grand Lodges, your committee now share the following information; First for those bodies that have made a formal presentation to the Committee for Recognition of the North American Conference of Grand Masters, and second to those Jurisdiction applying directly to your Grand Lodge of Louisiana requesting recognition, your Foreign Correspondence Committee has reviewed the petitions and report to you Grand Master and through you to the Officers and Members of this Honorable Grand Lodge the findings of its independent research and the same is tendered as follows:**

#### **A) CONTACTS TO THE CONFERENCE OF GRAND MASTERS OF NORTH AMERICA**

## PROCEEDINGS OF THE GRAND LODGE

### FOREIGN CORRESPONDENCE COMMITTEE 2022-2023 REPORT

#### **1. Grand Lodge of the Ancient and Accepted Scottish Rite of Bulgaria:**

The matter of regular Freemasonry in Bulgaria has repeatedly been addressed by the Commission (see 2008-2013 and 2015-2016, particularly 2016 and the supplement to 2008). The United Grand Lodge of Bulgaria has been determined to be a regular grand lodge. We see no reason to change this finding. The Grand Lodge of the Ancient and Accepted Rite of Bulgaria however, that has made this request, does not appear to meet the standards of recognition.

#### **2. Grand Lodge Equinoccial of Ecuador:**

A majority of grand lodges of this Conference of Grand Masters recognize the Grand Lodge of Ecuador, AF&AM, founded in 1921. In 2022, the Grand Lodge Equinoccial of Ecuador requested findings that they met the standards of recognition in 2022. At that time, the Commission did not have evidence of an agreement or treaty to share the jurisdiction of Ecuador. A presentation was made to your Commission on February 19, 2023, by Equinoccial. The Grand Master of the Grand Lodge of Ecuador, AF&AM, also appeared. He stated that the two grand lodges have been talking and that in the future they may sign a treaty of mutual recognition. At this point, there is no treaty. Inasmuch as there is no treaty to share the jurisdiction, it does not appear that the Grand Lodge Equinoccial of Ecuador meets the Standards of Recognition.

#### **3. Grand Lodge of Georgia, AF & AM (the country):**

In 2022, the Commission set out facts regarding the grand lodges in the country of Georgia. The Grand Lodge of Georgia, AF&AM was formed in 2015. The United Grand Lodge of Georgia (UGLG) was formed in 2018. Last year UGLG sought a finding that they met the Standards of Recognition. Numerous questions were raised by the Commission, including the existence of the 2015 AF&AM Grand Lodge of Georgia. The Commission was told that the 2015 Grand Lodge was no longer in existence. The Commission found that the documentation failed to demonstrate that UGLG met the Standards of Recognition adopted by this Conference. The 2015 AF&AM Grand Lodge is now before us seeking a finding that it meets our Standards of Recognition. Representatives of both grand lodges appeared before the Commission on February 19, 2023. This year, the UGLG alleges that the Grand Master of Georgia AF&AM was present in Cologne in October 2016, when the decision to form the UGLG was made, and that he consented to the formation of the new grand lodge. AF&AM of Georgia responds that this Grand Master was expelled from Georgia AF&AM on May 30, 2016, before the October 28, 2016, Cologne meeting occurred, and he therefore had no authority. Further, the AF&AM Grand Lodge never voted to merge. Additionally, it was reported that the Grand Lodge of Russia was informed of the expulsion of the AF&AM grand master prior to the Cologne meeting. The AF&AM of Georgia reports seven lodges currently working, and that at least three AF&AM lodges have continued to work since 2015. The UGLG Grand Chancellor represented his Grand Lodge before the Commission. He did not address whether the AF&AM Grand Master was expelled by AF&AM of Georgia. UGLG had no proof that the existing AF&AM Grand Lodge of Georgia ever approved the merger into or with UGLG. The Commission again notes the issues with the 2018 charter issued to UGLG. We invite attention to our 2022 report. Consequently, the Commission sees no reason to change its opinion of 2022 regarding the 2018 UGLG. Indeed, there is now even greater evidence supporting that finding. Based on the facts presented to us, it appears the Grand Lodge of Georgia, AF&AM, founded in 2015, meets the Standards of Recognition.

#### **4. Grand Lodge of Lebanon, F & AM:**

In 2022, the Grand Lodge of Lebanon, F&AM sought a finding that it met the Standards of Recognition. The Commission declined to make findings at that time. The Grand Lodge of Lebanon has returned, asking that we issue "a clear statement of finding about the regularity" of the Grand Lodge of Lebanon. The Grand Lodges of Scotland, Washington, D.C., and Grande Loge Nationale Frances have responded at length, arguing that the Grand Lodge of Lebanon was not begun in a regular manner. At presentations on February 19, 2023, the following facts regarding the founding of the Grand Lodge of Lebanon appeared established: There were three New York lodges listed as founding the Grand Lodge of Lebanon: Ani, Fakhrudin, and Chouf. No minutes from these lodges have been provided showing the lodges approved of the new grand lodge. No minutes of an assembly or convention of Freemasons have been provided showing the masons of Lebanon approved the founding of a new grand lodge. Importantly, after the formation of the new grand lodge, the three lodges said to have founded the Grand Lodge of Lebanon actually requested and

received new charters from the Grand Lodge of New York, keeping the same names they had as lodges under the Grand Lodge of New York and subsequently Lebanon. Based on the facts presented to the Commission, the Grand Lodge of Lebanon does not appear to meet the Standards of Recognition. We hope the Freemasons residing in Lebanon will continue to seek the Freemasonry they envision for their country.

#### **5. Grande Lodge Nationale Togolaise:**

There is a division in this grand lodge under two grand masters: Clomegah and Pessinaha. In 2019, the Conference of Regular African Grand Lodges determined that Ignace Clomegah was the legitimate grand master. The Commission declines to make any findings regarding the conflict.

#### **6. National Grand Lodge of Romania:**

We have been advised that individuals claiming to be officers of the National Grand Lodge of Romania have appeared at a regional masonic conference, seeking to "reconfirm" existing treaties of recognition. It is noted that they have a similar, but different coat of arms on their letterhead. The National Grand Lodge of Romania advises that they are not seeking to reconfirm existing treaties of recognition. The Grand Master of the National Grand Lodge of Romania is Radu Balanescu.

### **B) CONTACTS MADE DIRECTLY TO THE GRAND LODGE FOR THE STATE OF LOUISIANA**

#### **7. Grand Lodge of Georgia AF&AM:**

We respectfully direct our Grand Lodge to the opinion set forth in the above report of the North American Conference of Grand Masters which states that the Grand Lodge of Georgia AF&AM (the country) founded in 2015 meets the Standards for Recognition.

#### **8. Grand Lodge of Swiss Alpina:**

The Grand Lodge of Swiss Alpina writes to inform the Grand Lodge of Louisiana of the installation of its new Officers for 2022-23.

#### **9. Grand Lodge of Turkey/Grand Lodge of Albania:**

Notice was received that this Grand Lodge established a rival Grand Lodge in the Country of Albania. The established Grand Lodge of Albania was chartered Oct. 14, 2011 by three Grand Lodges, namely Greece, Serbia and Italy, all three considered Regular by the World Conference of Regular Grand Lodges. In creating this new Grand Lodge, the Grand Lodge of Turkey violated the Masonic Landmark of Exclusive Territorial Jurisdiction, therefore the Grand Lodge of Turkey in Albania is found not to be regular and caution should be maintained with any attempts of communication by the Body.

A letter of explanation was received from the Grand Lodge of Turkey in support of the 2022 Grand Lodge of Albania. Your Committee again urges caution in any attempts at communication by this Body or any other Bodies from other jurisdictions encouraging relations.

#### **10. Grand Lodge Benemerito Ejercito de Orient F &AM of the State of Puebla, Mexico:**

A request for Mutual Recognition was received by the Grand Lodge, State of Puebla, Mexico on April 20, 2022. Your Committee investigated the principles on which this Body was established, in particular, adoption of the Ancient Landmarks of Freemasonry, Belief in a Supreme Being, Book of Sacred Law Open on the Alter in all Lodge Meetings, Discussion of Politics and Religion prohibited within a Lodge, Organization of Exclusively Men. etc. This Body was approved, as confirmed in 2004 in a Report of the Grand Masters of North America. Your Committee finds this Grand Lodge to be Regular and the Request for Mutual Recognition should be respectively granted, with the customary appointment of a Grand Representative.

#### **11. Grand Lodge of England/Grand Lodge of the State of Paraiba, Brazil:**

On Sept. 14, 2022 your Grand Lodge received a notice from the Grand Lodge of England wherein they resolved that Recognition be extended to the Grand Lodge of the State of Paraiba, Brazil and your Committee concurs in the Grand Lodge of England's approval.

### FOREIGN CORRESPONDENCE COMMITTEE 2022-2023 REPORT

#### 12. Grand Lodge of England/Grand Lodge of Malaysia:

On September 14, 2022, The Grand Lodge of England, the Grand Lodge of Scotland and Ireland communicated to The Grand Lodge of Louisiana that they consider the Grand Lodge of Malaysia to be Irregular and Unrecognizable. The opposition is based on the composition of this Body as being made up by and supported by dissidents, unrecognized splinter groups unable to organize and sustain a Grand Lodge resulting in a caution by the Grand Lodge of England not to communicate with this Body or any Bodies from other Jurisdictions encouraging relations.

#### C) Additional Information

A great many "Grand Lodges" continue to appear in North America each year and in particular Louisiana as reported in your proceedings as Regularly of UN-Masonic organizations which do not meet the standards for recognition. Further, most of these Grand Lodges make no effort to achieve regularity or even establish a relationship with the regular Grand Lodges into whose jurisdiction they have inserted themselves. The Commission, along with your Grand Lodge Foreign Correspondence Committee, urges great vigilance in establishing relationships with new Grand Lodges that do not exist in the List of Lodges- Masonic, published by Pantograph, in Bloomington, IL.

Most Worshipful Grand Master, we the members of your Foreign Correspondence Committee express our sincere thanks for the opportunity to serve you and the Grand Lodge, and move for an Adoption of this Report.

### COMMITTEE TO STUDY THE REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS REPORT (2022-23)

**Committee:** M.W. Woody Bilyeu, PGM  
 W. Taylor P. Nauta, PM  
 M.W. Clayton J. "Chip" Borne, III., PGM, Chairman

Most Worshipful Grand Master: We, your appointed Committee to Study the Regularity of Unrecognized Masonic Organizations, in accordance with your Mandate tender to you and through you, to the Delegates to the Grand Lodge of the State of Louisiana, our Reports on those Organizations which have been forwarded to us for Research, Review and Reporting. We trust our efforts meet with your approval.

#### A. Grand Lodge of England/ M.W. Prince Hall Grand Lodge F&AM of Tennessee "Request for Recognition":

A notice was received by your Grand Lodge from the Grand Lodge of England resolving that Recognition be accorded to the Prince Hall Grand Lodge of Tennessee. Your Committee concurs with the Grand Lodge of England of the Regularity of this Grand Lodge subject however, to the same condition set forth in the Grand Lodge's Recognition of the Prince Hall Grand Lodge of Maryland in 2022.

Whereas your Committee's research finds the MW Prince Hall Grand Lodge F&AM of Tennessee to be in compliance with the requirements in determining regularity used by the North American Conference of Grand Masters "Commission on Recognition" and your Grand Lodge, in particular the three Principles of Regularity namely A) Legitimacy of Origin B) Exclusive Territorial Jurisdiction and C) Adherence to the Ancient Landmarks, namely 1) Belief in a Supreme Being, 2) Volume of Sacred Law as an indispensable part of the furniture of the Lodge and 3) the Prohibition of the discussion of politics and religion within the Lodge. Our investigation confirmed the M.W. PHA Grand Lodge of Tennessee does respect the Masonic Landmark of "Exclusive Territorial Jurisdiction."

## OF THE STATE OF LOUISIANA

### COMMITTEE TO STUDY THE REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS REPORT (2022-23)

Whereas the Grand Lodge of Tennessee at their 148th Annual Communication held in March, 2019, did in fact enter into a mutual treaty agreement with the Most Worshipful Prince Hall Grand Lodge of Tennessee F&AM of a shared jurisdiction allowing for mutual recognition with each body maintaining the Sovereignty of their respective Grand Lodges.

Whereas your Committee, although finding the M.W. Prince Hall Grand Lodge of Tennessee F&AM to be Regular, acknowledges that a request for full recognition would only be in order if Article III of the Constitution of The Grand Lodge of Louisiana would be properly amended.

Whereas your Committee however, consistent with other Jurisdictions that have Amity/Recognition Accords with their PHA Grand Lodges, recommends that the M.W. Prince Hall Grand Lodge of Tennessee's Recognition be Approved subject to the following conditions: 1. There shall be no visitation at neither the subordinate nor Grand Lodge Levels, 2. Amity/Recognition shall never constitute a future merger nor demitting to the other jurisdictions, and 3. The Recognition, if approved, shall not be amended nor revisited within five years from the date of acceptance from the Grand Lodge of Louisiana F&AM.

Therefore, it is moved by your Committee that the Resolution of the Grand Lodge of England requesting Recognition of the M.W. Prince Hall Grand Lodge of Tennessee, meeting all of the Standards for Recognition and subject to the conditions set forth herein above, be approved, with the understanding that the Request for Full Recognition be continued, pending certain constitutional considerations of the Grand Lodge of Louisiana, and your Committee so moves for Approval of its Report. (Approved by the Grand Lodge April 22, 2023.)

Most Worshipful Grand Master, we the members of your Committee to Study the Regularity of Unrecognized Masonic Organizations express our sincere thanks for the opportunity to serve you and the Grand Lodge and move for Adoption of this Report.

**Respectfully submitted,  
Clayton J. "Chip" Borne, III., 33°, PGM, Chairman**

## OF THE STATE OF LOUISIANA

ADDRESS OF THE GRAND MASTER ELECT, JIMMIE DEAN DUNKIN  
GRAND LODGE OF THE STATE OF LOUISIANA,  
ALEXANDRIA, LOUISIANA

My Brethren All. During the 212th Annual Grand Lodge Session, you elected me Grand Master of Masons in the State of Louisiana and I am overwhelmed and humbled by the outpouring of support from all the brothers around the state. This year Grand Lodge Session was a great success thanks to the hard work of Most Worshipful Grand Master Jay B. McCallum. It was a pleasure to have served as his Deputy Grand Master during the 2022/23 year. Congratulations, a job well done.

The Grand Lodge of Louisiana is not just an address on Mason Drive in Alexandria. Grand Lodge is every Louisiana Mason in the State. As Grand Master my duty will be to serve the masons of Louisiana and I pray GOD will bless me with wisdom in all under takings as we move forward.

I was born in Tupelo, Mississippi in 1942 and moved to Baton Rouge in 1957 where I finished my high school education and met my wife Jo Anne (McDonald). We have two daughters Geri and Staci and five grandchildren as well as four great grandchildren. June the 18th we will celebrate 60 wonderful years of marriage. We have resided in Denham Springs, La. since 1972.

When I was accepted to receive the degrees of Masonry in Northeast Lodge #435 in 1963 I had already been acquainted with the fundamentals of Freemasonry. Curiosity often led me to question my father about Masonry as a young man. He was a member of Cherry Creek Lodge #339, in Ecu, Mississippi. One afternoon we were at the supper table when the subject came up and DeMolay was mentioned. He gave me a name and I took the next step. In the spring of 1957, I was accepted into Istrouma Chapter Order of DeMolay in Baton Rouge and before I was 21 had a petition ready to submit to Northeast Lodge #435. In September of 1963 I received the Entered Apprentice Degree. Soon after being raised, I was appointed Jr. Steward and served Worshipful Master in 1971. Later applied for plural membership with Hurd Merrill Lodge #454, charter member Pipeliners Lodge #798, and Louisiana Masonic Library/Museum #1989. In 2004 Northeast Lodge merged with Capitol and Baton Rouge lodge to form Trinity Union Lodge #372 now my mother lodge.

I am a member of Ancient and Accepted Scottish Rite Valley of Baton Rouge, K.C.C.H., 33° Inspector General Honorary, and Istrouma York Rite Chapter 392, Council #33, & Commandery #28 Baton Rouge. A member of Saint Charles Conclave Knights of the Red Cross of Constantine and Appendant Orders City of Lake Charles as well as Acacia Shine in Baton Rouge.

In the past I have served as an appointed member of the Grand Lodge as District Deputy Grand Master 13th District, District Grand Lecture 13th District and Grand Senior Deacon.

This year as your Grand Master and the aid of the Grand line officers, our plan is to continue to support our philanthropies, Grand Lodge Children's Charities, Dyslexia and Scholarship programs aiding young people who struggle with physical hardships or those less fortunate who qualify.

Freemasonry as we know it is in decline and has been for some time. Lodges are struggling to survive from lack of membership as well as attendance. I challenge every lodge and every Mason in Louisiana to think out of the box. It is all too obvious that what we are doing now is not working. One of the problems I see in our lodges is complacency. We have become content with going to lodge, open, do business and go home. We have a lot to offer, and we are not sending that message to our brethren. Louisiana Masons have provided programs and funds to help our children, but we are not advertising that those programs are available. Dyslexia is our Philanthropy, we offer the equipment, teachers, Doctors to evaluate students every material needed yet we keep it a secret. People ask the question, "how do I become a mason" again that's another secret well kept. Masonry simply needs to come out from under the bushes. What we do is not a secret. As masons we have certain modes of recognition, handshake and words not a whole lot different than Lions club or other organizations. We do not open our degree work to the public or our business. Neither do other groups. That does not classify us as A Secret Society by any means. As masons we do not discuss religion or politics in an open lodge. We open with prayer and close with prayer and ask guidance from our creator. Which by the way does not make it a religion no more than any other group such as Lions, Unions, or even our state and federal government that open every meeting with prayer. By the way, that doesn't make them a religion by any means. Freemasonry is a fraternity of men who first and most of all believe in GOD the Father.

**PROCEEDINGS OF THE GRAND LODGE**

**ADDRESS OF THE GRAND MASTER ELECT, JIMMIE DEAN DUNKIN  
 GRAND LODGE OF THE STATE OF LOUISIANA,  
 ALEXANDRIA, LOUISIANA**

What I would like to see this year is more public exposure. Open meeting inviting your neighbor, your non mason friends/co-workers, members of your church family, your wives, and children. Let people know what masonry is about. One lodge I am aware of invites their wives to dine with them on meeting night and plan activities with family involvement. If we open our doors more often to public events and turn the beacon on, they will come seeking the source of the light.

As Grand Master of the State of Louisiana I am excited to be your Grand Master. The Grand Line officers are experienced masons who know all too well what we face today. We will not solve all the problems facing our fraternity today by any means. All the Grand Lodge Officers are dedicated to carrying the torch opening the path for the future of Freemasonry in Louisiana and proudly handing it off for generations to come.

*M:W: Roy Bernard Tuck, Jr., PGM (1997)  
December 4, 1931- June 24, 2022  
Rosepine Lodge No. 290 and Leesville Lodge No. 240*

Roy Bernard Tuck, Jr. was born on December 4, 1931 in Leesville, LA to parents Roy Bernard Tuck, Sr. and Zelma Wilson Tuck. He resided in the Castor, LA community until the age of five when the death of his father necessitated his relocation, along with his mother and two younger siblings, to Leesville. Thus, at a very young age he became the "Man of the House".

By the time he turned six, the family had moved to Pickering, LA. It was there where he walked down the railroad tracks to enroll himself in first grade at the Pickering School. Legend has it that he became fond of slipping off to eat with the hobos that camped under the railroad trestle.

Upon the arrival in Vernon Parish of the Great Louisiana Maneuvers, the little family again relocated to a place east of Leesville. This was about the time Bro. Tuck embarked upon his first business venture. He somehow acquired a shoe shine kit and spent his Saturdays on 3rd Street shining shoes. After another relocation to Rosepine, LA, he would walk or hitch-hiked to DeRidder to operate the business. In addition to shining shoes, he cut and stacked firewood, had a Shreveport Times paper route, worked in a pickle factory even when he was shorter than the pickle barrels. Then, for only 50 cents a day, he helped to build the big Slagle Pond. When not in school, Roy Tuck worked hard to do everything he could to provide for his mother, brother, and sister.

In his early teens Bro. Tuck traveled to California with his mother's sister and her husband to work for the summer in a dry cleaning business. Shortly after his return, Roy got the itch to join the navy and see the world. He dropped out of school whereupon he had to somehow overcome the difficulty of his being underage. Only after monumental effort by both him and the local recruiter were they able to get his mother to agree to sign a waiver for induction.

Thus, Bro. Tuck entered the Navy and trained as a medic. As he neared the end of his hitch, he was informed that his service would be extended wherein he was assigned to the First Marine Division. While serving in Korea he was wounded and awarded the Purple Heart. His final assignment was in Orange, TX. After his discharge he successfully pursued his GED while working during the day and studying at night.

In 1952 Bro Tuck married Ramona Benedict. To this union were born three sons and one daughter: Roy Kimble Tuck, James Bernard Tuck (Tracy), Timothy Wayne Tuck, (Christy), and Anita Tuck, all of whom survive him today. He is also survived by 7 grandchildren, 2 step-grandchildren, 4 great-grandchildren, and 9 step-great-grandchildren.

Bro. Tuck entered LSU in 1953 in pursuit of a Law degree. Roy worked with LSU Campus Security, LSU Law Library, and Trailways Bus Lines while Ramona taught school to provide income during his studies.

After graduation from LSU School of Law in 1959 he returned to Leesville to establish his initial practice. Due to the closure of Fort Polk and the resulting sharp decline in the Leesville economy, he relocated to Shreveport and worked in the law firm of Mr. Charlie Peters. In 1964 he returned to Leesville and re-established his law practice. In 1979, he was elected Judge of the 30th Judicial District Court in Leesville where he served until retiring in December 1996 to devote his time to service as Grand Master.

As a member of the First Baptist Church of Leesville he served as Deacon, Adult Sunday School Teacher, and many church boards. Bro Tuck was a member Gideons International.

Bro. Tuck filled many roles in service to the community. Some of his memberships and affiliations are:

- Louisiana Bar Association
- Castor Cemetery Committee
- Louisiana Cattlemen's Association
- Vernon Parish Police Jury (Secretary)
- Civitan Club (State Governor)

He is survived by his four sons, Joseph Herman Baker, III, Richard Eric Baker, John Michael Baker and David Andrew Baker; his daughter Leala Denise Baker Strobel and her husband John; seven grandchildren and five great grandchildren.

His father was employed in construction work and the family moved to various locations in Texas and Louisiana, finally settling in Forest Hill, LA. Soon after, at the age of 17, he enlisted in the US Army Specialized Training Program in January 1944 and attended the University of Arkansas. He transferred to reserve status after the end of WW2 and subsequently graduated from Louisiana State University in 1950 with a degree in Mechanical Engineering and a commission as Lieutenant, and a call to duty in the Air Force.

Joe met Beverly Ann Glass - the love of his life - while she was in High School and he was attending LSU. They were married in her parent's home in 1951 after she completed LeCompte High School and they began a beautiful loving relationship that lasted 65 ½ years until her death in May of 2017.

Joe's military career spanned the final years of World War II, the Korean conflict and the Viet Nam war; and lasted until 1974 when he retired in the rank of Lt. Col. He was a command pilot and commanded aircrews in the KC 97 and KC 135 air refueling tankers, and the C-130. His awards include the Distinguished Flying Cross, Air Force Commendation Medal w/1 OLC, Meritorious Service Medal, Air Medal w/3 OLC, and Viet Nam Service Medal w/2 BSS.

As a Freemason, he served in leadership roles in both the York Rite and the Scottish Rite bodies. He was a 33rd Degree Scottish Rite Mason, Past Master, and served as Grand Master in 2002. He was also a member of the Red Cross of Constantine and the Royal Order of Scotland. He and Beverly enjoyed many hours together as members of the Eastern Star.

He was raised in a family with strong Christian values but was unchurched until he married Beverly and was baptized in the Baptist church. At the time of his death he was an active member of the Horseshoe Drive United Methodist Church in Alexandria, LA.

A Chapel Service for Lt. Col. Joseph Herman Baker, Jr. will be held at 10:30 AM on Wednesday, April 26, 2023, at John Kramer & Son Funeral Home with Rev. David Plunkett officiating. Interment will follow in Alexandria Memorial Gardens.

## OF THE STATE OF LOUISIANA

### Church and Necrology Service Sunday, April 23, 2023

*M:W: William "Bill" Haskell Brown, PGM (1998)  
January 30, 1935 - March 17, 2023  
St. James Lodge No. 47; Central Lodge No. 442*

William Haskell Brown was born on January 30, 1935 in Wagoner, Oklahoma to Haskell Young Brown and Cecile Moore Brown. He passed away in Baton Rouge on March 17, 2023 at the age of 88.

Bill grew up in Wagoner, Oklahoma where he played high school football. He received a football scholarship from the University of Oklahoma and played on the 1955 and 1956 national championship teams under the legendary coach, Bud Wilkinson. During his college years, he was a member of Kappa Sigma fraternity. He graduated from the University of Oklahoma in 1957 with a Bachelor of Science in Geology.

While in college, he served in ROTC where he was one of the only athletes to serve as a battalion commander. After graduation, he was commissioned as a Second Lieutenant. He graduated from Artillery and Paratrooper schools and served on active and reserve duty for more than seven years in the Oklahoma National Guard, U.S. Army Reserves and the Louisiana Special Forces.

After college, Bill had a short-lived stint in the Canadian Football League with the Edmonton Eskimos. A knee injury cut his playing days short.

Bill came to LSU in 1958 to attend LSU Law School. He served as an assistant coach under Paul Dietzel coaching the freshman football team for two years. In his last two years of Law School, he worked as a math teacher and football coach at Catholic High School in Baton Rouge.

While Bill was in Law School, he met Mary Ann Adcock of Coushatta. Mary Ann said that Bill was the most handsome man to ever step foot out of the state of Oklahoma and she swore upon laying eyes on him that she would marry him. They married in 1961 and to that union, one daughter was born, Laurie Brown Besselman.

Bill graduated from LSU Law School in 1962 and began practicing law in the firm of Howell and Brown. In 1977, he was elected as a judge for the Baton Rouge City Court. In 1979, he was elected as a judge for the 19th Judicial District Court in East Baton Rouge Parish. He served on the bench for seventeen years and served as the Chief Judge of the 19th Judicial District before his retirement in 1996.

Ronnie Seale told me that Judge Brown expected an attorney to be on time in his court room and to be prepared to present his case when it was called up on the docket. A Baton Rouge judge who served along side Bill said that "He wanted you to come in there and know what you were doing. He was going to be prepared to hear your case, and he expected you to be prepared to present it."

After Judge Brown retired from the bench, he joined the law office of Seale, Smith, Zuber, and Barnette as Of Counsel. During this time he also served as a Gaming Control Officer for the Louisiana Gaming Board.

Bill and Mary Ann were active members of Ingleside United Methodist Church in Baton Rouge. At the church, he served as a Sunday school teacher, chairman of the Administrative Board and was active in the Methodist Men. He also served as chairman of the Baton Rouge District Board of Trustees of the United Methodist Church.

Bill was a member of the Cadets of the Old War Skule and in November, 2007 he was inducted into the LSU Military Hall of Honor. In 1997, he received the John G. Tower Distinguished Alumni Award from Kappa Sigma Fraternity, one the highest awards presented to Kappa Sigma alumni.

January 30, 1935 - March 17, 2023  
St. James Lodge No. 47; Central Lodge No. 442*

Judge Brown was very active in the Baton Rouge community. He served on the board of the Salvation Army, Fellowship of Christian Athletes, Camp Fire Girls and Boy Scouts.

Brother Brown's first exposure to Freemasonry was when he joined the Order of DeMolay in Oklahoma in high school and as an adult received the DeMolay Legion of Honor. Brother Brown joined the fraternity of Masons when he received the Entered Apprentice Degree in St. James Lodge No. 47 on July 22, 1971. He received the Fellowcraft Degree on September 23, 1971 and was raised to the Sublime Degree of Master Mason on October 28, 1971. He served St. James Lodge No. 47 as Worshipful Master in 1991.

He was appointed as Grand Junior Deacon in 1993 by M:W: H. Leo Key and as Grand Senior Deacon in 1994 by M:W: Thomas J. Pittman, Jr. At the Grand Lodge session in February 1995, he was elected as Grand Junior Warden. He continued through the elected line and was elected as Grand Master of Masons in Louisiana in February, 1998.

After his year as Grand Master, he served as an elected member of the Board of Trustees for Masonic Charities and the Masonic Home Educational Foundation, Inc. He also served as Chairman of the Masonic Law and Jurisprudence Committee for M:W: Harold Ballard and served a number of years on the Grand Attorneys committee and the Gifts, Wills, and Legacies committee and as Grand Representative to the Grand Lodge of Oklahoma.

Bro. Brown was a member of both the Baton Rouge Scottish Rite Bodies and the York Rite Bodies in Baton Rouge. In the Scottish Rite, he received the KCCH investiture on November 26, 1983 and was coronated a 33° Inspector General, Honorary on November 16, 1991. He served as Venerable Master of the Baton Rouge Lodge of Perfection and as Chairman of the Baton Rouge Scottish Rite Childhood Learning Center. Bro. Brown was also a member of St. Charles Conclave of the Red Cross of Constantine

Bill had a great personality and never met a stranger. He greeted everyone with a firm hand shake and a personal word of interest. He always had a joke to tell but could be very serious when the time required it. He was a good friend.

Bro. Brown is survived by his daughter, Laurie Brown Besselman and her husband, Charles P. Besselman; his grandsons, Charles P. Besselman, Jr., William Brown Besselman, and Benjamin M. R. Besselman; and his sister, Mary Kay Martin. He was preceded in death by his wife, Mary Ann Adcock Brown; his parents and two brothers, Bobby G. Brown and Richard L. Brown.

Today we remember and pay tribute to an athlete, soldier, jurist, friend, and Freemason. Alas, my brother. Until we meet on that other shore.

September 21, 1934 - May 19, 2022

M: W: Guillot passed away May 19, 2022. He was 87 years old. He was a native of Plaquemine and a resident of Baton Rouge. He served in the United States Army and was an employee of Dow Chemical Company with 34 years of service. After retirement he and Monica were able to get in some traveling. Bev and Monica are survived by Daughter, Stacie George, son Gregg Guillot and wife Carrie, four grandchildren, and two great grandchildren. Bro. Bev is buried in Resthaven Garden of Memory.

Bro. Bev was raised a Master Mason in Fairfields Lodge #425 on January 14, 1969. This began an active 53 years of service in The Masonic Lodge. He was also an active member of the York Rite and Scottish Rite Bodies.

In the Grand Lodge he served as a grand representative seventeen years, Grand Junior Deacon, Grand Senior Deacon twice and Grand Marshal before being elected Grand Junior Warden in 2008. He was elected Grand Master in 2011.

Now on a personal note: We would be joking and he would say, "Look big boy I can still take you on." The one time I went by bye to pick him up to go to a meeting, he walked out to the driver's side. I asked are still going? His answer was, "in that truck? Do you think I'm going to ride in an Alabama Red truck? He did.

He was a great friend and brother to me. I miss him.

Alas my brother.
